113 shall state that the named developer shall be subject to the provisions of chapter 290.

114 3. **Subject to the limitations provided in subsection 7 of this section**, any applicant
115 shall be entitled to a tax credit against the taxes imposed under chapters 143, 147, and 148,
116 except for sections 143.191 to 143.265, in an amount equal to fifty percent of the acquisition
117 costs, and one hundred percent of the interest costs incurred for a period of [five] **twelve** years
118 after the acquisition of an eligible parcel. [No tax credits shall be issued under this section until
119 after January 1, 2008.] **If the applicant has previously been issued tax credits with respect**

120 to acquisition costs or interest costs under any similar preceding statutory regime, the
121 applicant shall not be entitled to additional tax credits under this section for the same
122 acquisition costs or interest costs; provided that the applicant may be issued tax credits
123 under this section with respect to such acquisition costs or interest costs if and to the extent
124 that the applicant was not issued the full amount of tax credits to which the applicant was
125 entitled under such similar preceding statutory regime.

126 4. If the amount of such tax credit exceeds the total tax liability for the year in which the
127 applicant is entitled to receive a tax credit, the amount that exceeds the state tax liability may be
128 carried forward for credit against the taxes imposed under chapters 143, 147, and 148 for the
129 succeeding six years, or until the full credit is used, whichever occurs first. The applicant shall
130 not be entitled to a tax credit for taxes imposed under sections 143.191 to 143.265. Applicants
131 entitled to receive such tax credits may transfer, sell, or assign the tax credits. Tax credits
132 granted to a partnership, a limited liability company taxed as a partnership, or multiple owners
133 of property shall be passed through to the partners, members, or owners respectively pro rata or
134 pursuant to an executed agreement among the partners, members, or owners documenting an
135 alternate distribution method.

136 5. A purchaser, transferee, or assignee of the tax credits authorized under this section may
137 use acquired tax credits to offset up to one hundred percent of the tax liabilities otherwise
138 imposed under chapters 143, 147, and 148, except for sections 143.191 to 143.265. A seller,
139 transferor, or assignor shall perfect such transfer by notifying the department in writing within
140 thirty calendar days following the effective date of the transfer and shall provide any information
141 as may be required by the department to administer and carry out the provisions of this section.

142 6. To claim tax credits authorized under this section, an applicant shall submit to the
143 department an application for a certificate. An applicant shall identify the boundaries of the
144 eligible project area in the application. The department shall verify that the applicant has
145 submitted a valid application in the form and format required by the department. The department
146 shall verify that the municipal authority held the requisite hearings and gave the requisite notices
147 for such hearings in accordance with the applicable economic incentive act, and municipal
148 ordinances. On [an annual] a **quarterly** basis, an applicant may file for the tax credit for the
149 acquisition costs, and for the tax credit for the interest costs, subject to the limitations of this
150 section. If an applicant applying for the tax credit meets the criteria required under this section,
151 the department shall issue a certificate in the appropriate amount. If an applicant receives a tax
152 credit for maintenance costs as a part of the applicant's acquisition costs, the department shall
153 post on its internet website the amount and type of maintenance costs and a description of the
154 redevelopment project for which the applicant received a tax credit within thirty days after the
155 department issues the certificate to the applicant.

156 7. The total aggregate amount of tax credits authorized under this section shall not exceed
157 [ninety-five] **forty-eight** million dollars. At no time shall the annual amount of the tax credits
158 issued under this section exceed twenty million dollars. If the tax credits that are to be issued
159 under this section exceed, in any year, the twenty million dollar limitation, the department shall
160 either:

161 (1) Issue tax credits to the applicant in the amount of twenty million dollars, if there is
162 only one applicant entitled to receive tax credits in that year; or

163 (2) Issue the tax credits on a pro rata basis to all applicants entitled to receive tax credits
164 in that year **as provided in this subdivision. The department shall determine on an ongoing**
165 **basis during the course of each calendar year the amount of tax credits that have been**
166 **issued to each applicant for each eligible project area during such year and the amount of**
167 **tax credits remaining available for issuance with respect to such calendar year, if any.** Any
168 amount of tax credits, which an applicant is, or applicants are, entitled to receive on an annual
169 basis and are not issued due to the twenty million dollar limitation, shall be carried forward for
170 the benefit of the applicant or applicants to subsequent years. No tax credits provided under this
171 section shall be authorized after August 28, [2013] **2020**. Any tax credits which have been
172 authorized on or before August 28, [2013] **2020**, but not issued, may be issued, subject to the
173 limitations provided under this subsection, until all such authorized tax credits have been issued.

