304.120. 1. Municipalities, by ordinance, may establish reasonable speed regulations 2 for motor vehicles within the limits of such municipalities. No person who is not a resident of 3 such municipality and who has not been within the limits thereof for a continuous period of more 4 than forty-eight hours, shall be convicted of a violation of such ordinances, unless it is shown 5 by competent evidence that there was posted at the place where the boundary of such 6 municipality joins or crosses any highway a sign displaying in black letters not less than four 7 inches high and one inch wide on a white background the speed fixed by such municipality so 8 that such sign may be clearly seen by operators and drivers from their vehicles upon entering 9 such municipality.

10 2. Municipalities, by ordinance, may:

11 (1) Make additional rules of the road or traffic regulations to meet their needs and traffic 12 conditions;

13 (2) Establish one-way streets and provide for the regulation of vehicles thereon;

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

14 (3) Require vehicles to stop before crossing certain designated streets and boulevards;

15 (4) Limit the use of certain designated streets and boulevards to passenger vehicles,
16 **except that each municipality shall allow at least one street, with lawful traffic movement**
17 **and access from both directions, to be available for use by commercial vehicles to access**
18 **any roads in the state highway system. Under no circumstances shall the provisions of this**
19 **subdivision be construed to authorize municipalities to limit the use of all streets in the**
20 **municipality;**

21 (5) Prohibit the use of certain designated streets to vehicles with metal tires, or solid
22 rubber tires;

23 (6) Regulate the parking of vehicles on streets by the installation of parking meters for
24 limiting the time of parking and exacting a fee therefor or by the adoption of any other regulatory
25 method that is reasonable and practical, and prohibit or control left-hand turns of vehicles;

26 (7) Require the use of signaling devices on all motor vehicles; and

27 (8) Prohibit sound producing warning devices, except horns directed forward.

28 3. No ordinance shall be valid which contains provisions contrary to or in conflict with
29 this chapter, except as herein provided.

30 4. No ordinance shall impose liability on the owner-lessor of a motor vehicle when the
31 vehicle is being permissively used by a lessee and is illegally parked or operated if the registered
32 owner-lessor of such vehicle furnishes the name, address and operator's license number of the
33 person renting or leasing the vehicle at the time the violation occurred to the proper municipal
34 authority within three working days from the time of receipt of written request for such
35 information. Any registered owner-lessor who fails or refuses to provide such information
36 within the period required by this subsection shall be liable for the imposition of any fine
37 established by municipal ordinance for the violation. Provided, however, if a leased motor
38 vehicle is illegally parked due to a defect in such vehicle, which renders it inoperable, not caused
39 by the fault or neglect of the lessee, then the lessor shall be liable on any violation for illegal
40 parking of such vehicle.

41 **5. No ordinance shall deny the use of commercial vehicles on all streets within the**
42 **municipality.**

387.040. 1. No motor carrier subject to the provisions of this chapter shall engage or
2 participate in the transportation of passengers [or household goods], between points within this
3 state, until its schedules of rates, fares and charges shall have been filed **with the state highways**
4 **and transportation commission** and published in accordance with the provisions of this
5 chapter. Any motor carrier, which shall undertake to perform any service or furnish any product
6 or commodity unless or until the rates, tolls, fares, charges, classifications and rules and
7 regulations relating thereto, applicable to such service, product or commodity, have been filed

8 with the highways and transportation commission and published in accordance with the
9 provisions of this chapter, shall be subject to forfeiture to the state pursuant to the provisions of
10 sections 390.156 to 390.176.

