

HJR 56 -- Conservation Sales and Use Tax

Sponsor: Cauthorn

Upon voter approval, this proposed constitutional amendment reauthorizes the Department of Conservation sales and use tax until a general election in 2022 or at a special election called by the Governor for the purpose of reauthorization of the tax. Every 10 years thereafter, the sales and use tax must be resubmitted to the voters for approval. If a majority of the voters fail to approve the continuation of the tax, it will terminate at the end of the second fiscal year following the last election.
