31 to work in the United States, the attorney general shall proceed on the complaint as provided in
32 subsection 5 of this section;

36 individual is received. At no point shall any state official attempt to make an independent
37 determination of any alien's legal status without verification from the federal government.

15 fourteen days. Permits, licenses, and exemptions shall be reinstated for entities who comply with

19 of one day and a maximum of thirty days;

20 (2) Upon a finding of a second violation of section 285.530 by an employer or business

31 in a court of the state of Missouri, the fifteen-business-day period for providing information to the
32 attorney general referenced in subsection 3 of this section shall be tolled while the business entity
33 pursues the termination of the unauthorized alien's employment in such forum; or

34 (b) The business entity, after acquiring additional information from the employee, requests a
35 secondary or additional verification by the federal government of the employee's authorization,
36 under the procedures of a federal work authorization program. While this verification is pending,
37 the fifteen-business-day period for providing information to the attorney general referenced in
38 subsection 3 of this section shall be tolled; and

39 (2) A legal representative of the business entity submits, at an office designated by the
40 attorney general, the following:

41 (a) A sworn affidavit stating that the violation has ended that shall include a description of

1 the specific measures and actions taken by the business entity to end the violation, and the name,
2 address, and other adequate identifying information for any unauthorized aliens related to the
3 complaint; and

4 (b) Documentation acceptable to the attorney general which confirms that the business entity
5 has enrolled in and is participating in a federal work authorization program.

6 7. The suspension of a business license or licenses under subsection 5 of this section shall
7 terminate one business day after a legal representative of the business entity submits the affidavit and
8 other documentation required under subsection 6 of this section following any period of restriction
9 required under subsection 5 of this section.

10 8. For an entity that violates subsection 1 of section 285.530 for a second time, the court
11 shall direct the applicable municipal or county governing body to suspend, for one year, the business
12 permit, if such exists, and any applicable license or exemptions of the business entity. For a
13 subsequent violation, the court shall direct the applicable municipal or county governing body to
14 forever suspend the business permit, if such exists, and any applicable license or exemptions of the
15 business entity.

16 9.] In addition to the penalties in [subsections] subsection 5 [and 8] of this section:

17 (1) Upon the first violation of subsection 1 of section 285.530 by any business entity
18 awarded a state contract or grant or receiving a state-administered tax credit, tax abatement, or loan
19 from the state, the business entity shall be deemed in breach of contract and the state may terminate
20 the contract and suspend or debar the business entity from doing business with the state for a period
21 of three years. Upon such termination, the state may withhold up to twenty-five percent of the total
22 amount due to the business entity;

23 (2) Upon a second or subsequent violation of subsection 1 of section 285.530 by any
24 business entity awarded a state contract or grant or receiving a state-administered tax credit, tax

32 sections 285.525 to 285.540, or any employee of such a business entity, may challenge the
33 enforcement of this section with respect to such entity or employee in the courts of the state of
34 Missouri.

36 to believe that there has been a violation, the court shall dismiss the case. For purposes of this
37 subsection, "frivolous" shall mean a complaint not shown by clear and convincing evidence to be
38 valid. Any person who submits a frivolous complaint shall be liable for actual, compensatory, and
39 punitive damages to the alleged violator for holding the alleged violator before the public in a false
40 light. If the court finds that a complaint is frivolous or that there is not probable cause to believe
41 there has been a violation, the attorney general shall issue a public report to the complainant and the

1 alleged violator stating with particularity its reasons for dismissal of the complaint. Upon such
2 issuance, the complaint and all materials relating to the complaint shall be a public record as defined
3 in chapter 610.

4 [13.] 10. The determination of whether a worker is an unauthorized alien shall be made by
5 the federal government. A determination of such status of an individual by the federal government
6 shall create a rebuttable presumption as to that individual's status in any judicial proceedings brought
7 under this section or section 285.530. The court may take judicial notice of any verification of an
8 individual's status previously provided by the federal government and may request the federal
9 government to provide automated or testimonial verification.

10 [14.] 11. Compensation, whether in money or in kind or in services, [knowingly] provided to

14 shall not be liable for any claims made against the business entity under chapter 213 for the
15 termination.

16 13. Any costs incurred by the business entity for participating in a federal work authorization
17 program may be deducted from the business entity's income or business taxes in this state.

18 285.555. Should the federal government discontinue or fail to authorize or implement any