174 8. Upon issuance of any tax credits pursuant to this section, the department shall report
175 to the municipal authority the applicant's name and address, the parcel numbers of the eligible
176 parcels for which the tax credits were issued, the itemized acquisition costs and interest costs for
177 which tax credits were issued, and the total value of the tax credits issued. The municipal
178 authority and the state shall not consider the amount of the tax credits as an applicant's cost, but
179 shall include [the] **issued** tax credits in any **subsequent** sources and uses and cost benefit
180 analysis reviewed or created for the purpose of awarding other economic incentives. The amount
181 of the tax credits shall not be considered an applicant's cost in the evaluation of the amount of
182 any award of any other economic incentives, but shall be considered in measuring the
183 reasonableness of the rate of return to the applicant with respect to such award of other economic
184 incentives. The municipal authority shall provide the report to any relevant commission, board,
185 or entity responsible for the evaluation and recommendation or approval of other economic
186 incentives to assist in the redevelopment of the eligible project area. Tax credits authorized
187 under this section shall constitute redevelopment tax credits, as such term is defined under
188 section 135.800, and shall be subject to all provisions applicable to redevelopment tax credits
189 provided under sections 135.800 to 135.830.

190 9. **Following its initial application for tax credits under this section for eligible costs**
191 **incurred in 2014 or any following year and during the period it continues to seek tax**

192 credits under this section, an applicant shall submit to the department on a quarterly basis
193 at the end of each calendar quarter a report affirming such applicant's continued
194 qualification as an applicant under this section, describing the applicant's progress toward
195 meeting the deadlines for commencement of work and for project completion established
196 under its redevelopment agreement with the applicable municipal authority and including
197 copies of any written notices from such municipal authority asserting or threatening a
198 termination of such development agreement due to a breach or default in the performance
199 of such applicant's obligations under such redevelopment agreement. The department
200 shall review annually the eligibility of each applicant to receive tax credits under this
201 section. The department shall not issue to an applicant any tax credits provided under this
202 section after the date upon which the governing body of the municipality or municipalities,
203 or in the case of any city not within a county, the board of aldermen, makes a finding that
204 the applicant has failed to comply with deadlines regarding project commencement,
205 completion, or other material provisions of its redevelopment agreement with an applicant,
206 and in furtherance of such finding the governing body validly adopts an ordinance
207 terminating its redevelopment agreement with the applicant with the result that such
208 applicant no longer satisfies the requirements of paragraph (b) of subdivision (2) of
209 subsection 2 of this section. The governing body shall notify the department of the
210 governing body's findings and shall deliver to the department a certified copy of the
211 ordinance terminating such redevelopment agreement as soon as practicable.

212 **10.** The department may promulgate rules to implement the provisions of this section.
213 Any rule or portion of a rule, as that term is defined in section 36.010, that is created under the
214 authority delegated in this section shall become effective only if it complies with and is subject
215 to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
216 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant
217 to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are
218 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed
219 or adopted after August 28, 2007, shall be invalid and void.

135.305. A Missouri wood energy producer shall be eligible for a tax credit on taxes
2 otherwise due under chapter 143, except sections 143.191 to 143.261, as a production incentive
3 to produce processed wood products in a qualified wood-producing facility using Missouri forest
4 product residue. The tax credit to the wood energy producer shall be five dollars per ton of
5 processed material. The credit may be claimed for a period of five years and is to be a tax credit
6 against the tax otherwise due. No new tax credits, provided for under sections 135.300 to
7 135.311, shall be authorized after June 30, [2013] 2020. **In no event shall the aggregate**

8 **amount of all tax credits allowed under sections 135.300 to 135.311 exceed three million**
9 **five hundred thousand dollars in any given fiscal year.**

104 2. In addition to the exemptions granted under chapter 144, project taxpayers for
105 a new data storage center project shall be entitled, for a project period not to exceed fifteen
106 years from the date of conditional approval under this section and subject to the
107 requirements of subsection 3 of this section, to an exemption of one hundred percent of the
108 state and local sales and use taxes defined, levied, or calculated under section 32.085,
109 sections 144.010 to 144.525, sections 144.600 to 144.761, or section 238.235, limited to the
110 net fiscal benefit of the state calculated over a ten year period, on:

111 (1) All electrical energy, gas, water, and other utilities including telecommunication
112 and internet services used in a new data storage center;

113 **(2) All machinery, equipment, and computers used in any new data storage center;**
114 **and**

115 **(3) All sales at retail of tangible personal property and materials for the purpose**
116 **of constructing any new data storage center.**

117

118 **The amount of any exemption provided under this subsection shall not exceed the**
119 **projected net fiscal benefit to the state over a period of ten years as determined by the**
120 **department of economic development.**

