3 with the state of Missouri regarding the exchange of licenses pursuant to section 302.172 shall
4 be examined as herein provided. Any person who has failed to renew such person's license on
5 or before the date of its expiration or within six months thereafter must take the complete
6 examination. Any active member of the Armed Forces, their adult dependents or any active
7 member of the Peace Corps may apply for a renewal license without examination of any kind,
8 unless otherwise required by sections 302.700 to 302.780, provided the renewal application
9 shows that the previous license had not been suspended or revoked. Any person honorably
10 discharged from the Armed Forces of the United States who held a valid license prior to being
11 inducted may apply for a renewal license within sixty days after such person's honorable
12 discharge without submitting to any examination of such person's ability to safely operate a
13 motor vehicle over the highways of this state unless otherwise required by sections 302.700 to
14 302.780, other than the vision test provided in section 302.175, unless the facts set out in the
15 renewal application or record of convictions on the expiring license, or the records of the director
16 show that there is good cause to authorize the director to require the applicant to submit to the
17 complete examination. No applicant for a renewal license shall be required to submit to any
18 examination of his or her ability to safely operate a motor vehicle over the highways of this state
19 unless otherwise required by sections 302.700 to 302.780 or regulations promulgated thereunder,
20 other than a test of the applicant's ability to understand highway signs regulating, warning or
21 directing traffic and the vision test provided in section 302.175, unless the facts set out in the
22 renewal application or record of convictions on the expiring license, or the records of the director
23 show that there is good cause to authorize the director to require the applicant to submit to the
24 complete examination. The examination shall be made available in each county. Reasonable
25 notice of the time and place of the examination shall be given the applicant by the person or
26 officer designated to conduct it. The complete examination shall include a test of the applicant's
27 natural or corrected vision as prescribed in section 302.175, the applicant's ability to understand
28 highway signs regulating, warning or directing traffic, the applicant's practical knowledge of the
29 traffic laws of this state, and an actual demonstration of ability to exercise due care in the
30 operation of a motor vehicle of the classification for which the license is sought. When an
31 applicant for a license has a license from a state which has requirements for issuance of a license
32 comparable to the Missouri requirements or a license from a country which has a reciprocal
33 agreement with the state of Missouri regarding the exchange of licenses pursuant to section
34 302.172 and such license has not expired more than six months prior to the date of application
35 for the Missouri license, the director may waive the test of the applicant's practical knowledge
36 of the traffic laws of this state, and the requirement of actual demonstration of ability to exercise
37 due care in the operation of a motor vehicle. If the director has reasonable grounds to believe
38 that an applicant is suffering from some known physical or mental ailment which ordinarily

39 would interfere with the applicant's fitness to operate a motor vehicle safely upon the highways,
40 the director may require that the examination include a physical or mental examination by a
41 licensed physician of the applicant's choice, at the applicant's expense, to determine the fact. The
42 director shall prescribe regulations to ensure uniformity in the examinations and in the grading
43 thereof and shall prescribe and furnish all forms to the members of the highway patrol and to
44 other persons authorized to conduct examinations as may be necessary to enable the officer or
45 person to properly conduct the examination. The records of the examination shall be forwarded
46 to the director who shall not issue any license hereunder if in the director's opinion the applicant
47 is not qualified to operate a motor vehicle safely upon the highways of this state.

48 2. Beginning July 1, 2005, when the examiner has reasonable grounds to believe that an
49 individual has committed fraud or deception during the examination process, the license
50 examiner shall immediately forward to the director all information relevant to any fraud or
51 deception, including, but not limited to, a statement of the examiner's grounds for belief that the
52 person committed or attempted to commit fraud or deception in the written, skills, or vision
53 examination.

54 3. The director of revenue shall delegate the power to conduct the examinations required
55 for a license or permit to any member of the highway patrol or any person employed by the
56 highway patrol. The powers delegated to any examiner may be revoked at any time by the
57 director of revenue upon notice.

