

HB 1812 -- County Purchases

Sponsor: Webber

Currently, a county commission is not required to obtain competitive bids on any purchase of \$4,500 or less and notice must be posted for a proposed single feasible source purchase of \$3,000 or more. This bill increases both thresholds to \$6,000 and requires the county commission to advertise in a newspaper for a single feasible source purchase of \$6,000 or more.
