442.018. All public advertisements and orders of publication required by law to be made,
2 including but not limited to amendments to the Missouri Constitution[, legal publications
3 affecting all sales of real estate under a power of sale contained in any mortgage or deed of trust,]

5 of general circulation, qualified under the provisions of section 493.050, and persons responsible

6 for orders of publication described in sections 443.310 and 443.320 shall be subject to the
7 prohibitions in sections 493.130 and 493.140.

**443.285. Beginning August 28, 2014, all foreclosure proceedings shall be handled
2 judicially as provided in sections 443.190 to 443.280.**

448.080. 1. Every unit owner shall pay his proportionate share of the expenses of
2 administration, maintenance and repair of the common elements and of any other expense
3 lawfully agreed upon. Such proportionate share shall be in the same ratio as his percentage of
4 ownership in the common elements as set forth in the declaration. Payment thereof shall be in
5 the amounts and at the times as determined by the unit owners or the board of managers, as
6 hereinafter provided.

7 2. If any unit owner fails or refuses to make any payment of the common expenses when
8 due, the amount thereof shall constitute a lien on the interest of such unit owner in the property,
9 and upon the recording of notice thereof by the manager or board of managers shall be a lien
10 upon such unit owner's interest in the property prior to all other liens and encumbrances,
11 recorded or unrecorded; except only taxes, special assessments and special taxes theretofore or
12 thereafter levied by any political subdivision or municipal corporation of this state and other state
13 or federal taxes which by law are a lien on the interest of such unit owner prior to preexisting
14 recorded encumbrances thereon, and encumbrances on the interest of such unit owner recorded
15 prior to the date such notice is recorded which by law would be a lien thereon prior to
16 subsequently recorded encumbrances, but only if such prior recorded encumbrance contains a
17 statement of a mailing address in the state of Missouri where notice may be mailed to the
18 encumbrancer thereunder. Any encumbrancer whose lien is junior to the lien of the common
19 expenses herein provided may from time to time request in writing a written statement from the
20 manager or board of managers setting forth the unpaid common expenses with respect to the unit
21 covered by his encumbrance and unless the request is complied with within twenty days, all
22 unpaid common expenses which became due prior to the date of the making of such request shall
23 be subordinate to the lien of such encumbrance. Any encumbrancer holding a lien on a unit may
24 pay any unpaid common expenses payable with respect to such unit and upon such payment such
25 encumbrancer shall have a lien on such unit for the amounts paid at the same rank as the lien of
26 his encumbrance.

27 3. The lien to secure payment of common expenses shall be in favor of the members of
28 the board of managers and their successors in office and shall be for the benefit of all other unit
29 owners, and may be foreclosed by an action brought in the name of the board of managers in like
30 manner as a mortgage of real property, as provided in sections 443.190 to [443.310] **443.280**.
31 Unless otherwise provided in the declaration, the members of the board of managers and their
32 successors in office, acting on behalf of the other unit owners, shall have the power to bid in the

33 interest so foreclosed at foreclosure sale, and to acquire and hold, lease, mortgage and convey
34 the same.

35 4. In the event any person acquires or is entitled to the issuance of a sheriff's or other
36 official deed in foreclosure of the lien for common expenses above provided, the deed conveying
37 the interest of any unit owner and the interest so acquired shall be subject to all of the provisions
38 of sections 448.005 to 448.210 and to the terms, provisions, covenants, conditions and
39 limitations contained in the declaration, the plat, the bylaws or any deed affecting such interest
40 then in force.

448.3-116. 1. The association has a lien on a unit for any assessment levied against that
2 unit or fines imposed against its unit owner from the time the assessment or fine becomes due.
3 The association's lien may be foreclosed in like manner as a mortgage on real estate [or a power
4 of sale pursuant to chapter 443]. Unless the declaration otherwise provides, fees, charges, late
5 charges, fines, and interest charged pursuant to subdivisions (10), (11), and (12) of subsection
6 1 of section 448.3-102 are enforceable as assessments pursuant to this section. If an assessment
7 is payable in installments, the full amount of the assessment is a lien from the time the first
8 installment thereof becomes due.

9 2. A lien pursuant to this section is prior to all other liens and encumbrances on a unit
10 except:

11 (1) Liens and encumbrances recorded before the recordation of the declaration;

12 (2) A mortgage and deed of trust for the purchase of a unit recorded before the date on
13 which the assessment sought to be enforced became delinquent;

14 (3) Liens for real estate taxes and other governmental assessments or charges against the
15 unit;

16 (4) Except for delinquent assessments or fines, up to a maximum of six months'
17 assessments or fines, which are due prior to any subsequent refinancing of a unit or for any
18 subsequent second mortgage interest. This subsection does not affect the priority of mechanics'
19 or materialmen's liens, or the priority of liens for other assessments made by the association. The
20 lien pursuant to this section is not subject to the provisions of section 513.475.

21 3. Unless the declaration provides otherwise, if two or more associations have liens for
22 assessments created at any time on the same real estate, those liens have equal priority.

23 4. Recording of the declaration constitutes record notice and perfection of the lien. No
24 further recordation of any claim of lien for assessment pursuant to this section is required.

25 5. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien
26 are instituted within three years after the full amount of the assessments becomes due.

27 6. This section shall not prohibit actions to recover sums for which subsection 1 of this
28 section creates a lien, or prohibit an association from taking a deed in lieu of foreclosure.

29 7. A judgment or decree in any action brought pursuant to this section shall include costs
30 and reasonable attorney's fees for the prevailing party.

