FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Higher Education** assume this change would only impact state student aid programs that do not specifically address the issue of the recipient's citizenship status. Those programs include the A+ program, the Kid's Chance Scholarship, the Minority Teaching Scholarship, the Minority and Underrepresented Environmental Literacy Program, and the Wartime Veterans Program. At present, unlawfully present students do not receive and have not previously received funds under these programs. Consequently, there would be no fiscal impact based on this change.

Officials at the **Metropolitan Community College, Missouri Southern State University, Missouri Western State University, Moberly Area Community College, State Fair Community College, State Technical College of Missouri, the University of Central Missouri** and the **University of Missouri** each assume there is no fiscal impact to their respective college or university from this proposal.

Officials at the **Missouri State University** assume that if enacted, and depending upon the way the language is construed, it may have a negative fiscal impact, the amount and extent of the impact cannot be determined at this time. If this proposal would prohibit institutional support to deferred action students, it could negatively impact enrollment which negatively impacts revenue.

Officials at the **Truman State University** assume they are unable to determine a fiscal impact.

Oversight assumes current statutory language prevents unlawfully present students from receiving postsecondary education public benefits. This proposal clarifies the term "unlawfully present". Since these students do not currently receive a benefit clarifying the term of "unlawfully present" would not have a fiscal impact.

Officials at the following colleges: Crowder, East Central Community College, Harris-Stowe, Jefferson College, Lincoln University, Northwest Missouri State University, Southeast Missouri State University, St. Charles Community College, St. Louis Community College and the Three Rivers Community College did not respond to **Oversight's** request for fiscal impact.

<u>FISCAL IMPACT - State Government</u>	FY 2016 (10 Mo.)	FY 2017	FY 2018
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2016 (10 Mo.)	FY 2017	FY 2018
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