58 4. Notwithstanding the requirements of subsections 1 and 3 of this section, the successful
59 completion of a motorcycle rider training course approved pursuant to sections 302.133 to
60 302.137 shall constitute an actual demonstration of the person's ability to exercise due care in
61 the operation of a motorcycle or motortricycle, and no further driving test shall be required to
62 obtain a motorcycle or motortricycle license or endorsement.

63 5. Notwithstanding the requirements of subsections 1 and 3 of this section, the successful
64 completion of a military motorcycle rider training course that meets or exceeds the Motorcycle
65 Safety Foundation curriculum standards by an applicant who is an active member of the U.S.
66 Armed Forces, shall constitute an actual demonstration of the person's ability to exercise due care
67 in the operation of a motorcycle or motortricycle, and no further driving test shall be required to
68 obtain a motorcycle or motortricycle license or endorsement. The director of revenue is
69 authorized to promulgate rules and regulations for the administration and implementation of this
70 subsection including rules governing the presentment of motorcycle training course completion
71 cards from a military motorcycle rider training course or other documentation showing that the
72 applicant has successfully completed a course in basic motorcycle safety instruction that meets
73 or exceeds curriculum standards established by the Motorcycle Safety Foundation or other
74 national organization whose purpose is to improve the safety of motorcyclists on the nation's

75 streets and highways. Any rule or portion of a rule, as that term is defined in section 536.010,
76 that is created under the authority delegated in this section shall become effective only if it
77 complies with and is subject to all of the provisions of chapter 536 and, if applicable, section
78 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the
79 general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove
80 and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority
81 and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

82 **6. Any applicant required to take the written portion of the examination more than**
83 **once shall pay a ten-dollar fee for each time the applicant must retake the examination.**
84 **All fees collected under this subsection shall be payable to the director of revenue for**

238 **(b) Pressing a single button to initiate or terminate a voice communication using a**
239 **mobile telephone; or**

240 **(c) Using a device capable of performing multiple functions (e.g., fleet management**
241 **systems, dispatching devices, smart phones, citizens band radios, music players) for a**
242 **purpose that is not otherwise prohibited in this part;**

243 **(46) "United States", the fifty states and the District of Columbia.**

302.720. 1. Except when operating under an instruction permit as described in this
2 section, no person may drive a commercial motor vehicle unless the person has been issued a
3 commercial driver's license with applicable endorsements valid for the type of vehicle being
4 operated as specified in sections 302.700 to 302.780. A commercial driver's instruction permit
5 shall allow the holder of a valid license to operate a commercial motor vehicle when
6 accompanied by the holder of a commercial driver's license valid for the vehicle being operated
7 and who occupies a seat beside the individual, or reasonably near the individual in the case of
8 buses, for the purpose of giving instruction in driving the commercial motor vehicle. **No person**
9 **may be issued a commercial driver's instruction permit until he or she has passed written**
10 **tests which comply with the minimum federal standards.** A commercial driver's instruction
11 permit shall be valid for the vehicle being operated for a period of not more than six months, and
12 shall not be issued until the permit holder has met all other requirements of sections 302.700 to
13 302.780, except for the driving test. A permit holder, unless otherwise disqualified, may be
14 granted one six-month renewal within a one-year period. The fee for such permit or renewal
15 shall be five dollars. In the alternative, a commercial driver's instruction permit shall be issued
16 for a thirty-day period to allow the holder of a valid driver's license to operate a commercial
17 motor vehicle if the applicant has completed all other requirements except the driving test. The
18 permit may be renewed for one additional thirty-day period and the fee for the permit and for
19 renewal shall be five dollars.

20 2. No person may be issued a commercial driver's license until he has passed written and
21 driving tests for the operation of a commercial motor vehicle which complies with the minimum
22 federal standards established by the Secretary and has satisfied all other requirements of the
23 Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570), as well as any
24 other requirements imposed by state law. **All applicants for a commercial driver's license**
25 **shall have maintained the appropriate class of commercial driver's instruction permit**
26 **issued by this state or any other state for a minimum of fourteen calendar days prior to the**
27 **date of taking the skills test.** Applicants for a hazardous materials endorsement must also meet
28 the requirements of the U.S. Patriot Act of 2001 (Title X of Public Law 107-56) as specified and
29 required by regulations promulgated by the Secretary. Nothing contained in this subsection shall
30 be construed as prohibiting the director from establishing alternate testing formats for those who

31 are functionally illiterate; provided, however, that any such alternate test must comply with the
32 minimum requirements of the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub.
33 Law 99-570) as established by the Secretary.

