

# JOURNAL OF THE HOUSE

First Regular Session, 97th GENERAL ASSEMBLY

SEVENTY-FIRST DAY, FRIDAY, MAY 17, 2013

The House met pursuant to adjournment.

Speaker Jones in the Chair.

Prayer by Msgr. Robert A. Kurwicki, Chaplain.

*In God is my salvation and my glory; the rock of my strength and my refuge is in God. (Psalm 62:7)*

O God of us all, ever new and ancient, we know of no better way to begin this last day of session than by again lifting our hearts to You in prayer and by pledging to You the desire of our hearts to serve You by devoting ourselves to the welfare of our state and to the well-being of each Missourian with these final debates and votes.

Bless all assembled here representing our good citizens. We are grateful for the new friendships formed and old relationships renewed. We are grateful too for all the legislation offered, votes taken, reconciliations accepted and prayers answered both in public and private ways.

We asked You to be with us each day O God, and You were, even when we could not sense Your power. We thank You for all who have cooperated with us over the last five months - our spouses, our families, our staffs and all the unsung heroes and heroines of our great Missouri House of Representatives, which is the pride of our people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Hunter Houghton.

The Journal of the seventieth day was approved as printed.

"160.261. 1. The local board of education of each school district shall clearly establish a written policy of discipline, including the district's determination on the use of corporal punishment and the procedures in which punishment will be applied. A written copy of the district's discipline policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent or legal guardian of every pupil enrolled in the district at the beginning of each school year and also made available in the office of the superintendent of such district, during normal business hours, for public inspection. All employees of the district shall annually receive instruction related to the specific contents of the policy of discipline and any interpretations necessary to implement the provisions of the policy in the course of their duties, including but not limited to approved methods of dealing with acts of school violence, disciplining students with disabilities and instruction in the necessity and requirements for confidentiality.

2. The policy shall require school administrators to report acts of school violence to all teachers at the attendance center and, in addition, to other school district employees with a need to know. For the purposes of this chapter or chapter 167, "need to know" is defined as school personnel who are directly responsible for the student's education or who otherwise interact with the student on a professional basis while acting within the scope of their assigned duties. As used in this section, the phrase "act of school violence" or "violent behavior" means the exertion of physical force by a student with the intent to do serious physical injury as defined in subdivision (6) of section 565.002

to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. The policy shall at a minimum require school administrators to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the following crimes, or any act which if committed by an adult would be one of the following crimes:

- (1) First degree murder under section 565.020;
- (2) Second degree murder under section 565.021;
- (3) Kidnapping under section 565.110;
- (4) First degree assault under section 565.050;
- (5) [Forcible] Rape **in the first degree** under section 566.030;
- (6) [Forcible] Sodomy **in the first degree** under section 566.060;
- (7) Burglary in the first degree under section 569.160;
- (8) Burglary in the second degree under section 569.170;
- (9) Robbery in the first degree under section 569.020;
- (10) Distribution of drugs under section 195.211;
- (11) Distribution of drugs to a minor under section 195.212;
- (12) Arson in the first degree under section 569.040;
- (13) Voluntary manslaughter under section 565.023;
- (14) Involuntary manslaughter under section 565.024;
- (15) Second degree assault under section 565.060;
- (16) [Sexual assault] **Rape in the second degree** under section [566.040] **566.031**;
- (17) Felonious restraint under section 565.120;
- (18) Property damage in the first degree under section 569.100;
- (19) The possession of a weapon under chapter 571;
- (20) Child molestation in the first degree pursuant to section 566.067;
- (21) [Deviate sexual assault] **Sodomy in the second degree** pursuant to section [566.070] **566.061**;
- (22) Sexual misconduct involving a child pursuant to section 566.083;
- (23) Sexual abuse **in the first degree** pursuant to section 566.100;
- (24) Harassment under section 565.090; or
- (25) Stalking under section 565.225; committed on school property, including but not limited to actions on any

school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

- (1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or
- (4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of

any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

(1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall forward the allegation to the children's division within twenty-four hours of receiving the information. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the law enforcement in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the law enforcement officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by a law enforcement officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The law enforcement officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The law enforcement officer and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The law enforcement officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or law enforcement officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.

167.115. 1. Notwithstanding any provision of chapter 211 or chapter 610 to the contrary, the juvenile officer, sheriff, chief of police or other appropriate law enforcement authority shall, as soon as reasonably practical, notify the superintendent, or the superintendent's designee, of the school district in which the pupil is enrolled when a petition is filed pursuant to subsection 1 of section 211.031 alleging that the pupil has committed one of the following acts:

- (1) First degree murder under section 565.020;
- (2) Second degree murder under section 565.021;
- (3) Kidnapping under section 565.110;
- (4) First degree assault under section 565.050;
- (5) Forcible rape under section 566.030 **as it existed prior to August 28, 2013, or rape in the first degree under section 566.030;**
- (6) Forcible sodomy under section 566.060 **as it existed prior to August 28, 2013, or sodomy in the first degree under section 566.060;**
- (7) Burglary in the first degree under section 569.160;
- (8) Robbery in the first degree under section 569.020;
- (9) Distribution of drugs under section 195.211;
- (10) Distribution of drugs to a minor under section 195.212;
- (11) Arson in the first degree under section 569.040;
- (12) Voluntary manslaughter under section 565.023;
- (13) Involuntary manslaughter under section 565.024;
- (14) Second degree assault under section 565.060;
- (15) Sexual assault under section 566.040 **as it existed prior to August 28, 2013, or rape in the second degree under section 566.031;**
- (16) Felonious restraint under section 565.120;
- (17) Property damage in the first degree under section 569.100;
- (18) The possession of a weapon under chapter 571;
- (19) Child molestation in the first degree pursuant to section 566.067;
- (20) Deviate sexual assault pursuant to section 566.070 **as it existed prior to August 28, 2013, or sodomy in the second degree under section 566.061;**
- (21) Sexual misconduct involving a child pursuant to section 566.083; or
- (22) Sexual abuse pursuant to section 566.100 **as it existed prior to August 28, 2013, or sexual abuse in the first degree under section 566.100.**

2. The notification shall be made orally or in writing, in a timely manner, no later than five days following the filing of the petition. If the report is made orally, written notice shall follow in a timely manner. The notification shall include a complete description of the conduct the pupil is alleged to have committed and the dates the conduct occurred but shall not include the name of any victim. Upon the disposition of any such case, the juvenile office or prosecuting attorney or their designee shall send a second notification to the superintendent providing the disposition of the case, including a brief summary of the relevant finding of facts, no later than five days following the disposition of the case.

3. The superintendent or the designee of the superintendent shall report such information to teachers and other school district employees with a need to know while acting within the scope of their assigned duties. Any information received by school district officials pursuant to this section shall be received in confidence and used for the limited purpose of assuring that good order and discipline is maintained in the school. This information shall not be used as the sole basis for not providing educational services to a public school pupil.

4. The superintendent shall notify the appropriate division of the juvenile or family court upon any pupil's suspension for more than ten days or expulsion of any pupil that the school district is aware is under the jurisdiction of the court.

5. The superintendent or the superintendent's designee may be called to serve in a consultant capacity at any dispositional proceedings pursuant to section 211.031 which may involve reference to a pupil's academic treatment plan.

6. Upon the transfer of any pupil described in this section to any other school district in this state, the superintendent or the superintendent's designee shall forward the written notification given to the superintendent pursuant to subsection 2 of this section to the superintendent of the new school district in which the pupil has enrolled. Such written notification shall be required again in the event of any subsequent transfer by the pupil.

7. As used in this section, the terms "school" and "school district" shall include any charter, private or parochial school or school district, and the term "superintendent" shall include the principal or equivalent chief school officer in the cases of charter, private or parochial schools.

8. The superintendent or the designee of the superintendent or other school employee who, in good faith, reports information in accordance with the terms of this section and section 160.261 shall not be civilly liable for providing such information.

