**32.070. 1. The director of the department of revenue shall enter into the  
2 streamlined sales and use tax agreement with one or more states to simplify and modernize  
3 sales and use tax administration in order to substantially reduce the burden of tax  
4 compliance for all sellers and for all types of commerce. In furtherance of the streamlined  
5 sales and use tax agreement, the director of the department of revenue may act jointly with  
6 other states that are members of the streamlined sales and use tax agreement to establish  
7 standards for certification of a certified service provider and certified automated system  
8 and establish performance standards for multistate sellers.**

**9 2. The director of the department of revenue may take other action reasonably  
10 required to implement the provisions set forth in the streamlined sales and use tax  
11 administration act including, but not limited to, the promulgation of rules and the joint

21 representatives each year any amendment of state statutes required to be substantially in  
22 compliance with the agreement. Such delegates shall make a written report by the fifteenth  
23 day of January each year regarding the status of the agreement.**

28 provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536  
29 are nonseverable, and if any of the powers vested with the general assembly pursuant to  
30 chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are

**32.086. Notwithstanding any other provision of law, for all local sales and use taxes collected by the department and remitted to a political jurisdiction or taxing district, the department shall remit one percent of the amount collected to the general revenue fund to offset the cost of collection, unless a greater amount is specified in the local sales and use tax law. The department shall not commingle the remaining amounts collected with general revenues and shall remit the remaining amounts collected to the political jurisdiction or taxing district less any credits for erroneous payments, overpayments, and dishonored checks.**

32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of

4 revenue by United States registered mail or certified mail a certified copy of the ordinance or  
5 order. The ordinance or order shall reflect the effective date thereof.

6 2. Any local sales tax so adopted shall become effective on the first day of the [second]

10 3. Every retailer within the jurisdiction of one or more taxing entities which has imposed  
11 one or more local sales taxes under the local sales tax law shall add all taxes so imposed along  
12 with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when  
13 added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser  
14 to the retailer until paid, and shall be recoverable at law in the same manner as the purchase  
15 price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the  
16 rates, multiplying the combined rate times the amount of the sale.

17 4. [The brackets required to be established by the director of revenue under the provisions  
18 of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and  
19 all local sales taxes imposed under the provisions of the local sales tax law.

20 5.] (1) The ordinance or order imposing a local sales tax under the local sales tax law  
21 shall impose [a tax] upon all [transactions upon which the Missouri state sales tax is imposed]  
22 **sellers a tax for the privilege of engaging in the business of selling tangible personal**  
23 **property or rendering taxable services at retail** to the extent and in the manner provided in  
24 sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued  
25 pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state  
26 sales tax or state highway use tax and all local sales taxes imposed under the provisions of the  
27 local sales tax law.

28 (2) Notwithstanding any other provision of law to the contrary, local taxing jurisdictions,  
29 except those in which voters have previously approved a local use tax under section 144.757,  
30 shall have placed on the ballot on or after the general election in November 2014, but no later  
31 than the general election in November 2016, whether to repeal application of the local sales tax  
32 to the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales  
33 tax under section 144.020 and purchased from a source other than a licensed Missouri dealer.  
34 The ballot question presented to the local voters shall contain substantially the following  
35 language:

36 Shall the ..... (local jurisdiction's name) discontinue applying and collecting the  
37 local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were  
38 purchased from a source other than a licensed Missouri dealer?

39 Approval of this measure will result in a reduction of local revenue to provide for vital services  
40 for ..... (local jurisdiction's name) and it will place Missouri dealers of motor vehicles,  
41 outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of  
42 motor vehicles, outboard motors, boats, and trailers.

43  YES  NO

44 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
45 to the question, place an "X" in the box opposite "NO".

46 (3) If the ballot question set forth in subdivision (2) of this subsection receives a majority  
47 of the votes cast in favor of the proposal, or if the local taxing jurisdiction fails to place the ballot  
48 question before the voters on or before the general election in November 2016, the local taxing  
49 jurisdiction shall cease applying the local sales tax to the titling of motor vehicles, trailers, boats,  
50 and outboard motors that were purchased from a source other than a licensed Missouri dealer.

51 (4) In addition to the requirement that the ballot question set forth in subdivision (2) of  
52 this subsection be placed before the voters, the governing body of any local taxing jurisdiction  
53 that had previously imposed a local use tax on the use of motor vehicles, trailers, boats, and  
54 outboard motors may, at any time, place a proposal on the ballot at any election to repeal  
55 application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard  
56 motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes  
57 cast by the registered voters voting thereon are in favor of the proposal to repeal application of  
58 the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling  
59 of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a  
60 licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon  
61 are opposed to the proposal to repeal application of the local sales tax to such titling, such  
62 application shall remain in effect.

63 (5) In addition to the requirement that the ballot question set forth in subdivision (2) of  
64 this subsection be placed before the voters on or after the general election in November 2014,  
65 and on or before the general election in November 2016, whenever the governing body of any  
66 local taxing jurisdiction imposing a local sales tax on the sale of motor vehicles, trailers, boats,  
67 and outboard motors receives a petition, signed by fifteen percent of the registered voters of such  
68 jurisdiction voting in the last gubernatorial election, and calling for a proposal to be placed on  
69 the ballot at any election to repeal application of the local sales tax to the titling of motor  
70 vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed  
71 Missouri dealer, the governing body shall submit to the voters of such jurisdiction a proposal to  
72 repeal application of the local sales tax to such titling. If a majority of the votes cast by the  
73 registered voters voting thereon are in favor of the proposal to repeal application of the local  
74 sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor

75 vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed  
76 Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are  
77 opposed to the proposal to repeal application of the local sales tax to such titling, such  
78 application shall remain in effect.

79 (6) Nothing in this subsection shall be construed to authorize the voters of any  
80 jurisdiction to repeal application of any state sales or use tax.

81 (7) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard  
82 motors purchased from a source other than a licensed Missouri dealer is repealed, such repeal  
83 shall take effect on the first day of the second calendar quarter after the election. If any local  
84 sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a  
85 source other than a licensed Missouri dealer is required to cease to be applied or collected due  
86 to failure of a local taxing jurisdiction to hold an election pursuant to subdivision (2) of this  
87 subsection, such cessation shall take effect on March 1, 2017.

88 [6.] 5. On and after the effective date of any local sales tax imposed under the provisions  
89 of the local sales tax law, the director of revenue shall perform all functions incident to the  
90 administration, collection, enforcement, and operation of the tax, and the director of revenue  
91 shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes  
92 authorized under the authority of the local sales tax law. All local sales taxes imposed under the  
93 local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri  
94 shall be collected together and reported upon such forms and under such administrative rules and  
95 regulations as may be prescribed by the director of revenue.

96 [7.] 6. All applicable provisions contained in sections 144.010 to 144.525 governing the  
97 state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the  
98 collection of any local sales tax imposed under the local sales tax law except as modified by the  
99 local sales tax law.

100 [8.] 7. All exemptions granted to agencies of government, organizations, persons and to  
101 the sale of certain articles and items of tangible personal property and taxable services under the  
102 provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter  
103 be amended, it being the intent of this general assembly to ensure that the same sales tax  
104 exemptions granted from the state sales tax law also be granted under the local sales tax law, are  
105 hereby made applicable to the imposition and collection of all local sales taxes imposed under  
106 the local sales tax law.

107 [9.] 8. The same sales tax permit, exemption certificate and retail certificate required by  
108 sections 144.010 to 144.525 for the administration and collection of the state sales tax shall  
109 satisfy the requirements of the local sales tax law, and no additional permit or exemption  
110 certificate or retail certificate shall be required; except that the director of revenue may prescribe

111 a form of exemption certificate for an exemption from any local sales tax imposed by the local  
112 sales tax law.

113 [10.] 9. All discounts allowed the retailer under the provisions of the state sales tax law  
114 for the collection of and for payment of taxes under the provisions of the state sales tax law are  
115 hereby allowed and made applicable to any local sales tax collected under the provisions of the  
116 local sales tax law.

117 [11.] 10. The penalties provided in section 32.057 and sections 144.010 to 144.525 for  
118 a violation of the provisions of those sections are hereby made applicable to violations of the  
119 provisions of the local sales tax law.

120 [12. (1)] 11. For the purposes of any local sales tax imposed by an ordinance or order  
121 under the local sales tax law, all sales[, except the sale of motor vehicles, trailers, boats, and  
122 outboard motors required to be titled under the laws of the state of Missouri, shall be deemed to  
123 be consummated at the place of business of the retailer unless the tangible personal property sold  
124 is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has  
125 more than one place of business in this state which participates in the sale, the sale shall be  
126 deemed to be consummated at the place of business of the retailer where the initial order for the  
127 tangible personal property is taken, even though the order must be forwarded elsewhere for  
128 acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall  
129 be deemed to be consummated at the place of business from which he works.

130 (2) For the purposes of any local sales tax imposed by an ordinance or order under the  
131 local sales tax law, the sales tax upon the titling of all motor vehicles, trailers, boats, and  
132 outboard motors shall be imposed at the rate in effect at the location of the residence of the  
133 purchaser, and remitted to that local taxing entity, and not at the place of business of the retailer,  
134 or the place of business from which the retailer's agent or employee works.

135 (3) For the purposes of any local tax imposed by an ordinance or under the local sales  
136 tax law on charges for mobile telecommunications services, all taxes of mobile  
137 telecommunications service shall be imposed as provided in the Mobile Telecommunications  
138 Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended] **shall be sourced as provided**  
139 **by sections 144.040 to 144.043.**

140 [13.] 12. Local sales taxes shall not be imposed on the seller of motor vehicles, trailers,  
141 boats, and outboard motors required to be titled under the laws of the state of Missouri, but shall  
142 be collected from the purchaser by the director of revenue at the time application is made for a  
143 certificate of title, if the address of the applicant is within a taxing entity imposing a local sales  
144 tax under the local sales tax law.

145 [14.] 13. The director of revenue and any of [his] **the director's** deputies, assistants and  
146 employees who have any duties or responsibilities in connection with the collection, deposit,

149 a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have  
150 been collected under the local sales tax law in the amount of one hundred thousand dollars for  
151 each such tax; but the director of revenue may enter into a blanket bond covering [himself] **the**  
152 **director** and all such deputies, assistants and employees. The cost of any premium for such  
153 bonds shall be paid by the director of revenue from the share of the collections under the sales  
154 tax law retained by the director of revenue for the benefit of the state.

155 [15.] **14.** The director of revenue shall annually report on [his] **the director's**  
156 management of each trust fund which is created under the local sales tax law and administration  
157 of each local sales tax imposed under the local sales tax law. [He] **The director** shall provide  
158 each taxing entity imposing one or more local sales taxes authorized by the local sales tax law  
159 with a detailed accounting of the source of all funds received by [him] **the director** for the taxing  
160 entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each  
161 trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing  
162 entity imposing one or more local sales taxes.

