

House _____ Amendment NO. _____

Offered By

1 AMEND House Bill No. 1096, Page 1, Section 265.475, Line 5, by inserting after said line the
2 following:

3
4 "144.010. 1. The following words, terms, and phrases when used in sections 144.010 to
5 144.525 have the meanings ascribed to them in this section, except when the context indicates a
6 different meaning:

7 (1) "Admission" includes seats and tables, reserved or otherwise, and other similar
8 accommodations and charges made therefor and amount paid for admission, exclusive of any
9 admission tax imposed by the federal government or by sections 144.010 to 144.525;

10 (2) "Business" includes any activity engaged in by any person, or caused to be engaged in by
11 him, with the object of gain, benefit or advantage, either direct or indirect, and the classification of
12 which business is of such character as to be subject to the terms of sections 144.010 to 144.525. A
13 person is "engaging in business" in this state for purposes of sections 144.010 to 144.525 if such
14 person "engages in business in this state" or "maintains a place of business in this state" under section
15 144.605. The isolated or occasional sale of tangible personal property, service, substance, or thing,
16 by a person not engaged in such business, does not constitute engaging in business within the
17 meaning of sections 144.010 to 144.525 unless the total amount of the gross receipts from such sales,
18 exclusive of receipts from the sale of tangible personal property by persons which property is sold in
19 the course of the partial or complete liquidation of a household, farm or nonbusiness enterprise,
20 exceeds three thousand dollars in any calendar year. The provisions of this subdivision shall not be
21 construed to make any sale of property which is exempt from sales tax or use tax on June 1, 1977,
22 subject to that tax thereafter;

23 (3) "Captive wildlife", includes but is not limited to exotic partridges, gray partridge,
24 northern bobwhite quail, ring-necked pheasant, captive waterfowl, captive white-tailed deer, captive
25 elk, and captive furbearers held under permit issued by the Missouri department of conservation for
26 hunting purposes. The provisions of this subdivision shall not apply to sales tax on a harvested
27 animal;

28 (4) "Gross receipts", except as provided in section 144.012, means the total amount of the
29 sale price of the sales at retail including any services other than charges incident to the extension of
30 credit that are a part of such sales made by the businesses herein referred to, capable of being valued

Action Taken _____ Date _____

Action Taken _____ Date _____

1 in money, whether received in money or otherwise; except that, the term "gross receipts" shall not
2 include the sale price of property returned by customers when the full sale price thereof is refunded
3 either in cash or by credit. In determining any tax due under sections 144.010 to 144.525 on the
4 gross receipts, charges incident to the extension of credit shall be specifically exempted. For the
5 purposes of sections 144.010 to 144.525 the total amount of the sale price above mentioned shall be
6 deemed to be the amount received. It shall also include the lease or rental consideration where the
7 right to continuous possession or use of any article of tangible personal property is granted under a
8 lease or contract and such transfer of possession would be taxable if outright sale were made and, in
9 such cases, the same shall be taxable as if outright sale were made and considered as a sale of such
10 article, and the tax shall be computed and paid by the lessee upon the rentals paid;

11 (5) "Livestock", cattle, calves, sheep, swine, ratite birds, including but not limited to, ostrich
12 and emu, aquatic products as defined in section 277.024, llamas, alpaca, buffalo, elk and captive
13 cervids documented as obtained from a legal source and not from the wild, goats, horses, other
14 equine, or rabbits raised in confinement for human consumption;

15 (6) "Motor vehicle leasing company" shall be a company obtaining a permit from the
16 director of revenue to operate as a motor vehicle leasing company. Not all persons renting or leasing
17 trailers or motor vehicles need to obtain such a permit; however, no person failing to obtain such a
18 permit may avail itself of the optional tax provisions of subsection 5 of section 144.070, as
19 hereinafter provided;

20 (7) "Person" includes any individual, firm, copartnership, joint adventure, association,
21 corporation, municipal or private, and whether organized for profit or not, state, county, political
22 subdivision, state department, commission, board, bureau or agency, except the state transportation
23 department, estate, trust, business trust, receiver or trustee appointed by the state or federal court,
24 syndicate, or any other group or combination acting as a unit, and the plural as well as the singular
25 number;