167.171. 1. The school board in any district, by general rule and for the causes provided in section 167.161, may authorize the summary suspension of pupils by principals of schools for a period not to exceed ten school days and by the superintendent of schools for a period not to exceed one hundred and eighty school days. In case of a suspension by the superintendent for more than ten school days, the pupil, the pupil's parents or others having such pupil's custodial care may appeal the decision of the superintendent to the board or to a committee of board members appointed by the president of the board which shall have full authority to act in lieu of the board. Any suspension by a principal shall be immediately reported to the superintendent who may revoke the suspension at any time. In event of an appeal to the board, the superintendent shall promptly transmit to it a full report in writing of the facts relating to the suspension, the action taken by the superintendent and the reasons therefor and the board, upon request, shall grant a hearing to the appealing party to be conducted as provided in section 167.161.

2. No pupil shall be suspended unless:

- (1) The pupil shall be given oral or written notice of the charges against such pupil;
- (2) If the pupil denies the charges, such pupil shall be given an oral or written explanation of the facts which form the basis of the proposed suspension;
- (3) The pupil shall be given an opportunity to present such pupil's version of the incident; and
- (4) In the event of a suspension for more than ten school days, where the pupil gives notice that such pupil wishes to appeal the suspension to the board, the suspension shall be stayed until the board renders its decision, unless in the judgment of the superintendent of schools, or of the district superintendent, the pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process, in which case the pupil may be immediately removed from school, and the notice and hearing shall follow as soon as practicable.

3. No school board shall readmit or enroll a pupil properly suspended for more than ten consecutive school days for an act of school violence as defined in subsection 2 of section 160.261 regardless of whether or not such act was committed at a public school or at a private school in this state, provided that such act shall have resulted in the suspension or expulsion of such pupil in the case of a private school, or otherwise permit such pupil to attend school without first holding a conference to review the conduct that resulted in the expulsion or suspension and any remedial actions needed to prevent any future occurrences of such or related conduct. The conference shall include the appropriate school officials including any teacher employed in that school or district directly involved with the conduct that resulted in the suspension or expulsion, the pupil, the parent or guardian of the pupil or any agency having legal jurisdiction, care, custody or control of the pupil. The school board shall notify in writing the parents or guardians and all other parties of the time, place, and agenda of any such conference. Failure of any party to attend this conference shall not preclude holding the conference. Notwithstanding any provision of this subsection to the contrary, no pupil shall be readmitted or enrolled to a regular program of instruction if:

- (1) Such pupil has been convicted of; or
- (2) An indictment or information has been filed alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (3) A petition has been filed pursuant to section 211.091 alleging that the pupil has committed one of the acts enumerated in subdivision (4) of this subsection to which there has been no final judgment; or
- (4) The pupil has been adjudicated to have committed an act which if committed by an adult would be one of the following:
  - (a) First degree murder under section 565.020;
  - (b) Second degree murder under section 565.021;
  - (c) First degree assault under section 565.050;
  - (d) Forcible rape under section 566.030 **as it existed prior to August 28, 2013, or rape in the first degree under section 566.030;**
  - (e) Forcible sodomy under section 566.060 **as it existed prior to August 28, 2013, or sodomy in the first degree under section 566.060;**
  - (f) Statutory rape under section 566.032;
  - (g) Statutory sodomy under section 566.062;
  - (h) Robbery in the first degree under section 569.020;
  - (i) Distribution of drugs to a minor under section 195.212;
  - (j) Arson in the first degree under section 569.040;
  - (k) Kidnapping, when classified as a class A felony under section 565.110. Nothing in this subsection shall prohibit the readmittance or enrollment of any pupil if a petition has been dismissed, or when a pupil has been acquitted or adjudicated not to have committed any of the above acts. This subsection shall not apply to a student with a disability, as identified under state eligibility criteria, who is convicted or adjudicated guilty as a result of an action related to the student's disability. Nothing in this subsection shall be construed to prohibit a school district which provides an

alternative education program from enrolling a pupil in an alternative education program if the district determines such enrollment is appropriate.

4. If a pupil is attempting to enroll in a school district during a suspension or expulsion from another in-state or out-of-state school district including a private, charter or parochial school or school district, a conference with the superintendent or the superintendent's designee may be held at the request of the parent, court-appointed legal guardian, someone acting as a parent as defined by rule in the case of a special education student, or the pupil to consider if the conduct of the pupil would have resulted in a suspension or expulsion in the district in which the pupil is enrolling. Upon a determination by the superintendent or the superintendent's designee that such conduct would have resulted in a suspension or expulsion in the district in which the pupil is enrolling or attempting to enroll, the school district may make such suspension or expulsion from another school or district effective in the district in which the pupil is enrolling or attempting to enroll. Upon a determination by the superintendent or the superintendent's designee that such conduct would not have resulted in a suspension or expulsion in the district in which the student is enrolling or attempting to enroll, the school district shall not make such suspension or expulsion effective in its district in which the student is enrolling or attempting to enroll.

168.071. 1. The state board of education may refuse to issue or renew a certificate, or may, upon hearing, discipline the holder of a certificate of license to teach for the following causes:

(1) A certificate holder or applicant for a certificate has pleaded to or been found guilty of a felony or crime involving moral turpitude under the laws of this state, any other state, of the United States, or any other country, whether or not sentence is imposed;

(2) The certification was obtained through use of fraud, deception, misrepresentation or bribery;

(3) There is evidence of incompetence, immorality, or neglect of duty by the certificate holder;

(4) A certificate holder has been subject to disciplinary action relating to certification issued by another state, territory, federal agency, or country upon grounds for which discipline is authorized in this section; or

(5) If charges are filed by the local board of education, based upon the annulling of a written contract with the local board of education, for reasons other than election to the general assembly, without the consent of the majority of the members of the board that is a party to the contract.

2. A public school district may file charges seeking the discipline of a holder of a certificate of license to teach based upon any cause or combination of causes outlined in subsection 1 of this section, including annulment of a written contract. Charges shall be in writing, specify the basis for the charges, and be signed by the chief administrative officer of the district, or by the president of the board of education as authorized by a majority of the board of education. The board of education may also petition the office of the attorney general to file charges on behalf of the school district for any cause other than annulment of contract, with acceptance of the petition at the discretion of the attorney general.

3. The department of elementary and secondary education may file charges seeking the discipline of a holder of a certificate of license to teach based upon any cause or combination of causes outlined in subsection 1 of this section, other than annulment of contract. Charges shall be in writing, specify the basis for the charges, and be signed by legal counsel representing the department of elementary and secondary education.

4. If the underlying conduct or actions which are the basis for charges filed pursuant to this section are also the subject of a pending criminal charge against the person holding such certificate, the certificate holder may request, in writing, a delayed hearing on advice of counsel under the fifth amendment of the Constitution of the United States. Based upon such a request, no hearing shall be held until after a trial has been completed on this criminal charge.

5. The certificate holder shall be given not less than thirty days' notice of any hearing held pursuant to this section.

6. Other provisions of this section notwithstanding, the certificate of license to teach shall be revoked or, in the case of an applicant, a certificate shall not be issued, if the certificate holder or applicant has pleaded guilty to or been found guilty of any of the following offenses established pursuant to Missouri law or offenses of a similar nature established under the laws of any other state or of the United States, or any other country, whether or not the sentence is imposed:

(1) Any dangerous felony as defined in section 556.061, or murder in the first degree under section 565.020;

7. When a certificate holder pleads guilty or is found guilty of any offense that would authorize the state board of education to seek discipline against that holder's certificate of license to teach, the local board of education or the department of elementary and secondary education shall immediately provide written notice to the state board of education and the attorney general regarding the plea of guilty or finding of guilty.

8. The certificate holder whose certificate was revoked pursuant to subsection 6 of this section may appeal such revocation to the state board of education. Notice of this appeal must be received by the commissioner of education within ninety days of notice of revocation pursuant to this subsection. Failure of the certificate holder to notify the commissioner of the intent to appeal waives all rights to appeal the revocation. Upon notice of the certificate holder's intent to appeal, an appeal hearing shall be held by a hearing officer designated by the commissioner of education, with the final decision made by the state board of education, based upon the record of that hearing. The certificate holder shall be given not less than thirty days' notice of the hearing, and an opportunity to be heard by the hearing officer, together with witnesses.

9. In the case of any certificate holder who has surrendered or failed to renew his or her certificate of license to teach, the state board of education may refuse to issue or renew, or may suspend or revoke, such certificate for any of the reasons contained in this section.

10. In those cases where the charges filed pursuant to this section are based upon an allegation of misconduct involving a minor child, the hearing officer may accept into the record the sworn testimony of the minor child relating to the misconduct received in any court or administrative hearing.

