18 beginning the year of death of the public safety officer spouse until the tax year in which the
19 surviving spouse remarries. No credit shall be allowed for the tax year in which the surviving
20 spouse remarries. If the amount allowable as a credit exceeds the income tax reduced by other
21 credits, then the excess shall be considered an overpayment of the income tax.

22 3. The department of revenue shall promulgate rules to implement the provisions of this
23 section.

24 4. Any rule or portion of a rule, as that term is defined in section 536.010, that is created
25 under the authority delegated in this section shall become effective only if it complies with and
26 is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section
27 and chapter 536 are nonseverable and if any of the powers vested with the general assembly
28 pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule
29 are subsequently held unconstitutional, then the grant of rulemaking authority and any rule
30 proposed or adopted after August 28, 2007, shall be invalid and void.

32 (1) [The provisions of the new program authorized under this section shall automatically
33 sunset six years after August 28, 2007, unless reauthorized by an act of the general assembly; and

34 (2) If such program is reauthorized,] The program authorized under this section shall
35 [automatically sunset twelve years after the effective date of the reauthorization of this section]
36 **expire on December 31, 2017, unless reauthorized by the general assembly.**
37 **Reauthorization may occur by the passage of a bill or a concurrent resolution adopted by**
38 **the general assembly under bill passage and presentment requirements. Reauthorization**
39 **may be for any period up to four years after the date of the sunset. The general assembly**
40 **may reauthorize more than once; and**

41 [(3)] (2) This section shall terminate on September first of the calendar year immediately
42 following the calendar year in which the program authorized under this section is sunset; **and**

43 (3) **The provisions of this subsection shall not be construed to limit or in any way**
44 **impair the department's ability to issue tax credits authorized on or before the date the**
45 **program authorized under this section expires or a taxpayer's ability to redeem such tax**
46 **credits.**

135.327. 1. As used in this section, the following terms shall mean:

13 days, for children who may be at risk for child abuse, neglect, or in an emergency situation;

14 (5) "Department", the department of revenue;

15 (6) "Director", the director of the department of revenue;

16 (7) "Qualified agency", CASA, child advocacy centers, or a crisis care center;

17 (8) "Tax liability", the tax due under chapter 143 other than taxes withheld under
18 sections 143.191 to 143.265.

19 2. Any person residing in this state who legally adopts a special needs child on or after
20 January 1, 1988, and before January 1, 2000, shall be eligible to receive a tax credit of up to ten
21 thousand dollars for nonrecurring adoption expenses for each child adopted that may be applied
22 to taxes due under chapter 143. Any business entity providing funds to an employee to enable
23 that employee to legally adopt a special needs child shall be eligible to receive a tax credit of up
24 to ten thousand dollars for nonrecurring adoption expenses for each child adopted that may be
25 applied to taxes due under such business entity's state tax liability, except that only one ten
26 thousand dollar credit is available for each special needs child that is adopted.

27 3. Any person residing in this state who proceeds in good faith with the adoption of a
28 special needs child on or after January 1, 2000, shall be eligible to receive a tax credit of up to
29 ten thousand dollars for nonrecurring adoption expenses for each child that may be applied to
30 taxes due under chapter 143; provided, however, that beginning on or after July 1, 2004, two
31 million dollars of the tax credits allowed shall be allocated for the adoption of special needs
32 children who are residents or wards of residents of this state at the time the adoption is initiated.
33 Any business entity providing funds to an employee to enable that employee to proceed in good
34 faith with the adoption of a special needs child shall be eligible to receive a tax credit of up to
35 ten thousand dollars for nonrecurring adoption expenses for each child that may be applied to
36 taxes due under such business entity's state tax liability, except that only one ten thousand dollar
37 credit is available for each special needs child that is adopted.

