

HB 778 -- Sale of Advertising on State Websites

Sponsor: Kelley (127)

This bill requires the Office of Administration to sell advertising space on all websites operated by its Information Technology Services Division. Contracts will be awarded to the lowest qualified bidder, and 50% of the moneys earned from the sale of the advertisements will be deposited into the School Moneys Fund and 50% will be deposited into the General Revenue Fund. The bill specifies the type of ads that may be used.