11 2. [Notwithstanding subsection 1 of this section, a motor carrier shall not be required to
12 file its schedules of rates, fares, and charges for shipments of household goods that are
13 transported wholly or exclusively within a commercial zone as defined in 390.020 or within a
14 commercial zone established by the highways and transportation commission pursuant to the
15 provisions of subdivision (4) of section 390.041.] **Notwithstanding any provision of this
16 chapter or chapter 390 to the contrary, a motor carrier transporting household goods in
17 intrastate commerce shall not be required to file its schedule of rates, fares, and charges
18 with the state highways and transportation commission. In lieu of filing its schedules of
19 rates, fares, charges, rules, or tolls with the state highways and transportation commission,
20 a motor carrier transporting household goods in intrastate commerce shall maintain and
21 publish its schedules of rates, fares, charges, rules, and tolls in every station or office as
22 described in subsection 3 of section 387.050 and such rates shall be available for inspection
23 by the state highways and transportation commission, shippers, and the public upon
24 request. Any motor carrier transporting household goods in intrastate commerce that fails
25 to comply with the provisions of this subsection shall be subject to forfeiture to the state
26 pursuant to the provisions of sections 390.156 to 390.176.**

387.050. 1. Every motor carrier shall file with the [division of motor carrier and railroad
2 safety] **state highways and transportation commission** and shall print and keep open to public
3 inspection schedules showing the rates, fares and charges for the transportation of passengers and
4 household goods within this state between each point upon its route and all other points thereon
5 and between each point upon its route and all points upon every route leased, operated or
6 controlled by it and between each point on its route or upon any route leased, operated or
7 controlled by it and all points upon the route of any other motor carrier, whenever a through
8 route and joint rate shall have been established or ordered between any two such points. If no
9 joint rate over a through route has been established, the several carriers in such through route
10 shall file, print and keep open to public inspection, as aforesaid, the separately established rates,
11 fares and charges applied to the through transportation. **Beginning August 28, 2012, motor
12 carriers shall not be required to file their schedules showing the rates, fares, rules, and
13 charges for the transportation of household goods within this state but shall print and keep
14 open for public inspection such schedules in accordance with this section and section
15 387.040.**

16 2. The schedules printed as aforesaid shall plainly state the places between which
17 household goods and passengers will be carried, and shall also contain the classification of

18 passengers or household goods in force, and shall also state separately all terminal charges,
19 storage charges, icing charges and all other charges which the [division] **state highways and**
20 **transportation commission** may require to be stated, all privileges or facilities granted or
21 allowed, and any rules or regulations which may in any way change, affect or determine any part
22 or the aggregate of such aforesaid rates, fares and charges, or the value of the service rendered
23 to the passenger, shipper or consignee.

24 3. Such schedules shall be plainly printed in large type, and a copy thereof shall be kept
25 by every such carrier readily accessible to and for convenient inspection by the public in every
26 station or office of such carrier where passengers or household goods are respectively received
27 for transportation, when such station or office is in charge of an agent, and in every station or
28 office of such carrier where passenger tickets for transportation or tickets covering bills of lading
29 or receipts for household goods are issued. All or any of such schedules kept as aforesaid shall
30 be immediately produced by such carrier for inspection upon the demand of any person.

31 4. A notice printed in bold type and stating that such schedules are on file with the agent
32 and open to inspection by any person and that the agent will assist any such person to determine
33 from such schedules any transportation rates or fares or rules or regulations which are in force
34 shall be kept posted by the carrier in two public and conspicuous places in every such station or
35 office.

36 5. The form of every such schedule shall be prescribed by the [division] **state highways**
37 **and transportation commission**.

38 6. The [division] **state highways and transportation commission** shall have power,
39 from time to time, in its discretion, to determine and prescribe by order such changes in the form
40 of such schedules as may be found expedient, and to modify the requirements of this section in
41 respect to publishing, posting and filing of schedules either in particular instances or by general
42 order applicable to special or peculiar circumstances or conditions.

387.080. 1. The names of the several carriers which are parties to any joint tariff shall
2 be specified therein, and each of the parties thereto, other than the one filing the same, shall file
3 with the [division of motor carrier and railroad safety] **state highways and transportation**
4 **commission** such evidence of concurrence therein or acceptance thereof as may be required or
5 approved by the [division] **state highways and transportation commission**; and where such
6 evidence of concurrence or acceptance is filed, it shall not be necessary for the carriers filing the
7 same also to file copies of the tariffs in which they are named as parties. **The provisions of this**
8 **subsection shall not apply to motor carriers of household goods. Carriers of household**
9 **goods participating in through routes or interline service shall publish joint tariffs and**
10 **evidence of concurrence or acceptance thereof or individual tariffs for each participating**
11 **carrier in accordance with sections 387.040 and 387.050.**

12 2. Every motor carrier shall file with the [division] **state highways and transportation**
13 **commission** sworn copies of every contract, agreement or arrangement with any other motor
14 carrier or motor carriers relating in any way to the transportation of passengers [or property].

