

HB 1231 -- PREFERENCE FOR MISSOURI PRODUCTS (Cauthorn)

COMMITTEE OF ORIGIN: Committee on Transportation Funding and
Public Institutions

Currently, any agricultural product that has been processed or otherwise had value added to it in this state must be given preference by the Commissioner of Administration or any state agent with purchasing power whenever competing bids are comparable. This bill requires forest products and bricks to also receive the preference.

FISCAL NOTE: No impact on state funds in FY 2013, FY 2014, and FY 2015.