38 4. Individuals and business entities may claim a tax credit for their total nonrecurring
39 adoption expenses in each year that the expenses are incurred. A claim for fifty percent of the

40 credit shall be allowed when the child is placed in the home. A claim for the remaining fifty
41 percent shall be allowed when the adoption is final. The total of these tax credits shall not
42 exceed the maximum limit of ten thousand dollars per child. The cumulative amount of tax
43 credits which may be claimed by taxpayers claiming the credit for nonrecurring adoption
44 expenses in any one fiscal year prior to July 1, 2004, shall not exceed two million dollars. The
45 cumulative amount of tax credits that may be claimed by taxpayers claiming the credit for
46 nonrecurring adoption expenses shall not be more than four million dollars but may be increased
47 by appropriation in any fiscal year beginning on or after July 1, 2004; provided, however, that
48 by December thirty-first following each July, if less than two million dollars in credits have been
49 issued for adoption of special needs children who are not residents or wards of residents of this
50 state at the time the adoption is initiated, the remaining amount of the cap shall be available for
51 the adoption of special needs children who are residents or wards of residents of this state at the
52 time the adoption is initiated. For all fiscal years beginning on or after July 1, 2006, applications
53 to claim the adoption tax credit for special needs children who are residents or wards of residents
54 of this state at the time the adoption is initiated shall be filed between July first and April
55 fifteenth of each fiscal year. For all fiscal years beginning on or after July 1, 2006, applications
56 to claim the adoption tax credit for special needs children who are not residents or wards of
57 residents of this state at the time the adoption is initiated shall be filed between July first and
58 December thirty-first of each fiscal year.

59 5. Notwithstanding any provision of law to the contrary, any individual or business entity
60 may assign, transfer or sell tax credits allowed in this section. Any sale of tax credits claimed
61 pursuant to this section shall be at a discount rate of seventy-five percent or greater of the amount
62 sold.

63 6. The director of revenue shall establish a procedure by which, for each fiscal year, the
64 cumulative amount of tax credits authorized in this section is equally apportioned among all
65 taxpayers within the two categories specified in subsection 3 of this section claiming the credit
66 in that fiscal year. To the maximum extent possible, the director of revenue shall establish the
67 procedure described in this subsection in such a manner as to ensure that taxpayers within each
68 category can claim all the tax credits possible up to the cumulative amount of tax credits
69 available for the fiscal year.

70 7. For all tax years beginning on or after January 1, 2006, a tax credit may be claimed
71 in an amount equal to up to fifty percent of a verified contribution to a qualified agency and shall
72 be named the children in crisis tax credit. The minimum amount of any tax credit issued shall
73 not be less than fifty dollars and shall be applied to taxes due under chapter 143, excluding
74 sections 143.191 to 143.265. A contribution verification shall be issued to the taxpayer by the
75 agency receiving the contribution. Such contribution verification shall include the taxpayer's

76 name, Social Security number, amount of tax credit, amount of contribution, the name and
77 address of the agency receiving the credit, and the date the contribution was made. The tax credit
78 provided under this subsection shall be initially filed for the year in which the verified
79 contribution is made.

80 8. The cumulative amount of the tax credits redeemed shall not exceed the unclaimed
81 portion of the resident adoption category allocation as described in this section. The director of
82 revenue shall determine the unclaimed portion available. The amount available shall be equally
83 divided among the three qualified agencies: CASA, child advocacy centers, or crisis care centers
84 to be used towards tax credits issued. In the event tax credits claimed under one agency do not
85 total the allocated amount for that agency, the unused portion for that agency will be made
86 available to the remaining agencies equally. In the event the total amount of tax credits claimed
87 for any one agency exceeds the amount available for that agency, the amount redeemed shall and
88 will be apportioned equally to all eligible taxpayers claiming the credit under that agency. After
89 all children in crisis tax credits have been claimed, any remaining unclaimed portion of the
90 reserved allocation for adoptions of special needs children who are residents or wards of
91 residents of this state shall then be made available for adoption tax credit claims of special needs
92 children who are not residents or wards of residents of this state at the time the adoption is
93 initiated.

94 9. Prior to December thirty-first of each year, [the entities listed under the definition of]
95 **each** qualified agency shall apply to the department of social services in order to verify their
96 qualified agency status. Upon a determination that the agency is eligible to be a qualified
97 agency, the department of social services shall provide a letter of eligibility to such agency. No
98 later than February first of each year, the department of social services shall provide a list of
99 qualified agencies to the department of revenue. All tax credit applications to claim the children
100 in crisis tax credit shall be filed between July first and April fifteenth of each fiscal year. A
101 taxpayer shall apply for the children in crisis tax credit by attaching a copy of the contribution
102 verification provided by a qualified agency to such taxpayer's income tax return.

103 10. The tax credits provided under this section shall be subject to the provisions of
104 section 135.333.

105 11. (1) In the event a credit denial, due to lack of available funds, causes a balance-due
106 notice to be generated by the department of revenue, or any other redeeming agency, the taxpayer
107 will not be held liable for any penalty or interest, provided the balance is paid, or approved
108 payment arrangements have been made, within sixty days from the notice of denial.