15 **3. Motor carriers of household goods are prohibited from participation in any joint**
16 **tariff pursuant to the provisions of this chapter, except that this subsection shall not**
17 **prohibit joint tariffs relating to joint rates for household goods transportation over any**
18 **through routes or by interline service performed by two or more separate motor carriers.**

 387.110. [1.] No motor carrier shall make or give any undue or unreasonable preference
2 or advantage to any person or corporation or to any locality or to any particular description of
3 traffic in any respect whatsoever, or subject any particular person or corporation or locality or
4 any particular description of traffic, to any undue or unreasonable prejudice or disadvantage in
5 any respect whatsoever.

6 [2. Notwithstanding any other provision of law to the contrary, no common carrier of
7 household goods shall use any schedule of rates or charges, or both, for the transportation of
8 household goods within this state which divides this state into territorial rate areas. Any
9 schedule of rates or charges, or both, which divides, or attempts to divide, this state into
10 territorial rate areas is unjust, unreasonable, and invalid.]

387.137. The state highways and transportation commission shall establish
2 **consumer protection requirements for motor carriers transporting household goods in**
3 **intrastate commerce and establish a system for filing, logging, and responding to consumer**
4 **complaints.**

387.139. 1. The division of motor carrier services shall keep an information file
2 **about each complaint filed with it regarding the movement of household goods in intrastate**
3 **commerce. The division of motor carrier service's information file shall be kept current**
4 **and contain a record for each complaint of:**

5 **(1) All persons contacted in relation to the complaint;**

6 **(2) A summary of findings in response to the complaint;**

7 **(3) An explanation of the reason for a complaint that is dismissed; and**

8 **(4) Any other relevant information.**

9 **2. If a written complaint is filed with the division that is within the division's**
10 **jurisdiction, the division, at least as frequently as quarterly and until final disposition of**
11 **the complaint, shall notify the complainant of the status of the complaint unless the notice**
12 **would jeopardize an ongoing investigation.**

13 **3. The highways and transportation commission shall adopt by rule a form to**
14 **standardize information concerning complaints made to the division of motor carriers**
15 **regarding the transportation of household goods. The commission shall prescribe by rule**

16 information to be provided to a person when the person files a complaint with the division
17 of motor carrier services.

18 **4. The state highways and transportation commission shall promulgate rules and**
19 **regulations for the implementation and administration of this section. Any rule or portion**
20 **of a rule, as that term is defined in section 536.010 that is created under the authority**
21 **delegated in this section shall become effective only if it complies with and is subject to all**
22 **of the provisions of chapter 536, and, if applicable, section 536.028. This section and**
23 **chapter 536 are nonseverable and if any of the powers vested with the general assembly**
24 **pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul**
25 **a rule are subsequently held unconstitutional, then the grant of rulemaking authority and**
26 **any rule proposed or adopted after August 28, 2012, shall be invalid and void.**

387.207. 1. All rates, tolls, charges, schedules and joint rates fixed by the [division]
2 **highways and transportation commission** with reference to the transportation of passengers
3 [or household goods] by motor carrier shall be in force and shall be prima facie lawful, and all
4 regulations, practices and services prescribed by the [division] **commission** shall be in force and
5 shall be prima facie lawful and reasonable until found otherwise in a suit brought for that
6 purpose pursuant to the provisions of this chapter.

7 **2. All rates, tolls, charges, schedules, and joint rates published in accordance with**
8 **subsection 3 of section 387.050 with reference to the transportation of household goods by**
9 **motor carrier shall be in force and shall be prima facie lawful, and all regulations,**
10 **practices and services prescribed by the highways and transportation commission shall be**
11 **in force and shall be prima facie lawful and reasonable until found otherwise in a suit**
12 **brought for that purpose under the provisions of this chapter.**

387.355. On August 28, 2012, all rate orders issued by the state highways and
2 transportation commission or its predecessors affecting the transportation of household
3 goods by common carriers in intrastate commerce, pursuant to the authority of any of the
4 provisions in this chapter or chapter 390, shall be vacated and set aside, but only to the
5 extent that those rate orders require or prescribe any minimum rates, maximum rates, or
6 minimum-and-maximum rates for the transportation of household goods by common
7 carriers in intrastate commerce. This section shall not vacate or set aside any other
8 requirements or provisions contained in those rate orders.

