

HB 1934 -- Animal Shelter Fees

Sponsor: Torpey

This bill exempts, effective January 1, 2014, an animal shelter from the payment of any licensing and other fees under the provisions of the Animal Care Facilities Act. The Director of the Department of Agriculture, at his or her discretion, may exempt an animal shelter from the payment of the fees prior to that date.

The department director may deny any applicant of an animal shelter license or revoke the license of an animal shelter licensee if he or she determines that the applicant or licensee unreasonably profits from the charges for adoption or sales of the shelter's animals.
