ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions, and Professional Registration**, the **Department of Health and Senior Services**, and the **Harrison County Health Department** assume the proposal will have no fiscal impact on their organizations.

Officials from the **Tri-County Health Department** state the proposal would result in some expense as it relates to the time it would take to explain about the ingredients in the vaccine. However, it is assumed to be a minimal expense.

No other Local Public Health Agencies responded to **Oversight's** request for a statement of fiscal impact.
