

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By

1 AMEND House Bill No. 44, Page 1, Section 393.1025, Line15, by inserting after all of said Section  
2 and Line the following:

3  
4 "393.1032 1. Notwithstanding any other provision of law, all hydroelectric generation facilities  
5 located in Missouri, hydroelectric generation facilities that are owned by a Missouri utility, or under  
6 a purchased power agreement with a Missouri utility that is required to comply with energy  
7 standards under sections 393.1020 to 393.1045, will be classified as a certified renewable energy  
8 resource effective January 1, 2018. Beginning January 1, 2021, all hydroelectric generation, will be  
9 classified as a certified renewable energy resource. Such certification as a renewable energy  
10 resource will become effective immediately upon the occurrence of the delayed effective dates in this  
11 section, and will not require any additional certification from the division of energy of the Missouri  
12 department of natural resources or an equivalent agency.

13  
14 2. Prior to August 28, 2013, existing hydroelectric generation facilities that have met the  
15 definition of a renewable energy resource and have been certified as such by the division of energy  
16 of the Missouri department of natural resources or an equivalent agency, shall be considered to be  
17 renewable energy resources under sections 393.1020 to 393.1045."; and

18  
19 Further amend said bill by amending the title, enacting clause, and intersectional references  
20 accordingly.
