- 13 (4) A brief statement of the principal business in which the partnership engages;
- 14 (5) That the partnership thereby applies for registration as a registered limited liability
15 partnership; and
- 16 (6) Any other information the partnership determines to include in the application.

17 2. The application shall be signed on behalf of the partnership by a majority of the partners

36 registration unless earlier withdrawn or revoked or unless renewed in accordance with subsection 9
37 of this section.

38 7. If a person is included in the number of partners of a registered limited liability
39 partnership set forth in an application, a renewal application or a certificate of amendment of an
40 application or a renewal application, the inclusion of such person shall not be admissible as evidence
41 in any action, suit or proceeding, whether civil, criminal, administrative or investigative, for the

1 purpose of determining whether such person is liable as a partner of such registered limited liability
2 partnership. The status of a partnership as a registered limited liability partnership and the liability
3 of a partner of such registered limited liability partnership shall not be adversely affected if the
4 number of partners stated in an application, a renewal application or a certificate of amendment of an
5 application or a renewal application is erroneously stated provided that the application, renewal
6 application or certificate of amendment of an application or a renewal application was filed in good
7 faith.

19 10. A registration may be withdrawn by filing with the secretary of state a written
20 withdrawal notice signed on behalf of the partnership by a majority of the partners or by one or more
21 partners authorized by a majority of the partners to sign the notice on behalf of the partnership. A
22 withdrawal notice shall include the name of the partnership, the date of registration of the
23 partnership's last application under this section, and a current street address of the partnership's
24 principal office in this state or outside the state, as applicable. A withdrawal notice terminates the
25 registration of the partnership as a limited liability partnership as of the date of filing the notice in the
26 office of the secretary of state. The withdrawal notice shall be accompanied by a filing fee of twenty
27 dollars.

28 11. If a partnership that has registered pursuant to this section ceases to be registered as
29 provided in subsection 6 or 10 of this section, that fact shall not affect the status of the partnership as
30 a registered limited liability partnership prior to the date the partnership ceased to be registered
31 pursuant to this section.

32 12. A document filed under this section may be amended or corrected by filing with the

1 not exceed two hundred dollars; provided that no amendment of an application or a renewal
2 application is required as a result of a change after the application or renewal application is filed in
3 the number of partners of the registered limited liability partnership or in the business in which the
4 registered limited liability partnership engages. All moneys from such fees shall be deposited into
5 the general revenue fund. The status of a partnership as a registered limited liability partnership
6 shall not be affected by changes after the filing of an application or a renewal application in the
7 information stated in the application or renewal application.

8 13. No later than ninety days after the happening of any of the following events, an
9 amendment to an application or a renewal application reflecting the occurrence of the event or events
10 shall be executed and filed by a majority in interest of the partners or by one or more partners
11 authorized by a majority of the partners to execute an amendment to the application or renewal
12 application:

13 (1) A change in the name of the registered limited liability partnership;

14 (2) Except as provided in subsections 2 and 3 of section 358.470, a change in the address of

18 application or a renewal application, a certificate of amendment of an application or a renewal
19 application or a withdrawal notice of an application or a renewal application shall be effective at the
20 time of its filing with the secretary of state.

21 15. The secretary of state may provide forms for the application specified in subsection 1 of
22 this section, the renewal application specified in subsection 9 of this section, the withdrawal notice
23 specified in subsection 10 of this section, and the amendment or correction specified in subsection 12
24 of this section.

25 16. The secretary of state may remove from its active records the registration of a
26 partnership whose registration has been withdrawn, revoked or has expired.

27 17. The secretary of state may revoke the filing of a document filed under this section if the
28 secretary of state determines that the filing fee for the document was paid by an instrument that was
29 dishonored when presented by the state for payment. The secretary of state shall return the
30 document and give notice of revocation to the filing party by regular mail. Failure to give or receive
31 notice does not invalidate the revocation. A revocation of a filing does not affect an earlier filing.

32 18. If any person signs a document required or permitted to be filed pursuant to sections
33 358.440 to 358.500 which the person knows is false in any material respect with the intent that the
34 document be delivered on behalf of a partnership to the secretary of state for filing, such person shall
35 be guilty of a class A misdemeanor. Unintentional errors in the information set forth in an
36 application filed pursuant to subsection 1 of this section, or changes in the information after the

38 partnership.

12 20. A partnership that registers as a limited liability partnership shall not be deemed to have
13 dissolved as a result thereof and is for all purposes the same partnership that existed before the
14 registration and continues to be a partnership under the laws of this state. If a registered limited
15 liability partnership dissolves, a partnership which is a successor to such registered limited liability
16 partnership and which intends to be a registered limited liability partnership shall not be required to
17 file a new registration and shall be deemed to have filed any documents required or permitted under
18 this chapter which were filed by the predecessor partnership.
