FISCAL NOTE

L.R. No.: 0699-01

Type: Original

Bill No.: HB 227

Date: December 23, 2014

Subject: Ethics; Lobbying

Bill Summary: This proposal requires an individualized itemized listing of all lobbyist expenditures made on behalf of elected officials made outside of the capitol building.

State Fiscal Highlights

- No direct fiscal impact on the state is anticipated.

Local Fiscal Highlights

- No direct fiscal impact on local political subdivisions is anticipated.

Fiscal Analysis

Officials at the **Missouri Ethics Commission (MEC)** assume no fiscal impact. However, should MEC identify significant violations during the process established by §105.955.14 (2), (3), or complaints increase significantly, an investigator would be required to provide the proper oversight.

Oversight assumes that should MEC have a significant increase in complaints, they can seek additional resources through the appropriation process.

Small businesses that are lobbying firms may be required to file the reports. However, it is not expected to have a financial impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