11. Hearings, appeals or other matters involving certificate holders, licensees or applicants pursuant to this section may be informally resolved by consent agreement or agreed settlement or voluntary surrender of the certificate of license pursuant to the rules promulgated by the state board of education.

12. The final decision of the state board of education is subject to judicial review pursuant to sections 536.100 to 536.140.

13. A certificate of license to teach to an individual who has been convicted of a felony or crime involving moral turpitude, whether or not sentence is imposed, shall be issued only upon motion of the state board of education adopted by a unanimous affirmative vote of those members present and voting.

188.023. Any licensed health care professional who delivers a baby or performs an abortion, who has prima facie evidence that a patient has been the victim of statutory rape in the first degree or statutory rape in the second degree, or if the patient is under the age of eighteen, that he or she has been a victim of sexual abuse, including [forcible rape, sexual assault] **rape in the first or second degree**, or incest, shall be required to report such offenses in the same manner as provided for by section 210.115.

211.071. 1. If a petition alleges that a child between the ages of twelve and seventeen has committed an offense which would be considered a felony if committed by an adult, the court may, upon its own motion or upon motion by the juvenile officer, the child or the child's custodian, order a hearing and may, in its discretion, dismiss the petition and such child may be transferred to the court of general jurisdiction and prosecuted under the general law; except that if a petition alleges that any child has committed an offense which would be considered first degree murder

under section 565.020, second degree murder under section 565.021, first degree assault under section 565.050, forcible rape under section 566.030 **as it existed prior to August 28, 2013, rape in the first degree under section 566.030**, forcible sodomy under section 566.060 **as it existed prior to August 28, 2013, sodomy in the first degree under section 566.060**, first degree robbery under section 569.020, or distribution of drugs under section 195.211, or has committed two or more prior unrelated offenses which would be felonies if committed by an adult, the court shall order a hearing, and may in its discretion, dismiss the petition and transfer the child to a court of general jurisdiction for prosecution under the general law.

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between seventeen and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. Notice of the hearing may be waived by the custodian. Notice shall contain a statement that the purpose of the hearing is to determine whether the child is a proper subject to be dealt with under the provisions of this chapter, and that if the court finds that the child is not a proper subject to be dealt with under the provisions of this chapter, the petition will be dismissed to allow for prosecution of the child under the general law.

5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to subdivision (3) of subsection 1 of section 211.031. The prosecuting attorney shall not divulge any information regarding the child and the offense until the juvenile court at a judicial hearing has determined that the child is not a proper subject to be dealt with under the provisions of this chapter.

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

- (1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;
- (2) Whether the offense alleged involved viciousness, force and violence;
- (3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;
- (4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;
- (5) The record and history of the child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions and other placements;
- (6) The sophistication and maturity of the child as determined by consideration of his home and environmental situation, emotional condition and pattern of living;
- (7) The age of the child;
- (8) The program and facilities available to the juvenile court in considering disposition;
- (9) Whether or not the child can benefit from the treatment or rehabilitative programs available to the juvenile court; and
- (10) Racial disparity in certification.

7. If the court dismisses the petition to permit the child to be prosecuted under the general law, the court shall enter a dismissal order containing:

- (1) Findings showing that the court had jurisdiction of the cause and of the parties;
- (2) Findings showing that the child was represented by counsel;
- (3) Findings showing that the hearing was held in the presence of the child and his counsel; and
- (4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition and order of the dismissal shall be sent to the prosecuting attorney.

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171.

211.447. 1. Any information that could justify the filing of a petition to terminate parental rights may be referred to the juvenile officer by any person. The juvenile officer shall make a preliminary inquiry and if it does not appear to the juvenile officer that a petition should be filed, such officer shall so notify the informant in writing within thirty days of the referral. Such notification shall include the reasons that the petition will not be filed. Thereupon, the informant may bring the matter directly to the attention of the judge of the juvenile court by presenting the information in writing, and if it appears to the judge that the information could justify the filing of a petition, the judge may order the juvenile officer to take further action, including making a further preliminary inquiry or filing a petition.

2. Except as provided for in subsection 4 of this section, a petition to terminate the parental rights of the child's parent or parents shall be filed by the juvenile officer or the division, or if such a petition has been filed by another party, the juvenile officer or the division shall seek to be joined as a party to the petition, when:

(1) Information available to the juvenile officer or the division establishes that the child has been in foster care for at least fifteen of the most recent twenty-two months; or

(2) A court of competent jurisdiction has determined the child to be an abandoned infant. For purposes of this subdivision, an "infant" means any child one year of age or under at the time of filing of the petition. The court may find that an infant has been abandoned if:

(a) The parent has left the child under circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so; or

(3) A court of competent jurisdiction has determined that the parent has:

(a) Committed murder of another child of the parent; or

(b) Committed voluntary manslaughter of another child of the parent; or

(c) Aided or abetted, attempted, conspired or solicited to commit such a murder or voluntary manslaughter;

or

(d) Committed a felony assault that resulted in serious bodily injury to the child or to another child of the parent.

3. A termination of parental rights petition shall be filed by the juvenile officer or the division, or if such a petition has been filed by another party, the juvenile officer or the division shall seek to be joined as a party to the petition, within sixty days of the judicial determinations required in subsection 2 of this section, except as provided in subsection 4 of this section. Failure to comply with this requirement shall not deprive the court of jurisdiction to adjudicate a petition for termination of parental rights which is filed outside of sixty days.

4. If grounds exist for termination of parental rights pursuant to subsection 2 of this section, the juvenile officer or the division may, but is not required to, file a petition to terminate the parental rights of the child's parent or parents if:

(1) The child is being cared for by a relative; or

(2) There exists a compelling reason for determining that filing such a petition would not be in the best interest of the child, as documented in the permanency plan which shall be made available for court review; or

(3) The family of the child has not been provided such services as provided for in section 211.183.

5. The juvenile officer or the division may file a petition to terminate the parental rights of the child's parent when it appears that one or more of the following grounds for termination exist:

(1) The child has been abandoned. For purposes of this subdivision a "child" means any child over one year of age at the time of filing of the petition. The court shall find that the child has been abandoned if, for a period of six months or longer:

(a) The parent has left the child under such circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so;

(2) The child has been abused or neglected. In determining whether to terminate parental rights pursuant to this subdivision, the court shall consider and make findings on the following conditions or acts of the parent:

(a) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(b) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control of the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control;

(c) A severe act or recurrent acts of physical, emotional or sexual abuse toward the child or any child in the family by the parent, including an act of incest, or by another under circumstances that indicate that the parent knew or should have known that such acts were being committed toward the child or any child in the family; or

(d) Repeated or continuous failure by the parent, although physically or financially able, to provide the child with adequate food, clothing, shelter, or education as defined by law, or other care and control necessary for the child's physical, mental, or emotional health and development. Nothing in this subdivision shall be construed to permit discrimination on the basis of disability or disease;

(3) The child has been under the jurisdiction of the juvenile court for a period of one year, and the court finds that the conditions which led to the assumption of jurisdiction still persist, or conditions of a potentially harmful nature continue to exist, that there is little likelihood that those conditions will be remedied at an early date so that the child can be returned to the parent in the near future, or the continuation of the parent-child relationship greatly diminishes the child's prospects for early integration into a stable and permanent home. In determining whether to terminate parental rights under this subdivision, the court shall consider and make findings on the following:

(a) The terms of a social service plan entered into by the parent and the division and the extent to which the parties have made progress in complying with those terms;

(b) The success or failure of the efforts of the juvenile officer, the division or other agency to aid the parent on a continuing basis in adjusting his circumstances or conduct to provide a proper home for the child;

(c) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(d) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control over the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control; or

(4) The parent has been found guilty or pled guilty to a felony violation of chapter 566 when the child or any child in the family was a victim, or a violation of section 568.020 when the child or any child in the family was a victim. As used in this subdivision, a "child" means any person who was under eighteen years of age at the time of the crime and who resided with such parent or was related within the third degree of consanguinity or affinity to such parent; or

(5) The child was conceived and born as a result of an act of forcible rape **or rape in the first degree**. When the biological father has pled guilty to, or is convicted of, the forcible rape **or rape in the first degree** of the birth mother, such a plea or conviction shall be conclusive evidence supporting the termination of the biological father's parental rights; or

(6) The parent is unfit to be a party to the parent and child relationship because of a consistent pattern of committing a specific abuse, including but not limited to abuses as defined in section 455.010, child abuse or drug abuse before the child or of specific conditions directly relating to the parent and child relationship either of which are determined by the court to be of a duration or nature that renders the parent unable, for the reasonably foreseeable future, to care appropriately for the ongoing physical, mental or emotional needs of the child. It is presumed that a parent is unfit to be a party to the parent-child relationship upon a showing that within a three-year period immediately prior to the termination adjudication, the parent's parental rights to one or more other children were involuntarily terminated pursuant to subsection 2 or 4 of this section or subdivisions (1), (2), (3) or (4) of subsection 5 of this section or similar laws of other states.