26 (8) "Purchaser" means a person who purchases tangible personal property or to whom are
27 rendered services, receipts from which are taxable under sections 144.010 to 144.525;

28 (9) "Research or experimentation activities" are the development of an experimental or pilot
29 model, plant process, formula, invention or similar property, and the improvement of existing
30 property of such type. Research or experimentation activities do not include activities such as
31 ordinary testing or inspection of materials or products for quality control, efficiency surveys,
32 advertising promotions or research in connection with literary, historical or similar projects;

33 (10) "Sale" or "sales" includes installment and credit sales, and the exchange of properties as
34 well as the sale thereof for money, every closed transaction constituting a sale, and means any
35 transfer, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, of
36 tangible personal property for valuable consideration and the rendering, furnishing or selling for a
37 valuable consideration any of the substances, things and services herein designated and defined as
38 taxable under the terms of sections 144.010 to 144.525;

39 (11) "Sale at retail" means any transfer made by any person engaged in business as defined
40 herein of the ownership of, or title to, tangible personal property to the purchaser, for use or
41 consumption and not for resale in any form as tangible personal property, for a valuable

1 consideration; except that, for the purposes of sections 144.010 to 144.525 and the tax imposed
2 thereby: (i) purchases of tangible personal property made by duly licensed physicians, dentists,
3 optometrists and veterinarians and used in the practice of their professions shall be deemed to be
4 purchases for use or consumption and not for resale; and (ii) the selling of computer printouts,
5 computer output or microfilm or microfiche and computer-assisted photo compositions to a
6 purchaser to enable the purchaser to obtain for his or her own use the desired information contained
7 in such computer printouts, computer output on microfilm or microfiche and computer-assisted
8 photo compositions shall be considered as the sale of a service and not as the sale of tangible
9 personal property. Where necessary to conform to the context of sections 144.010 to 144.525 and
10 the tax imposed thereby, the term "sale at retail" shall be construed to embrace:

11 (a) Sales of admission tickets, cash admissions, charges and fees to or in places of
12 amusement, entertainment and recreation, games and athletic events;

13 (b) Sales of electricity, electrical current, water and gas, natural or artificial, to domestic,
14 commercial or industrial consumers;

15 (c) Sales of local and long distance telecommunications service to telecommunications
16 subscribers and to others through equipment of telecommunications subscribers for the transmission
17 of messages and conversations, and the sale, rental or leasing of all equipment or services pertaining
18 or incidental thereto;

19 (d) Sales of service for transmission of messages by telegraph companies;

20 (e) Sales or charges for all rooms, meals and drinks furnished at any hotel, motel, tavern,
21 inn, restaurant, eating house, drugstore, dining car, tourist camp, tourist cabin, or other place in
22 which rooms, meals or drinks are regularly served to the public;

23 (f) Sales of tickets by every person operating a railroad, sleeping car, dining car, express car,
24 boat, airplane, and such buses and trucks as are licensed by the division of motor carrier and railroad
25 safety of the department of economic development of Missouri, engaged in the transportation of
26 persons for hire;

27 (12) "Seller" means a person selling or furnishing tangible personal property or rendering
28 services, on the receipts from which a tax is imposed pursuant to section 144.020;

29 (13) The noun "tax" means either the tax payable by the purchaser of a commodity or service
30 subject to tax, or the aggregate amount of taxes due from the vendor of such commodities or services
31 during the period for which he or she is required to report his or her collections, as the context may
32 require;

33 (14) "Telecommunications service", for the purpose of this chapter, the transmission of
34 information by wire, radio, optical cable, coaxial cable, electronic impulses, or other similar means.
35 As used in this definition, "information" means knowledge or intelligence represented by any form
36 of writing, signs, signals, pictures, sounds, or any other symbols. Telecommunications service does
37 not include the following if such services are separately stated on the customer's bill or on records of
38 the seller maintained in the ordinary course of business:

39 (a) Access to the internet, access to interactive computer services or electronic publishing
40 services, except the amount paid for the telecommunications service used to provide such access;

41 (b) Answering services and one-way paging services;

1 (c) Private mobile radio services which are not two-way commercial mobile radio services
2 such as wireless telephone, personal communications services or enhanced specialized mobile radio
3 services as defined pursuant to federal law; or

4 (d) Cable or satellite television or music services; and

5 (15) "Product which is intended to be sold ultimately for final use or consumption" means
6 tangible personal property, or any service that is subject to state or local sales or use taxes, or any tax
7 that is substantially equivalent thereto, in this state or any other state.

