61 **voted in the last gubernatorial election, the election authority shall forward the petition to**
62 **the presiding judge of the circuit court of that county, who shall review the petition to**
63 **determine if there is probable cause that the municipality is materially failing to provide**
64 **at least three of the standards listed in subsection 2 of this section. If the court determines**
65 **that probable cause exists, the court shall notify the municipality and the municipal league**
66 **of the county or a similar association.**

67 **(2) The league or association shall request the assistance of a local university, and**
68 **such university shall appoint an advisory committee consisting of at least three but not**

71 **with expertise in city administration or the specific substantive areas of concern identified**

97 **county within 12 months of its original certification by the election board of the county.**
98 **The court shall conduct a hearing and after the hearing the court shall declare whether or**
99 **not the municipality is operating below minimum standards, and if it is, the municipality**
100 **shall have ninety days to rectify the deficiencies in services noted by the court. If after**
101 **ninety days the municipality is still deemed by the court to be operating below minimum**
102 **standards, the court shall pursue the following remedies in the order listed:**

103 **(1) Appointment by the court of an administrative authority for the municipality,**
104 **including but not limited to another political subdivision, the state, or a qualified private**
105 **party to administer all revenues under the name of the municipality or its agents and all**
106 **funds collected on behalf of the municipality deemed by the court to be operating below**
107 **minimum standards. If the court enters an order authorizing an administrative authority**
108 **to administer the revenues under this subdivision, the director of revenue or other party**
109 **charged with distributing tax revenue shall distribute such revenues and funds to the**
110 **administrative authority who shall use such revenues and existing funds to provide the**
111 **services required under a plan approved by the court. The court shall direct all financial**
112 **and other institutions holding funds of the municipality to honor the directives of the**
113 **administrative authority. Any salaries and benefits paid to the members of the governing**
114 **body shall cease from the time of the appointment of the administrative authority until**
115 **such time as the governing body resumes receipt of income by court order;**

116 **(2) Removal from office of any or all elected officials of the municipality by the**
117 **court if it believes, at the end of 180 days from the date of the court declaration, that**
118 **standards still are not met. The court shall appoint new officials to fill the remainder of**
119 **the terms of those removed from office in a manner to create a logical transition;**

120 **(3) If the court believes that standards still are not being met at the end of ninety**
121 **days from the time of the appointment of new officials, the court will order placement on**
122 **the ballot of a proposal to merge the municipality deemed by the court to be operating**
123 **below minimum standards with an adjacent municipality, if one exists, and the elected**

124 **officials of the neighboring municipality must pass a resolution supporting an election to**
125 **merge the two municipalities. If the voters in each municipality approve the proposed**
126 **merger with a separate majority in each municipality, such merger shall become effective**
127 **six months after the date of the election. If the vote to merge the municipalities fails to**
128 **receive a separate majority in each municipality, the court may proceed to the fourth**
129 **remedy.**

130 **(4) If at least forty percent of the registered voters residing in the subject**
131 **municipality submit a petition to the court seeking disincorporation, the court shall place**
132 **on the ballot a proposal to order the disincorporation of the municipality to be effective on**
133 **a date to be set by the court following the approval of the order of disincorporation.**

134 **5. The court shall have ongoing jurisdiction to enforce its orders and carry out the**
135 **remedies in subsection 4 of this section.**