6. The juvenile court may terminate the rights of a parent to a child upon a petition filed by the juvenile officer or the division, or in adoption cases, by a prospective parent, if the court finds that the termination is in the best interest of the child and when it appears by clear, cogent and convincing evidence that grounds exist for termination pursuant to subsection 2, 4 or 5 of this section.

7. When considering whether to terminate the parent-child relationship pursuant to subsection 2 or 4 of this section or subdivision (1), (2), (3) or (4) of subsection 5 of this section, the court shall evaluate and make findings on the following factors, when appropriate and applicable to the case:

(1) The emotional ties to the birth parent;

(2) The extent to which the parent has maintained regular visitation or other contact with the child;

(3) The extent of payment by the parent for the cost of care and maintenance of the child when financially able to do so including the time that the child is in the custody of the division or other child-placing agency;

(4) Whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time;

(5) The parent's disinterest in or lack of commitment to the child;

(6) The conviction of the parent of a felony offense that the court finds is of such a nature that the child will be deprived of a stable home for a period of years; provided, however, that incarceration in and of itself shall not be grounds for termination of parental rights;

(7) Deliberate acts of the parent or acts of another of which the parent knew or should have known that subjects the child to a substantial risk of physical or mental harm.

8. The court may attach little or no weight to infrequent visitations, communications, or contributions. It is irrelevant in a termination proceeding that the maintenance of the parent-child relationship may serve as an inducement for the parent's rehabilitation.

9. In actions for adoption pursuant to chapter 453, the court may hear and determine the issues raised in a petition for adoption containing a prayer for termination of parental rights filed with the same effect as a petition permitted pursuant to subsection 2, 4, or 5 of this section.

10. The disability or disease of a parent shall not constitute a basis for a determination that a child is a child in need of care, for the removal of custody of a child from the parent, or for the termination of parental rights without a specific showing that there is a causal relation between the disability or disease and harm to the child.

217.010. As used in this chapter and chapter 558, unless the context clearly indicates otherwise, the following terms shall mean:

(1) "Administrative segregation unit", a cell for the segregation of offenders from the general population of a facility for relatively extensive periods of time;

(2) "Board", the board of probation and parole;

(3) "Chief administrative officer", the institutional head of any correctional facility or his designee;

(5) "Department", the department of corrections of the state of Missouri;

(6) "Director", the director of the department of corrections or his designee;

(7) "Disciplinary segregation", a cell for the segregation of offenders from the general population of a correctional center because the offender has been found to have committed a violation of a division or facility rule and other available means are inadequate to regulate the offender's behavior;

(8) "Division", a statutorily created agency within the department or an agency created by the departmental organizational plan;

(9) "Division director", the director of a division of the department or his designee;

(10) "Local volunteer community board", a board of qualified local community volunteers selected by the court for the purpose of working in partnership with the court and the department of corrections in a reparative probation program;

(11) "Nonviolent offender", any offender who is convicted of a crime other than murder in the first or second degree, involuntary manslaughter, kidnapping, **rape in the first degree**, forcible rape, **sodomy in the first degree**, forcible sodomy, robbery in the first degree or assault in the first degree;

(12) "Offender", a person under supervision or an inmate in the custody of the department;

(13) "Probation", a procedure under which a defendant found guilty of a crime upon verdict or plea is released by the court without imprisonment, subject to conditions imposed by the court and subject to the supervision of the board;

(14) "Volunteer", any person who, of his own free will, performs any assigned duties for the department or its divisions with no monetary or material compensation.

In conducting such investigation, if the questioned activity or written complaint involves an affiliated licensee, the commission may forward a copy of the information received to the affiliated licensee's designated broker. The prosecuting attorney in the circuit court in which the petition is filed must be given notice, by the person seeking removal or exemption from the registry, of the petition to present evidence in opposition to the requested relief or may otherwise demonstrate the reasons why the petition should be denied. Failure of the person seeking removal or exemption from the registry to notify the prosecuting attorney of the petition shall result in an automatic denial of such person's petition. If the prosecuting attorney is notified of the petition he or she shall make reasonable efforts to notify the victim of the crime for which the person was required to register of the petition and the dates and times of any hearings or other proceedings in connection with that petition.

(2) If the petition is denied, such person shall wait at least twelve months before petitioning the court again. If the court finds that the petitioner is entitled to relief, which removes or exempts such person's name from the registry, a certified copy of the written findings or order shall be forwarded by the court to the chief law enforcement official having jurisdiction over the offender and to the Missouri state highway patrol in order to have such person's name removed or exempted from the registry.

[10.] 11. Any nonresident worker or nonresident student shall register for the duration of such person's employment or attendance at any school of higher education and is not entitled to relief under the provisions of

subsection [9] 10 of this section. Any registered offender from another state who has a temporary residence in this state and resides more than seven days in a twelve-month period shall register for the duration of such person's temporary residency and is not entitled to the provisions of subsection [9] 10 of this section.

[11.] 12. Any person whose name is removed or exempted from the sexual offender registry under subsection [7] 8 or [8] 9 of this section shall no longer be required to fulfill the registration requirements of sections 589.400 to 589.425, unless such person is required to register for committing another offense after being removed from the registry.

589.402. 1. The chief law enforcement officer of the county or city not within a county may maintain a [web page] **website** on the internet, which shall be open to the public and shall include a registered sexual offender search capability.

2. The registered sexual offender search shall make it possible for any person using the internet to search for and find the information specified in subsection 3 of this section, if known, on offenders registered in this state pursuant to sections 589.400 to 589.425, except that only persons who have been convicted of, found guilty of, or plead guilty to committing, attempting to commit, or conspiring to commit sexual offenses shall be included on this website.

3. Only the information listed in this subsection shall be provided to the public in the registered sexual offender search:

- (1) The name and any known aliases of the offender;
- (2) The date of birth and any known alias dates of birth of the offender;
- (3) A physical description of the offender;
- (4) The residence, temporary, work, and school addresses of the offender, including the street address, city, county, state, and zip code;
- (5) Any photographs of the offender;
- (6) A physical description of the offender's vehicles, including the year, make, model, color, and license plate number;
- (7) The nature and dates of all offenses qualifying the offender to register;
- (8) The date on which the offender was released from the department of mental health, prison, or jail, or placed on parole, supervised release, or probation for the offenses qualifying the offender to register;
- (9) Compliance status of the offender with the provisions of sections 589.400 to 589.425; and
- (10) Any online identifiers, as defined in section 43.651, used by the person. Such online identifiers shall not be included in the general profile of an offender on the [web page] **website** and shall only be available to a member of the public by a search using the specific online identifier to determine if a match exists with a registered offender.

4. The chief law enforcement officer of any county or city not within a county may publish in any newspaper distributed in the county or city not within a county the sexual offender information provided under subsection 3 of this section for any offender residing in the county or city not within a county.

**5. Beginning August 28, 2013, no offender's information whose offense was committed in the state of Missouri, or in any other state, when such offender was a juvenile shall be listed on the website. Effective August 28, 2013, any offender currently on the website who was required to register as a sex offender under section 589.400, based on an offense that occurred when such offender was a juvenile shall be immediately removed from the website. For purposes of this subsection, "juvenile" shall mean any person under eighteen years of age."; and**

## MESSAGES FROM THE SENATE

Mr. Speaker: I am instructed by the Senate to inform the House of Representatives that the Senate has taken up and passed **SCS HCS HB 110**, entitled:

An act to repeal sections 473.730, 473.733, and 473.737, RSMo, and to enact in lieu thereof four new sections relating to the selection of public officials, with an emergency clause for a certain section.