121 **3. (1) Any data storage center project seeking a tax exemption under subsection**
122 **2 of this section shall submit a notice of intent and a project plan to the department of**
123 **economic development, which shall identify each known constructing taxpayer and known**
124 **operating taxpayer for the project and include any additional information the department**
125 **of economic development may require to determine eligibility for the exemption. The**
126 **department of economic development shall review the project plan and determine whether**
127 **the project is eligible for the exemption under subsection 2 of this section, conditional upon**
128 **subsequent verification by the department that the project meets the requirements in**
129 **subsection 1 of this section for a new facility project. The department shall make such**
130 **conditional determination within thirty days of submission by the operating taxpayer.**
131 **Failure of the department to respond within thirty days shall result in a project plan being**
132 **deemed conditionally approved.**

133 **(2) The department of economic development shall convey conditional approvals**
134 **to the department of revenue and the identified project taxpayers. After a conditionally**
135 **approved new facility has met the requirements in subsection 1 of this section for a new**
136 **facility and the execution of the agreement specified in subsection 6 of this section, the**
137 **project taxpayers shall provide proof of the same to the department of economic**
138 **development. Upon verification of such proof, the department of economic development**
139 **shall certify the new facility to the department of revenue as being eligible for the**
140 **exemption dating retroactively to the first day of construction on the new facility. The**
141 **department of revenue, upon receipt of adequate proof of the amount of sales taxes paid**
142 **since the first day of construction, shall issue a refund of taxes paid but eligible for**
143 **exemption under subsection 2 of this section to each operating taxpayer and each**
144 **constructing taxpayer and issue a certificate of exemption to each new project taxpayer for**
145 **ongoing exemptions under subsection 2 of this section. The department of revenue shall**
146 **issue such a refund within thirty days of receipt of certification from the department of**
147 **economic development.**

148 (3) Any project that does not meet the minimum investment or new job
149 requirements of subsection 1 of this section may still be eligible for the exemption under
150 subsection 2 of this section, as long as the exemptions for such project plan do not exceed
151 the projected net fiscal benefit to the state over a period of ten years.

152 (4) The commencement of the exemption period may be delayed at the option of the
153 operating taxpayer but not more than twenty-four months after the execution of the
154 agreement required under subsection 6 of this section.

155 4. In addition to the exemptions granted under chapter 144, upon approval by the
156 department of economic development, project taxpayers for expanding data center projects
157 may for a period not to exceed ten years be specifically exempted from state and local sales
158 and use taxes defined, levied, or calculated under section 32.085, sections 144.010 to
159 144.525, sections 144.600 to 144.761, or section 238.235 on:

160 (1) All electrical energy, gas, water, and other utilities including telecommunication
161 and internet services used in an expanding data storage center which, on an annual basis,
162 exceeds the amount of electrical energy, gas, water, and other utilities including
163 telecommunication and internet services used in the existing facility or the replaced facility
164 prior to the expansion. For purposes of this subdivision only, "amount" shall be measured
165 in kilowatt hours, gallons, cubic feet, or other measures applicable to a utility service as
166 opposed to in dollars to account for increases in utility rates;

167 (2) All machinery, equipment, and computers used in any expanding data storage
168 center; and

169 (3) All sales at retail of tangible personal property and materials for the purpose
170 of constructing, repairing, or remodeling any expanding data storage center.

171

172 The amount of any exemption provided under this subsection shall not exceed the
173 projected net fiscal benefit to the state over a period of ten years as determined by the
174 department of economic development.

175 5. (1) Any data storage center project seeking a tax exemption under subsection
176 4 of this section shall submit a notice of intent and a project plan to the department of
177 economic development which shall identify each known constructing taxpayer and each
178 known operating taxpayer for the project and include any additional information the
179 department of economic development may reasonably require to determine eligibility for
180 the exemption. The department of economic development shall review the project plan and
181 determine whether the project is eligible for the exemption under subsection 4 of this
182 section, conditional upon subsequent verification by the department that the project meets
183 the requirements in subsection 1 of this section for an expanding facility project and the

184 execution of the agreement specified in subsection 6 of this section. The department shall
185 make such conditional determination within thirty days of submission by the operating
186 taxpayer. Failure of the department to respond within thirty days shall result in a project
187 plan being deemed conditionally approved.

188 (2) The department of economic development shall convey such conditional
189 approval to the department of revenue and the identified project taxpayers. After a
190 conditional approved facility has met the requirements in subsection 1 of this section, the
191 project taxpayers shall provide proof of the same to the department of economic
192 development. Upon verification of such proof, the department of economic development
193 shall certify the project to the department of revenue as being eligible for the exemption
194 dating retroactively to the first day of the expansion of the facility. The department of
195 revenue, upon receipt of adequate proof of the amount of sales taxes paid since the first day
196 of the expansion of the facility, shall issue a refund of taxes paid but eligible for exemption
197 under subsection 4 of this section to any applicable project taxpayer and issue a certificate
198 of exemption to any applicable project taxpayer for ongoing exemptions under subsection
199 4 of this section. The department of revenue shall issue such a refund within thirty days
200 of receipt of certification from the department of economic development.

