

HB 1726 -- Concealed Carry Endorsement Training Requirements

Sponsor: Shively

This bill specifies that any person who had, prior to August 28, 2011, successfully completed the training requirements for a concealed carry endorsement that were in existence on the date that the training was completed, but who had not yet received a concealed carry endorsement prior to August 28, 2011, will be deemed to have met the current training requirements and allowed to obtain a concealed carry endorsement without further training.