109 (2) In the event the balance is not paid within sixty days from the notice of denial, the
110 remaining balance shall be due and payable under the provisions of chapter 143.

111 12. The director shall calculate the level of appropriation necessary to issue all tax credits
112 for nonresident special needs adoptions applied for under this section and provide such
113 calculation to the speaker of the house of representatives, the president pro tempore of the senate,
114 and the director of the division of budget and planning in the office of administration by January
115 thirty-first of each year.

116 13. The department may promulgate such rules or regulations as are necessary to
117 administer the provisions of this section. Any rule or portion of a rule, as that term is defined
118 in section 536.010, that is created under the authority delegated in this section shall become
119 effective only if it complies with and is subject to all of the provisions of chapter 536 and, if
120 applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the
121 powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective
122 date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of
123 rulemaking authority and any rule proposed or adopted after August 28, 2006, shall be invalid
124 and void.

125 14. Pursuant to section 23.253 of the Missouri sunset act:

126 (1) [The provisions of the new program authorized under subsections 7 to 12 of this
127 section shall automatically sunset six years after August 28, 2006, unless reauthorized by an act
128 of the general assembly; and

129 (2) If such program is reauthorized,] The program authorized under **subsections 7 to 12**
130 **of this section shall [automatically sunset twelve years after the effective date of the**
131 **reauthorization of this section] expire on December 31, 2016, unless reauthorized by the**
132 **general assembly. Reauthorization may occur by the passage of a bill or a concurrent**
133 **resolution adopted by the general assembly under bill passage and presentment**
134 **requirements. Reauthorization may be for any period up to four years after the date of the**
135 **sunset. The general assembly may reauthorize more than once; and**

136 [(3)] (2) This section shall terminate on September first of the calendar year immediately
137 following the calendar year in which the program authorized under this section is sunset; **and**

138 (3) **The provisions of this subsection shall not be construed to limit or in any way**
139 **impair the department's ability to issue tax credits authorized on or before the date the**
140 **program authorized under subsections 7 to 12 of this section expires or a taxpayer's ability**
141 **to redeem such tax credits.**

135.535. 1. A corporation, limited liability corporation, partnership or sole
2 proprietorship, which moves its operations from outside Missouri or outside a distressed
3 community into a distressed community, or which commences operations in a distressed
4 community on or after January 1, 1999, and in either case has more than seventy-five percent of
5 its employees at the facility in the distressed community, and which has fewer than one hundred

11 pursuant to sections 143.191 to 143.265, for each of the three years after such move, if approved
12 by the department of economic development, which shall issue a certificate of eligibility if the
13 department determines that the taxpayer is eligible for such credit. The maximum amount of
14 credits per taxpayer set forth in this subsection shall not exceed one hundred twenty-five
15 thousand dollars for each of the three years for which the credit is claimed. The department of
16 economic development, by means of rule or regulation promulgated pursuant to the provisions
17 of chapter 536, shall assign appropriate North American Industry Classification System numbers
18 to the companies which are eligible for the tax credits provided for in this section. Such
19 three-year credits shall be awarded only one time to any company which moves its operations
20 from outside of Missouri or outside of a distressed community into a distressed community or
21 to a company which commences operations within a distressed community. A taxpayer shall file
22 an application for certification of the tax credits for the first year in which credits are claimed and
23 for each of the two succeeding taxable years for which credits are claimed.

24 2. Employees of such facilities physically working and earning wages for that work
25 within a distressed community whose employers have been approved for tax credits pursuant to
26 subsection 1 of this section by the department of economic development for whom payroll taxes
27 are paid shall also be eligible to receive a tax credit against individual income tax, imposed
28 pursuant to chapter 143, equal to one and one-half percent of their gross salary paid at such
29 facility earned for each of the three years that the facility receives the tax credit provided by this
30 section, so long as they were qualified employees of such entity. The employer shall calculate
31 the amount of such credit and shall report the amount to the employee and the department of
32 revenue.