390.051. 1. Except as otherwise provided in section 390.030, no person shall engage in
2 the business of a common carrier **of household goods or passengers** in intrastate commerce on
3 any public highway in this state unless there is in force with respect to such carrier a certificate
4 issued by the [division] **state highways and transportation commission** authorizing such
5 operations.

6 2. Application for a certificate shall be made in writing to the [division] **state highways**
7 **and transportation commission** and shall contain such information as the [division] **state**
8 **highways and transportation commission** shall, by rule, require and shall include:

9 (1) Full information concerning the ownership, financial [condition] **status** of applicant
10 **through the submission of documentation describing assets, liabilities, and capital,**
11 equipment to be used and a statement listing the physical equipment of applicant and the
12 reasonable value thereof;

13 (2) The complete route or routes over which the applicant desires to operate, or territory
14 to be served; **except that the state highways and transportation commission shall not restrict**
15 **any certificate or permit authorizing the transportation of household goods or passengers**
16 **with reference to any route or routes; except that the state highways and transportation**
17 **commission shall restrict the applicant's registration against the transportation of any**
18 **hazardous material as designated in Title 49, Code of Federal Regulations, if the state**
19 **highways and transportation commission finds that the applicant has not shown it is**
20 **qualified to safely transport that hazardous material in compliance with all registration,**
21 **liability insurance, and safety requirements applicable to the transportation of that**
22 **hazardous material pursuant to Title 49, Code of Federal Regulations;**

23 (3) The proposed rates, schedule or schedules, or timetable of the applicant.

24 3. [Except as provided for in subsection 4 of this section, if the division] **If the state**
25 **highways and transportation commission** finds that an applicant seeking to transport [general
26 and specialized commodities in truckload lots, agricultural commodities in bulk in dump trucks]
27 **household goods,** or passengers [in charter service] is fit, willing and able to properly perform
28 the service proposed and to conform to the provisions of this chapter and the requirements, rules
29 and regulations of the [division] **state highways and transportation commission** established
30 thereunder, a certificate therefor shall be issued.

31 4. [If the division finds that an applicant seeking to transport:

32 (1) General and specialized commodities in less-than-truckload lots;

33 (2) Commodities in bulk in dump trucks, other than agricultural commodities in bulk in
34 dump trucks, as defined in section 390.020;

35 (3) Mobile homes;

36 (4) Household goods;

37 (5) Passengers other than in charter service;

38 (6) Gasoline, fuel oil or liquefied petroleum gas;

39 (7) Boats; is fit, willing and able to properly perform the service proposed, and to
40 conform to the provisions of this chapter and the requirement, rules and regulations of the
41 division, and that the service proposed will serve a useful present or future public purpose, a

42 certificate therefor specifying the service authorized shall be issued, unless the division finds on
43 the basis of evidence presented by persons objecting to the issuance of a certificate that the
44 transportation to be authorized by the certificate will be inconsistent with the public convenience
45 and necessity.

46 5. In making findings under subsection 4 of this section, the division shall consider the
47 testimony of the applicant, the proposed users of the service contemplated by the applicant, and
48 any other relevant testimony or evidence, and the division shall consider, and to the extent
49 applicable, make findings on at least the following:

50 (1) The transportation policy of section 390.011; and

51 (2) The criteria set forth in this subsection. In cases where persons object to the issuance
52 of a certificate, the diversion of revenue or traffic from existing carriers shall be considered.

53 6.] The [division] **state highways and transportation commission** shall streamline and
54 simplify to the maximum extent practicable the process for issuance of certificates to which the
55 provisions of this section apply.

56 [7.] 5. The [division] **state highways and transportation commission** shall dismiss on
57 its motion any application for substantially the same common [or contract] authority that has
58 been previously denied within six months of filing the subsequent application.