34 (1) The written and driving tests shall be held at such times and in such places as the
35 superintendent may designate. A twenty-five dollar examination fee shall be paid by the
36 applicant upon completion of any written or driving test, except the examination fee shall be
37 waived for applicants seventy years of age or older renewing a license with a school bus
38 endorsement. The director shall delegate the power to conduct the examinations required under
39 sections 302.700 to 302.780 to any member of the highway patrol or any person employed by
40 the highway patrol qualified to give driving examinations. The written test shall only be
41 administered in the English language. No translators shall be allowed for applicants taking the
42 test.

43 (2) The director shall adopt and promulgate rules and regulations governing the
44 certification of third-party testers by the department of revenue. Such rules and regulations shall
45 substantially comply with the requirements of 49 CFR [Part] 383, Section 383.75. A
46 certification to conduct third-party testing shall be valid for one year, and the department shall
47 charge a fee of one hundred dollars to issue or renew the certification of any third-party tester.

48 (3) Beginning August 28, 2006, the director shall only issue or renew third-party tester
49 certification to community colleges established under chapter 178 or to private companies who
50 own, lease, or maintain their own fleet and administer in-house testing to their employees, or to
51 school districts and their agents that administer in-house testing to the school district's or agent's
52 employees. Any third-party tester who violates any of the rules and regulations adopted and
53 promulgated pursuant to this section shall be subject to having his certification revoked by the
54 department. The department shall provide written notice and an opportunity for the third-party
55 tester to be heard in substantially the same manner as provided in chapter 536. If any applicant
56 submits evidence that he has successfully completed a test administered by a third-party tester,
57 the actual driving test for a commercial driver's license may then be waived.

58 (4) Every applicant for renewal of a commercial driver's license shall provide such
59 certifications and information as required by the [secretary] **Secretary** and if such person
60 transports a hazardous material must also meet the requirements of the U.S. Patriot Act of 2001
61 (Title X of Public Law 107-56) as specified and required by regulations promulgated by the
62 Secretary. Such person shall be required to take the written test for such endorsement. A
63 twenty-five dollar examination fee shall be paid upon completion of such tests.

64 (5) The director shall have the authority to waive the driving skills test for any qualified
65 military applicant for a commercial driver's license who is currently licensed at the time of
66 application for a commercial driver's license. The director shall impose conditions and

67 limitations to restrict the applicants from whom the department may accept alternative
68 requirements for the skills test described in federal regulation 49 [C.F.R.] **CFR** 383.77. An
69 applicant must certify that, during the two-year period immediately preceding application for a
70 commercial driver's license, all of the following apply:

71 (a) The applicant has not had more than one license;

72 (b) The applicant has not had any license suspended, revoked, or cancelled;

73 (c) The applicant has not had any convictions for any type of motor vehicle for the
74 disqualifying offenses contained in this chapter or federal rule 49 [C.F.R.] **CFR** 383.51(b);

75 (d) The applicant has not had more than one conviction for any type of motor vehicle for
76 serious traffic violations;

77 (e) The applicant has not had any conviction for a violation of state or local law relating
78 to motor vehicle traffic control, but not including any parking violation, arising in connection
79 with any traffic accident, and has no record of an accident in which he or she was at fault;

80 (f) The applicant [is] **has been** regularly employed [in a job] **within the last ninety days**
81 **in a military position** requiring operation of a commercial motor vehicle and has operated the
82 vehicle for at least sixty days during the two years immediately preceding application for a
83 commercial driver's license. The vehicle must be representative of the commercial motor vehicle
84 the driver applicant operates or expects to operate;

85 (g) The applicant, if on active duty, must provide a notarized affidavit signed by a
86 commanding officer as proof of driving experience as indicated in paragraph (f) of this
87 subdivision;

88 (h) The applicant, if honorably discharged from military service, must provide a
89 form-DD214 or other proof of military occupational specialty;

90 (i) The applicant must meet all federal and state qualifications to operate a commercial
91 vehicle; and

92 (j) The applicant will be required to complete all applicable knowledge tests.

