FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the State Auditor** assume the proposal will have no fiscal impact on their organization.

Officials from the **Department of Revenue - License Offices Bureau (LOB)** will work with Office of Administration (OA) to amend existing license office contracts awarded to not-for-profit organizations to include the annual report requirement and will ensure the report is submitted timely each year. LOB will work with OA to revise future RFPs and bid evaluation procedures to provide for the preference and additional points referenced in this legislation. This will be minimal impact.

Officials from the **Office of the Secretary of State (SOS)** assume many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the Secretary of State's Office for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, we also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, we reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials from the **Joint Committee on Administrative Rules** state this legislation is not anticipated to cause a fiscal impact beyond its current appropriation.

<u>FISCAL IMPACT - State Government</u>	FY 2013 (10 Mo.)	FY 2014	FY 2015

<u>FISCAL IMPACT - Local Government</u>	FY 2013 (10 Mo.)	FY 2014	FY 2015
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

Small businesses that are a not-for-profit and are located within the same community as the license office on which it is bidding will be positively affected. A small business that isn't a not-for-profit and its competing bidding is one, will be negatively affected.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
