

HB 1694 -- Breast Cancer Awareness Special License Plate

Sponsor: Jones (63)

Currently, to obtain a Breast Cancer Awareness special license plate, a person must pay an annual \$25 emblem-use authorization fee to the Friends of the Missouri Women's Council and submit to the Director of the Department of Revenue an application along with an emblem-use authorization statement issued by the council. This bill requires the emblem-use authorization fee to be paid to the Department of Health and Senior Services for deposit in the Missouri Public Health Services Fund to support breast cancer awareness activities and replaces the words "MISSOURI WOMEN'S COUNCIL" with "BREAST CANCER AWARENESS" on the special license plate.
