Fiscal Analysis

Officials at Taney County and the Taney County Ambulance District did not respond to **Oversight's** request for fiscal impact. Oversight assumes this legislation modifies the membership for the 911 board for Taney County and will not have a fiscal impact from this proposal.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