163 [16.] **15.** Within the boundaries of any taxing entity where one or more local sales taxes  
164 have been imposed, if any person is delinquent in the payment of the amount required to be paid  
165 by [him] **such person** under the local sales tax law or in the event a determination has been made  
166 against [him] **such person** for taxes and penalty under the local sales tax law, the limitation for  
167 bringing suit for the collection of the delinquent tax and penalty shall be the same as that  
168 provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit  
169 must be filed against any person for the collection of delinquent taxes due the state under the  
170 state sales tax law, and where such person is also delinquent in payment of taxes under the local  
171 sales tax law, the director of revenue shall notify the taxing entity in the event any person fails  
172 or refuses to pay the amount of any local sales tax due so that appropriate action may be taken  
173 by the taxing entity.

174 [17.] **16.** Where property is seized by the director of revenue under the provisions of any  
175 law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax  
176 imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any  
177 tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to  
178 join in any sale of property to pay the delinquent taxes and penalties due the state and to the  
179 taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to  
180 all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing  
181 entity.

182 [18.] 17. If a local sales tax has been in effect for at least one year under the provisions  
183 of the local sales tax law and voters approve reimposition of the same local sales tax at the same  
184 rate at an election as provided for in the local sales tax law prior to the date such tax is due to  
185 expire, the tax so reimposed shall become effective the first day of the first calendar quarter after  
186 the director receives a certified copy of the ordinance, order or resolution accompanied by a map  
187 clearly showing the boundaries thereof and the results of such election, provided that such  
188 ordinance, order or resolution and all necessary accompanying materials are received by the  
189 director at least thirty days prior to the expiration of such tax. Any administrative cost or  
190 expense incurred by the state as a result of the provisions of this subsection shall be paid by the  
191 city or county reimposing such tax.

192 **18. If the boundaries of a local taxing jurisdiction in which a sales tax or use tax has**  
193 **been imposed shall be established, changed, or altered, the taxing entity shall forward to**  
194 **the director of revenue by United States registered mail or certified mail a certified copy**  
195 **of the ordinance adding or detaching territory from the taxing entity within ten days of**  
196 **adoption of the ordinance. The ordinance shall reflect the effective date of the ordinance**  
197 **and shall be accompanied by a map of the taxing entity clearly showing the territory added**  
198 **or detached from the taxing entity boundaries. Upon receipt of the ordinance and map,**  
199 **the tax imposed under the local sales tax law or local use tax law shall be effective in the**  
200 **added territory or abolished in the detached territory on the first day of a calendar quarter**  
201 **after one hundred twenty days' notice to sellers.**

202 **19. Any change to any local sales tax or local use tax boundary or rate shall be**  
203 **effective on the first day of a calendar quarter after one hundred twenty days' notice to**  
204 **sellers.**

66.620. 1. All county sales taxes collected by the director of revenue under sections  
2 66.600 to 66.630 on behalf of any county[, less one percent for cost of collection which shall be  
3 deposited in the state's general revenue fund after payment of premiums for surety bonds as  
4 provided in section 32.087,] shall be deposited in a special trust fund, which is hereby created,  
5 to be known as the "County Sales Tax Trust Fund". [The moneys in the county sales tax trust  
6 fund shall not be deemed to be state funds and shall not be commingled with any funds of the  
7 state.] The director of revenue shall keep accurate records of the amount of money in the trust  
8 fund which was collected in each county imposing a county sales tax, and the records shall be  
9 open to the inspection of officers of the county and the public. Not later than the tenth day of  
10 each month, the director of revenue shall distribute all moneys deposited in the trust fund during  
11 the preceding month to the county which levied the tax; such funds shall be deposited with the  
12 county treasurer of the county and all expenditures of funds arising from the county sales tax  
13 trust fund shall be by an appropriation act to be enacted by the legislative council of the county,

14 and to the cities, towns and villages located wholly or partly within the county which levied the  
15 tax in the manner as set forth in sections 66.600 to 66.630.

16         2. In any county not adopting an additional sales tax and alternate distribution system  
17 as provided in section 67.581, for the purposes of distributing the county sales tax, the county  
18 shall be divided into two groups, "Group A" and "Group B". Group A shall consist of all cities,  
19 towns and villages which are located wholly or partly within the county which levied the tax and  
20 which had a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day  
21 prior to the adoption of the county sales tax ordinance, except that beginning January 1, 1980,  
22 group A shall consist of all cities, towns and villages which are located wholly or partly within  
23 the county which levied the tax and which had a city sales tax approved by the voters of such city  
24 under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the  
25 county sales tax. For the purposes of determining the location of consummation of sales for  
26 distribution of funds to cities, towns and villages in group A, the boundaries of any such city,  
27 town or village shall be the boundary of that city, town or village as it existed on March 19,  
28 1984. Group B shall consist of all cities, towns and villages which are located wholly or partly  
29 within the county which levied the tax and which did not have a city sales tax in effect under the  
30 provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax  
31 ordinance, and shall also include all unincorporated areas of the county which levied the tax;  
32 except that, beginning January 1, 1980, group B shall consist of all cities, towns and villages  
33 which are located wholly or partly within the county which levied the tax and which did not have  
34 a city sales tax approved by the voters of such city under the provisions of sections 94.500 to  
35 94.550 on the day prior to the effective date of the county sales tax and shall also include all  
36 unincorporated areas of the county which levied the tax.

37         3. Until January 1, 1994, the director of revenue shall distribute to the cities, towns and  
38 villages in group A the taxes based on the location in which the sales were deemed consummated  
39 under section 66.630 and subsection 12 of section 32.087. Except for distribution governed by  
40 section 66.630, after deducting the distribution to the cities, towns and villages in group A, the  
41 director of revenue shall distribute the remaining funds in the county sales tax trust fund to the  
42 cities, towns and villages and the county in group B as follows: To the county which levied the  
43 tax, a percentage of the distributable revenue equal to the percentage ratio that the population of  
44 the unincorporated areas of the county bears to the total population of group B; and to each city,  
45 town or village in group B located wholly within the taxing county, a percentage of the  
46 distributable revenue equal to the percentage ratio that the population of such city, town or  
47 village bears to the total population of group B; and to each city, town or village located partly  
48 within the taxing county, a percentage of the distributable revenue equal to the percentage ratio

49 that the population of that part of the city, town or village located within the taxing county bears  
50 to the total population of group B.

51 4. From and after January 1, 1994, the director of revenue shall distribute to the cities,  
52 towns and villages in group A a portion of the taxes based on the location in which the sales  
53 were deemed consummated under section 66.630 and subsection 12 of section 32.087 in  
54 accordance with the formula described in this subsection. After deducting the distribution to the  
55 cities, towns and villages in group A, the director of revenue shall distribute funds in the county  
56 sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the  
57 county which levied the tax, ten percent multiplied by the percentage of the population of  
58 unincorporated county which has been annexed or incorporated since April 1, 1993, multiplied  
59 by the total of all sales tax revenues countywide, and a percentage of the remaining distributable  
60 revenue equal to the percentage ratio that the population of unincorporated areas of the county  
61 bears to the total population of group B; and to each city, town or village in group B located  
62 wholly within the taxing county, a percentage of the remaining distributable revenue equal to the  
63 percentage ratio that the population of such city, town or village bears to the total population of  
64 group B; and to each city, town or village located partly within the taxing county, a percentage  
65 of the remaining distributable revenue equal to the percentage ratio that the population of that  
66 part of the city, town or village located within the taxing county bears to the total population of  
67 group B.

68 5. (1) For purposes of administering the distribution formula of subsection 4 of this  
69 section, the revenues arising each year from sales occurring within each group A city, town or  
70 village shall be distributed as follows: Until such revenues reach the adjusted county average,  
71 as hereinafter defined, there shall be distributed to the city, town or village all of such revenues  
72 reduced by the percentage which is equal to ten percent multiplied by the percentage of the  
73 population of unincorporated county which has been annexed or incorporated after April 1, 1993;  
74 and once revenues exceed the adjusted county average, total revenues shall be shared in  
75 accordance with the redistribution formula as defined in this subsection.

76 (2) For purposes of this subsection, the "adjusted county average" is the per capita  
77 countywide average of all sales tax distributions during the prior calendar year reduced by the  
78 percentage which is equal to ten percent multiplied by the percentage of the population of  
79 unincorporated county which has been annexed or incorporated after April 1, 1993; the  
80 "redistribution formula" is as follows: During 1994, each group A city, town and village shall  
81 receive that portion of the revenues arising from sales occurring within the municipality that  
82 remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising  
83 from sales within the municipality multiplied by the percentage which is the sum of ten percent  
84 multiplied by the percentage of the population of unincorporated county which has been annexed

85 or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product  
86 of 8.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of  
87 cumulative per capita sales taxes arising from sales within the municipality less the adjusted  
88 county average. During 1995, each group A city, town and village shall receive that portion of  
89 the revenues arising from sales occurring within the municipality that remains after deducting  
90 therefrom an amount equal to the cumulative sales tax revenues arising from sales within the  
91 municipality multiplied by the percentage which is the sum of ten percent multiplied by the  
92 percentage of the population of unincorporated county which has been annexed or incorporated  
93 after April 1, 1993, and the percentage, if greater than zero, equal to the product of seventeen  
94 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of  
95 cumulative per capita sales taxes arising from sales within the municipality less the adjusted  
96 county average. From January 1, 1996, until January 1, 2000, each group A city, town and  
97 village shall receive that portion of the revenues arising from sales occurring within the  
98 municipality that remains after deducting therefrom an amount equal to the cumulative sales tax  
99 revenues arising from sales within the municipality multiplied by the percentage which is the  
100 sum of ten percent multiplied by the percentage of the population of unincorporated county  
101 which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than  
102 zero, equal to the product of 25.5 multiplied by the logarithm (to base 10) of the product of 0.035  
103 multiplied by the total of cumulative per capita sales taxes arising from sales within the  
104 municipality less the adjusted county average. From and after January 1, 2000, the distribution  
105 formula covering the period from January 1, 1996, until January 1, 2000, shall continue to apply,  
106 except that the percentage computed for sales arising within the municipalities shall be not less  
107 than 7.5 percent for municipalities within which sales tax revenues exceed the adjusted county  
108 average, nor less than 12.5 percent for municipalities within which sales tax revenues exceed the  
109 adjusted county average by at least twenty-five percent.

110 (3) For purposes of applying the redistribution formula to a municipality which is partly  
111 within the county levying the tax, the distribution shall be calculated alternately for the  
112 municipality as a whole, except that the factor for annexed portion of the county shall not be  
113 applied to the portion of the municipality which is not within the county levying the tax, and for  
114 the portion of the municipality within the county levying the tax. Whichever calculation results  
115 in the larger distribution to the municipality shall be used.

116 (4) Notwithstanding any other provision of this section, the fifty percent of additional  
117 sales taxes as described in section 99.845 arising from economic activities within the area of a  
118 redevelopment project established after July 12, 1990, pursuant to sections 99.800 to 99.865,  
119 while tax increment financing remains in effect shall be deducted from all calculations of  
120 countywide sales taxes, shall be distributed directly to the municipality involved, and shall be

121 disregarded in calculating the amounts distributed or distributable to the municipality. Further,  
122 any agreement, contract or covenant entered into prior to July 12, 1990, between a municipality  
123 and any other political subdivision which provides for an appropriation of incremental sales tax  
124 revenues to the special allocation fund of a tax increment financing project while tax increment  
125 financing remains in effect shall continue to be in full force and effect and the sales taxes so  
126 appropriated shall be deducted from all calculations of countywide sales taxes, shall be  
127 distributed directly to the municipality involved, and shall be disregarded in calculating the  
128 amounts distributed or distributable to the municipality. In addition, and notwithstanding any  
129 other provision of this chapter to the contrary, economic development funds shall be distributed  
130 in full to the municipality in which the sales producing them were deemed consummated.  
131 Additionally, economic development funds shall be deducted from all calculations of countywide  
132 sales taxes and shall be disregarded in calculating the amounts distributed or distributable to the  
133 municipality. As used in this subdivision, the term "economic development funds" means the  
134 amount of sales tax revenue generated in any fiscal year by projects authorized pursuant to  
135 chapter 99 or chapter 100 in connection with which such sales tax revenue was pledged as  
136 security for, or was guaranteed by a developer to be sufficient to pay, outstanding obligations  
137 under any agreement authorized by chapter 100, entered into or adopted prior to September 1,  
138 1993, between a municipality and another public body. The cumulative amount of economic  
139 development funds allowed under this provision shall not exceed the total amount necessary to  
140 amortize the obligations involved.

141         6. If the qualified voters of any city, town or village vote to change or alter its boundaries  
142 by annexing any unincorporated territory included in group B or if the qualified voters of one or  
143 more city, town or village in group A and the qualified voters of one or more city, town or  
144 village in group B vote to consolidate, the area annexed or the area consolidated which had been  
145 a part of group B shall remain a part of group B after annexation or consolidation. After the  
146 effective date of the annexation or consolidation, the annexing or consolidated city, town or  
147 village shall receive a percentage of the group B distributable revenue equal to the percentage  
148 ratio that the population of the annexed or consolidated area bears to the total population of  
149 group B and such annexed area shall not be classified as unincorporated area for determination  
150 of the percentage allocable to the county. If the qualified voters of any two or more cities, towns  
151 or villages in group A each vote to consolidate such cities, towns or villages, then such  
152 consolidated cities, towns or villages shall remain a part of group A. For the purpose of sections  
153 66.600 to 66.630, population shall be as determined by the last federal decennial census or the  
154 latest census that determines the total population of the county and all political subdivisions  
155 therein. For the purpose of calculating the adjustment based on the percentage of unincorporated  
156 county population which is annexed after April 1, 1993, the accumulated percentage immediately

157 before each census shall be used as the new percentage base after such census. After any  
158 annexation, incorporation or other municipal boundary change affecting the unincorporated area  
159 of the county, the chief elected official of the county shall certify the new population of the  
160 unincorporated area of the county and the percentage of the population which has been annexed  
161 or incorporated since April 1, 1993, to the director of revenue. After the adoption of the county  
162 sales tax ordinance, any city, town or village in group A may by adoption of an ordinance by its  
163 governing body cease to be a part of group A and become a part of group B. Within ten days  
164 after the adoption of the ordinance transferring the city, town or village from one group to the  
165 other, the clerk of the transferring city, town or village shall forward to the director of revenue,  
166 by registered mail, a certified copy of the ordinance. Distribution to such city as a part of its  
167 former group shall cease and as a part of its new group shall begin on the first day of January of  
168 the year following notification to the director of revenue, provided such notification is received  
169 by the director of revenue on or before the first day of July of the year in which the transferring  
170 ordinance is adopted. If such notification is received by the director of revenue after the first day  
171 of July of the year in which the transferring ordinance is adopted, then distribution to such city  
172 as a part of its former group shall cease and as a part of its new group shall begin the first day  
173 of July of the year following such notification to the director of revenue. Once a group A city,  
174 town or village becomes a part of group B, such city may not transfer back to group A.

175         7. If any city, town or village shall hereafter change or alter its boundaries, the city clerk  
176 of the municipality shall forward to the director of revenue, by registered mail, a certified copy  
177 of the ordinance adding or detaching territory from the municipality. The ordinance shall reflect  
178 the effective date thereof, and shall be accompanied by a map of the municipality clearly  
179 showing the territory added thereto or detached therefrom. Upon receipt of the ordinance and  
180 map, the tax imposed by sections 66.600 to 66.630 shall be redistributed and allocated in  
181 accordance with the provisions of this section on the effective date of the change of the  
182 municipal boundary so that the proper percentage of group B distributable revenue is allocated  
183 to the municipality in proportion to any annexed territory. If any area of the unincorporated  
184 county elects to incorporate subsequent to the effective date of the county sales tax as set forth  
185 in sections 66.600 to 66.630, the newly incorporated municipality shall remain a part of group  
186 B. The city clerk of such newly incorporated municipality shall forward to the director of  
187 revenue, by registered mail, a certified copy of the incorporation election returns and a map of  
188 the municipality clearly showing the boundaries thereof. The certified copy of the incorporation  
189 election returns shall reflect the effective date of the incorporation. Upon receipt of the  
190 incorporation election returns and map, the tax imposed by sections 66.600 to 66.630 shall be  
191 distributed and allocated in accordance with the provisions of this section on the effective date  
192 of the incorporation.

193           8. The director of revenue may authorize the state treasurer to make refunds from the  
194 amounts in the trust fund and credited to any county for erroneous payments and overpayments  
195 made, and may redeem dishonored checks and drafts deposited to the credit of such counties.  
196 If any county abolishes the tax, the county shall notify the director of revenue of the action at  
197 least ninety days prior to the effective date of the repeal and the director of revenue may order  
198 retention in the trust fund, for a period of one year, of two percent of the amount collected after  
199 receipt of such notice to cover possible refunds or overpayment of the tax and to redeem  
200 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed  
201 after the effective date of abolition of the tax in such county, the director of revenue shall remit  
202 the balance in the account to the county and close the account of that county. The director of  
203 revenue shall notify each county of each instance of any amount refunded or any check redeemed  
204 from receipts due the county.

205           9. Except as modified in sections 66.600 to 66.630, all provisions of sections 32.085  
206 [and] to 32.087 shall apply to the tax imposed under sections 66.600 to 66.630.

67.395. 1. All sales taxes collected by the director of revenue under sections 67.391 to  
2 67.395 on behalf of any county, [less one percent for cost of collection which shall be deposited  
3 in the state's general revenue fund after payment of premiums for surety bonds as provided in  
4 section 32.087] shall be deposited with the state treasurer in a special trust fund, which is hereby  
5 created, to be known as the "County Anti-Drug Sales Tax Trust Fund". [The moneys in the  
6 county anti-drug sales tax trust fund shall not be deemed to be state funds and shall not be  
7 commingled with any funds of the state.] The director of revenue shall keep accurate records of  
8 the amount of money in the trust fund which was collected in each county imposing a sales tax  
9 under sections 67.391 to 67.395, and the records shall be open to the inspection of officers of the  
10 county and the public. Not later than the tenth day of each month, the director of revenue shall  
11 distribute all moneys deposited in the trust fund during the preceding month to the county which  
12 levied the tax. Such funds shall be deposited with the county treasurer of each such county, and  
13 all expenditures of funds arising from the county anti-drug sales tax trust fund shall be by an  
14 appropriation act to be enacted by the governing body of each such county.

15           2. The director of revenue may authorize the state treasurer to make refunds from the  
16 amounts in the trust fund and credited to any county for erroneous payments and overpayments  
17 made, and may redeem dishonored checks and drafts deposited to the credit of such counties.  
18 If any county abolishes the tax, the county shall notify the director of revenue of the action at  
19 least ninety days prior to the effective date of the repeal and the director of revenue may order  
20 retention in the trust fund, for a period of one year, of two percent of the amount collected after  
21 receipt of such notice to cover possible refunds or overpayment of the tax and to redeem  
22 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed

23 after the effective date of abolition of the tax in such county, the director of revenue shall  
24 authorize the state treasurer to remit the balance in the account to the county and close the  
25 account of that county. The director of revenue shall notify each county of each instance of any  
26 amount refunded or any check redeemed from receipts due the county.

27 3. Except as modified in sections 67.391 to 67.395, all provisions of sections 32.085  
28 [and] to 32.087 shall apply to the tax imposed under sections 67.391 to 67.395.

67.525. 1. All county sales taxes collected by the director of revenue under sections  
2 67.500 to 67.545 on behalf of any county[, less one percent for cost of collection, which shall  
3 be deposited in the state's general revenue fund after payment of premiums for surety bonds as  
4 provided in section 32.087,] shall be deposited with the state treasurer in a county sales tax trust  
5 fund, which fund shall be separate and apart from the county sales tax trust fund established by  
6 section 66.620. [The moneys in such county sales tax trust fund shall not be deemed to be state  
7 funds and shall not be commingled with any funds of the state.] The director of revenue shall  
8 keep accurate records of the amount of money in the trust fund which was collected in each  
9 county imposing a county sales tax, and the records shall be open to the inspection of officers  
10 of the county and to the public. Not later than the tenth day of each month the director of  
11 revenue shall distribute all moneys deposited in the trust fund during the preceding month by  
12 distributing to the county treasurer, or such other officer as may be designated by the county  
13 ordinance or order, of each county imposing the tax authorized by sections 67.500 to 67.545, the  
14 sum due the county as certified by the director of revenue.

15 2. The director of revenue may authorize the state treasurer to make refunds from the  
16 amounts in the trust fund and credited to any county for erroneous payments and overpayments  
17 made, and may redeem dishonored checks and drafts deposited to the credit of such counties.  
18 If any county abolishes the tax, the county shall notify the director of revenue of the action at  
19 least ninety days prior to the effective date of the repeal, and the director of revenue may order  
20 retention in the trust fund, for a period of one year, of two percent of the amount collected after  
21 receipt of such notice to cover possible refunds or overpayment of the tax and to redeem  
22 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed  
23 after the effective date of abolition of the tax in such county, the director of revenue shall  
24 authorize the state treasurer to remit the balance in the account to the county and close the  
25 account of that county. The director of revenue shall notify each county of each instance of any  
26 amount refunded or any check redeemed from receipts due the county.

27 3. Except as modified in sections 67.500 to 67.545, all provisions of sections 32.085  
28 [and] to 32.087 shall apply to the tax imposed under sections 67.500 to 67.545.

67.571. 1. The governing body of any county of the first classification with a population  
2 of more than eighty-two thousand inhabitants and less than ninety thousand inhabitants may, in

3 addition to any tourism sales tax imposed pursuant to sections 67.671 to 67.685, by a majority  
4 vote, impose a sales tax for the funding of museums and festivals. For purposes of this section,  
5 the term "funding of museums and festivals" shall mean:

6 (1) Funding of museums operating in the county, which are registered with the United  
7 States Internal Revenue Service as a 501(C)(3) corporation and which are considered by the  
8 board to be tourism attractions; and

9 (2) Funding of organizations that are registered as 501(C)(3) corporations which promote  
10 cultural heritage tourism including festivals and the arts.

11 2. Any question submitted to the voters of such county to establish a sales tax pursuant  
12 to this section shall be submitted in substantially the following form:

13 Shall the county of ..... (insert the name of the county) impose a sales tax of  
14 ..... (insert rate of percent) percent to be used to fund (museums, cultural heritage,  
15 festivals) in certain areas of the county?

16  YES  NO

17 3. If a majority of the votes cast on the proposal by the qualified voters voting thereon  
18 are in favor of the proposal, and the tax takes effect pursuant to this section, the museums and  
19 festivals board appointed pursuant to subsection 5 of this section shall determine in what manner  
20 the tax revenue moneys will be expended, and disbursements of these moneys shall be made  
21 strictly in accordance with directions of the board which are consistent with the provisions of  
22 sections 67.571 to 67.577. Expenditures of these tax moneys may be made for the employment  
23 of personnel selected by the board to assist in carrying out the duties of the board, and the board  
24 is expressly authorized to employ such personnel. Expenditures of these tax moneys may be  
25 made directly to corporations pursuant to subsection 1 of this section. No such tax revenue  
26 moneys shall be disbursed to or on behalf of any corporation, organization or entity that is not  
27 duly registered with the Internal Revenue Service as a 501(C)(3) organization.

28 4. Any sales tax imposed pursuant to this section shall be imposed at a rate not to exceed  
29 two-tenths of one percent on receipts from the sale of certain tangible personal property or  
30 taxable services within the county pursuant to sections 67.571 to 67.577.

31 5. The governing body of any county which imposes a sales tax pursuant to this section  
32 may establish a museums and festivals board for the purpose of expending funds collected from  
33 any sales tax submitted and approved by the county's voters pursuant to this section. The board  
34 shall be comprised of six members who are appointed by the governing body of the county from  
35 a list of candidates supplied by the chair of each of the two major political parties of the county.  
36 The board shall be comprised of three members from each of the two political parties. Members  
37 shall serve for three-year terms, but of the members first appointed, one shall be appointed for

42 incurred in service on the board.

43 6. In the area of each county in which a sales tax has been imposed in the manner  
44 provided by sections 67.571 to 67.577, every retailer within such area shall add the tax imposed  
45 by the provisions of sections 67.571 to 67.577 to his sale price, and this tax shall be a debt of the  
46 purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the  
47 purchase price.

48 7. In counties imposing a tax under the provisions of sections 67.571 to 67.577, in order  
49 to permit sellers required to collect and report the sales tax to collect the amount required to be  
50 reported and remitted, but not to change the requirements of reporting or remitting the tax, or to  
51 serve as a levy of the tax, and in order to avoid fractions of pennies, the governing body may  
52 authorize the use of a bracket system similar to that authorized by the provisions of section  
53 144.285, and notwithstanding the provisions of that section, this new bracket system shall be  
54 used where this tax is imposed and shall apply to all taxable transactions.

55 **8. Except as modified in this section, all provisions of sections 32.085 to 32.087 shall**  
56 **apply to the tax imposed under this section.**

67.576. 1. The following provisions shall govern the collection of the tax imposed by  
2 the provisions of sections 67.571 to 67.577:

3 (1) All applicable provisions contained in sections 144.010 to 144.510 governing the  
4 state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the  
5 collection of the tax imposed by the provisions of sections 67.571 to 67.577;

6 (2) All exemptions granted to agencies of government, organizations, and persons under  
7 the provisions of sections 144.010 to 144.510 are hereby made applicable to the imposition and  
8 collection of the tax imposed by sections 67.571 to 67.577.

9 2. The same sales tax permit, exemption certificate and retail certificate required by  
10 sections 144.010 to 144.510 for the administration and collection of the state sales tax shall  
11 satisfy the requirements of sections 67.571 to 67.577, and no additional permit or exemption  
12 certificate or retail certificate shall be required; except that, the director of revenue may prescribe  
13 a form of exemption certificate for an exemption from the tax imposed by sections 67.571 to  
14 67.577.

15 3. All discounts allowed the retailer pursuant to the provisions of the state sales tax law  
16 for the collection of and for payment of taxes pursuant to that act are hereby allowed and made  
17 applicable to any taxes collected pursuant to the provisions of sections 67.571 to 67.577.

18 4. The penalties provided in section 32.057 and sections 144.010 to 144.510 for a

20 67.571 to 67.577.

21 5. [For the purposes of the sales tax imposed by an order pursuant to sections 67.571 to  
22 67.577, all retail sales shall be deemed to be consummated at the place of business of the retailer]  
23 **Except as provided in sections 67.571 to 67.577, all provisions of sections 32.085 to 32.087**  
24 **shall apply to the tax imposed under sections 67.571 to 67.577.**

67.578. 1. The governing authority of any county of the third classification without a  
2 township form of government and with more than sixteen thousand four hundred but less than  
3 sixteen thousand five hundred inhabitants may impose a sales tax in an amount not to exceed  
4 one-fifth of one percent on all retail sales made in the county which are subject to taxation  
5 pursuant to sections 144.010 to 144.525, to be used solely for the funding of museums. For  
6 purposes of this section, the term "museums" means museums operating in the county, which  
7 are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and  
8 which are considered by the board to be a tourism attraction. The tax authorized by this section  
9 shall be in addition to any and all other sales taxes allowed by law, except that no sales tax shall  
10 be imposed pursuant to this section unless the governing authority submits to the voters of the  
11 county, at a county or state general, primary, or special election, a proposal to authorize the  
12 governing authority to impose the tax.

13 2. The ballot of submission shall contain, but need not be limited to, the following  
14 language:

15 Shall the county of ..... (insert the name of the county) impose a sales tax of ....  
16 (insert rate of percent) percent for the funding of museums? "Museums" means museums  
17 operating in the county, which are registered with the United States Internal Revenue Service as  
18 a 501(c)(3) corporation and which are considered by the museum board to be a tourism  
19 attraction.

20  YES  NO

21 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
22 to the question, place an "X" in the box opposite "NO".

23

24 If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor  
25 of the proposal, then the sales tax shall become effective on the first day of the second calendar  
26 quarter after the director of revenue receives notice of the adoption of the tax. If the proposal  
27 receives less than the required majority of votes, then the governing authority shall have no  
28 power to impose the tax unless and until the governing authority has again submitted another

29 proposal to authorize the governing authority to impose the sales tax authorized by this section  
30 and such proposal is approved by the required majority of the qualified voters voting thereon.

31         3. On or after the effective date of the tax, the director of revenue shall be responsible  
32 for the administration, collection, enforcement, and operation of the tax, and sections 32.085  
33 [and] to 32.087 shall apply. The director may retain an amount not to exceed one percent for  
34 deposit in the general revenue fund to offset the costs of collection. In order to permit sellers  
35 required to collect and report the sales tax to collect the amount required to be reported and  
36 remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a  
37 levy of the tax, and in order to avoid fractions of pennies, the governing authority may authorize  
38 the use of a bracket system similar to that authorized in section 144.285, and notwithstanding  
39 the provisions of that section, this new bracket system shall be used where this tax is imposed  
40 and shall apply to all taxable transactions. Beginning with the effective date of the tax, every  
41 retailer in the county shall add the sales tax to the sale price, and this tax shall be a debt of the  
42 purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the  
43 purchase price. For purposes of this section, all retail sales shall be deemed to be consummated  
44 at the place of business of the retailer.

45         4. All applicable provisions in sections 144.010 to 144.525 governing the state sales tax,  
46 and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax,  
47 and all exemptions granted to agencies of government, organizations, and persons pursuant to  
48 sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the  
49 tax. The same sales tax permit, exemption certificate, and retail certificate required by sections  
50 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the  
51 requirements of this section, and no additional permit or exemption certificate or retail certificate  
52 shall be required; except that, the director of revenue may prescribe a form of exemption  
53 certificate for an exemption from the tax. All discounts allowed the retailer pursuant to the state  
54 sales tax law for the collection of and for payment of taxes are hereby allowed and made  
55 applicable to the tax. The penalties for violations provided in section 32.057 and sections  
56 144.010 to 144.525 are hereby made applicable to violations of this section. If any person is  
57 delinquent in the payment of the amount required to be paid pursuant to this section, or in the  
58 event a determination has been made against the person for taxes and penalty pursuant to this  
59 section, the limitation for bringing suit for the collection of the delinquent tax and penalty shall  
60 be the same as that provided in sections 144.010 to 144.525.

61         5. The governing authority may authorize any museum board already existing in the  
62 county, or may establish a museum board, to expend revenue collected pursuant to this section.  
63 In the event that no museum board already exists, the board established pursuant to this section  
64 shall consist of six members who are appointed by the governing authority from a list of

65 candidates supplied by the chair of each of the two major political parties of the county, with  
 66 three members from each of the two parties. Members shall serve for three-year terms, but of  
 67 the members first appointed, [one] **two** shall be appointed for a term of one year, two shall be  
 68 appointed for a term of two years, and two shall be appointed for a term of three years. Each  
 69 member shall be a resident of the county. The members shall not receive compensation for  
 70 service on the board, but shall be reimbursed from the revenues collected pursuant to this section  
 71 for any reasonable and necessary expenses incurred in service on the board. The board shall  
 72 determine in what manner the revenues will be expended, and disbursements of these moneys  
 73 shall be made strictly in accordance with this section. Expenditures may be made for the  
 74 employment of personnel selected by the board to assist in carrying out the duties of the board,  
 75 and the board is expressly authorized to employ such personnel.

76 6. The governing authority may submit the question of repeal of the tax to the voters at  
 77 any county or state general, primary, or special election. The ballot of submission shall contain,  
 78 but need not be limited to, the following language:

79 Shall the county of ..... (insert name of county) repeal the sales tax of ...  
 80 (insert rate of percent) percent for the funding of museums?

81  YES  NO

82 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
 83 to the question, place an "X" in the box opposite "NO".

84 [If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become  
 85 effective on December thirty-first of the calendar year in which the repeal was approved.]

67.581. 1. In addition to the sales tax permitted by sections 66.600 to 66.630, any county  
 2 of the first class having a charter form of government and having a population of nine hundred  
 3 thousand or more may impose an additional countywide sales tax upon approval by a vote of the  
 4 qualified voters of the county. The proposal may be submitted to the voters by the governing  
 5 body of the county and shall be submitted to the voters at the next general election upon petitions  
 6 signed by a number of qualified voters residing in the county equal to at least eight percent of  
 7 the votes cast in the county in the next preceding gubernatorial election filed with the governing  
 8 body of the county. The submission shall include the levying of a sales tax at a rate of not to  
 9 exceed two hundred seventy-five one-thousandths of one percent on the receipts from the sale  
 10 at retail of all tangible personal property or taxable services within the county which are also  
 11 taxable under the provisions of sections 66.600 to 66.630, and shall provide for the distribution  
 12 of the proceeds in the manner provided in either subsection 4 or subsection 5 of this section. If  
 13 either of the alternative distribution systems as provided in subsection 4 or subsection 5 of this  
 14 section is approved by the voters, then the alternative system of distribution may not be  
 15 submitted to the voters for at least three years from the date of such voter approval.

16           2. The ballot of submission shall contain, but is not limited to, the following language:  
 17           Shall the County of ..... levy an additional sales tax at the rate of ..... (insert rate)  
 18 and distribute the proceeds in the manner provided in ..... (insert proper reference)  
 19 (subsection 4)(subsection 5) of section 67.581, RSMo?

20                            YES                                            NO

21 If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor  
 22 of the proposal, the additional sales tax shall be levied and collected and the proceeds from the  
 23 additional tax shall be distributed as provided in either subsection 4 or subsection 5 of this  
 24 section.

25  
 26 If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal,  
 27 then the governing body of the county shall have no power to impose the additional sales tax  
 28 authorized by this section unless and until a proposal for the levy of such tax is submitted to and  
 29 approved by the voters of the county.

30           3. The provisions of sections 66.600 to 66.630 and sections 32.085 [and] to 32.087,  
 31 except to the extent otherwise provided in this section, shall govern the levy, collection,  
 32 distribution and other procedures related to an additional sales tax imposed pursuant to this  
 33 section.

34           4. In any county adopting an additional sales tax pursuant to the provisions of this  
 35 section, and selecting the method of distribution provided in this subsection, the proceeds from  
 36 the sales tax imposed pursuant to this section, less one percent collection cost, shall be  
 37 distributed first to those municipalities that did not receive during the preceding calendar year  
 38 ninety-five percent of the amount the municipality would have received by multiplying the  
 39 population of the municipality by the average per capita sales tax receipt for such county in an  
 40 amount which will bring each municipality receipt of sales tax moneys up to ninety-five percent  
 41 of the average per capita receipts from the proceeds of the sales tax imposed pursuant to sections  
 42 66.600 to 66.630. Any remainder of the money received from the sales tax imposed pursuant  
 43 to this section shall be distributed to all municipalities on the ratio that the population of each  
 44 municipality bears to the total population of the county. The average per capita sales tax  
 45 distribution shall be calculated by dividing the sum of the total sales tax revenue derived from  
 46 the tax imposed pursuant to sections 66.600 to 66.630 by the total population of the county.  
 47 Population of each municipality, of the unincorporated area of the county, and the total  
 48 population of the county shall be determined on the basis of the most recent federal decennial  
 49 census. For the purposes of this subsection, any city, town, village or the unincorporated area  
 50 of the county shall be considered a municipality.

51           5. In any county adopting an additional sales tax pursuant to the provisions of this  
 52 section and selecting the method of distribution provided in this subsection, the proceeds from  
 53 the sales tax imposed pursuant to this section, less one percent collection cost, shall be  
 54 distributed to all cities, towns and villages, and the unincorporated areas of the county in group  
 55 B and to such cities, towns and villages in group A as necessary so that no city, town, or village  
 56 in group A receives from the combined proceeds of both the sales tax imposed pursuant to this  
 57 section and the sales tax imposed pursuant to sections 66.600 to 66.630, less than the per capita  
 58 amount received by the cities, towns and villages and the unincorporated area of the county in  
 59 group B receives from the total proceeds from both sales taxes.

60           6. The governing body of any county which is imposing a sales tax under the provisions  
 61 of sections 66.600 to 66.630 may on its own motion and shall, upon petitions filed with the  
 62 governing body of the county signed by a number of qualified voters residing in the county equal  
 63 to at least eight percent of the votes cast in the county at the next preceding gubernatorial  
 64 election, submit to the qualified voters of the county a proposal to change the method of  
 65 distribution of sales tax proceeds from the manner provided in subsection 2 of section 66.620  
 66 to the method provided in this subsection. The ballot of submission shall be in substantially the  
 67 following form:

68           Shall the proceeds from the county sales tax be distributed among the county of  
 69 ..... and the various cities, towns and villages therein in the manner provided in  
 70 subdivisions (1) and (2) of subsection 6 of section 67.581, RSMo, in lieu of the present manner  
 71 of distribution?

72                                    YES                                    NO

73 If a majority of the votes cast on the proposal by the qualified voters of the county voting thereon  
 74 are in favor of the proposal, the sales tax imposed by the county under the provisions of sections  
 75 66.600 to 66.630 shall be distributed in the manner provided in this subsection and not in the  
 76 manner provided in subsection 2 of section 66.620.

77  
 78 If a majority of the votes cast by the qualified voters of the county voting thereon are opposed  
 79 to the proposal, then the governing body of the county shall have no power to order the proceeds  
 80 from the sales tax imposed pursuant to the provisions of sections 66.600 to 66.630 in the manner  
 81 provided in this subsection in lieu of the method provided in subsection 2 of section 66.620,  
 82 unless and until a proposal authorizing such method of distribution is submitted to and approved  
 83 by the voters of the county. If the voters approve the change in the method of distribution of the  
 84 sales tax proceeds in the manner provided in this subsection, the county clerk of the county shall  
 85 notify the director of revenue of the change in the method of distribution within ten days after  
 86 adoption of the proposal and shall inform the director of the effective date of the change in the

87 method of distribution, which shall be on the first day of the third calendar quarter after the  
88 director of revenue receives notice. After the effective date of the change in the manner of  
89 distribution, the director of revenue shall distribute the proceeds of the sales tax imposed by such  
90 county under the provisions of sections 66.600 to 66.630 in the manner provided in this  
91 subsection in lieu of the manner of distribution provided in subsection 2 of section 66.620. The  
92 proceeds of the sales tax imposed under the provisions of sections 66.600 to 66.630 in any  
93 county which elects to have the proceeds distributed in the manner provided in this subsection  
94 shall be distributed in the following manner:

95 (1) The proceeds from the sales taxes shall be distributed to the cities, towns and villages  
96 in group A and to the cities, towns and villages, and the county in group B as defined in section  
97 66.620 in the manner provided in subsection 2 of section 66.620, until an amount equal to the  
98 total amount distributed under section 66.620 for the twelve-month period immediately  
99 preceding the effective date of the tax levied pursuant to the provisions of this section has been  
100 distributed;

101 (2) All moneys received in excess of the total amount distributed under section 66.620  
102 for the twelve-month period immediately preceding the effective date of the tax levied pursuant  
103 to the provisions of this section shall be distributed to all cities, towns and villages and to the  
104 county on the basis that the population of each city, town or village, and in the case of the county  
105 the basis that the population of the unincorporated area of the county, bears to the total  
106 population of the county. The average per capita sales tax distribution shall be calculated by  
107 dividing the sum of the remaining amount of the total sales tax revenues by the total population  
108 of the county. Population of each city, town or village, of the unincorporated area of the county,  
109 and the total population of the county shall be determined on the basis of the most recent federal  
110 decennial census.

111 7. No municipality incorporated after the adoption of the tax authorized by this section  
112 shall be included as other than part of the unincorporated area of the county nor receive any share  
113 of either the proceeds from the tax levied pursuant to the provisions of this section or the tax  
114 levied pursuant to the provisions of sections 66.600 to 66.630 unless, at the time of  
115 incorporation, such municipality had a population of ten thousand or more.

116 8. The county sales tax imposed pursuant to this section on the purchase and sale of  
117 motor vehicles shall not be collected and remitted by the seller, but shall be collected by the  
118 director of revenue at the time application is made for a certificate of title, if the address of the  
119 applicant is within the county imposing the additional sales tax. [The amounts so collected, less  
120 one percent collection cost, shall be deposited in the county sales tax trust fund to be distributed  
121 in accordance with section 66.620. The purchase or sale of motor vehicles shall be deemed to  
122 be consummated at the address of the applicant for a certificate of title.]

123           9. No tax shall be imposed pursuant to this section for the purpose of funding in whole  
 124 or in part the construction, operation or maintenance of a sports stadium, field house, indoor or  
 125 outdoor recreational facility, center, playing field, parking facility or anything incidental or  
 126 necessary to a complex suitable for any type of professional sport, either upon, above or below  
 127 the ground.

128           10. The director of revenue may authorize the state treasurer to make refunds from the  
 129 amounts in the trust fund and credited to any county for erroneous payments and overpayments  
 130 made, and may redeem dishonored checks and drafts deposited to the credit of such counties.  
 131 If any county abolishes the tax, the county shall notify the director of revenue of the action at  
 132 least ninety days prior to the effective date of the repeal and the director of revenue may order  
 133 retention in the trust fund, for a period of one year, of two percent of the amount collected after  
 134 receipt of such notice to cover possible refunds or overpayment of the tax and to redeem  
 135 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed  
 136 after the effective date of abolition of the tax in such county, the director of revenue shall remit  
 137 the balance in the account to the county and close the account of that county. The director of  
 138 revenue shall notify each county of each instance of any amount refunded or any check redeemed  
 139 from receipts due the county.

67.582. 1. The governing body of any county, except a county of the first class with a  
 2 charter form of government with a population of greater than four hundred thousand inhabitants,  
 3 is hereby authorized to impose, by ordinance or order, a sales tax in the amount of up to one-half  
 4 of one percent on all retail sales made in such county which are subject to taxation under the  
 5 provisions of sections 144.010 to 144.525 for the purpose of providing law enforcement services  
 6 for such county. The tax authorized by this section shall be in addition to any and all other sales  
 7 taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions  
 8 of this section shall be effective unless the governing body of the county submits to the voters  
 9 of the county, at a county or state general, primary or special election, a proposal to authorize the  
 10 governing body of the county to impose a tax.

11           2. The ballot of submission shall contain, but need not be limited to, the following  
 12 language:

13           (1) If the proposal submitted involves only authorization to impose the tax authorized  
 14 by this section the ballot shall contain substantially the following:

15           Shall the county of ..... (county's name) impose a countywide sales tax of .....  
 16 (insert amount) for the purpose of providing law enforcement services for the county?

17                                    YES                                    NO

18 If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed  
 19 to the question, place an "X" in the box opposite "No"; or

20 (2) If the proposal submitted involves authorization to enter into agreements to form a  
21 regional jail district and obligates the county to make payments from the tax authorized by this  
22 section the ballot shall contain substantially the following:

23 Shall the county of ..... (county's name) be authorized to enter into agreements for  
24 the purpose of forming a regional jail district and obligating the county to impose a countywide  
25 sales tax of ..... (insert amount) to fund ..... dollars of the costs to construct a regional  
26 jail and to fund the costs to operate a regional jail, with any funds in excess of that necessary to  
27 construct and operate such jail to be used for law enforcement purposes?

28  YES  NO

29 If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed  
30 to the question, place an "X" in the box opposite "No".

31

32 If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor  
33 of the proposal submitted pursuant to subdivision (1) of this subsection, then the ordinance or  
34 order and any amendments thereto shall be in effect [on the first day of the second quarter  
35 immediately following the election approving the proposal] **as provided by section 32.087**. If  
36 the constitutionally required percentage of the voters voting thereon are in favor of the proposal  
37 submitted pursuant to subdivision (2) of this subsection, then the ordinance or order and any  
38 amendments thereto shall be in effect [on the first day of the second quarter immediately  
39 following the election approving the proposal] **as provided by section 32.087**. If a proposal  
40 receives less than the required majority, then the governing body of the county shall have no  
41 power to impose the sales tax herein authorized unless and until the governing body of the  
42 county shall again have submitted another proposal to authorize the governing body of the  
43 county to impose the sales tax authorized by this section and such proposal is approved by the  
44 required majority of the qualified voters voting thereon. However, in no event shall a proposal  
45 pursuant to this section be submitted to the voters sooner than twelve months from the date of  
46 the last proposal pursuant to this section.