93 3. A commercial driver's license **or commercial driver's instruction permit** may not
94 be issued to a person while the person is disqualified from driving a commercial motor vehicle,
95 when a disqualification is pending in any state or while the person's driver's license is suspended,
96 revoked, or [cancelled] **canceled** in any state; nor may a commercial driver's license be issued
97 unless the person first surrenders in a manner prescribed by the director any commercial driver's
98 license issued by another state, which license shall be returned to the issuing state for
99 cancellation.

100 4. Beginning July 1, 2005, the director shall not issue an instruction permit under this
101 section unless the director verifies that the applicant is lawfully present in the United States
102 before accepting the application. The director may, by rule or regulation, establish procedures

103 to verify the lawful presence of the applicant under this section. No rule or portion of a rule
104 promulgated pursuant to the authority of this section shall become effective unless it has been
105 promulgated pursuant to chapter 536.

106 5. Notwithstanding the provisions of this section or any other law to the contrary,
107 beginning August 28, 2008, the director of the department of revenue shall certify as a third-party
108 tester any municipality that owns, leases, or maintains its own fleet that requires certain
109 employees as a condition of employment to hold a valid commercial driver's license; and that
110 administered in-house testing to such employees prior to August 28, 2006.

302.735. 1. An application shall not be taken from a nonresident after September 30,
2 2005. The application for a commercial driver's license shall include, but not be limited to, the
3 applicant's legal name, mailing and residence address, if different, a physical description of the
4 person, including sex, height, weight and eye color, the person's Social Security number, date
5 of birth and any other information deemed appropriate by the director. The application shall also
6 require, beginning September 30, 2005, the applicant to provide the names of all states where
7 the applicant has been previously licensed to drive any type of motor vehicle during the
8 preceding ten years.

9 2. A commercial driver's license shall expire on the applicant's birthday in the sixth year
10 after issuance, unless the license must be issued for a shorter period due to other requirements
11 of law or for transition or staggering of work as determined by the director, and must be renewed
12 on or before the date of expiration. When a person changes such person's name an application
13 for a duplicate license shall be made to the director of revenue. When a person changes such
14 person's mailing address or residence the applicant shall notify the director of revenue of said
15 change, however, no application for a duplicate license is required. A commercial license issued
16 pursuant to this section to an applicant less than twenty-one years of age and seventy years of age
17 and older shall expire on the applicant's birthday in the third year after issuance, unless the
18 license must be issued for a shorter period as determined by the director.

19 3. A commercial driver's license containing a hazardous materials endorsement issued
20 to an applicant who is between the age of twenty-one and sixty-nine shall not be issued for a
21 period exceeding five years from the approval date of the security threat assessment as
22 determined by the Transportation Security Administration.

23 4. The director shall issue an annual commercial driver's license containing a school bus
24 endorsement to an applicant who is seventy years of age or older. The fee for such license shall
25 be seven dollars and fifty cents.

26 5. A commercial driver's license containing a hazardous materials endorsement issued
27 to an applicant who is seventy years of age or older shall not be issued for a period exceeding
28 three years. The director shall not require such drivers to obtain a security threat assessment

29 more frequently than such assessment is required by the Transportation Security Administration
30 under the Uniting and Strengthening America by Providing Appropriate Tools Required to
31 Intercept and Obstruct Terrorism Act (USA PATRIOT ACT) of 2001.

32 (1) The state shall immediately revoke a hazardous materials endorsement upon receipt
33 of an initial determination of threat assessment and immediate revocation from the
34 Transportation Security Administration as defined by 49 CFR 1572.13(a).

35 (2) The state shall revoke or deny a hazardous materials endorsement within fifteen days
36 of receipt of a final determination of threat assessment from the Transportation Security
37 Administration as required by CFR 1572.13(a).

38 6. The fee for a commercial driver's license or renewal commercial driver's license issued
39 for a period greater than three years shall be forty dollars.