59 6. **The Missouri Department of Transportation is authorized to enter into**
60 **interagency agreements with any entity created and operating under the provisions of**
61 **section 67.1800 to 67.1822 to deal with any public safety issues that may arise as a result**
62 **of the provisions of this section.**

390.054. Beginning August 28, 2012, and continuing thereafter, no certificate or
2 **permit to transport household goods in intrastate commerce shall be issued or renewed**
3 **unless the applicant demonstrates that the applicant has workers' compensation insurance**
4 **coverage that complies with chapter 287, for all employees. If any household goods carrier**
5 **subject to the provisions of this chapter or chapter 387 is found by the division of workers'**
6 **compensation to be out of compliance with chapter 287, the division shall report such fact**
7 **to the state highways and transportation commission. The commission shall suspend the**
8 **household goods carrier's certificate or permit pursuant to section 390.106 until such time**
9 **the carrier demonstrates that it has procured workers' compensation insurance coverage**
10 **that complies with chapter 287.**

390.061. 1. Except as otherwise provided in section 390.030, no person shall engage in
2 the business of a contract carrier **of household goods or passengers** in intrastate commerce on
3 any public highway in this state unless there is in force with respect to such carrier a permit
4 issued by the [division of motor carrier and railroad safety] **state highways and transportation**
5 **commission** authorizing such operations.

6 2. Applications for such permits shall be made to the [division] **state highways and**
7 **transportation commission** in writing and shall contain such information as the [division] **state**
8 **highways and transportation commission** shall, by rule, require and shall include:

9 (1) Full information concerning the ownership, financial [condition] **status** of applicant
10 **through the submission of documentation describing assets, liabilities, and capital,**
11 equipment to be used and a statement listing the physical equipment of applicant and the
12 reasonable value thereof;

13 (2) The complete route or routes over which the applicant desires to operate, or territory
14 to be served; **except that the state highways and transportation commission shall not**
15 **restrict any certificate or permit authorizing the transportation of household goods or**
16 **passengers with reference to any route or routes; except that the state highways and**
17 **transportation commission shall restrict the applicant's registration against the**
18 **transportation of any hazardous material as designated in Title 49, Code of Federal**
19 **Regulations, if the state highways and transportation commission finds that the applicant**
20 **has not shown it is qualified to safely transport that hazardous material in compliance with**
21 **all registration, liability insurance, and safety requirements applicable to the**
22 **transportation of that hazardous material pursuant to Title 49, Code of Federal**
23 **Regulations.**

24 3. If the [division] **state highways and transportation commission** shall find that the
25 applicant is seeking to transport [general and specialized commodities in truckload lots,
26 agricultural commodities in bulk,] **household goods**, or passengers [in charter service], and is
27 fit, willing and able to properly perform the service proposed and to conform to the provisions
28 of this chapter and the requirements, rules and regulations of the [division] **state highways and**
29 **transportation commission** thereunder, a permit therefor shall be issued.

30 4. [If the division finds that an applicant seeking to transport commodities or passengers
31 as described in subsection 4 of section 390.051 is fit, willing and able to properly perform the
32 service proposed, and to conform to the provisions of this chapter and the requirements, rules
33 and regulations of the division, and that the service proposed will serve a useful present or future
34 purpose, a permit therefor specifying the service authorized shall be issued, unless the division
35 finds on the basis of evidence presented by persons objecting to the issuance of a permit that the
36 transportation to be authorized by the permit will be inconsistent with the public convenience
37 and necessity.

38 5.] Any permit issued under this section shall specify the service to be rendered, the
39 contracting parties, and the [points or] area to be served.

40 [6.] **5.** The [division] **state highways and transportation commission** will not have
41 jurisdiction over contract rates. A copy of the original contract must be filed with the [division]

42 **state highways and transportation commission** prior to issuance of a permit. In the event the
43 applicant chooses not to disclose contract rates in the application, the contract shall contain in
44 lieu of rates a specific provision which incorporates by reference a schedule of rates, in writing,
45 to be effective between carrier and shipper. Current contracts and rate schedules must be
46 maintained by the carrier and contracting shippers. A contract permit, authorizing the
47 transportation of [commodities] **household goods** or passengers [other than as described in
48 subsection 4 of section 390.051], may be amended to include additional contracting parties by
49 the filing of said contracts with the [division] **state highways and transportation commission**
50 and acknowledgment by the [division] **state highways and transportation commission**.