8 2. For purposes of the taxes imposed under sections 144.010 to 144.525, and any other
9 provisions of law pertaining to sales or use taxes which incorporate the provisions of sections
10 144.010 to 144.525 by reference, the term "manufactured homes" shall have the same meaning given
11 it in section 700.010.

12 3. Sections 144.010 to 144.525 may be known and quoted as the "Sales Tax Law".

13 262.900. 1. As used in this section, the following terms mean:

14 (1) "Agricultural products", an agricultural, horticultural, viticultural, or vegetable product,
15 growing of grapes that will be processed into wine, bees, honey, fish or other aquacultural product,
16 planting seed, livestock, a livestock product, a forestry product, poultry or a poultry product, either
17 in its natural or processed state, that has been produced, processed, or otherwise had value added to it
18 in this state;

19 (2) "Blighted area", that portion of the city within which the legislative authority of such city
20 determines that by reason of age, obsolescence, inadequate, or outmoded design or physical
21 deterioration have become economic and social liabilities, and that such conditions are conducive to
22 ill health, transmission of disease, crime or inability to pay reasonable taxes;

23 (3) "Department", the department of agriculture;

24 (4) "Domesticated animal", cattle, calves, sheep, swine, ratite birds including but not limited
25 to ostrich and emu, llamas, alpaca, buffalo, elk documented as obtained from a legal source and not
26 from the wild, goats, or horses, other equines, or rabbits raised in confinement for human
27 consumption;

28 (5) "Grower UAZ", a type of UAZ:

29 (a) That can either grow produce, raise livestock, or produce other value-added agricultural
30 products;

31 (b) That does not exceed fifty laying hens, six hundred fifty broiler chickens, or thirty
32 domesticated animals;

33 (6) "Livestock", cattle, calves, sheep, swine, ratite birds including but not limited to ostrich
34 and emu, aquatic products as defined in section 277.024, llamas, alpaca, buffalo, elk and captive
35 cervids documented as obtained from a legal source and not from the wild, goats, or horses, other
36 equines, or rabbits raised in confinement for human consumption;

37 (7) "Locally grown", a product that was grown or raised in the same county or city not
38 within a county in which the UAZ is located or in an adjoining county or city not within a county.
39 For a product raised or sold in a city not within a county, locally grown also includes an adjoining
40 county with a charter form of government with more than nine hundred fifty thousand inhabitants
41 and those adjoining said county;

- 1 (8) "Processing UAZ", a type of UAZ:
- 2 (a) That processes livestock or poultry for human consumption;
- 3 (b) That meets federal and state processing laws and standards;
- 4 (c) Is a qualifying small business approved by the department;
- 5 (9) "Meat", any edible portion of livestock or poultry carcass or part thereof;
- 6 (10) "Meat product", anything containing meat intended for or capable of use for human
- 7 consumption, which is derived, in whole or in part, from livestock or poultry;
- 8 (11) "Poultry", any domesticated bird intended for human consumption;
- 9 (12) "Qualifying small business", those enterprises which are established within an Urban
- 10 Agricultural Zone subsequent to its creation, and which meet the definition established for the Small
- 11 Business Administration and set forth in Section 121.301 of Part 121 of Title 13 of the Code of
- 12 Federal Regulations;
- 13 (13) "Value-added agricultural products", any product or products that are the result of:
- 14 (a) Using an agricultural product grown in this state to produce a meat or dairy product in
- 15 this state;
- 16 (b) A change in the physical state or form of the original agricultural product;
- 17 (c) An agricultural product grown in this state which has had its value enhanced by special
- 18 production methods such as organically grown products; or
- 19 (d) A physical segregation of a commodity or agricultural product grown in this state that
- 20 enhances its value such as identity preserved marketing systems;
- 21 (14) "Urban agricultural zone" or "UAZ", a zone within a metropolitan statistical area as
- 22 defined by the United States Office of Budget and Management that has one or more of the
- 23 following entities that is a qualifying small business and approved by the department, as follows:
- 24 (a) Any organization or person who grows produce or other agricultural products;
- 25 (b) Any organization or person that raises livestock or poultry;
- 26 (c) Any organization or person who processes livestock or poultry;
- 27 (d) Any organization that sells at a minimum seventy-five percent locally grown food;
- 28 (15) "Vending UAZ", a type of UAZ:
- 29 (a) That sells produce, meat, or value-added locally grown agricultural goods;
- 30 (b) That is able to accept food stamps under the provisions of the Supplemental Nutrition
- 31 Assistance Program as a form of payment; and
- 32 (c) Is a qualifying small business that is approved by the department for an UAZ vendor
- 33 license.
- 34 2. (1) A person or organization shall submit to any incorporated municipality an application
- 35 to develop an UAZ on a blighted area of land. Such application shall demonstrate or identify on the
- 36 application:
- 37 (a) If the person or organization is a grower UAZ, processing UAZ, vending UAZ, or a
- 38 combination of all three types of UAZs provided in this paragraph, in which case the person or
- 39 organization shall meet the requirements of each type of UAZ in order to qualify;
- 40 (b) The number of jobs to be created;
- 41 (c) The types of products to be produced; and