33 3. A tax credit against income taxes owed pursuant to chapter 143, 147 or 148, other than
34 the taxes withheld pursuant to sections 143.191 to 143.265, in lieu of the credit against income
35 taxes as provided in subsection 1 of this section, may be taken by such an entity in a distressed
36 community in an amount of forty percent of the amount of funds expended for computer
37 equipment and its maintenance, medical laboratories and equipment, research laboratory
38 equipment, manufacturing equipment, fiber optic equipment, high speed telecommunications,

46 receive a tax credit against income taxes owed pursuant to chapters 143, 147 and 148 in an
47 amount equal to the lesser of seventy-five thousand dollars or twenty-five percent of the funds

52 distressed community and that relocates employees from another facility outside of the distressed
53 community to its facility within the distressed community, and an existing business located
54 within a distressed community that hires new employees for that facility may both be eligible for
55 the tax credits allowed by subsections 1 and 3 of this section. To be eligible for such tax credits,
56 such a business, during one of its tax years, shall employ within a distressed community at least
57 twice as many employees as were employed at the beginning of that tax year. A business hiring

68 extent there are available tax credits remaining under the ten million dollar cap provided in this
69 section, up to one hundred thousand dollars in the remaining credits shall first be used for tax
70 credits authorized under section 135.562.] The total maximum credit for all entities already
71 located in distressed communities and claiming credits pursuant to subsection 4 of this section
72 shall be seven hundred and fifty thousand dollars. The department of economic development in
73 approving taxpayers for the credit as provided for in subsection 6 of this section shall use
74 information provided by the department of revenue regarding taxes paid in the previous year, or
75 projected taxes for those entities newly established in the state, as the method of determining
76 when this maximum will be reached and shall maintain a record of the order of approval. Any

77 tax credit not used in the period for which the credit was approved may be carried over until the
78 full credit has been allowed.

79 8. A Missouri employer relocating into a distressed community and having employees
80 covered by a collective bargaining agreement at the facility from which it is relocating shall not
81 be eligible for the credits in subsection 1, 3, 4 or 5 of this section, and its employees shall not be
82 eligible for the credit in subsection 2 of this section if the relocation violates or terminates a
83 collective bargaining agreement covering employees at the facility, unless the affected collective
84 bargaining unit concurs with the move.

85 9. Notwithstanding any provision of law to the contrary, no taxpayer shall earn the tax
86 credits allowed in this section and the tax credits otherwise allowed in section 135.110, or the
87 tax credits, exemptions, and refund otherwise allowed in sections 135.200, 135.220, 135.225 and
88 135.245, respectively, for the same business for the same tax period.

3 principal dwelling accessible to an individual with a disability who permanently resides with the
4 taxpayer, such taxpayer shall receive a tax credit against such taxpayer's Missouri income tax
5 liability in an amount equal to the lesser of one hundred percent of such costs or two thousand
6 five hundred dollars per taxpayer, per tax year.

7 2. Any taxpayer with a federal adjusted gross income greater than thirty thousand dollars
8 but less than sixty thousand dollars who incurs costs for the purpose of making all or any portion
9 of such taxpayer's principal dwelling accessible to an individual with a disability who
10 permanently resides with the taxpayer shall receive a tax credit against such taxpayer's Missouri
11 income tax liability in an amount equal to the lesser of fifty percent of such costs or two thousand
12 five hundred dollars per taxpayer per tax year. No taxpayer shall be eligible to receive tax credits
13 under this section in any tax year immediately following a tax year in which such taxpayer
14 received tax credits under the provisions of this section.

15 3. Tax credits issued pursuant to this section may be refundable in an amount not to
16 exceed two thousand five hundred dollars per tax year.

25 (8) Modifying hardware of doors; or

26 (9) Modifying bathrooms.

27 5. The tax credits allowed, including the maximum amount that may be claimed,
28 pursuant to this section shall be reduced by an amount sufficient to offset any amount of such
29 costs a taxpayer has already deducted from such taxpayer's federal adjusted gross income or to
30 the extent such taxpayer has applied any other state or federal income tax credit to such costs.

31 6. A taxpayer shall claim a credit allowed by this section in the same taxable year as the
32 credit is issued, and at the time such taxpayer files his or her Missouri income tax return;
33 provided that such return is timely filed.

34 7. The department may, in consultation with the department of social services,
35 promulgate such rules or regulations as are necessary to administer the provisions of this section.
36 Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the
37 authority delegated in this section shall become effective only if it complies with and is subject
38 to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
39 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant
40 to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are
41 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed
42 or adopted after August 28, 2007, shall be invalid and void.

43 8. The provisions of this section shall apply to all tax years beginning on or after January
44 1, 2008.

