

HB 1243 -- MO Jobs Training Program

Sponsor: Lauer

This bill requires the Department of Economic Development to establish the MO Jobs Training Program to assist qualified companies with the training of employees in new jobs and the retraining or upgrading of the skills of full-time employees in retained jobs. The program will be funded through appropriations from the MO Jobs Development Fund which was formerly the Missouri Job Development Fund; the MO Jobs Community College New Jobs Training Fund which was formerly the Missouri Community College Job Training Program Fund; and the MO Jobs Community College Job Retention Training Fund which was formerly the Missouri Community College Job Retention Training Program Fund. The department must, to the maximum extent practicable, prioritize funding to assist qualified companies in targeted industries. The bill specifies the requirements for a qualified company to receive benefits under the program, how the benefits will be calculated, and the penalties for failure to meet any requirements under the program.

The provisions regarding the Missouri Job Training Joint Legislative Oversight Committee are repealed and the MO Jobs Training Joint Legislative Oversight Committee is established consisting of three members of the House of Representatives appointed by the Speaker and three members of the Senate appointed by the President Pro Tem. An annual report must be submitted by October 1 to the Governor, Speaker of the House of Representatives, and President Pro Tem of the Senate regarding all assistance provided to industries under these provisions during the preceding fiscal year.

These provisions will expire July 1, 2019, unless reauthorized by the General Assembly.