With Senate Amendment No. 1, Senate Amendment No. 2 and Senate Amendment No. 3.

### *Senate Amendment No. 1*

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 110, Page 1, Section 26.226, Line 13, by inserting after all of said line the following:

"115.607. 1. No person shall be elected or shall serve as a member of a county committee who is not, for one year next before the person's election, both a registered voter of and a resident of the county and the committee district from which the person is elected if such district shall have been so long established, and if not, then of the district or districts from which the same shall have been taken. Except as provided in subsections 2, 3, 4, 5, and 6 of this section, the membership of a county committee of each established political party shall consist of a man and a woman elected from each township or ward in the county.

2. In each county of the first classification containing the major portion of a city which has over three hundred thousand inhabitants, [two members of the committee, a man and a woman, shall be elected from each ward in the city. Any township entirely contained in the city shall have no additional representation on the county committee. The election authority for the county shall, not later than six months after the decennial census has been reported to the President of the United States, divide the most populous township outside the city into eight subdistricts of contiguous and compact territory and as nearly equal in population as practicable. The subdistricts shall be numbered from one upward consecutively, which numbers shall, insofar as practicable, be retained upon reapportionment. Two members of the county committee, a man and a woman, shall be elected from each such subdistrict. Six members of the committee, three men and three women, shall be elected from the second and third most populous townships outside the city. Four members of the committee, two men and two women, shall be elected from the other townships outside the city] **members of the committee shall be elected from the districts of each state representative that are in any way contained in the county in the following manner: within six months after each legislative reapportionment, each portion of a legislative district contained in the county shall constitute a single committee district. Two men and two women shall be elected from each committee district formed from a legislative district that is wholly contained in the county as members of the committee, two men and two women shall be elected from each committee district formed from a legislative district that is predominantly contained in the county as members of the committee, and one man and one woman shall be elected from each committee district formed from a legislative district that is partially but not predominantly contained in the county as members of the committee.**

3. [In any city which has over three hundred thousand inhabitants, the major portion of which is located in a county with a charter form of government, for the portion of the city located within such county and notwithstanding section 82.110, it shall be the duty of the election authority, not later than six months after the decennial census has been reported to the President of the United States, to divide such cities into not less than twenty-four nor more than twenty-five wards after each decennial census. Wards shall be so divided that the number of inhabitants in any ward shall not exceed any other ward of the city and within the same county, by more than five percent, measured by the number of the inhabitants determined at the preceding decennial census.

4.] In each county of the first classification containing a portion, but not the major portion, of a city which has over three hundred thousand inhabitants, ten members of the committee, five men and five women, shall be elected from the district of each state representative wholly contained in the county in the following manner: within six months after each legislative reapportionment, the election authority shall divide each legislative district wholly contained in the county into five committee districts of contiguous territory as compact and as nearly equal in population as may be; two members of the committee, a man and a woman, shall be elected from each committee district. The election authority shall divide the area of the county located within legislative districts not wholly contained in the county into similar committee districts; two members of the committee, a man and a woman, shall be elected from each committee district.

[5.] 4. In each city not situated in a county, two members of the committee, a man and a woman, shall be elected from each ward.

[6.] 5. In all counties with a charter form of government and a population of over nine hundred thousand inhabitants, the county committee persons shall be elected from each township. Within ninety days after August 28, 2002, and within six months after each decennial census has been reported to the President of the United States, the election authority shall divide the county into twenty-eight compact and contiguous townships containing populations as nearly equal in population to each other as is practical.

[7.] 6. If any election authority has failed to adopt a reapportionment plan by the deadline set forth in this section, the county commission, sitting as a reapportionment commission, shall within sixty days after the deadline, adopt a reapportionment plan. Changes of township, ward, or precinct lines shall not affect the terms of office of incumbent party committee members elected from districts as constituted at the time of their election."; and

Further amend the title and enacting clause accordingly.

*Senate Amendment No. 2*

AMEND Senate Committee Substitute for House Committee Substitute for House Bill No. 110, Page 1, Section 26.226, Lines 1-13, by striking all of said section from the bill and inserting in lieu thereof the following:

**"26.226. In case of death, resignation, removal from office, conviction after impeachment, or vacancy from any cause in the office of lieutenant governor, the governor shall, within thirty days, issue a writ of election to fill the vacancy for the remainder of the term in which such vacancy occurred and until the successor is elected, commissioned, and qualified. Such election shall be held at the next general election. The candidates for the election shall be nominated and placed on the ballot in accordance with the provisions of sections 115.305 to 115.405. In the case of impeachment, the office shall remain vacant until such impeachment is determined. If acquitted, the lieutenant governor shall be reinstated in office. During any period of time when the office of lieutenant governor is vacant, the chief administrative assistant of the vacating lieutenant governor shall perform all ministerial duties during the period of such vacancy, provided however, that any duties of the lieutenant governor as president of the senate shall be performed by the president pro tempore of the senate during the period of such vacancy."**

*Senate Amendment No. 3*

"115.027. 1. Each board of election commissioners shall be composed of four members, appointed by the governor with the advice and consent of the senate. Two commissioners on each board shall be members of one major political party, and two commissioners on each board shall be members of the other major political party. In no case shall more than two commissioners on a board be members of the same political party. When appointing commissioners, the governor shall designate one commissioner on each board to be chairman of the board and one commissioner on each board to be secretary of the board. The chairman and secretary of a board shall not be members of the same political party.

2. In jurisdictions with boards of election commissioners as the election authority, the governor may appoint to the board one representative from each established political party. The representative shall not be a member of the board for purposes of subsection 1 of this section. The state chair of each established political party shall submit a list of no more than four names from which the governor shall select the representative for that party. The representative shall not have voting status, and shall not be compensated, but shall be allowed to participate in discussions and be informed of any meeting of the board.

**3. The governor shall not make any appointment, during the legislative interim, to the board of election commissioners in any county with a charter form of government and with more than nine hundred fifty thousand inhabitants.";** and

(8) "Full order of protection", an order of protection issued after a hearing on the record where the respondent has received notice of the proceedings and has had an opportunity to be heard;

(9) "Order of protection", either an ex parte order of protection or a full order of protection;

(10) "Pending", exists or for which a hearing date has been set;

(11) "Petitioner", a family or household member who has been a victim of domestic violence, or any person who has been the victim of stalking, or a person filing on behalf of a child pursuant to section 455.503 who has filed a verified petition pursuant to the provisions of section 455.020 or section 455.505;

(13) "Stalking" is when any person purposely and repeatedly engages in an unwanted course of conduct that causes alarm to another person when it is reasonable in that person's situation to have been alarmed by the conduct. As used in this subdivision:

(a) "Alarm" means to cause fear of danger of physical harm;

(b) "Course of conduct" means a pattern of conduct composed of repeated acts over a period of time, however short, that serves no legitimate purpose. Such conduct may include, but is not limited to, following the other person or unwanted communication or unwanted contact; and

(c) "Repeated" means two or more incidents evidencing a continuity of purpose.

455.015. The petition shall be filed in the county where the petitioner resides, where the alleged incident of [abuse] **domestic violence** occurred, or where the respondent may be served.

455.020. 1. Any [adult] **person** who has been subject to domestic violence by a present or former family or household member, or who has been the victim of stalking, may seek relief under sections 455.010 to 455.085 by filing a verified petition alleging such domestic violence or stalking by the respondent.

2. [An adult's] **A person's** right to relief under sections 455.010 to 455.085 shall not be affected by [his] **the person** leaving the residence or household to avoid domestic violence.

3. Any protection order issued pursuant to sections 455.010 to 455.085 shall be effective throughout the state in all cities and counties.

455.030. 1. When the court is unavailable after business hours or on holidays or weekends, a verified petition for protection from [abuse] **domestic violence** or a motion for hearing on violation of any order of protection under sections 455.010 to 455.085 may be filed before any available court in the city or county having jurisdiction to hear the petition pursuant to the guidelines developed pursuant to subsection 4 of this section. An ex parte order may be granted pursuant to section 455.035.