40 7. The fee for a commercial driver's license or renewal commercial driver's license issued
41 for a period of three years or less shall be twenty dollars.

42 8. The fee for a duplicate commercial driver's license shall be twenty dollars.

43 9. In order for the director to properly transition driver's license requirements under the
44 Motor Carrier Safety Improvement Act of 1999 and the Uniting and Strengthening America by
45 Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (USA PATRIOT
46 ACT) of 2001, the director is authorized to stagger expiration dates and make adjustments for
47 any fees, including driver examination fees that are incurred by the driver as a result of the initial
48 issuance of a transitional license required to comply with such acts.

49 10. Within thirty days after moving to this state, the holder of a commercial driver's
50 license shall apply for a commercial driver's license in this state. The applicant shall meet all
51 other requirements of sections 302.700 to 302.780, except that the director may waive the driving
52 test for a commercial driver's license as required in section 302.720 if the applicant for a
53 commercial driver's license has a valid commercial driver's license from a state which has
54 requirements for issuance of such license comparable to those in this state.

55 11. Any person who falsifies any information in an application or test for a commercial
56 driver's license shall not be licensed to operate a commercial motor vehicle, or the person's
57 commercial driver's license shall be ~~cancelled~~ **canceled**, for a period of one year after the
58 director discovers such falsification.

59 12. Beginning July 1, 2005, the director shall not issue a commercial driver's license
60 under this section unless the director verifies that the applicant is lawfully present in the United
61 States before accepting the application. If lawful presence is granted for a temporary period, no
62 commercial driver's license shall be issued. The director may, by rule or regulation, establish
63 procedures to verify the lawful presence of the applicant and establish the duration of any
64 commercial driver's license issued under this section. No rule or portion of a rule promulgated

65 pursuant to the authority of this section shall become effective unless it has been promulgated
66 pursuant to chapter 536.

67 13. (1) Effective December 19, 2005, notwithstanding any provisions of subsections 1
68 and 5 of this section to the contrary, the director may issue a [nonresident] **nondomiciled**
69 commercial driver's license **or commercial driver's instruction permit** to a resident of a
70 foreign jurisdiction if the United States Secretary of Transportation has determined that the
71 commercial motor vehicle testing and licensing standards in the foreign jurisdiction do not meet
72 the testing standards established in 49 [C.F.R. Part] **CFR 383**.

73 (2) Any applicant for a [nonresident] **nondomiciled** commercial driver's license **or**
74 **commercial driver's instruction permit** must present evidence satisfactory to the director that
75 the applicant currently has employment with an employer in this state. The [nonresident]
76 **nondomiciled** applicant must meet the same testing, driver record requirements, conditions, and
77 is subject to the same disqualification and conviction reporting requirements applicable to
78 resident commercial drivers.

79 (3) The [nonresident] **nondomiciled** commercial driver's license will expire on the same
80 date that the documents establishing lawful presence for employment expire. The word
81 ["nonresident"] **"nondomiciled"** shall appear on the face of the [nonresident] **nondomiciled**
82 commercial driver's license. Any applicant for a Missouri [nonresident] **nondomiciled**
83 commercial driver's license **or commercial driver's instruction permit** must first surrender any
84 [nonresident] **nondomiciled** commercial driver's license issued by another state.

85 (4) The [nonresident] **nondomiciled** commercial driver's license applicant must pay the
86 same fees as required for the issuance of a resident commercial driver's license **or commercial**
87 **driver's instruction permit**.

88 14. Foreign jurisdiction for purposes of issuing a [nonresident] **nondomiciled**
89 commercial driver's license **or commercial driver's instruction permit** under this section shall
90 not include any of the fifty states of the United States or Canada or Mexico.

302.740. 1. The commercial driver's license shall be manufactured of materials and
2 processes that will prohibit as nearly as possible the ability to reproduce, alter, counterfeit, forge,
3 or duplicate any license without ready detection. Such license shall include, but not be limited
4 to, the following information: a colored photograph of the person, the legal name and address
5 of the person, a physical description of the person, including sex, height, weight and eye color,
6 the person's [Social Security number] **driver's license number** or such other number or
7 identifier deemed appropriate by the director or the [secretary] **Secretary**, the date of birth, class
8 or type of commercial motor vehicle or vehicles which the person is authorized to drive, the
9 name of this state, and the words "COMMERCIAL DRIVER'S LICENSE" or "CDL", the dates

10 of issuance and expiration, the person's signature and such other information as the director
11 prescribes.

