**FISCAL ANALYSIS**

**ASSUMPTION**

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials from the **Department of Mental Health**, the **Missouri Department of Conservation**, the **Office of the Governor**, the **Department of Natural Resources**, the **Office of Administration - Facilities Management, Design and Construction**, and the **Department of Economic Development** each assume the current proposal would not fiscally impact their respective agencies.

Officials from the **Attorney General's Office** assume that any potential costs arising from this proposal can be absorbed with existing resources.