201 (3) Any project that does not meet the minimum investment or new job
202 requirements of subsection 1 of this section may still be eligible for the exemption under
203 subsection 4 of this section, as long as the exemptions for such project plan do not exceed
204 the projected net fiscal benefit to the state over a period of ten years.

205 (4) The commencement of the exemption period may be delayed at the option of the
206 operating taxpayer, but not more than twenty-four months after the execution of the
207 agreement required under subsection 6 of this section.

208 6. (1) The exemptions in subsections 2 and 4 of this section shall be tied to the new
209 or expanding facility project. A certificate of exemption in the hands of a taxpayer that is
210 no longer an operating or constructing taxpayer of the new or expanding facility project
211 shall be invalid as of the date the taxpayer was no longer an operating or constructing
212 taxpayer of the new or expanding facility project. New certificates of exemption shall be
213 issued to successor constructing taxpayers and operating taxpayers at such new or
214 expanding facility projects. The right to the exemption by successor taxpayers shall exist
215 without regard to subsequent levels of investment in the new or expanding facility by
216 successor taxpayers.

217 (2) As a condition of receiving an exemption under subsection 2 or 4 of this section,
218 the project taxpayers shall enter into an agreement with the department of economic

219 **development providing for repayment penalties in the event the data storage center project**
220 **fails to comply with any of the requirements of this section.**

221 **(3) The department of revenue shall credit any amounts remitted by the project**
222 **taxpayers under this subsection to the fund to which the sales and use taxes exempted**
223 **would have otherwise been credited.**

224 **7. The department of economic development and the department of revenue shall**
225 **cooperate in conducting random audits to ensure that the intent of this section is followed.**

226 **8. Notwithstanding any other provision of law to the contrary, no recipient of an**
227 **exemption under this section shall be eligible for benefits under any business recruitment**
228 **tax credit, as defined in section 135.800.**

229 **9. The department of economic development and the department of revenue shall**
230 **jointly prescribe such rules and regulations necessary to carry out the provisions of this**
231 **section. Any rule or portion of a rule, as that term is defined in section 536.010, that is**
232 **created under the authority delegated in this section shall become effective only if it**
233 **complies with and is subject to all of the provisions of chapter 536 and, if applicable,**
234 **section 536.028. This section and chapter 536 are nonseverable and if any of the powers**
235 **vested with the general assembly under chapter 536 to review, to delay the effective date,**
236 **or to disapprove and annul a rule are subsequently held unconstitutional, then the grant**
237 **of rulemaking authority and any rule proposed or adopted after August 28, 2014, shall be**
238 **invalid and void.**

239 **10. This section shall terminate on September 1, 2020. The termination of this**
240 **section shall not be construed to limit or in any way impair the exemption for any project**
241 **approved prior to the termination of this section.**

253.545. As used in sections 253.545 to 253.559, the following terms mean, unless the
2 context requires otherwise:

3 (1) "Certified historic structure", a property located in Missouri and listed individually
4 on the National Register of Historic Places;

18 (8) **"Total costs and expenses of rehabilitation", all costs and expenses related to**

22 **amended, and any related regulations promulgated under such section. Such costs and**
23 **expenses shall include, but not be limited to, rehabilitation work in progress, accrued**
24 **developer fees, and costs and expenses related to rehabilitation incurred at the taxpayers**
25 **own risk up to one year before the date of submission of a preliminary application under**
26 **section 253.559. Provided however, that accrued developer fees shall only be considered**
27 **"total costs and expenses of rehabilitation" if an agreement or other contractual document**

7 rehabilitation expenditures as defined under section 47(c)(2)(A) of the Internal Revenue Code
8 of 1986, as amended, and the related regulations thereunder, provided the rehabilitation costs
9 associated with rehabilitation and the expenses exceed fifty percent of the total basis in the
10 property and the rehabilitation meets standards consistent with the standards of the Secretary of
11 the United States Department of the Interior for rehabilitation as determined by the state historic
12 preservation officer of the Missouri department of natural resources. **The department of**
13 **economic development shall determine the total costs and expenses of rehabilitation under**
14 **subsection 7 of section 253.559, but in no case shall such total costs and expenses of**
15 **rehabilitation be defined more narrowly than qualified rehabilitation expenditures as**
16 **defined in Section 47(c)(2)(A) of the Internal Revenue Code of 1986, as amended, and any**
17 **related regulations promulgated under such section, as required by section 253.545.**

23 **but ending on or before June 30, 2015**, the department of economic development shall not
24 approve applications for tax credits under the provisions of subsections 3 and 8 of section

27 253.559. The limitations provided under this subsection shall not apply to applications approved
28 under the provisions of subsection 3 of section 253.559 for projects to receive less than two
29 hundred seventy-five thousand dollars in tax credits.

30 3. For all applications for tax credits approved on or after January 1, 2010, **but before**
31 **July 1, 2015**, no more than two hundred fifty thousand dollars in tax credits may be issued for
32 eligible costs and expenses incurred in the rehabilitation of an eligible property which is a
33 nonincome producing single-family, owner-occupied residential property and is either a certified
34 historic structure or a structure in a certified historic district.

35 4. The limitations on tax credit authorization provided under the provisions of
36 subsections 2 and 3 of this section shall not apply to:

37 (1) Any application submitted by a taxpayer, which has received approval from the
38 department prior to January 1, 2010; or

47 United States Department of the Interior, and the rehabilitation costs and expenses associated
48 with such rehabilitation shall exceed fifty percent of the total basis in the property.

49 5. **For each fiscal year beginning on or after July 1, 2015, the department of**
50 **economic development shall not approve applications for tax credits under the provisions**
51 **of subsections 3 and 8 of section 253.559 which, in the aggregate, exceed ninety million**
52 **dollars, increased by any amount of tax credits for which approval shall be rescinded**
53 **under the provisions of section 253.559. The limitations provided under this subsection**
54 **shall not apply to applications approved under the provisions of subsection 3 of section**
55 **253.559 for projects to receive less than two hundred seventy-five thousand dollars in tax**
56 **credits.**

57 **6. For all applications for tax credits approved on or after July 1, 2015, no more**
58 **than one hundred twenty-five thousand dollars in tax credits may be issued for eligible**
59 **costs and expenses incurred in the rehabilitation of an eligible property which is a**
60 **nonincome producing single-family, owner-occupied residential property and is either a**
61 **certified historic structure or a structure in a certified historic district.**

62 **7. In lieu of the limitations on tax credit authorization provided under the**
63 **provisions of subsections 5 and 6 of this section, the limitations on tax credit authorization**
64 **provided under the provisions of subsections 2 and 3 of this section shall apply to:**

65 **(1) Any application submitted by a taxpayer which has received approval from the**
66 **department prior to July 1, 2015; or**

67 **(2) Any application for tax credits provided under this section for a project which**

69 **(a) Received an approved Part I from the Secretary of the United States**
70 **Department of Interior and has incurred costs and expenses for an eligible property which**
71 **exceed the lesser of fifteen percent of the total project costs or three million dollars; or**

72 **(b) Has received certification by the state historic preservation officer that the**
73 **rehabilitation plan meets the standards consistent with the standards of the Secretary of**
74 **the United States Department of the Interior, and the rehabilitation costs and expenses**
75 **associated with such rehabilitation would, upon completion, be expected to exceed fifty**
76 **percent of the total basis in the property.**

77 **8. For each fiscal year beginning on or after July 1, 2015, the department of**
78 **economic development shall not approve applications for projects to receive less than two**
79 **hundred seventy-five thousand dollars in tax credits which, in the aggregate, exceed ten**
80 **million dollars, increased by any amount of tax credits for which approval shall be**
81 **rescinded under the provisions of section 253.559. The limitations on tax credit**
82 **authorization provided under the provisions of this subsection shall not apply to:**

83 **(1) Any application submitted by a taxpayer, which has received approval from the**
84 **department prior to the July 1, 2015; or**

85 **(2) Any application for tax credits provided under this section for a project, which**
86 **on or before July 1, 2015:**

87 **(a) Received an approved Part I from the Secretary of the United States Department**
88 **of Interior and has incurred costs and expenses for an eligible property which exceed five**
89 **percent of the total project costs; or**

90 **(b) Has received certification, by the state historic preservation officer, that the**
91 **rehabilitation plan meets the standards consistent with the standards of the Secretary of**
92 **the United States Department of the Interior, and the rehabilitation costs and expenses**

93 **associated with such rehabilitation would, upon completion, be expected to exceed fifty**
94 **percent of the total basis in the property.**

253.557. 1. If the amount of such credit exceeds the total tax liability for the year in
2 which the rehabilitated property is placed in service, the amount that exceeds the state tax
3 liability may be carried back to any of the three preceding years and carried forward for credit
4 against the taxes imposed pursuant to chapter 143 and chapter 148, except for sections 143.191
5 to 143.265 for the succeeding ten years, or until the full credit is used, whichever occurs first.
6 Not-for-profit entities, including but not limited to corporations organized as not-for-profit
7 corporations pursuant to chapter 355 shall be ineligible for the tax credits authorized under
8 sections 253.545 [through 253.561] **to 253.559. Any taxpayer that receives state tax credits**
9 **under the provisions of sections 135.350 to 135.363 for a project that is not financed**
10 **through tax exempt bonds issuance shall be ineligible for the state tax credits authorized**
11 **under sections 253.545 to 253.559 for the same project.** Taxpayers eligible for such tax
12 credits may transfer, sell or assign the credits. Credits granted to a partnership, a limited liability
13 company taxed as a partnership or multiple owners of property shall be passed through to the
14 partners, members or owners respectively pro rata or pursuant to an executed agreement among
15 the partners, members or owners documenting an alternate distribution method.

16 2. The assignee of the tax credits, hereinafter the assignee for purposes of this
17 subsection, may use acquired credits to offset up to one hundred percent of the tax liabilities
18 otherwise imposed pursuant to chapter 143 and chapter 148, except for sections 143.191 to
19 143.265. The assignor shall perfect such transfer by notifying the department of economic
20 development in writing within thirty calendar days following the effective date of the transfer
21 and shall provide any information as may be required by the department of economic
22 development to administer and carry out the provisions of this section.

253.559. 1. To obtain approval for tax credits allowed under sections 253.545 to
2 253.559, a taxpayer shall submit an application for tax credits to the department of economic
3 development. Each application for approval, including any applications received for
4 supplemental allocations of tax credits as provided under subsection 8 of this section, shall be
5 prioritized for review and approval, in the order of the date on which the application was
6 postmarked, with the oldest postmarked date receiving priority. Applications postmarked on the
7 same day shall go through a lottery process to determine the order in which such applications
8 shall be reviewed.

9 2. Each application shall be reviewed by the department of economic development for
10 approval. In order to receive approval, an application, other than applications submitted under
11 the provisions of subsection 8 of this section, shall include:

12 (1) Proof of ownership or site control. Proof of ownership shall include evidence that
13 the taxpayer is the fee simple owner of the eligible property, such as a warranty deed or a closing
14 statement. Proof of site control may be evidenced by a leasehold interest or an option to acquire
15 such an interest. If the taxpayer is in the process of acquiring fee simple ownership, proof of site
16 control shall include an executed sales contract or an executed option to purchase the eligible
17 property;

18 (2) Floor plans of the existing structure, architectural plans, and, where applicable, plans
19 of the proposed alterations to the structure, as well as proposed additions;

20 (3) The estimated cost of rehabilitation, the anticipated total costs of the project, the
21 actual basis of the property, as shown by proof of actual acquisition costs, the anticipated total
22 labor costs, the estimated project start date, and the estimated project completion date;

23 (4) Proof that the property is an eligible property and a certified historic structure or a
24 structure in a certified historic district, **or evidence that the taxpayer has submitted the**
25 **necessary documentation to qualify the property as an eligible property and a certified**
26 **historic structure or as a structure in a certified historic district. A final determination of**
27 **such qualifications shall not be a prerequisite for approval of the application or the**
28 **incurrence of eligible costs;** and

29 (5) Any other information which the department of economic development may
30 reasonably require to review the project for approval. Only the property for which a property
31 address is provided in the application shall be reviewed for approval. Once selected for review,
32 a taxpayer shall not be permitted to request the review of another property for approval in the
33 place of the property contained in such application. Any disapproved application shall be
34 removed from the review process. If an application is removed from the review process, the
35 department of economic development shall notify the taxpayer in writing of the decision to
36 remove such application. Disapproved applications shall lose priority in the review process. A
37 disapproved application, which is removed from the review process, may be resubmitted, but
38 shall be deemed to be a new submission for purposes of the priority procedures described in this
39 section.

40 3. If the department of economic development deems the application sufficient, the
41 taxpayer shall be notified in writing of the approval for an amount of tax credits equal to the
42 amount provided under section 253.550 less any amount of tax credits previously approved.
43 Such approvals shall be granted to applications in the order of priority established under this
44 section and shall require full compliance thereafter with all other requirements of law as a
45 condition to any claim for such credits. **Notwithstanding any provision of law to the**
46 **contrary, a determination of the department of economic development, in consultation with**
47 **the department of natural resources, as to whether the completed rehabilitation meets the**

48 **standards of the Secretary of the United States Department of the Interior for**
49 **rehabilitation as determined by the state historic preservation officer of the department**
50 **of natural resources under subsection 7 of this section, shall not be required for the**
51 **department of economic development to approve an application under this subsection.**

52 4. Following approval of an application, the identity of the taxpayer contained in such
53 application shall not be modified except:

54 (1) The taxpayer may add partners, members, or shareholders as part of the ownership
55 structure, so long as the principal remains the same, provided however, that subsequent to the
56 commencement of renovation and the expenditure of at least ten percent of the proposed
57 rehabilitation budget, removal of the principal for failure to perform duties and the appointment
58 of a new principal thereafter shall not constitute a change of the principal; or

59 (2) Where the ownership of the project is changed due to a foreclosure, deed in lieu of
60 a foreclosure or voluntary conveyance, or a transfer in bankruptcy. **Upon any such change in**
61 **ownership, the taxpayer contained in such application, or any successor owner of the**
62 **project, shall notify the department of such change.**

63 5. In the event that the department of economic development grants approval for tax
64 credits equal to the **applicable** total amount available under subsection 2 **or 5** of section 253.550,
65 or sufficient that when totaled with all other approvals, the **applicable** amount available under
66 subsection 2 **or 5** of section 253.550 is exhausted, all taxpayers with applications then awaiting
67 approval or thereafter submitted for approval shall be notified by the department of economic
68 development that no additional approvals shall be granted during the fiscal year and shall be
69 notified of the priority given to such taxpayer's application then awaiting approval. Such
70 applications shall be kept on file by the department of economic development and shall be
71 considered for approval for tax credits in the order established in this section in the event that
72 additional credits become available due to the rescission of approvals or when a new fiscal year's
73 allocation of credits becomes available for approval.

74 6. All taxpayers with applications receiving approval on or after the effective date of this
75 act shall commence rehabilitation within two years of the date of issuance of the letter from the
76 department of economic development granting the approval for tax credits. "Commencement
77 of rehabilitation" shall mean that as of the date in which actual physical work, contemplated by
78 the architectural plans submitted with the application, has begun, the taxpayer has incurred no
79 less than ten percent of the estimated costs of rehabilitation provided in the application.
80 Taxpayers with approval of a project shall submit evidence of compliance with the provisions
81 of this subsection. If the department of economic development determines that a taxpayer has
82 failed to comply with the requirements provided under this section, the approval for the amount
83 of tax credits for such taxpayer shall be rescinded and such amount of tax credits shall then be

84 included in the **applicable** total amount of tax credits, provided under subsection 2 or 5 of
85 section 253.550, from which approvals may be granted. Any taxpayer whose approval shall be
86 subject to rescission shall be notified of such from the department of economic development and,
87 upon receipt of such notice, may submit a new application for the project.

88 7. To claim the credit authorized under sections 253.550 to 253.559, a taxpayer with
89 approval shall apply for final approval and issuance of tax credits from the department of
90 economic development [which,] . **Such application for final approval and issuance of tax**
91 **credits shall include a cost and expense certification prepared by a licensed certified public**
92 **accountant that is not an affiliate of the applicant certifying the total costs and expenses**
93 **of rehabilitation and the total amount of tax credits for which such taxpayer is eligible**
94 **under sections 253.550 to 253.559. Cost and expense certifications required under this**
95 **section shall separately state any accrued developer fees. No later than forty-five calendar**
96 **days following receipt of a taxpayer's application for final approval and issuance of tax**
97 **credits, the department of economic development shall determine,** in consultation with the
98 department of natural resources, [shall determine the final amount of eligible rehabilitation costs
99 and expenses and] whether the completed rehabilitation meets the standards of the Secretary of
100 the United States Department of the Interior for rehabilitation [as determined by the state historic
101 preservation officer of the Missouri department of natural resources]. **If the completed**
102 **rehabilitation meets such standards, the department of economic development shall within**
103 **forty-five calendar days following the receipt of the taxpayer's application for final**
104 **approval and tax credit issuance inform such taxpayer of its initial determination by letter**
105 **and issue such taxpayer an initial tax credit issuance. A taxpayer receiving an initial tax**
106 **credit issuance shall receive tax credit certificates in an amount equal to the lesser of**
107 **seventy-five percent of the total amount of tax credits for which the taxpayer is eligible**
108 **under sections 253.550 to 253.559, as certified in the cost and expense certification, or the**
109 **amount of tax credits approved for such project under subsection 3 of this section. Within**
110 **one hundred and twenty calendar days following receipt of a taxpayer's application for**
111 **final approval and tax credit issuance, the department shall determine the final amount of**
112 **eligible rehabilitation costs and expenses. For a taxpayer receiving an initial tax credit**
113 **issuance, no later than one hundred and twenty calendar days following receipt of such**
114 **taxpayer's application for final approval and tax credit issuance, the department shall**
115 **notify such taxpayer of its final determination by letter and issue such taxpayer tax credit**
116 **certificates in an amount equal to the lesser of the remaining amount of tax credits for**
117 **which such taxpayer is eligible to receive under sections 253.550 to 253.559, as determined**
118 **by the department, or the remaining amount of tax credits for which such taxpayer was**
119 **approved under subsection 3 of this section but not issued under the initial tax credit**

120 **issuance. If the department of economic development determines that the amount of tax**
121 **credits issued to a taxpayer in the initial tax credit issuance is in excess of the total amount**
122 **of tax credits such taxpayer is eligible to receive under sections 253.550 to 253.559, the**
123 **department shall notify such taxpayer and such taxpayer shall repay the state an amount**
124 **equal to such excess.** For financial institutions credits authorized pursuant to sections 253.550
125 to [253.561] **253.559** shall be deemed to be economic development credits for purposes of
126 section 148.064. The approval of all applications and the issuing of certificates of eligible credits
127 to taxpayers shall be performed by the department of economic development. [The department
128 of economic development shall inform a taxpayer of final approval by letter and shall issue, to
129 the taxpayer, tax credit certificates.] The taxpayer shall attach the certificate to all Missouri
130 income tax returns on which the credit is claimed. **Taxpayers which receive tax credit**
131 **certificates under sections 253.550 to 253.559, attributable to accrued developer fees shall,**
132 **within six years of completion of rehabilitation, submit an additional cost and expense**
133 **certification verifying the total amount of developer fees actually accrued and paid. To the**
134 **extent the amount of developer fees contained in a taxpayer's cost and expense certification**
135 **included with such taxpayers application for final approval and tax credit issuance exceeds**
136 **the amount of developer fees actually accrued and paid, as evidenced by the additional cost**
137 **and expense certification, such taxpayer shall repay to the state an amount equal to twenty-**
138 **five percent of such excess.**

139 8. Except as expressly provided in this subsection, tax credit certificates shall be issued
140 in the final year that costs and expenses of rehabilitation of the project are incurred, or within the
141 twelve-month period immediately following the conclusion of such rehabilitation. In the event
142 the amount of eligible rehabilitation costs and expenses incurred by a taxpayer would result in
143 the issuance of an amount of tax credits in excess of the amount provided under such taxpayer's
144 approval granted under subsection 3 of this section, such taxpayer may apply to the department
145 for issuance of tax credits in an amount equal to such excess. Applications for issuance of tax
146 credits in excess of the amount provided under a taxpayer's application shall be made on a form
147 prescribed by the department **and shall be substantially in the form of the department of**
148 **economic development form titled "Historic Preservation Tax Credit Program - Request**
149 **for Additional Credits" in effect by the effective date of this act.** Such applications shall be
150 subject to all provisions regarding priority provided under subsection 1 of this section.

151 9. The department of economic development shall determine, on an annual basis, the
152 overall economic impact to the state from the rehabilitation of eligible property.

153 **10. (1) Taxpayers or duly authorized representatives may appeal any official**
154 **decision, including all preliminary or final approvals and denials of approvals, made by**
155 **the department or the department of natural resources with regard to an application**

156 submitted under sections 253.550 to 253.559 to an independent third-party appeals officer
157 designated by the department within fourteen days of receipt of the appeal by the
158 department. Such appeals under this section shall constitute an administrative review of
159 the decision from which appealed and shall not be conducted as an adjudicative
160 proceeding.

161 (2) Appeals shall be submitted to the designated appeals officer in writing within
162 thirty days of receipt by the taxpayer or the taxpayer's duly authorized representative of
163 the decision that is the subject of the appeal and shall include all information the appellant
164 wishes the appeals officer to consider in deciding the appeal.

165 (3) Within fourteen days of receipt of an appeal, the appeals officer shall notify the
166 department or the department of natural resources that an appeal is pending, identify the
167 decision being appealed, and forward a copy of the information submitted by the appellant.
168 The department or the department of natural resources may submit a written response to
169 the appeal within thirty days.

170 (4) The appellant shall be entitled to one meeting with the appeals officer to discuss
171 the appeal, but the appeals officer may schedule additional meetings at the officer's
172 discretion. The department or the department of natural resources may appear at all
173 meetings.

174 (5) The appeals officer shall consider the record of the decision in question, any
175 further written submissions by the appellant, the department or the department of natural
176 resources, and other available information and shall deliver a written decision to all parties
177 as promptly as circumstances permit, but not later than ninety days after the initial receipt
178 of an appeal by the appeals officer.

179 11. By no later than January 1, 2015, the department shall propose rules to
180 implement the provisions of sections 253.550 to 253.559. Prior to proposing such rules, the
181 department shall conduct a stakeholder process designed to solicit input from interested
182 parties. Any rule or portion of a rule, as that term is defined in section 536.010, that is
183 created under the authority delegated herein shall become effective only if it complies with
184 and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.
185 This section and chapter 536 are nonseverable and if any of the powers vested with the
186 general assembly under chapter 536 to review, to delay the effective date, or to disapprove
187 and annul a rule are subsequently held unconstitutional, then the grant of rulemaking
188 authority and any rule proposed or adopted after August 28, 2014, shall be invalid and
189 void.

2 "Missouri Angel Investment Incentive Act" and referred to herein as the "act."