47 3. All revenue received by a county from the tax authorized under the provisions of this  
48 section shall be deposited in a special trust fund and shall be used solely for providing law  
49 enforcement services for such county for so long as the tax shall remain in effect. Revenue  
50 placed in the special trust fund may also be utilized for capital improvement projects for law  
51 enforcement facilities and for the payment of any interest and principal on bonds issued for said  
52 capital improvement projects.

53 4. Once the tax authorized by this section is abolished or is terminated by any means, all

62 municipalities and one-half of one percent for counties.

63 3. The tax authorized by this section shall be in addition to any and all other sales taxes  
64 allowed by law, except that no ordinance or order imposing a sales tax pursuant to the provisions  
65 of this section shall be effective unless the governing body of the county or municipality submits  
66 to the voters of the county or municipality, at a regularly scheduled county, municipal or state  
67 general or primary election, a proposal to authorize the governing body of the county or  
68 municipality to impose a tax. Any sales tax imposed pursuant to this section shall not be

81 by this section and such proposal is approved by a majority of the qualified voters voting  
82 thereon; however no such proposal shall be resubmitted to the voters sooner than twelve months  
83 from the date of the submission of the last such proposal.

84 5. All revenue received by a county or municipality from the tax authorized pursuant to  
85 the provisions of this section shall be deposited in a special trust fund and shall be used solely  
86 for economic development purposes within such county or municipality for so long as the tax  
87 shall remain in effect.

88           6. Once the tax authorized by this section is abolished or is terminated by any means, all  
89 funds remaining in the special trust fund shall be used solely for economic development purposes  
90 within the county or municipality. Any funds in such special trust fund which are not needed for  
91 current expenditures may be invested by the governing body in accordance with applicable laws  
92 relating to the investment of other county or municipal funds.

93           7. All sales taxes collected by the director of revenue pursuant to this section on behalf  
94 of any county or municipality[, less one percent for cost of collection which shall be deposited

97 as the "Local Economic Development Sales Tax Trust Fund".

98           8. [The moneys in the local economic development sales tax trust fund shall not be  
99 deemed to be state funds and shall not be commingled with any funds of the state.] The director  
100 of revenue shall keep accurate records of the amount of money in the trust fund and which was

103           9. Not later than the tenth day of each month the director of revenue shall distribute all  
104 moneys deposited in the trust fund during the preceding month to the county or municipality  
105 which levied the tax. Such funds shall be deposited with the county treasurer of each such  
106 county or the appropriate municipal officer in the case of a municipal tax, and all expenditures  
107 of funds arising from the local economic development sales tax trust fund shall be by an  
108 appropriation act to be enacted by the governing body of each such county or municipality.  
109 Expenditures may be made from the fund for any economic development purposes authorized  
110 in the ordinance or order adopted by the governing body submitting the tax to the voters.

111           10. The director of revenue may authorize the state treasurer to make refunds from the

119 collected after receipt of such notice to cover possible refunds or overpayment of the tax and to  
120 redeem dishonored checks and drafts deposited to the credit of such accounts. After one year  
121 has elapsed after the effective date of abolition of the tax in such county or municipality, the  
122 director of revenue shall remit the balance in the account to the county or municipality and close  
123 the account of that county or municipality. The director of revenue shall notify each county or

124 municipality of each instance of any amount refunded or any check redeemed from receipts due  
125 the county or municipality.

126           12. Except as modified in this section, all provisions of sections 32.085 [and] to 32.087

28 of the question, then the tax shall become effective [on the first day of the second calendar  
29 quarter following the calendar quarter in which the election was held] **as provided by section**  
30 **32.087**. If a majority of the votes cast on the question by the qualified voters voting thereon are  
31 opposed to the question, then the tax shall not become effective unless and until the question is  
32 resubmitted under this section to the qualified voters and such question is approved by a majority  
33 of the qualified voters voting on the question, provided that no proposal shall be resubmitted to  
34 the voters sooner than twelve months from the date of the submission of the last proposal.

35 3. No revenue generated by the tax authorized in this section shall be used for any retail

50 4. All revenue generated by the tax shall be deposited in a special trust fund and shall  
51 be used solely for the designated purposes. If the tax is repealed, all funds remaining in the  
52 special trust fund shall continue to be used solely for the designated purposes. Any funds in the  
53 special trust fund which are not needed for current expenditures may be invested by the  
54 governing body in accordance with applicable laws relating to the investment of other city or  
55 county funds.

56 5. **The director of revenue may authorize the state treasurer to make refunds from**  
57 **the amounts in the trust fund and credited to any city or county for erroneous payments**  
58 **and overpayments made, and may redeem dishonored checks and drafts deposited to the**  
59 **credit of such counties and municipalities. If any city or county abolishes the tax**

60 **authorized under this section, the repeal of such tax shall become effective December**  
61 **thirty-first of the calendar year in which such abolishment was approved. Each city or**  
62 **county shall notify the director of revenue at least ninety days prior to the effective date**

64 **as provided by section 32.087. The director of revenue may order retention in the trust**  
65 **fund, for a period of one year, of two percent of the amount collected after receipt of such**

74 economic development tax board. The board shall consist of eleven members, to be appointed  
75 as follows:

76       (1) Two members shall be appointed by the school boards whose districts are included  
77 within any economic development plan or area funded by the sales tax authorized in this section.  
78 Such members shall be appointed in any manner agreed upon by the affected districts;

79       (2) One member shall be appointed, in any manner agreed upon by the affected districts,  
80 to represent all other districts levying ad valorem taxes within the area selected for an economic

87       (5) In each city, two members shall be appointed by the governing body of the county  
88 in which the city is located. In each county, two members shall be appointed by the governing  
89 body of the county. At the option of the members appointed by a city or county the members  
90 who are appointed by the school boards and other taxing districts may serve on the board for a  
91 term to coincide with the length of time an economic development project, plan, or designation  
92 of an economic development area is considered for approval by the board, or for the definite  
93 terms as provided in this subsection. If the members representing school districts and other  
94 taxing districts are appointed for a term coinciding with the length of time an economic  
95 development project, plan, or area is approved, such term shall terminate upon final approval of

96 the project, plan, or designation of the area by the governing body of the city or county. If any  
 97 school district or other taxing jurisdiction fails to appoint members of the board within thirty  
 98 days of receipt of written notice of a proposed economic development plan, economic  
 99 development project, or designation of an economic development area, the remaining members  
 100 may proceed to exercise the power of the board. Of the members first appointed by the city or  
 101 county, three shall be designated to serve for terms of two years, three shall be designated to  
 102 serve for a term of three years, and the remaining members shall be designated to serve for a term  
 103 of four years from the date of such initial appointments. Thereafter, the members appointed by  
 104 the city or county shall serve for a term of four years, except that all vacancies shall be filled for  
 105 unexpired terms in the same manner as were the original appointments.

106 [6.] 7. The board, subject to approval of the governing body of the city or county, shall  
 107 develop economic development plans, economic development projects, or designations of an  
 108 economic development area, and shall hold public hearings and provide notice of any such  
 109 hearings. The board shall vote on all proposed economic development plans, economic  
 110 development projects, or designations of an economic development area, and amendments  
 111 thereto, within thirty days following completion of the hearing on any such plan, project, or  
 112 designation, and shall make recommendations to the governing body within ninety days of the  
 113 hearing concerning the adoption of or amendment to economic development plans, economic  
 114 development projects, or designations of an economic development area.

115 [7.] 8. The board shall report at least annually to the governing body of the city or  
 116 county on the use of the funds provided under this section and on the progress of any plan,  
 117 project, or designation adopted under this section.

118 [8.] 9. The governing body of any city or county that has adopted the sales tax  
 119 authorized in this section may submit the question of repeal of the tax to the voters on any date  
 120 available for elections for the city or county. The ballot of submission shall be in substantially  
 121 the following form:

122 Shall ..... (insert the name of the city or county) repeal the sales tax  
 123 imposed at a rate of ..... (insert rate of percent) percent for economic development purposes?

124  YES  NO

125 If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become  
 126 effective on December thirty-first of the calendar year in which such repeal was approved. If a  
 127 majority of the votes cast on the question by the qualified voters voting thereon are opposed to  
 128 the repeal, then the sales tax authorized in this section shall remain effective until the question  
 129 is resubmitted under this section to the qualified voters of the city or county, and the repeal is  
 130 approved by a majority of the qualified voters voting on the question.

131 [9.] **10.** Whenever the governing body of any city or county that has adopted the sales  
132 tax authorized in this section receives a petition, signed by ten percent of the registered voters  
133 of the city or county voting in the last gubernatorial election, calling for an election to repeal the  
134 sales tax imposed under this section, the governing body shall submit to the voters a proposal  
135 to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting  
136 thereon are in favor of the repeal, that repeal shall become effective [on December thirty-first of  
137 the calendar year in which such repeal was approved] **as provided by section 32.087.** If a  
138 majority of the votes cast on the question by the qualified voters voting thereon are opposed to  
139 the repeal, then the tax shall remain effective until the question is resubmitted under this section  
140 to the qualified voters and the repeal is approved by a majority of the qualified voters voting on  
141 the question. **If the city or county abolishes the tax, the city or county shall notify the**  
142 **director of revenue of the action at least one hundred twenty days prior to the effective**  
143 **date of the repeal.**

144 **11. After the effective date of any tax imposed under the provisions of this section,**

146 **collection, enforcement, and operation of the tax and collect, in addition to the sales tax for**  
147 **the state of Missouri, the additional tax authorized under this section. The tax imposed**  
148 **under this section and the tax imposed under the sales tax law of the state of Missouri shall**  
149 **be collected together and reported upon such forms and under such administrative rules**  
150 **and regulations as may be prescribed by the director of revenue.**

151 **12. Except as provided in this section, all provisions of sections 32.085 to 32.087**  
152 **shall apply to the tax imposed under this section.**

5 sales made in the city or county which are subject to sales tax under chapter 144. The tax  
6 authorized in this section shall not be more than one-half of one percent. The order or ordinance  
7 imposing the tax shall not become effective unless the governing body of the city or county

9 special election a proposal to authorize the governing body to impose a tax under this section.  
10 The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and  
11 shall be stated separately from all other charges and taxes. The tax authorized in this section

19 If a majority of the votes cast on the question by the qualified voters voting thereon are in favor  
 20 of the question, then the tax shall become effective on the first day of the second calendar quarter  
 21 following the calendar quarter in which the election was held. If a majority of the votes cast on  
 22 the question by the qualified voters voting thereon are opposed to the question, then the tax shall  
 23 not become effective unless and until the question is resubmitted under this section to the  
 24 qualified voters and such question is approved by a majority of the qualified voters voting on the  
 25 question, provided that no proposal shall be resubmitted to the voters sooner than twelve months  
 26 from the date of the submission of the last proposal.

27 4. All sales taxes collected by the director of revenue under this section on behalf of any  
 28 county or municipality[, less one percent for cost of collection which shall be deposited in the  
 29 state's general revenue fund after payment of premiums for surety bonds as provided in section

51 receipt of such notice to cover possible refunds or overpayment of the tax and to redeem  
52 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed

55 The director of revenue shall notify each city or county of each instance of any amount refunded  
56 or any check redeemed from receipts due the city or county.

57 9. Except as modified in this section, all provisions of sections 32.085 [and] to 32.087

86  YES  NO

87 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
88 to the question, place an "X" in the box opposite "NO".

89

90 If a majority of the votes cast in the portion of any county that is part of the proposed district  
91 favor the proposal, then the sales tax shall become effective in that portion of the county [that  
92 is part of the proposed district on the first day of the first calendar quarter immediately following  
93 the election] **as provided by section 32.087.**

94

95 If a majority of the votes cast in the portion of a county that is a part of the proposed district  
96 oppose the proposal, then that portion of such county shall not impose the sales tax authorized

97 in this section until after the county governing body has submitted another such sales tax  
98 proposal and the proposal is approved by a majority of the qualified voters voting thereon.  
99 However, if a sales tax proposal is not approved, the governing body of the county shall not  
100 resubmit a proposal to the voters pursuant to this section sooner than twelve months from the  
101 date of the last proposal submitted pursuant to this section. If the qualified voters in two or more  
102 counties that have contiguous districts approve the sales tax proposal, the districts shall combine  
103 to become one district.

104 8. There is hereby created a board of trustees to administer any district created and the  
105 expenditure of revenue generated pursuant to this section consisting of four individuals to  
106 represent each county approving the district, as provided in this subsection. The governing body  
107 of each county located within the district, upon approval of that county's sales tax proposal, shall  
108 appoint four members to the board of trustees; at least one shall be an owner of a nonlodging  
109 business located within the taxing district, or their designee, at least one shall be an owner of a  
110 lodging facility located within the district, or their designee, and all members shall reside in the  
111 district except that one nonlodging business owner, or their designee, and one lodging facility  
112 owner, or their designee, may reside outside the district. Each trustee shall be at least twenty-five  
113 years of age and a resident of this state. Of the initial trustees appointed from each county, two  
114 shall hold office for two years, and two shall hold office for four years. Trustees appointed after  
115 expiration of the initial terms shall be appointed to a four-year term by the governing body of the  
116 county the trustee represents, with the initially appointed trustee to remain in office until a  
117 successor is appointed, and shall take office upon being appointed. Each trustee may be  
118 reappointed. Vacancies shall be filled in the same manner in which the trustee vacating the  
119 office was originally appointed. The trustees shall not receive compensation for their services,  
120 but may be reimbursed for their actual and necessary expenses. The board shall elect a chair and  
121 other officers necessary for its membership. Trustees may be removed if:

122 (1) By a two-thirds vote, the board moves for the member's removal and submits such  
123 motion to the governing body of the county from which the trustee was appointed; and

124 (2) The governing body of the county from which the trustee was appointed, by a  
125 majority vote, adopts the motion for removal.

126 9. The board of trustees shall have the following powers, authority, and privileges:

127 (1) To have and use a corporate seal;

128 (2) To sue and be sued, and be a party to suits, actions, and proceedings;

129 (3) To enter into contracts, franchises, and agreements with any person or entity, public  
130 or private, affecting the affairs of the district, including contracts with any municipality, district,  
131 or state, or the United States, and any of their agencies, political subdivisions, or  
132 instrumentalities, for the funding, including without limitation interest rate exchange or swap

133 agreements, planning, development, construction, acquisition, maintenance, or operation of a  
134 single exhibition center and recreational facilities or to assist in such activity. "Recreational  
135 facilities" means locations explicitly designated for public use where the primary use of the  
136 facility involves participation in hobbies or athletic activities;

137 (4) To borrow money and incur indebtedness and evidence the same by certificates,  
138 notes, or debentures, to issue bonds and use any one or more lawful funding methods the district  
139 may obtain for its purposes at such rates of interest as the district may determine. Any bonds,  
140 notes, and other obligations issued or delivered by the district may be secured by mortgage,  
141 pledge, or deed of trust of any or all of the property and income of the district. Every issue of  
142 such bonds, notes, or other obligations shall be payable out of property and revenues of the  
143 district and may be further secured by other property of the district, which may be pledged,  
144 assigned, mortgaged, or a security interest granted for such payment, without preference or  
145 priority of the first bonds issued, subject to any agreement with the holders of any other bonds  
146 pledging any specified property or revenues. Such bonds, notes, or other obligations shall be  
147 authorized by resolution of the district board, and shall bear such date or dates, and shall mature  
148 at such time or times, but not in excess of thirty years, as the resolution shall specify. Such  
149 bonds, notes, or other obligations shall be in such denomination, bear interest at such rate or  
150 rates, be in such form, either coupon or registered, be issued as current interest bonds, compound  
151 interest bonds, variable rate bonds, convertible bonds, or zero coupon bonds, be issued in such  
152 manner, be payable in such place or places, and be subject to redemption as such resolution may  
153 provide, notwithstanding section 108.170. The bonds, notes, or other obligations may be sold  
154 at either public or private sale, at such interest rates, and at such price or prices as the district  
155 shall determine;

156 (5) To acquire, transfer, donate, lease, exchange, mortgage, and encumber real and  
157 personal property in furtherance of district purposes;

158 (6) To refund any bonds, notes, or other obligations of the district without an election.  
159 The terms and conditions of refunding obligations shall be substantially the same as those of the  
160 original issue, and the board shall provide for the payment of interest at not to exceed the legal  
161 rate, and the principal of such refunding obligations in the same manner as is provided for the  
162 payment of interest and principal of obligations refunded;

163 (7) To have the management, control, and supervision of all the business and affairs of  
164 the district, and the construction, installation, operation, and maintenance of district  
165 improvements therein; to collect rentals, fees, and other charges in connection with its services  
166 or for the use of any of its facilities;

167 (8) To hire and retain agents, employees, engineers, and attorneys;

168 (9) To receive and accept by bequest, gift, or donation any kind of property;

169 (10) To adopt and amend bylaws and any other rules and regulations not in conflict with  
170 the constitution and laws of this state, necessary for the carrying on of the business, objects, and  
171 affairs of the board and of the district; and

172 (11) To have and exercise all rights and powers necessary or incidental to or implied  
173 from the specific powers granted by this section.

174 10. There is hereby created the "Exhibition Center and Recreational Facility District  
175 Sales Tax Trust Fund", which shall consist of all sales tax revenue collected pursuant to this  
176 section. The director of revenue shall be custodian of the trust fund, and moneys in the trust fund  
177 shall be used solely for the purposes authorized in this section. [Moneys in the trust fund shall  
178 be considered nonstate funds pursuant to section 15, article IV, Constitution of Missouri.] The  
179 director of revenue shall invest moneys in the trust fund in the same manner as other funds are  
180 invested. Any interest and moneys earned on such investments shall be credited to the trust fund.  
181 All sales taxes collected by the director of revenue pursuant to this section on behalf of the  
182 district, less one percent for the cost of collection which shall be deposited in the state's general  
183 revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall  
184 be deposited in the trust fund. The director of revenue shall keep accurate records of the amount  
185 of moneys in the trust fund which was collected in the district imposing a sales tax pursuant to  
186 this section, and the records shall be open to the inspection of the officers of each district and the  
187 general public. Not later than the tenth day of each month, the director of revenue shall  
188 distribute all moneys deposited in the trust fund during the preceding month to the district. The  
189 director of revenue may authorize refunds from the amounts in the trust fund and credited to the  
190 district for erroneous payments and overpayments made, and may redeem dishonored checks and  
191 drafts deposited to the credit of the district.

192 11. The sales tax authorized by this section is in addition to all other sales taxes allowed  
193 by law. **After the effective date of any tax imposed under the provisions of this section, the**  
194 **director of revenue shall perform all functions incident to the administration, collection,**  
195 **enforcement, and operation of the tax and collect, in addition to the sales tax for the state**  
196 **of Missouri, the additional tax authorized under the authority of this section. The tax**  
197 **imposed under this section and the tax imposed under the sales tax law of the state of**  
198 **Missouri shall be collected together and reported upon such forms and under such**  
199 **administrative rules and regulations as may be prescribed by the director of revenue.**

200 12. Except as modified in this section, all provisions of sections 32.085 [and] to 32.087  
201 apply to the sales tax imposed pursuant to this section.

202 [12.] 13. Any sales tax imposed pursuant to this section shall not extend past the initial  
203 term approved by the voters unless an extension of the sales tax is submitted to and approved by  
204 the qualified voters in each county in the manner provided in this section. Each extension of the

205 sales tax shall be for a period not to exceed twenty years. The ballot of submission for the  
206 extension shall be in substantially the following form:

207            Shall the ..... (name of district) extend the sales tax of one-fourth of one percent for  
208 a period of ..... (insert number of years) years to fund the acquisition, construction,  
209 maintenance, operation, improvement, and promotion of an exhibition center and recreational  
210 facilities?

211                                     YES                                     NO

212 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
213 to the question, place an "X" in the box opposite "NO".

214

215 If a majority of the votes cast favor the extension, then the sales tax shall remain in effect at the  
216 rate and for the time period approved by the voters. If a sales tax extension is not approved, the  
217 district may submit another sales tax proposal as authorized in this section, but the district shall  
218 not submit such a proposal to the voters sooner than twelve months from the date of the last  
219 extension submitted.

220            [13.] **14.** Once the sales tax authorized by this section is abolished or terminated by any  
221 means, all funds remaining in the trust fund shall be used solely for the purposes approved in the  
222 ballot question authorizing the sales tax. The sales tax shall not be abolished or terminated while  
223 the district has any financing or other obligations outstanding; provided that any new financing,  
224 debt, or other obligation or any restructuring or refinancing of an existing debt or obligation  
225 incurred more than ten years after voter approval of the sales tax provided in this section or more  
226 than ten years after any voter-approved extension thereof shall not cause the extension of the  
227 sales tax provided in this section or cause the final maturity of any financing or other obligations  
228 outstanding to be extended. Any funds in the trust fund which are not needed for current  
229 expenditures may be invested by the district in the securities described in subdivisions (1) to (12)  
230 of subsection 1 of section 30.270 or repurchase agreements secured by such securities. If the  
231 district abolishes the sales tax, the district shall notify the director of revenue of the action at  
232 least ninety days before the effective date of the repeal, and the director of revenue may order  
233 retention in the trust fund, for a period of one year, of two percent of the amount collected after  
234 receipt of such notice to cover possible refunds or overpayment of the sales tax and to redeem  
235 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed  
236 after the effective date of abolition of the sales tax in the district, the director of revenue shall  
237 remit the balance in the account to the district and close the account of the district. The director  
238 of revenue shall notify the district of each instance of any amount refunded or any check  
239 redeemed from receipts due the district.