2. All papers in connection with the filing of a petition or the granting of an ex parte order of protection or a motion for a hearing on a violation of an order of protection under this section shall be certified by such court or the clerk within the next regular business day to the circuit court having jurisdiction to hear the petition.

3. A petitioner seeking a protection order shall not be required to reveal any current address or place of residence except to the court in camera for the purpose of determining jurisdiction and venue. The petitioner may be required to provide a mailing address unless the petitioner alleges that he or she would be endangered by such disclosure, or that other family or household members would be endangered by such disclosure. Effective January 1, 2004, a petitioner shall not be required to provide his or her Social Security number on any petition or document filed in connection with a protection order; except that, the court may require that a petitioner's Social Security number be retained on a confidential case sheet or other confidential record maintained in conjunction with the administration of the case.

4. The supreme court shall develop guidelines which ensure that a verified petition may be filed on holidays, evenings and weekends.

455.032. In addition to any other jurisdictional grounds provided by law, a court shall have jurisdiction to enter an order of protection restraining or enjoining the respondent from [abusing, threatening to abuse] **committing or threatening to commit domestic violence, stalking**, molesting or disturbing the peace of petitioner, pursuant to sections 455.010 to 455.085, if the petitioner is present, whether permanently or on a temporary basis within the state of Missouri and if the respondent's actions constituting [abuse] **domestic violence** have occurred, have been attempted or have been or are threatened within the state of Missouri. For purposes of this section, if the petitioner has been the subject of [abuse] **domestic violence** within or outside of the state of Missouri, such evidence shall be admissible to demonstrate the need for protection in Missouri.

455.035. 1. Upon the filing of a verified petition pursuant to sections 455.010 to 455.085 and for good cause shown in the petition, the court may immediately issue an ex parte order of protection. An immediate and present danger of [abuse] **domestic violence** to the petitioner **or the child on whose behalf the petition is filed** shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall take effect when entered and shall remain in effect until there is valid service of process and a hearing is held on the motion. **The court shall deny the ex parte order and dismiss the petition if the petitioner is not authorized to seek relief pursuant to section 455.020.**

2. Failure to serve an ex parte order of protection on the respondent shall not affect the validity or enforceability of such order. If the respondent is less than seventeen years of age, unless otherwise emancipated, service of process shall be made upon a **custodial** parent or guardian of the respondent, or upon a guardian ad litem appointed by the court, **requiring that the person appear and bring the respondent before the court at the time and place stated.**

3. If an ex parte order is entered and [the allegations in the petition would give rise to jurisdiction under section 211.031 because] the respondent is less than seventeen years of age, the court shall transfer the case to juvenile court for a hearing on a full order of protection. The court shall appoint a guardian ad litem for any such respondent not represented by a parent or guardian.

455.040. 1. Not later than fifteen days after the filing of a petition [pursuant to sections 455.010 to 455.085] **that meets the requirements of section 455.020**, a hearing shall be held unless the court deems, for good cause shown, that a continuance should be granted. At the hearing, if the petitioner has proved the allegation of [abuse] **domestic violence** or stalking by a preponderance of the evidence, **and the respondent cannot show that his or her actions alleged to constitute abuse were otherwise justified under the law**, the court shall issue a full order of protection for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. Upon motion by the petitioner, and after a hearing by the court, the full order of protection may be renewed for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year from the expiration date of the originally issued full order of protection. The court may, upon finding that it is in the best interest of the parties, include a provision that any full order of protection for one year shall automatically renew unless the respondent requests a hearing by thirty days prior to the expiration of the order. If for good cause a hearing cannot be held on the motion to renew or the objection to an automatic renewal of the full order of protection prior to the expiration date of the originally issued full order of protection, an ex parte order of protection may be issued until a hearing is held on the motion. When an automatic renewal is not authorized, upon motion by the petitioner, and after a hearing by the court, the second full order of protection may be renewed for an additional period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. For purposes of this subsection, a finding by the court of a subsequent act of [abuse] **domestic violence or stalking** is not required for a renewal order of protection.

2. The court shall cause a copy of the petition and notice of the date set for the hearing on such petition and any ex parte order of protection to be served upon the respondent as provided by law or by any sheriff or police officer at least three days prior to such hearing. [Such notice shall be served at the earliest time, and service of such notice shall take priority over service in other actions, except those of a similar emergency nature.] The court shall cause a copy of any full order of protection to be served upon or mailed by certified mail to the respondent at the respondent's last known address. **Notice of an ex parte or full order of protection shall be served at the earliest time, and service of such notice shall take priority over service in other actions, except those of a similar emergency nature.** Failure to serve or mail a copy of the full order of protection to the respondent shall not affect the validity or enforceability of a full order of protection.

3. A copy of any order of protection granted pursuant to sections 455.010 to 455.085 shall be issued to the petitioner and to the local law enforcement agency in the jurisdiction where the petitioner resides. The clerk shall also issue a copy of any order of protection to the local law enforcement agency responsible for maintaining the Missouri uniform law enforcement system or any other comparable law enforcement system the same day the order is granted.

The law enforcement agency responsible for maintaining MULES shall, for purposes of verification, within twenty-four hours from the time the order is granted, enter information contained in the order including but not limited to any orders regarding child custody or visitation and all specifics as to times and dates of custody or visitation that are provided in the order. A notice of expiration or of termination of any order of protection or any change in child custody or visitation within that order shall be issued to the local law enforcement agency and to the law enforcement agency responsible for maintaining MULES or any other comparable law enforcement system. The law enforcement agency responsible for maintaining the applicable law enforcement system shall enter such information in the system within twenty-four hours of receipt of information evidencing such expiration or termination. The information contained in an order of protection may be entered in the Missouri uniform law enforcement system or comparable law enforcement system using a direct automated data transfer from the court automated system to the law enforcement system.

4. The court shall cause a copy of any objection filed by the respondent and notice of the date set for the hearing on such objection to an automatic renewal of a full order of protection for a period of one year to be personally served upon the petitioner by personal process server as provided by law or by a sheriff or police officer at least three days prior to such hearing. Such service of process shall be served at the earliest time and shall take priority over service in other actions except those of a similar emergency nature.

455.045. Any ex parte order of protection granted pursuant to sections 455.010 to 455.085 shall be to protect the petitioner from [abuse] **domestic violence** or stalking and may include:

- (1) Restraining the respondent from [abusing, threatening to abuse] **committing or threatening to commit domestic violence**, molesting, stalking or disturbing the peace of the petitioner;
- (2) Restraining the respondent from entering the premises of the dwelling unit of petitioner when the dwelling unit is:
  - (a) Jointly owned, leased or rented or jointly occupied by both parties; or
  - (b) Owned, leased, rented or occupied by petitioner individually; or
  - (c) Jointly owned, leased or rented by petitioner and a person other than respondent; provided, however, no spouse shall be denied relief pursuant to this section by reason of the absence of a property interest in the dwelling unit; or
  - (d) Jointly occupied by the petitioner and a person other than the respondent; provided that the respondent has no property interest in the dwelling unit;
- (3) Restraining the respondent from communicating with the petitioner in any manner or through any medium;
- (4) A temporary order of custody of minor children where appropriate.

455.050. 1. Any full or ex parte order of protection granted pursuant to sections 455.010 to 455.085 shall be to protect the petitioner from domestic violence and may include such terms as the court reasonably deems necessary to ensure the petitioner's safety, including but not limited to:

- (1) Temporarily enjoining the respondent from [abusing, threatening to abuse] **committing or threatening to commit domestic violence**, molesting, stalking or disturbing the peace of the petitioner;
- (2) Temporarily enjoining the respondent from entering the premises of the dwelling unit of the petitioner when the dwelling unit is:
  - (a) Jointly owned, leased or rented or jointly occupied by both parties; or
  - (b) Owned, leased, rented or occupied by petitioner individually; or
  - (c) Jointly owned, leased, rented or occupied by petitioner and a person other than respondent; provided, however, no spouse shall be denied relief pursuant to this section by reason of the absence of a property interest in the dwelling unit; or
  - (d) Jointly occupied by the petitioner and a person other than respondent; provided that the respondent has no property interest in the dwelling unit; or
- (3) Temporarily enjoining the respondent from communicating with the petitioner in any manner or through any medium.

2. Mutual orders of protection are prohibited unless both parties have properly filed written petitions and proper service has been made in accordance with sections 455.010 to 455.085.

