Fiscal Analysis

**Oversight** was unable to receive some of the local government responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of local government responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials at the **Office of the State Courts Administrator (OSCA)** assume the proposed legislation requires municipal courts to report its existence to the Office of the State Courts Administrator by December 31, 2015. There may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

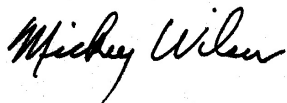

Officials at the **City of Kansas City**, the **City of Columbia** and the **City of O'Fallon** each assume no fiscal impact to their respective entities from this proposal.

Officials at the City of Jefferson responded by did not provide **Oversight** with a response on fiscal impact.

**Oversight** assumes from this proposal that reporting requirements regarding municipal divisions are being updated and will reflect no impact on this fiscal note.

FISCAL ANALYSIS (continued)

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