1 (d) If applying for a vending UAZ, the ability to accept food stamps under the provisions of
2 the Supplemental Nutrition Assistance Program if selling products to consumers.

3 (2) A municipality shall review and modify the application as necessary before either
4 approving or denying the request to establish an UAZ.

5 (3) Approval of the UAZ by such municipality shall be reviewed five and ten years after the
6 development of the UAZ. After twenty-five years, the UAZ shall dissolve.

7 If the municipality finds during its review that the UAZ is not meeting the requirements set out in
8 this section, the municipality may dissolve the UAZ.

9 3. The governing body of any municipality planning to seek designation of an urban
10 agricultural zone shall establish an urban agricultural zone board. The number of members on the
11 board shall be seven. One member of the board shall be appointed by the school district or districts
12 located within the area proposed for designation of an urban agricultural zone. Two members of the
13 board shall be appointed by other affected taxing districts. The remaining four members shall be
14 chosen by the chief elected officer of the municipality. The four members chosen by the chief
15 elected officer of the municipality shall all be residents of the county or city not within a county in
16 which the UAZ is to be located, and at least one of such four members shall have experience in or
17 represent organizations associated with sustainable agriculture, urban farming, community
18 gardening, or any of the activities or products authorized by this section for UAZs.

19 4. The school district member and the two affected taxing district members shall each have
20 initial terms of five years. Of the four members appointed by the chief elected official, two shall
21 have initial terms of four years, and two shall have initial terms of three years. Thereafter, members
22 shall serve terms of five years. Each member shall hold office until a successor has been appointed.
23 All vacancies shall be filled in the same manner as the original appointment. For inefficiency or
24 neglect of duty or misconduct in office, a member of the board may be removed by the applicable
25 appointing authority.

26 5. A majority of the members shall constitute a quorum of such board for the purpose of
27 conducting business and exercising the powers of the board and for all other purposes. Action may
28 be taken by the board upon a vote of a majority of the members present.

29 6. The members of the board annually shall elect a chair from among the members.

30 7. The role of the board shall be to conduct the activities necessary to advise the governing
31 body on the designation of an urban agricultural zone and any other advisory duties as determined by
32 the governing body. The role of the board after the designation of an urban agricultural zone shall be
33 review and assessment of zone activities.

34 8. Prior to the adoption of an ordinance proposing the designation of an urban agricultural
35 zone, the urban agricultural board shall fix a time and place for a public hearing and notify each
36 taxing district located wholly or partially within the boundaries of the proposed urban agricultural
37 zone. The board shall send, by certified mail, a notice of such hearing to all taxing districts and
38 political subdivisions in the area to be affected and shall publish notice of such hearing in a
39 newspaper of general circulation in the area to be affected by the designation at least twenty days
40 prior to the hearing but not more than thirty days prior to the hearing. Such notice shall state the
41 time, location, date, and purpose of the hearing. At the public hearing any interested person or

1 affected taxing district may file with the board written objections to, or comments on, and may be
2 heard orally in respect to, any issues embodied in the notice. The board shall hear and consider all
3 protests, objections, comments, and other evidence presented at the hearing. The hearing may be
4 continued to another date without further notice other than a motion to be entered upon the minutes
5 fixing the time and place of the subsequent hearing.