3. When the court has, after a hearing for any full order of protection, issued an order of protection, it may, in addition:

- (1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;
- (2) Establish a visitation schedule that is in the best interests of the child;
- (3) Award child support in accordance with supreme court rule 88.01 and chapter 452;

(4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452;

(5) Order respondent to make or to continue to make rent or mortgage payments on a residence occupied by the petitioner if the respondent is found to have a duty to support the petitioner or other dependent household members;

(6) Order the respondent to pay the petitioner's rent at a residence other than the one previously shared by the parties if the respondent is found to have a duty to support the petitioner and the petitioner requests alternative housing;

(7) Order that the petitioner be given temporary possession of specified personal property, such as automobiles, checkbooks, keys, and other personal effects;

(8) Prohibit the respondent from transferring, encumbering, or otherwise disposing of specified property mutually owned or leased by the parties;

(9) Order the respondent to participate in a court-approved counseling program designed to help batterers stop violent behavior or to participate in a substance abuse treatment program;

(10) Order the respondent to pay a reasonable fee for housing and other services that have been provided or that are being provided to the petitioner by a shelter for victims of domestic violence;

(11) Order the respondent to pay court costs;

(12) Order the respondent to pay the cost of medical treatment and services that have been provided or that are being provided to the petitioner as a result of injuries sustained to the petitioner by an act of domestic violence committed by the respondent.

4. A verified petition seeking orders for maintenance, support, custody, visitation, payment of rent, payment of monetary compensation, possession of personal property, prohibiting the transfer, encumbrance, or disposal of property, or payment for services of a shelter for victims of domestic violence, shall contain allegations relating to those orders and shall pray for the orders desired.

5. In making an award of custody, the court shall consider all relevant factors including the presumption that the best interests of the child will be served by placing the child in the custody and care of the nonabusive parent, unless there is evidence that both parents have engaged in abusive behavior, in which case the court shall not consider this presumption but may appoint a guardian ad litem or a court-appointed special advocate to represent the children in accordance with chapter 452 and shall consider all other factors in accordance with chapter 452.

6. The court shall grant to the noncustodial parent rights to visitation with any minor child born to or adopted by the parties, unless the court finds, after hearing, that visitation would endanger the child's physical health, impair the child's emotional development or would otherwise conflict with the best interests of the child, or that no visitation can be arranged which would sufficiently protect the custodial parent from further [abuse] **domestic violence**. The court may appoint a guardian ad litem or court-appointed special advocate to represent the minor child in accordance with chapter 452 whenever the custodial parent alleges that visitation with the noncustodial parent will damage the minor child.

7. The court shall make an order requiring the noncustodial party to pay an amount reasonable and necessary for the support of any child to whom the party owes a duty of support when no prior order of support is outstanding and after all relevant factors have been considered, in accordance with Missouri supreme court rule 88.01 and chapter 452.

8. The court may grant a maintenance order to a party for a period of time, not to exceed one hundred eighty days. Any maintenance ordered by the court shall be in accordance with chapter 452.

455.060. 1. After notice and hearing, the court may modify an order of protection at any time, upon subsequent motion filed by the guardian ad litem, the court-appointed special advocate or by either party together with an affidavit showing a change in circumstances sufficient to warrant the modification. All full orders of protection shall be final orders and appealable and shall be for a fixed period of time as provided in section 455.040.

2. Any order for child support, custody, temporary custody, visitation or maintenance entered under sections 455.010 to 455.085 shall terminate prior to the time fixed in the order upon the issuance of a subsequent order pursuant to chapter 452 or any other Missouri statute.

3. No order entered pursuant to sections 455.010 to 455.085 shall be res judicata to any subsequent proceeding, including, but not limited to, any action brought under chapter 452[, RSMo 1978, as amended].

4. All provisions of an order of protection shall terminate upon entry of a decree of dissolution of marriage or legal separation except as to those provisions which require the respondent to participate in a court-approved counseling program or enjoin the respondent from [abusing, molesting, stalking or disturbing the peace of] **committing an act of domestic violence against** the petitioner and which enjoin the respondent from entering the premises of the dwelling unit of the petitioner as described in the order of protection when the petitioner continues to reside in that dwelling unit unless the respondent is awarded possession of the dwelling unit pursuant to a decree of dissolution of marriage or legal separation.

5. Any order of protection or order for child support, custody, temporary custody, visitation or maintenance entered under sections 455.010 to 455.085 shall terminate upon the order of the court granting a motion to terminate the order of protection by the petitioner. [The court shall set the motion to dismiss for hearing and both parties shall have an opportunity to be heard.] Prior to terminating any order of protection, the court may [examine the circumstances of the motion to dismiss and may] inquire of the petitioner or others in order to [assist the court in determining if] **determine whether the** dismissal is voluntary.

6. The order of protection may not change the custody of children when an action for dissolution of marriage has been filed or the custody has previously been awarded by a court of competent jurisdiction.

455.080. 1. Law enforcement agencies may establish procedures to ensure that dispatchers and officers at the scene of an alleged incident of [abuse] **domestic violence or stalking** or violation of an order of protection can be informed of any recorded prior incident of [abuse] **domestic violence or stalking** involving the abused party and can verify the effective dates and terms of any recorded order of protection.

2. The law enforcement agency shall apply the same standard for response to an alleged incident of [abuse] **domestic violence or stalking** or a violation of any order of protection as applied to any like offense involving strangers, except as otherwise provided by law. Law enforcement agencies shall not assign lower priority to calls involving alleged incidents of [abuse] **domestic violence or stalking** or violation of protection orders than is assigned in responding to offenses involving strangers. Existence of any of the following factors shall be interpreted as indicating a need for immediate response:

- (1) The caller indicates that violence is imminent or in progress; or
- (2) A protection order is in effect; or
- (3) The caller indicates that incidents of domestic violence have occurred previously between the parties.

3. Law enforcement agencies may establish domestic crisis teams or, if the agency has fewer than five officers whose responsibility it is to respond to calls of this nature, individual officers trained in methods of dealing with [family and household quarrels] **domestic violence**. Such teams or individuals may be supplemented by social workers, ministers or other persons trained in counseling or crisis intervention. When an alleged incident of [family or household abuse] **domestic violence** is reported, the agency may dispatch a crisis team or specially trained officer, if available, to the scene of the incident.

4. The officer at the scene of an alleged incident of [abuse] **domestic violence or stalking** shall inform the abused party of available judicial remedies for relief from [adult abuse] **domestic violence** and of available shelters for victims of domestic violence.

5. Law enforcement officials at the scene shall provide or arrange transportation for the abused party to a medical facility for treatment of injuries or to a place of shelter or safety.

455.085. 1. When a law enforcement officer has probable cause to believe a party has committed a violation of law amounting to [abuse or assault] **domestic violence**, as defined in section 455.010, against a family or household member, the officer may arrest the offending party whether or not the violation occurred in the presence of the arresting officer. When the officer declines to make arrest pursuant to this subsection, the officer shall make a written report of the incident completely describing the offending party, giving the victim's name, time, address, reason why no arrest was made and any other pertinent information. Any law enforcement officer subsequently called to the same address within a twelve-hour period, who shall find probable cause to believe the same offender has again committed a violation as stated in this subsection against the same or any other family or household member, shall arrest the offending party for this subsequent offense. The primary report of nonarrest in the preceding twelve-hour period may be considered as evidence of the defendant's intent in the violation for which arrest occurred. The refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

2. When a law enforcement officer has probable cause to believe that a party, against whom a protective order has been entered and who has notice of such order entered, has committed an act of abuse in violation of such order, the officer shall arrest the offending party-respondent whether or not the violation occurred in the presence of the arresting officer. Refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

3. When an officer makes an arrest [he], **the officer** is not required to arrest two parties involved in an assault when both parties claim to have been assaulted. The arresting officer shall attempt to identify and shall arrest the party [he] **the officer** believes is the primary physical aggressor. The term "primary physical aggressor" is defined as the most significant, rather than the first, aggressor. The law enforcement officer shall consider any or all of the following in determining the primary physical aggressor:

- (1) The intent of the law to protect victims [of domestic violence] from continuing [abuse] **domestic violence**;
- (2) The comparative extent of injuries inflicted or serious threats creating fear of physical injury;

(3) The history of domestic violence between the persons involved.