51 **6. The state highways and transportation commission is authorized to enter into**
52 **interagency agreements with any entity created and operating under the provisions of**
53 **section 67.1800 to 67.1822 to deal with any public safety issues that may arise as a result**
54 **of the provisions of this section.**

390.116. 1. Common carriers of [property] **household goods** may establish reasonable
2 through routes **or interline service** and joint rates, charges and classifications with other such
3 carriers or with common carriers by railroad or express; and common carriers of passengers may
4 establish reasonable through routes and joint rates, fares or charges with other such carriers or
5 with common carriers by railroad. In case of such joint rates, fares, charges or classifications,
6 it shall be the duty of the **participating** carriers[, parties thereto,] to establish just and reasonable
7 regulations and practices in connection therewith, and just, reasonable and equitable divisions
8 thereof as between the carriers participating therein which shall not unduly prefer or prejudice
9 any of such participating carriers **and shall not result in any rate, fare, charge, classification,**
10 **regulation, or practice that is unjust or unreasonable to the shipper or receiver of the**
11 **household goods. Carriers of household goods participating in through routes or interline**
12 **service shall publish joint tariffs and evidence of concurrence or acceptance thereof, in**
13 **accordance with section 387.080, or individual tariffs for each participating carrier, which**
14 **shall set forth the joint or individual rates, fares, charges, classifications, regulations,**
15 **practices, and division of rates applicable to such through routes or interline service, all**
16 **in accordance with the applicable provisions in chapter 387.**

17 2. The [division] **state highways and transportation commission** may, whenever
18 deemed by it to be necessary or desirable in the public interest, after hearing, upon complaint or
19 upon its own motion, order the establishment of just and reasonable through routes and joint
20 rates, fares, charges, regulations or practices, applicable to the transportation of passengers [or
21 property] by common carriers.

390.280. 1. Certificates or permits, or both, which were issued before January 1, 1995,
2 and which authorized a person to transport any property in intrastate commerce by motor vehicle

3 as a common carrier or contract carrier, or both, are void, except that to the extent such
4 certificates or permits, or portions thereof, authorized a person to transport household goods over
5 irregular routes or passengers in intrastate commerce, or any property or passengers in interstate
6 commerce, those certificates or permits, or portions thereof, are exempt from the provisions of
7 this subsection.

8 2. Persons who owned certificates or permits, or both, that were in active status with the
9 division on December 31, 1994, and persons to whom the division issued certificates and permits
10 after December 31, 1994, pursuant to emergency rules adopted by the division, are deemed to
11 be qualified as registered property carriers, unless the person's certificate or permit has been
12 suspended, revoked or transferred to another person as provided by law. A person deemed
13 qualified pursuant to this subsection is not required to file an application pursuant to section
14 390.290 to continue providing intrastate transportation as a registered property carrier, but rather,
15 upon such person's compliance with the licensing and insurance requirements of the division the
16 person is deemed to have a property carrier registration in force as required pursuant to section
17 390.270, authorizing the person to transport property except household goods in intrastate
18 commerce on the public highways, unless the person's property carrier registration is suspended,
19 revoked or transferred to another person as provided by law. Within a reasonable time after
20 August 28, 1996, the division shall issue property carrier registrations to all persons who are
21 deemed to be qualified as registered property carriers and deemed to have property carrier
22 registrations in force pursuant to this subsection.

23 3. Notwithstanding any provision of this section to the contrary, this section shall not be
24 construed as authorizing any person to transport any hazardous material as designated in Title
25 49, Code of Federal Regulations, except hazardous materials which that person was expressly
26 authorized to transport in intrastate commerce within this state on August 28, 1996. A person
27 may file an application for property carrier registration pursuant to section 390.290 to transport
28 additional hazardous materials. Nothing in this section shall be construed to conflict with