6 9. Following the conclusion of the public hearing required under subsection 8 of this section,
7 the governing authority of the municipality may adopt an ordinance designating an urban
8 agricultural zone.

9 10. The real property of the UAZ shall not be subject to assessment or payment of ad
10 valorem taxes on real property imposed by the cities affected by this section, or by the state or any
11 political subdivision thereof, for a period of up to twenty-five years as specified by ordinance under
12 subsection 9 of this section, except to such extent and in such amount as may be imposed upon such
13 real property during such period, as was determined by the assessor of the county in which such real
14 property is located, or, if not located within a county, then by the assessor of such city, in an amount
15 not greater than the amount of taxes due and payable thereon during the calendar year preceding the
16 calendar year during which the urban agricultural zone was designated. The amounts of such tax
17 assessments shall not be increased during such period so long as the real property is used in
18 furtherance of the activities provided under the provisions of subdivision (13) of subsection 1 of this
19 section. At the conclusion of the period of abatement provided by the ordinance, the property shall
20 then be reassessed. If only a portion of real property is used as an UAZ, then only that portion of
21 real property shall be exempt from assessment or payment of ad valorem taxes on such property, as
22 provided by this section.

23 11. If the water services for the UAZ are provided by the municipality, the municipality may
24 authorize a grower UAZ to pay wholesale water rates. If available, for the cost of water consumed
25 on the UAZ and pay fifty percent of the standard cost to hook onto the water source. 12. (1)
26 Any local sales tax revenues received from the sale of agricultural products sold in the UAZ shall be
27 deposited in the urban agricultural zone fund established in subdivision (2) of this subsection. An
28 amount equal to one percent shall be retained by the director of revenue for deposit in the general
29 revenue fund to offset the costs of collection.

30 (2) There is hereby created in the state treasury the "Urban Agricultural Zone Fund", which
31 shall consist of money collected under subdivision (1) of this subsection. The state treasurer shall be
32 custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may
33 approve disbursements. The fund shall be a dedicated fund and, upon appropriation, shall be used
34 for the purposes authorized by this section. Notwithstanding the provisions of section 33.080 to the
35 contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of
36 the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as
37 other funds are invested. Any interest and moneys earned on such investments shall be credited to
38 the fund. School districts may apply to the department for money in the fund to be used for the
39 development of curriculum on or the implementation of urban farming practices under the guidance
40 of the University of Missouri extension service and a certified vocational agricultural instructor. The
41 funds are to be distributed on a competitive basis within the school district or districts in which the

1 UAZ is located pursuant to rules to be promulgated by the department, with special consideration
2 given to the relative number of students eligible for free and reduced-price lunches attending the
3 schools within such district or districts.

4 13. Any rule or portion of a rule, as that term is defined in section 536.010, that is created
5 under the authority delegated in this section shall become effective only if it complies with and is
6 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
7 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to
8 chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently
9 held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after
10 August 28, 2013, shall be invalid and void.

11 14. The provisions of this section shall not apply to any county with a charter form of
12 government and with more than three hundred thousand but fewer than four hundred fifty thousand
13 inhabitants.

14 265.300. The following terms as used in sections 265.300 to 265.470, unless the context
15 otherwise indicates, mean:

16 (1) "Adulterated", any meat or meat product under one or more of the circumstances listed in
17 Title XXI, Chapter 12, Section 601 of the United States Code as now constituted or hereafter
18 amended;

19 (2) "Capable of use as human food", any carcass, or part or product of a carcass, of any
20 animal unless it is denatured or otherwise identified, as required by regulation prescribed by the
21 director, to deter its use as human food, or is naturally inedible by humans;

22 (3) "Cold storage warehouse", any place for storing meat or meat products which contains at
23 any one time over two thousand five hundred pounds of meat or meat products belonging to any one
24 private owner other than the owner or operator of the warehouse;

25 (4) "Commercial plant", any establishment in which livestock or poultry are slaughtered for
26 transportation or sale as articles of commerce intended for or capable of use for human consumption,
27 or in which meat or meat products are prepared for transportation or sale as articles of commerce,
28 intended for or capable of use for human consumption;

29 (5) "Director", the director of the department of agriculture of this state, or his authorized
30 representative;