No law enforcement officer investigating an incident of [family] **domestic** violence shall threaten the arrest of all parties for the purpose of discouraging requests or law enforcement intervention by any party. Where complaints are received from two or more opposing parties, the officer shall evaluate each complaint separately to determine whether [he] **the officer** should seek a warrant for an arrest.

4. In an arrest in which a law enforcement officer acted in good faith reliance on this section, the arresting and assisting law enforcement officers and their employing entities and superiors shall be immune from liability in any civil action alleging false arrest, false imprisonment or malicious prosecution.

5. When a person against whom an order of protection has been entered fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

6. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

7. A violation of the terms and conditions, with regard to [abuse] **domestic violence**, stalking, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of an ex parte order of protection of which the respondent has notice, shall be a class A misdemeanor unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior pleas of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

8. A violation of the terms and conditions, with regard to [abuse] **domestic violence**, stalking, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of a full order of protection shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of the sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict. For the purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection if the law enforcement officer responding to a call of a reported incident of [abuse] **domestic violence, stalking**, or violation of an order of protection presented a copy of the order of protection to the respondent.

9. Good faith attempts to effect a reconciliation of a marriage shall not be deemed tampering with a witness or victim tampering under section 575.270.

10. Nothing in this section shall be interpreted as creating a private cause of action for damages to enforce the provisions set forth herein.

455.503. 1. A petition for an order of protection for a child shall be filed in the county where the child resides, where the alleged incident of [abuse] **domestic violence or stalking** occurred, or where the respondent may be served.

2. Such petition may be filed by any of the following:

- (1) A parent or guardian of the victim;
- (2) A guardian ad litem or court-appointed special advocate appointed for the victim; or
- (3) The juvenile officer.

455.505. 1. An order of protection for a child who has been subject to domestic violence by a present or former [adult] household member or person stalking the child may be sought under sections 455.500 to 455.538 by the filing of a verified petition alleging such domestic violence **or stalking** by the respondent.

2. A child's right to relief under sections 455.500 to 455.538 shall not be affected by [his] **the child's** leaving the residence or household to avoid domestic violence.

3. Any protection order issued pursuant to sections 455.500 to 455.538 shall be effective throughout the state in all cities and counties.

455.513. 1. Upon the filing of a verified petition under sections 455.500 to 455.538, for good cause shown in the petition, and upon finding that no prior order regarding custody is pending or has been made or that the respondent is less than seventeen years of age, the court may immediately issue an ex parte order of protection. An immediate and present danger of [abuse] **domestic violence or stalking** to a child shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall be in effect until the time of the hearing. **The court shall deny the ex parte order and dismiss the petition if the petitioner is not authorized to seek relief pursuant to section 455.505.**

2. Upon the entry of the ex parte order of protection, the court shall enter its order appointing a guardian ad litem or court-appointed special advocate to represent the child victim.

3. If the allegations in the petition would give rise to jurisdiction under section 211.031, the court may direct the children's division to conduct an investigation and to provide appropriate services. The division shall submit a written investigative report to the court and to the juvenile officer within thirty days of being ordered to do so. The report shall be made available to the parties and the guardian ad litem or court-appointed special advocate.

4. If [an ex parte order is entered and] the allegations in the petition would give rise to jurisdiction under section 211.031 because the respondent is less than seventeen years of age, the court **may issue an ex parte order and** shall transfer the case to juvenile court for a hearing on a full order of protection. Service of process shall be made pursuant to section 455.035.

455.520. 1. Any ex parte order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence **or stalking** and may include such terms as the court reasonably deems necessary to ensure the [petitioner's] **victim's** safety, including but not limited to:

- (1) Restraining the respondent from [abusing, threatening to abuse] **committing or threatening to commit domestic violence, stalking**, molesting, or disturbing the peace of the victim;
- (2) Restraining the respondent from entering the family home of the victim except as specifically authorized by the court;
- (3) Restraining the respondent from communicating with the victim in any manner or through any medium, except as specifically authorized by the court;
- (4) A temporary order of custody of minor children.

2. No ex parte order of protection excluding the respondent from the family home shall be issued unless the court finds that:

- (1) The order is in the best interests of the child or children remaining in the home;
- (2) The verified allegations of domestic violence present a substantial risk to the child or children unless the respondent is excluded; and
- (3) A remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party.

455.523. 1. Any full order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence and **stalking** may include such terms as the court reasonably deems necessary to ensure the petitioner's safety, including but not limited to:

- (1) Temporarily enjoining the respondent from [abusing] **committing domestic violence**, threatening to [abuse] **commit domestic violence, stalking**, molesting, or disturbing the peace of the victim;
- (2) Temporarily enjoining the respondent from entering the family home of the victim, except as specifically authorized by the court;
- (3) Temporarily enjoining the respondent from communicating with the victim in any manner or through any medium, except as specifically authorized by the court.

2. When the court has, after hearing for any full order of protection, issued an order of protection, it may, in addition:

- (1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;
- (2) Award visitation;
- (3) Award child support in accordance with supreme court rule 88.01 and chapter 452;
- (4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452;

(5) Order respondent to make or to continue to make rent or mortgage payments on a residence occupied by the victim if the respondent is found to have a duty to support the victim or other dependent household members;

(6) Order the respondent to participate in a court-approved counseling program designed to help [child abusers] stop violent behavior or to treat substance abuse;

(7) Order the respondent to pay, to the extent that he or she is able, the costs of his or her treatment, together with the treatment costs incurred by the victim;

(8) Order the respondent to pay a reasonable fee for housing and other services that have been provided or that are being provided to the victim by a shelter for victims of domestic violence.

455.538. 1. When a law enforcement officer has probable cause to believe that a party, against whom a protective order for a child has been entered, has committed an act [of abuse] in violation of that order, [he] **the officer** shall have the authority to arrest the respondent whether or not the violation occurred in the presence of the arresting officer.

2. When a person, against whom an order of protection for a child has been entered, fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

3. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

4. (1) Violation of the terms and conditions of an ex parte or full order of protection with regard to [abuse] **domestic violence, stalking**, child custody, communication initiated by the respondent, or entrance upon the premises of the victim's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of which the respondent has notice, shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of a prior plea of guilty or finding of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of a prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

(2) For purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection for a child if the law enforcement officer responding to a call of a reported incident of [abuse] **domestic violence or stalking** or violation of an order of protection for a child presents a copy of the order of protection to the respondent.

5. The fact that an act by a respondent is a violation of a valid order of protection for a child shall not preclude prosecution of the respondent for other crimes arising out of the incident in which the protection order is alleged to have been violated.

527.290. 1. Public notice of such a change of name shall be given at least three times in a newspaper published in the county where such person is residing, within twenty days after the order of court is made, and if no newspaper is published in [his] **the person's** or any adjacent county, then such notice shall be given in a newspaper published in the City of St. Louis, or at the seat of government.

2. Public notice of such name change through publication as required in subsection 1 of this section shall not be required, **and any system operated by the judiciary that is designed to provide public case information electronically shall not post the name change**, if the petitioner is:

(1) The victim of a crime, the underlying factual basis of which is found by the court on the record to include an act of domestic violence, as defined in section 455.010;

(2) The victim of child abuse, as defined in section 210.110; or

(3) The victim of [abuse] **domestic violence** by a family or household member, as defined in section 455.010."; and

The Benediction was given by Representative John McCaherty.

Father, as we stand before You this evening, there are many things as well as many people that we need to thank. Mostly we thank You for Your guidance throughout this process. There is no aspect of this job that we are able to accomplish without the help, wisdom, and guidance from You and those with whom You have surrounded us with.

We thank You for our constituents who have trusted us to make decisions on their behalf, our leadership, our colleagues, even the press that fills our galleries reminding us of the freedoms of speech we enjoy as a nation; we truly live in the greatest Nation on earth. We also cannot forget to thank You for our families who have sacrificed in order for us to come and serve here in this chamber.

There have been many issues dealt with this session, and we ask that You would guide each decision that it would serve for the good of our people, and for Your glory. As we leave this place continue to guide us, keep us safe, and allow us the time to revive, regroup, and reignite the fire within ourselves that makes us love the work we do. Father, we ask all of this in Your name.

And the House says, "Amen."
