**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Department of Insurance, Financial Institutions and Professional Registration (DIFP)** state the proposed legislation would require the Board of Registration for the Healing Arts to hold hearings on whether or not a dismemberment abortion was necessary. These hearings may require holding special board meetings and may require the board to obtain copies of medical records and have these records reviewed by a member of board staff and then reviewed by the full board. The DIFP believes this can be accomplished under existing appropriations; however, if higher than expected hearing requests result from the implementation of this bill, additional FTE and/or expenses would be requested through the appropriations process.

Officials from the **Missouri Office of Prosecution Services (MOPS)** assume the proposal will have no measurable fiscal impact on MOPS. The creation of a new crime creates additional responsibilities for county prosecutors which may, in turn, result in additional costs, which are difficult to determine.

**Oversight** assumes the potential responsibilities imposed on county prosecutors as a result of this proposal, will be absorbable within current funding and staffing levels.

Officials from the **Department of Health and Senior Services, the Department of Corrections, the Office of State Courts Administrator and the Office of State Public Defender** each assume the proposal would not fiscally impact their respective agencies.

<u>FISCAL IMPACT - State Government</u>	FY 2016 (10 Mo.)	FY 2017	FY 2018
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2016 (10 Mo.)	FY 2017	FY 2018
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

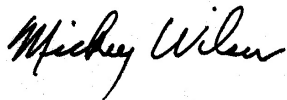

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
