

HB 1911 -- Missouri Advisory Boards and Commissions Association

Sponsor: Shumake

This bill establishes the Missouri Advisory Boards and Commissions Association. The bill allows current and former members of advisory boards and commissions and board of curators and regents to join together in a formal organization. The purpose of the association is to provide a framework to share observations and insights derived from their participation as board or commission members to study and discuss matters of statewide importance and make recommendations as requested to the General Assembly, Governor, and Lieutenant Governor.

Membership in the association is purely voluntary and members will serve without compensation.
