

HB 1211 -- Municipal Courts

Sponsor: Dieckhaus

This bill authorizes Franklin County to prosecute and punish violations of its county orders in the circuit court or in a county municipal court if the creation of a county municipal court is approved by an order of the county commission.

The Franklin County commission must appoint the first judges for a term of four years, and thereafter the judges must be elected for a term of four years. The commission must establish by order the number of judges to be appointed and the qualifications for their appointment.