45 9. The provisions of this section shall expire on December 31, [2013] **2017, unless**
46 **reauthorized by the general assembly. Reauthorization may occur by the passage of a bill**
47 **or a concurrent resolution adopted by the general assembly under bill passage and**
48 **presentment requirements. Reauthorization may be for any period up to four years after**
49 **the date of the sunset. The general assembly may reauthorize more than once. This section**
50 **shall terminate on September first of the calendar year immediately following the calendar**
51 **year in which the program authorized under this section is sunset. The provisions of this**
52 **subsection shall not be construed to limit or in any way impair the department's ability to**
53 **issue tax credits authorized on or before the date the program authorized under this**
54 **section expires or a taxpayer's ability to redeem such tax credits.**

55 10. In no event shall the aggregate amount of all tax credits allowed pursuant to this
56 section exceed one hundred thousand dollars in any given fiscal year. The tax credits issued
57 pursuant to this section shall be on a first-come, first-served filing basis.

- 36 2. For all tax years beginning on or after January 1, 2007, a taxpayer shall be allowed to
- 37 claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of
- 38 the amount such taxpayer contributed to a pregnancy resource center.

39 3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's
40 state tax liability for the taxable year for which the credit is claimed, and such taxpayer shall not
41 be allowed to claim a tax credit in excess of fifty thousand dollars per taxable year. However,
42 any tax credit that cannot be claimed in the taxable year the contribution was made may be
43 carried over to the next four succeeding taxable years until the full credit has been claimed.

44 4. Except for any excess credit which is carried over pursuant to subsection 3 of this
45 section, a taxpayer shall not be allowed to claim a tax credit unless the total amount of such
46 taxpayer's contribution or contributions to a pregnancy resource center or centers in such
47 taxpayer's taxable year has a value of at least one hundred dollars.

48 5. The director shall determine, at least annually, which facilities in this state may be
49 classified as pregnancy resource centers. The director may require of a facility seeking to be
50 classified as a pregnancy resource center whatever information which is reasonably necessary
51 to make such a determination. The director shall classify a facility as a pregnancy resource
52 center if such facility meets the definition set forth in subsection 1 of this section.

53 6. The director shall establish a procedure by which a taxpayer can determine if a facility
54 has been classified as a pregnancy resource center. Pregnancy resource centers shall be permitted
55 to decline a contribution from a taxpayer. The cumulative amount of tax credits which may be

58 received.

59 7. The director shall establish a procedure by which, from the beginning of the fiscal year
60 until some point in time later in the fiscal year to be determined by the director, the cumulative
61 amount of tax credits are equally apportioned among all facilities classified as pregnancy
62 resource centers. If a pregnancy resource center fails to use all, or some percentage to be
63 determined by the director, of its apportioned tax credits during this predetermined period of
64 time, the director may reapportion these unused tax credits to those pregnancy resource centers
65 that have used all, or some percentage to be determined by the director, of their apportioned tax
66 credits during this predetermined period of time. The director may establish more than one
67 period of time and reapportion more than once during each fiscal year. To the maximum extent
68 possible, the director shall establish the procedure described in this subsection in such a manner
69 as to ensure that taxpayers can claim all the tax credits possible up to the cumulative amount of
70 tax credits available for the fiscal year.

71 8. Each pregnancy resource center shall provide information to the director concerning
72 the identity of each taxpayer making a contribution to the pregnancy resource center who is
73 claiming a tax credit pursuant to this section and the amount of the contribution. The director
74 shall provide the information to the director of revenue. The director shall be subject to the

75 confidentiality and penalty provisions of section 32.057 relating to the disclosure of tax
76 information.

77 9. [Notwithstanding any other law to the contrary, any tax credits granted under this
78 section may be assigned, transferred, sold, or otherwise conveyed without consent or approval.
79 Such taxpayer, hereinafter the assignor for purposes of this section, may sell, assign, exchange,
80 or otherwise transfer earned tax credits:

87 [automatically sunset twelve years after the effective date of the reauthorization of this section]
88 **expire on December 31, 2016, unless reauthorized by the general assembly.**

90 **the general assembly under bill passage and presentment requirements. Reauthorization**
91 **may be for any period up to four years after the date of the sunset. The general assembly**
92 **may reauthorize more than once; and**

94 following the calendar year in which a program authorized under this section is sunset; **and**