31 (6) "Livestock", cattle, calves, sheep, swine, ratite birds including but not limited to ostrich
32 and emu, aquatic products as defined in section 277.024, llamas, alpaca, buffalo, elk and captive
33 cervids documented as obtained from a legal source and not from the wild, goats, or horses, other
34 equines, or rabbits raised in confinement for human consumption;

35 (7) "Meat", any edible portion of livestock or poultry carcass or part thereof;

36 (8) "Meat product", anything containing meat intended for or capable of use for human
37 consumption, which is derived, in whole or in part, from livestock or poultry;

38 (9) "Misbranded", any meat or meat product under one or more of the circumstances listed in
39 Title XXI, Chapter 12, Section 601 of the United States Code as now constituted or hereafter
40 amended;

41 (10) "Official inspection mark", the symbol prescribed by the director stating that an article

1 was inspected and passed or condemned;

2 (11) "Poultry", any domesticated bird intended for human consumption;

3 (12) "Prepared", slaughtered, canned, salted, rendered, boned, cut up, or otherwise
4 manufactured or processed;

5 (13) "Unwholesome":

6 (a) Processed, prepared, packed or held under unsanitary conditions;

7 (b) Produced in whole or in part from livestock or poultry which has died other than by
8 slaughter.

9 267.565. Unless the context requires otherwise, as used in sections 267.560 to 267.660, the
10 following terms mean:

11 (1) "Accredited approved veterinarian", a veterinarian who has been accredited by the
12 United States Department of Agriculture and approved by the state department of agriculture and
13 who is duly licensed under the laws of Missouri to engage in the practice of veterinary medicine, or a
14 veterinarian domiciled and practicing veterinary medicine in a state other than Missouri, duly
15 licensed under laws of the state in which he resides, accredited by the United States Department of
16 Agriculture, and approved by the chief livestock sanitary official of that state;

17 (2) "Animal", an animal of the equine, bovine, porcine, ovine, caprine, or species
18 domesticated or semidomesticated;

19 (3) "Approved laboratory", a laboratory approved by the department;

20 (4) "Approved vaccine" or "bacterin", a vaccine or bacterin produced under the license of the
21 United States Department of Agriculture and approved by the department for the immunization of
22 animals against infectious and contagious disease;

23 (5) "Bird", a bird of the avian species;

24 (6) "Certified free herd", a herd of cattle, swine, goats or a flock of sheep or birds which has
25 met the requirements and the conditions set forth in sections 267.560 to 267.660 and as required by
26 the department and as recommended by the United States Department of Agriculture, and for such
27 status for a specific disease and for a herd of cattle, swine, goats or flock of sheep or birds in another
28 state which has met those minimum requirements and conditions under the supervision of the
29 livestock sanitary authority of the state in which said animals or birds are domiciled, and as
30 recommended by the United States Department of Agriculture for such status for a specific disease;

31 (7) "Condition", upon examination of any animal or bird in this state by the state veterinarian
32 or his or her duly authorized representative, the findings of which indicate the presence or suspected
33 presence of a toxin in such animal or bird that warrants further examination or observation for
34 confirmation of the presence or nonpresence of such toxin;

35 (8) "Department" or "department of agriculture", the department of agriculture of the state of
36 Missouri, and when by this law the said department of agriculture is charged to perform a duty, it
37 shall be understood to authorize the performance of such duty by the director of agriculture of the
38 state of Missouri, or by the state veterinarian of the state of Missouri or his duly authorized deputies
39 acting under the supervision of the director of agriculture;

40 (9) "Holding period", restriction of movement of animals or birds into or out of a premise
41 under such terms and conditions as may be designated by order of the state veterinarian or his or her

1 duly authorized representative prior to confirmation of a contagious disease or condition;

2 (10) "Infected animal" or "infected bird", an animal or bird which shows a positive reaction
3 to any recognized serological test or growth on culture or any other recognized test for the detection
4 of any disease of livestock or poultry as approved by the department or when clinical symptoms and
5 history justifies designating such animal or bird as being infected with a contagious or infectious
6 disease;

7 (11) "Isolated" or "isolation", a condition in which animals or birds are quarantined to a
8 certain designated premises and quarantined separately and apart from any other animals or birds on
9 adjacent premises;