31 8. The association shall furnish to a unit owner, upon written request, a recordable
32 statement setting forth the amount of unpaid assessments against the unit owner's unit. The
33 statement shall be furnished within ten business days after receipt of the request and is binding
34 on the association, the executive board, and every unit owner.

 456.003. When the terms of an instrument creating a trust manifest intention that the
2 trustee shall have the legal fee simple in land, the full legal ownership of an estate for years, or
3 the absolute legal ownership of chattels personal, **or** investment securities or choses in action,
4 an exercise by the trustee or a successor trustee of [an express or implied power of sale,] **a**
5 mortgage, leasing, improvement or conducting any other transaction incident to the
6 administration of the trust, shall bind the fee simple, term of years or absolute ownership
7 notwithstanding the execution of a future interest under the trust into a legal estate or interest by
8 the operation of the Statute of Uses, or former section 456.003, or a judicial doctrine imposing
9 such execution on dry or passive trusts.

 493.055. All public advertisements and orders of publication required by law to be made,
2 including but not limited to amendments to the Missouri Constitution[, legal publications
3 affecting all sales of real estate under a power of sale contained in any mortgage or deed of trust,]
4 and other legal publications affecting the title to real estate, shall be published in a newspaper
5 of general circulation, qualified under the provisions of section 493.050, and persons responsible
6 for orders of publication described in sections 443.310 and 443.320 shall be subject to the
7 prohibitions in sections 493.130 and 493.140.

 516.150. No suit[, **or** action [or proceeding under power of sale] to foreclose any
2 mortgage or deed of trust, to secure any obligation to pay money or property, shall be had or
3 maintained after such obligation has been barred by the statutes of limitation of this state; nor
4 in any event after the lapse of twenty years from the date at which the last maturing obligation
5 secured by the instrument sought to be foreclosed is due on the face of such instrument, unless
6 such termination of said period falls within two years after the passage of this section, or has
7 heretofore happened, in which event such suit, action or proceeding may be begun within two
8 years after the passage of this section without regard to the date of the instrument or the maturity
9 of the obligation, unless otherwise barred under the provisions of the general statutes of
10 limitation, unless before the lapse of said twenty years the owner of the debt thereby secured or
11 some person for him shall file an affidavit duly verified, or file an instrument in writing
12 acknowledged as deeds are required to be acknowledged in order to entitle them to record in this
13 state, showing the amount due and owing thereon.

2 [443.290. All mortgages of real property or security agreements
3 providing for a security interest in personal property, or both, with powers of sale
4 in the mortgagee or secured party, and all sales made by such mortgagee, secured
5 party or his personal representatives, in pursuance of the provisions of the
6 mortgages or security agreements, shall be valid and binding by the laws of this
7 state upon the mortgagors and debtors, and all persons claiming under them, and
8 shall forever foreclose all right and equity of redemption of the property so sold.
9 Nothing herein shall be construed to affect in any way the rights of a tenant to the
10 growing and unharvested crops on lands foreclosed as aforesaid, to the extent of
11 the interest of the tenant under the terms of contract or lease between the tenant
12 and the mortgagor or his personal representatives.]

2 [443.300. If any person shall die owning real estate on which there is an
3 outstanding deed of trust or mortgage of real estate, or having subjected personal
4 property to a security interest with power of sale, shall die, no sale shall take
5 place under the deed of trust or mortgage conveying real estate within six months
6 after the death of such person, and no sale shall take place of personal property
7 so subjected to a security interest within four months after the death of the
8 person.]

2 [443.310. All sales of real estate under a power of sale contained in any
3 mortgage or deed of trust executed after August 28, 1989, shall be made in the
4 county where the land to be sold is situated, and not less than twenty days' notice
5 of such sale shall be given, whether so provided in such mortgage or deed of trust
6 or not. Where the property to be sold is located in more than one county, the
7 property may be sold in any county where a part of the property is located.]

2 [443.320. The notice required by section 443.310 shall set forth the date
3 and book and page of the record of such mortgages or deeds of trust, the grantors,
4 the time, terms and place of sale, and a description of the property to be sold, and
5 shall be given by advertisement, inserted for at least twenty times, and continued
6 to the day of the sale, in some daily newspaper, in counties having cities of fifty
7 thousand inhabitants or more, and in all other counties such notice shall be given
8 by advertisement in some weekly newspaper published in such county for four
9 successive issues, the last insertion to be not more than one week prior to the day
10 of sale, or in some daily, triweekly or semiweekly paper published in such county
11 at least once a week for four successive weeks. Such notice shall appear on the
12 same day of each week, the last insertion to be not more than one week prior to
13 the day of sale, and if there be no newspaper published in such county or city,
14 such notice shall be published in the nearest newspaper thereto in this state.
15 Nothing in this section shall be construed to authorize the giving of any shorter
16 notice than that required by such mortgage or deed of trust. Where the property
to be sold lies wholly or in part within the corporate limits of any city having or

17 that may hereafter have a population of fifty thousand inhabitants or more, then
 18 the notice provided for in this section shall be published in a daily newspaper in
 19 such city and where the property to be sold lies wholly or in part within the
 20 corporate limits of a city extending into two or more counties, then the notice
 21 provided for in this section shall be published in some newspaper published in
 22 the county in which the property lies, in the manner provided in this section for
 23 publication in such county, even though such property may lie in a city having a
 24 population of fifty thousand inhabitants or more. Where the property to be sold
 25 is located in more than one county, the notices required in this section shall be