12 2. Before issuing a commercial driver's license, the director shall obtain driving record
13 information from sources including, but not limited to, the national driver's register, the
14 commercial driver's license information system, and any state driver's licensing system in which
15 the person has been licensed; except that the director shall only be required to obtain the
16 complete driving record from each state the person has ever been licensed in when such person
17 is issued an initial commercial driver's license or renews his or her commercial driver's license
18 for the first time. The director shall maintain a notation in the driving record system of the date
19 when he or she has obtained the driving records from all other states which the person has been
20 licensed.

21 3. Within ten days after issuing a commercial driver's license, the director shall notify
22 the commercial driver's license information system of such fact, providing all information
23 required to ensure identification of the person. For the purpose of this subsection, the date of
24 issuance shall be the date the commercial driver's license is mailed to the applicant.

25 4. The commercial driver's license shall indicate the class of vehicle the person may
26 drive and any applicable endorsements or restrictions. Commercial driver's license
27 classifications, endorsements and restrictions shall be in compliance with the Commercial Motor
28 Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570) and those prescribed by the director.
29 The commercial driver's license driving record shall contain a complete history of the driver,
30 including information and convictions from previous states of licensure.

31 **5. The commercial driver's instruction permit shall include but not be limited to**
32 **the same data elements as a commercial driver's license and the words "CDL PERMIT"**
33 **or "COMMERCIAL LEARNER PERMIT" and such other information as the director or**
34 **Secretary prescribes.**

302.755. 1. A person is disqualified from driving a commercial motor vehicle for a
2 period of not less than one year if convicted of a first violation of:

14 transporting a hazardous material the person is disqualified for a period of not less than three
15 years.

16 3. Any person is disqualified from operating a commercial motor vehicle for life if
17 convicted of two or more violations of any of the offenses specified in subsection 1 of this
18 section, or any combination of those offenses, arising from two or more separate incidents. The
19 director may issue rules and regulations, in accordance with guidelines established by the
20 [secretary] **Secretary**, under which a disqualification for life under this section may be reduced
21 to a period of not less than ten years.

22 4. Any person is disqualified from driving a commercial motor vehicle for life who uses
23 a commercial or noncommercial motor vehicle in the commission of any felony involving the
24 manufacture, distribution, or dispensing of a controlled substance, or possession with intent to
25 manufacture, distribute, or dispense a controlled substance.

26 5. Any person is disqualified from operating a commercial motor vehicle for a period
27 of not less than sixty days if convicted of two serious traffic violations or one hundred twenty
28 days if convicted of three serious traffic violations, arising from separate incidents occurring
29 within a three-year period.

30 6. Any person found to be operating a commercial motor vehicle while having any
31 measurable alcohol concentration shall immediately be issued a continuous twenty-four-hour
32 out-of-service order by a law enforcement officer in this state.

34 the time of issuance of the out-of-service order until its expiration is guilty of a class A
35 misdemeanor.

37 disqualified from driving a commercial motor vehicle in the manner prescribed in 49 CFR [Part]
38 383, or as amended by the Secretary.

39 9. Any person convicted of driving while out of service on a second occasion during any
40 ten-year period, involving separate incidents, shall be disqualified in the manner prescribed in
41 49 CFR [Part] 383, or as amended by the Secretary.

42 10. Any person convicted of driving while out of service on a third or subsequent
43 occasion during any ten-year period, involving separate incidents, shall be disqualified for a
44 period of three years.

45 11. Any person convicted of a first violation of an out-of-service order while transporting
46 hazardous materials or while operating a motor vehicle designed to transport sixteen or more
47 passengers, including the driver, is disqualified for a period of one hundred eighty days.

