## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** state that this proposal requires the board to issue permits, which will require additional work for the board, but makes no mention of the board's authority to collect a fee. If the process to issue a permit and review the qualifications before issuing an extended care permit ends up being more than expected, additional expenses and/or FTE will be requested through the budget process.

### FISCAL IMPACT - Small Business

### FISCAL DESCRIPTION

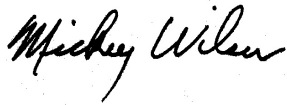

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
