## FISCAL ANALYSIS

### ASSUMPTION

Officials at the **Platte County Board of Election Commission** assume there could be a savings of \$1,000 to \$5,000 for any district requiring a recount of the vote. Additional savings of \$25 to \$5,000 to a city or town not requiring an election.

Officials at the **Lawrence County** assume that there is no fiscal impact from this proposal.

Officials from the **Office of the Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

Officials at the following board of election commissions: Kansas City Board of Election Commission, St. Louis City Board of Election Commission, Clay County Board of Election Commission, Jackson County Board of Election Commission and St. Louis County Board of Election Commission did not respond to **Oversight's** request for fiscal impact.

Officials at the following counties: Andrew, Barry, Bates, Boone, Buchanan, Butler, Callaway, Camden, Cape Girardeau, Carroll, Cass, Clay, Cole, Cooper, DeKalb, Franklin, Greene, Hickory, Holt, Jackson, Jasper, Jefferson, Johnson, Knox, Laclede, Lafayette, Lincoln, Marion, Miller, Moniteau, Monroe, Montgomery, New Madrid, Nodaway, Ozark, Pemiscot, Perry, Phelps, Platte, Pulaski, Scott, St. Charles, St. Louis, St. Francois, Taney, Texas, Warren, and Webster did not respond to **Oversight's** request for fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