48 12. Any person convicted of any subsequent violation of an out-of-service order in a
49 separate incident within ten years after a previous violation, while transporting hazardous
50 materials or while operating a motor vehicle designed to transport fifteen passengers, including
51 the driver, is disqualified for a period of three years.

52 13. Any person convicted of any other offense as specified by regulations promulgated
53 by the Secretary of Transportation shall be disqualified in accordance with such regulations.

54 14. After suspending, revoking, [cancelling] **canceling** or disqualifying a driver, the
55 director shall update records to reflect such action and notify a nonresident's licensing authority
56 and the commercial driver's license information system within ten days in the manner prescribed
57 in 49 CFR [Part] 384, or as amended by the Secretary.

58 15. Any person disqualified from operating a commercial motor vehicle pursuant to
59 subsection 1, 2, 3 or 4 of this section shall have such commercial driver's license [cancelled]
60 **canceled**, and upon conclusion of the period of disqualification shall take the written and driving
61 tests and meet all other requirements of sections 302.700 to 302.780. Such disqualification and
62 cancellation shall not be withdrawn by the director until such person reapplies for a commercial
63 driver's license in this or any other state after meeting all requirements of sections 302.700 to
64 302.780.

65 16. The director shall disqualify a driver upon receipt of notification that the Secretary
66 has determined a driver to be an imminent hazard pursuant to 49 CFR[, Part] 383.52. Due
67 process of a disqualification determined by the Secretary pursuant to this section shall be held
68 in accordance with regulations promulgated by the Secretary. The period of disqualification
69 determined by the Secretary pursuant to this section shall be served concurrently to any other
70 period of disqualification which may be imposed by the director pursuant to this section. Both
71 disqualifications shall appear on the driving record of the driver.

72 17. The director shall disqualify a commercial license holder or operator of a commercial
73 **motor** vehicle from operation of any commercial motor vehicle upon receipt of a conviction for
74 an offense of failure to appear or pay, and such disqualification shall remain in effect until the
75 director receives notice that the person has complied with the requirement to appear or pay.

76 **18. The disqualification period must be in addition to any other previous periods**
77 **of disqualification in the manner prescribed in 49 CFR 383, or as amended by the**
78 **Secretary, except when the major or serious violations are a result of the same incident.**

304.820. 1. Except as otherwise provided in this section, no person twenty-one years
2 of age or younger operating a moving motor vehicle upon the highways of this state shall, by

3 means of a hand-held electronic wireless communications device, send, read, or write a text
4 message or electronic message.

5 2. **Except as otherwise provided in this section, no person shall operate a**
6 **commercial motor vehicle while using a hand-held mobile telephone.**

7 3. **Except as otherwise provided in this section, no person shall operate a**
8 **commercial motor vehicle while using a wireless communications device to send, read, or**
9 **write a text message or electronic message.**

10 4. The provisions of subsection 1 **through subsection 3** of this section shall not apply
11 to a person operating:

14 device to:

15 (a) Report illegal activity;

16 (b) Summon medical or other emergency help;

17 (c) Prevent injury to a person or property; or

18 (d) Relay information between a transit or for-hire operator and that operator's
19 dispatcher, in which the device is permanently affixed to the vehicle.

20 [3.] 5. Nothing in this section shall be construed or interpreted as prohibiting a person
21 from making or taking part in a telephone call, by means of a hand-held electronic wireless

23 this state.

24 [4.] 6. As used in this section, "electronic message" means a self-contained piece of

34 to or engaging in verbal communication through a hand-held electronic wireless communication
35 device.

36 [7.] 9. As used in this section, "send, read, or write a text message or electronic message"
37 means using a hand-held electronic wireless telecommunications device to manually
38 communicate with any person by using an electronic message. Sending, reading, or writing a

43 moving violation for purposes of point assessment under section 302.302.

44 [9.] 11. The state preempts the field of regulating the use of hand-held electronic wireless
45 communications devices in motor vehicles, and the provisions of this section shall supercede any
46 local laws, ordinances, orders, rules, or regulations enacted by a county, municipality, or other
47 political subdivision to regulate the use of hand-held electronic wireless communication devices
48 by the operator of a motor vehicle.

49 [10.] 12. The provisions of this section shall not apply to:
