22 Further amend said page and section, line 65, by inserting immediately after the word "days" the
23 following " . In performing the review, the collaborating physician need not be present at the health
24 care practitioner's site."; and

25
26 Further amend said page and section, lines 71 through 81, by deleting all of said lines and inserting
27 in lieu thereof the following:

28
29 "(11) When an advanced practice registered nurse, physician assistant, or assistant physician
30 utilizes a collaborative arrangement to provide health care services for conditions other than acute,
31 self limiting, or well defined problems, the collaborating physician or other physician designated in
32 the collaborating practice agreement shall be available either personally or electronically to the
33 advance registered practice nurse, physician assistant, or assistant physician to provide consultation.
34 For a new or significantly changed condition other than acute self limiting or well defined problems,
35 the collaborating physician, other physician designated in the collaborative practice arrangement, or
36 the patient's primary care physician shall review such patient charts and approve or make appropriate
37 modifications to the plan of treatment. Nothing in this subdivision shall be construed as requiring a
38 health care provider in a collaborative practice arrangement to submit more patient charts than the
39 minimum of ten percent of charts required under subdivision (9) of this subsection."; and

40
41 Further amend said section, page 5, lines 138 through 147, by deleting all of said lines and inserting
42 in lieu thereof the following:

43
44 "9. It is the responsibility of the collaborating physician to [determine and] document the
45 completion of [at least a one-month] a period of time during which the advanced practice registered
46 nurse, physician assistant, or assistant physician shall practice with the collaborating physician
47 continuously present before practicing in a setting where the collaborating physician is not
48 continuously present. The period of time, not to exceed one month, will be determined by mutual
49 agreement between the collaborating physician and advanced practice registered nurse, physician

1 assistant, or assistant physician. This limitation shall not apply to collaborative arrangements of
2 providers of population-based public health services as defined by **20** CSR 2150-5.100 as of April
3 30, 2008, nor to collaborative arrangements between a primary care physician and a primary care
4 advanced practice registered nurse, where the collaborative physician is new to a patient population
5 to which the collaborating advanced practice registered nurse, assistant physician, or assistant
6 physician is already familiar."; and
7

8 Further amend said section, page 6, lines 161 through 164, by deleting all of said lines and inserting
9 in lieu thereof the following:
10

11 "12. No contract or other agreement shall require any advanced practice registered nurse,
12 physician assistant, or assistant physician to serve as a collaborating advanced practice registered
13 nurse, physician assistant, or assistant physician for any collaborating physician against the advanced
14 practice registered nurse's, physician assistant's, or assistant physician's will. An advance practice
15 registered nurse, physician assistant, or assisting physician shall have the right to refuse to
16 collaborate, without penalty, with a particular physician."; and
17

18 Further amend said bill by amending the title, enacting clause, and intersectional references
19 accordingly.
