FISCAL ANALYSIS

ASSUMPTION

Officials from **Office of the State Courts Administrator, Office of the State Public Defender, Department of Public Safety - Missouri Highway Patrol,** and the **Office of Prosecution Services** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Department of Corrections (DOC)** state this bill enhances the crime criteria of elder abuse by adding the term "undue influence" to the scope of methods that may be used to commit the outlined crimes.

The penalty provision component of this bill resulting in potential fiscal impact for DOC, is for up to a class A felony. Currently, the DOC cannot predict the number of new commitments which may result from the enhancement of the offense(s) outlined in this proposal. An increase in commitments depends on the utilization by prosecutors and the actual sentences imposed by the court.

If additional persons are sentenced to the custody of the DOC due to the provisions of this legislation, the DOC will incur a corresponding increase in direct offender cost either through incarceration (FY11 average of \$16.878 per offender, per day, or an annual cost of \$6,160 per inmate) or through supervision provided by the Board of Probation and Parole (FY11 average of \$5.12 per offender, per day or an annual cost of \$1,869 per offender).

In summary, supervision by the DOC through probation or incarceration would result in additional unknown costs to the department. Seventeen (17) persons would have to be incarcerated per each fiscal year to exceed \$100,000 annually. Due to the narrow scope of this new crime, it is assumed the impact would be less than \$100,000 per year for the DOC.

In response to a very similar proposal from this year (SB 689), officials from DOC assumed the proposal would not fiscally impact their agency. Therefore, **Oversight** will assume this proposal will not fiscally impact the Department of Corrections or the state.

FISCAL DESCRIPTION