95 (3) **The provisions of this subsection shall not be construed to limit or in any way**
96 **impair the department's ability to issue tax credits authorized on or before the date the**
97 **program authorized under this section expires or a taxpayer's ability to redeem such tax**
98 **credits.**

135.647. 1. As used in this section, the following terms shall mean:

2 (1) "Local food pantry", any food pantry that is:

3 (a) Exempt from taxation under section 501(c)(3) of the Internal Revenue Code of 1986,
4 as amended; and

12 or food, unless such food is donated after the food's expiration date, to any local food pantry shall

13 be allowed a credit against the tax otherwise due under chapter 143, excluding withholding tax
14 imposed by sections 143.191 to 143.265, in an amount equal to fifty percent of the value of the
15 donations made to the extent such amounts that have been subtracted from federal adjusted gross
16 income or federal taxable income are added back in the determination of Missouri adjusted gross
17 income or Missouri taxable income before the credit can be claimed. Each taxpayer claiming
18 a tax credit under this section shall file an affidavit with the income tax return verifying the
19 amount of their contributions. The amount of the tax credit claimed shall not exceed the amount
20 of the taxpayer's state tax liability for the tax year that the credit is claimed, and shall not exceed
21 two thousand five hundred dollars per taxpayer claiming the credit. Any amount of credit that
22 the taxpayer is prohibited by this section from claiming in a tax year shall not be refundable, but
23 may be carried forward to any of the taxpayer's three subsequent taxable years. No tax credit
24 granted under this section shall be transferred, sold, or assigned. No taxpayer shall be eligible

26 authorized to work in the United States under federal law.

27 3. The cumulative amount of tax credits under this section which may be allocated to all
28 taxpayers contributing to a local food pantry in any one fiscal year shall not exceed two million
29 dollars. The director of revenue shall establish a procedure by which the cumulative amount of
30 tax credits is apportioned among all taxpayers claiming the credit by April fifteenth of the fiscal
31 year in which the tax credit is claimed. To the maximum extent possible, the director of revenue
32 shall establish the procedure described in this subsection in such a manner as to ensure that
33 taxpayers can claim all the tax credits possible up to the cumulative amount of tax credits
34 available for the fiscal year.

35 4. Any local food pantry may accept or reject any donation of food made under this
36 section for any reason. For purposes of this section, any donations of food accepted by a local
37 food pantry shall be valued at fair market value, or at wholesale value if the taxpayer making the
38 donation of food is a retail grocery store, food broker, wholesaler, or restaurant.

39 5. The department of revenue shall promulgate rules to implement the provisions of this
40 section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created
41 under the authority delegated in this section shall become effective only if it complies with and
42 is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section
43 and chapter 536 are nonseverable and if any of the powers vested with the general assembly
44 pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule
45 are subsequently held unconstitutional, then the grant of rulemaking authority and any rule
46 proposed or adopted after August 28, 2007, shall be invalid and void.

47 6. Under section 23.253 of the Missouri sunset act:

48 (1) [The provisions of the new program authorized under this section shall automatically
49 sunset four years after August 28, 2007, unless reauthorized by an act of the general assembly;

52 [automatically sunset twelve years after the effective date of the reauthorization of this section]
53 **expire on December 31, 2016, unless reauthorized by the general assembly.**
54 **Reauthorization may occur by the passage of a bill or a concurrent resolution adopted by**
55 **the general assembly under bill passage and presentment requirements. Reauthorization**
56 **may be for any period up to four years after the date of the sunset. The general assembly**
57 **may reauthorize more than once; and**

58 [(3)] (2) This section shall terminate on September first of the calendar year immediately
59 following the calendar year in which the program authorized under this section is sunset; **and**

60 **(3) The provisions of this subsection shall not be construed to limit or in any way**

11 **include, but are not limited to, increasing the quality of care and service for persons with**
12 **developmental disabilities through improved employee compensation and training;**

13 (4) **"Qualified developmental disability care provider" or "provider", a care**
14 **provider that provides assistance to persons with developmental disabilities, and is under**

15 contract with the Missouri department of social services or department of mental health
16 to provide treatment services for such persons, and that receives eligible donations. Any
17 provider that operates more than one facility or at more than one location shall be eligible
18 for the tax credit under this section only for any eligible donation made to facilities or
19 locations of the provider which are licensed and accredited;

20 (5) "Taxpayer", any of the following individuals or entities who make an eligible
21 donation to a provider:

22 (a) A person, firm, partner in a firm, corporation, or a shareholder in an S
23 corporation doing business in the state of Missouri and subject to the state income tax
24 imposed in chapter 143;

25 (b) A corporation subject to the annual corporation franchise tax imposed in
26 chapter 147;

27 (c) An insurance company paying an annual tax on its gross premium receipts in
28 this state;

29 (d) Any other financial institution paying taxes to the state of Missouri or any
30 political subdivision of this state under chapter 148;

31 (e) An individual subject to the state income tax imposed in chapter 143;

32 (f) Any charitable organization which is exempt from federal income tax and whose
33 Missouri unrelated business taxable income, if any, would be subject to the state income
34 tax imposed under chapter 143.

35 3. For all taxable years beginning on or after January 1, 2012, any taxpayer shall
36 be allowed a credit against the taxes otherwise due under chapter 143, 147, or 148
37 excluding withholding tax imposed by sections 143.191 to 143.265 in an amount equal to
38 fifty percent of the amount of an eligible donation, subject to the restrictions in this section.
39 The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state
40 income tax liability in the tax year for which the credit is claimed. Any amount of credit
41 that the taxpayer is prohibited by this section from claiming in a tax year shall not be
42 refundable, but may be carried forward to any of the taxpayer's four subsequent taxable
43 years.

44 4. To claim the credit authorized in this section, a provider shall submit to the
45 department an application for the tax credit authorized by this section on behalf of
46 taxpayers. The department shall verify that the provider has submitted the following items
47 accurately and completely:

48 (1) A valid application in the form and format required by the department;

49 (2) A statement attesting to the eligible donation received, which shall include the
50 name and taxpayer identification number of the individual making the eligible donation,

51 the amount of the eligible donation, and the date the eligible donation was received by the
52 provider; and

53 (3) Payment from the provider equal to the value of the tax credit for which
54 application is made. If the provider applying for the tax credit meets all criteria required
55 by this subsection, the department shall issue a certificate in the appropriate amount.

56 5. Tax credits issued under this section may be assigned, transferred, sold, or
57 otherwise conveyed, and the new owner of the tax credit shall have the same rights in the
58 credit as the taxpayer. Whenever a certificate is assigned, transferred, sold, or otherwise
59 conveyed, a notarized endorsement shall be filed with the department specifying the name
60 and address of the new owner of the tax credit or the value of the credit.

61 6. The department shall promulgate rules to implement the provisions of this
62 section. Any rule or portion of a rule, as that term is defined in section 536.010, that is
63 created under the authority delegated in this section shall become effective only if it
64 complies with and is subject to all of the provisions of chapter 536, and, if applicable,
65 section 536.028. This section and chapter 536, are nonseverable and if any of the powers
66 vested with the general assembly pursuant to chapter 536, to review, to delay the effective
67 date, or to disapprove and annul a rule are subsequently held unconstitutional, then the
68 grant of rulemaking authority and any rule proposed or adopted after the effective date
69 of this act, shall be invalid and void.

70 7. Under section 23.253 of the Missouri sunset act:

71 (1) The provisions of the new program authorized under this section shall
72 automatically sunset on December 31, 2016, unless reauthorized by an act of the general
73 assembly. Reauthorization may occur by the passage of a bill or a concurrent resolution
74 adopted by the general assembly under bill passage and presentment requirements.
75 Reauthorization may be for any period up to four years after the date of the sunset. The
76 general assembly may reauthorize more than once; and

77 (2) If such program is reauthorized, the program authorized under this section
78 shall automatically sunset on December thirty-first four years after the effective date of the
79 reauthorization of this section; and

80 (3) This section shall terminate on September first of the calendar year immediately
81 following the calendar year in which the program authorized under this section is sunset;
82 and

83 (4) The provisions of this subsection shall not be construed to limit or in any way
84 impair the department's ability to issue tax credits authorized on or before the date the
85 program authorized under this section expires or a taxpayer's ability to redeem such tax
86 credits.

Section B. Because immediate action is necessary to provide food for poor and hungry
2 people in this state, the repeal and reenactment of section 135.647 of this act is deemed necessary
3 for the immediate preservation of the public health, welfare, peace, and safety, and is hereby
4 declared to be an emergency act within the meaning of the constitution, and the repeal and
5 reenactment of section 135.647 of this act shall be in full force and effect upon its passage and
6 approval.