240 [14.] 15. In the event that the district is dissolved or terminated by any means, the  
 241 governing bodies of the counties in the district shall appoint a person to act as trustee for the  
 242 district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall  
 243 take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond  
 244 with sufficient security, approved by the governing bodies of the counties, to the use of the  
 245 dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and  
 246 exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining  
 247 obligations of the district, shall pay over to the county treasurer of each county in the district and  
 248 take receipt for all remaining moneys in amounts based on the ratio the levy of each county bears  
 249 to the total levy for the district in the previous three years or since the establishment of the  
 250 district, whichever time period is shorter. Upon payment to the county treasurers, the trustee  
 251 shall deliver to the clerk of the governing body of any county in the district all books, papers,  
 252 records, and deeds belonging to the dissolved district.

67.2030. 1. The governing authority of any city of the fourth classification with more  
 2 than one thousand six hundred but less than one thousand seven hundred inhabitants and located  
 3 in any county of the first classification with more than seventy-three thousand seven hundred but  
 4 less than seventy-three thousand eight hundred inhabitants is hereby authorized to impose, by  
 5 ordinance or order, a sales tax in the amount not to exceed one-half of one percent on all retail  
 6 sales made in such city which are subject to taxation pursuant to sections 144.010 to 144.525 for  
 7 the promotion of tourism in such city. The tax authorized by this section shall be in addition to  
 8 any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales  
 9 tax pursuant to this section shall be effective unless the governing authority of the city submits  
 10 to the qualified voters of the city, at any municipal or state general, primary, or special election,  
 11 a proposal to authorize the governing authority of the city to impose a tax.

12 2. The ballot of submission shall be in substantially the following form:

13 Shall the city of ..... (city's name) impose a citywide sales tax of ..... (insert  
 14 amount) for the purpose of promoting tourism in the city?

15  YES  NO

16 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
 17 to the question, place an "X" in the box opposite "NO".

18 If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor  
 19 of the proposal, then the ordinance or order and any amendments thereto shall be in effect [on  
 20 the first day of the first calendar quarter immediately following notification to the director of the  
 21 department of revenue of the election approving the proposal] **as provided by section 32.087.**

22 If a proposal receives less than the required majority, then the governing authority of the city  
 23 shall have no power to impose the sales tax unless and until the governing authority of the city

24 has submitted another proposal to authorize the imposition of the sales tax authorized by this  
25 section and such proposal is approved by the required majority of the qualified voters voting  
26 thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters  
27 sooner than twelve months from the date of the last proposal pursuant to this section.

28 3. [On and after the effective date of any tax authorized in this section, the city may  
29 adopt one of the two following provisions for the collection and administration of the tax:

30 (1) The city may adopt rules and regulations for the internal collection of such tax by the  
31 city officers usually responsible for collection and administration of city taxes; or

32 (2) The city may enter into an agreement with the director of revenue of the state of  
33 Missouri for the purpose of collecting the tax authorized in this section. In the event any city  
34 enters into an agreement with the director of revenue of the state of Missouri for the collection  
35 of the tax authorized in this section, the director of revenue shall perform all functions incident  
36 to the administration, collection, enforcement, and operation of such tax, and the director of  
37 revenue shall collect the additional tax authorized in this section. The tax authorized in this  
38 section shall be collected and reported upon such forms and under such administrative rules and  
39 regulations as may be prescribed by the director of revenue, and the director of revenue shall  
40 retain an amount not to exceed one percent for cost of collection.

41 4. If a tax is imposed by a city pursuant to this section, the city may collect a penalty of  
42 one percent and interest not to exceed two percent per month on unpaid taxes which shall be  
43 considered delinquent thirty days after the last day of each quarter] **After the effective date of**  
44 **any tax imposed under the provisions of this section, the director of revenue shall perform**  
45 **all functions incident to the administration, collection, enforcement, and operation of the**  
46 **tax and collect, in addition to the sales tax for the state of Missouri, the additional tax**  
47 **authorized under the authority of this section. The tax imposed under this section and the**  
48 **tax imposed under the sales tax law of the state of Missouri shall be collected together and**  
49 **reported upon such forms and under such administrative rules and regulations as may be**  
50 **prescribed by the director of revenue.**

51 [5.] 4. (1) The governing authority of any city that has adopted any sales tax pursuant  
52 to this section shall, upon filing of a petition calling for the repeal of such sales tax signed by at  
53 least ten percent of the qualified voters in the city, submit the question of repeal of the sales tax  
54 to the qualified voters at any primary or general election. The ballot of submission shall be in

56 Shall ..... (insert name of city) repeal the sales tax of ..... (insert rate of percent)  
57 percent for tourism purposes now in effect in ..... (insert name of city)?

NO

59 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
60 to the question, place an "X" in the box opposite "NO".

61

62 If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become  
63 effective on December thirty-first of the calendar year in which such repeal was approved. **If the**  
64 **city or county abolishes the tax, the city or county shall notify the director of revenue of the**  
65 **action at least one hundred twenty days prior to the effective date of the repeal.**

66 (2) Once the tax is repealed as provided in this section, all funds remaining in any trust  
67 fund or account established to receive revenues generated by the tax shall be used solely for the  
68 original stated purpose of the tax. Any funds which are not needed for current expenditures may  
69 be invested by the governing authority in accordance with applicable laws relating to the  
70 investment of other city funds.

71 (3) The governing authority of a city repealing a tax pursuant to this section shall notify  
72 the director of revenue of the action at least forty-five days before the effective date of the repeal  
73 and the director of revenue may order retention in any trust fund created in the state treasury  
74 associated with the tax, for a period of one year, of two percent of the amount collected after  
75 receipt of such notice to cover refunds or overpayment of the tax and to redeem dishonored  
76 checks and drafts deposited to the credit of such accounts. After one year has elapsed after the  
77 effective date of repeal of the tax in the city, the director of revenue shall remit the balance in the  
78 trust fund to the city and close the account of that city. The director of revenue shall notify each  
79 city of each instance of any amount refunded or any check redeemed from receipts due the city.

80 (4) In the event that the repeal of a sales tax pursuant to this section dissolves or  
81 terminates a taxing district, the governing authority of the city shall appoint a person to act as  
82 trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the  
83 trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall  
84 give bond with sufficient security, approved by the governing authority of the city, to the use of  
85 the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have  
86 and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining  
87 obligations of the district, shall pay over to the city treasurer or the equivalent official and take  
88 receipt for all remaining moneys. Upon payment to the city treasurer, the trustee shall deliver  
89 to the clerk of the governing authority of the city all books, papers, records, and deeds belonging  
90 to the dissolved district.

91 [6.] 5. Except as modified in this section, all provisions of sections 32.085 [and] to  
92 32.087 shall apply to the tax imposed pursuant to this section.

67.2525. 1. Each member of the board of directors shall have the following  
2 qualifications:

3 (1) As to those subdistricts in which there are registered voters, a resident registered  
4 voter in the subdistrict that he or she represents, or be a property owner or, as to those  
5 subdistricts in which there are not registered voters who are residents, a property owner or  
6 representative of a property owner in the subdistrict he or she represents;

7 (2) Be at least twenty-one years of age and a registered voter in the district.

8 2. The district shall be subdivided into at least five but not more than fifteen subdistricts,  
9 which shall be represented by one representative on the district board of directors. All board  
10 members shall have terms of four years, including the initial board of directors. All members  
11 shall take office upon being appointed and shall remain in office until a successor is appointed  
12 by the mayor or chairman of the municipality in which the district is located, or elected by the  
13 property owners in those subdistricts without registered voters.

14 3. For those subdistricts which contain one or more registered voters, the mayor or  
15 chairman of the city, town, or village shall, with the consent of the governing body, appoint a  
16 registered voter residing in the subdistrict to the board of directors.

17 4. For those subdistricts which contain no registered voters, the property owners who  
18 collectively own one or more parcels of real estate comprising more than half of the land situated  
19 in each subdistrict shall meet and shall elect a representative to serve upon the board of directors.  
20 The clerk of the city, town, or village in which the petition was filed shall, unless waived in  
21 writing by all property owners in the subdistrict, give notice by causing publication to be made  
22 once a week for two consecutive weeks in a newspaper of general circulation in the county, the  
23 last publication of which shall be at least ten days before the day of the meeting required by this  
24 section, to call a meeting of the owners of real property within the subdistrict at a day and hour  
25 specified in a public place in the city, town, or village in which the petition was filed for the  
26 purpose of electing members of the board of directors.

27 5. The property owners, when assembled, shall organize by the election of a temporary  
28 chairman and secretary of the meeting who shall conduct the election. An election shall be  
29 conducted for each subdistrict, with the eligible property owners voting in that subdistrict. At  
30 the election, each acre of real property within the subdistrict shall represent one share, and each  
31 owner, including corporations and other entities, may have one vote in person or for every acre  
32 of real property owned by such person within the subdistrict. Each voter which is not an  
33 individual shall determine how to cast its vote as provided for in its articles of incorporation,  
34 articles of organization, articles of partnership, bylaws, or other document which sets forth an  
35 appropriate mechanism for the determination of the entity's vote. If a voter has no such  
36 mechanism, then its vote shall be cast as determined by a majority of the persons who run the  
37 day-to-day affairs of the voter. The results of the meeting shall be certified by the temporary

38 chairman and secretary to the municipal clerk if the district is established by a municipality  
39 described in this section, or to the circuit clerk if the district is established by a circuit court.

40           6. Successor boards shall be appointed or elected, depending upon the presence or  
41 absence of resident registered voters, by the mayor or chairman of a city, town, or village  
42 described in this section, or the property owners as set forth above; provided, however, that  
43 elections held by the property owners after the initial board is elected shall be certified to the  
44 municipal clerk of the city, town, or village where the district is located and the board of  
45 directors of the district.

46           7. Should a vacancy occur on the board of directors, the mayor or chairman of the city,  
47 town, or village if there are registered voters within the subdistrict, or a majority of the owners  
48 of real property in a subdistrict if there are not registered voters in the subdistrict, shall have the  
49 authority to appoint or elect, as set forth in this section, an interim director to complete any  
50 unexpired term of a director caused by resignation or disqualification.

51           8. The board shall possess and exercise all of the district's legislative and executive  
52 powers, including:

53           (1) The power to fund, promote and provide educational, civic, musical, theatrical,  
54 cultural, concerts, lecture series, and related or similar entertainment events or activities, and  
55 fund, promote, plan, design, construct, improve, maintain, and operate public improvements,  
56 transportation projects, and related facilities within the district;

57           (2) The power to accept and disburse tax or other revenue collected in the district; and

58           (3) The power to receive property by gift or otherwise.

59           9. Within thirty days after the selection of the initial directors, the board shall meet. At  
60 its first meeting and annually thereafter the board shall elect a chairman from its members.

61           10. The board shall appoint an executive director, district secretary, treasurer, and such  
62 other officers or employees as it deems necessary.

63           11. At the first meeting, the board, by resolution, shall define the first and subsequent  
64 fiscal years of the district, and shall adopt a corporate seal.

65           12. A simple majority of the board shall constitute a quorum. If a quorum exists, a  
66 majority of those voting shall have the authority to act in the name of the board, and approve any  
67 board resolution.

68           13. At the first meeting, the board, by resolution, shall receive the certification of the  
69 election regarding the sales tax, and may impose the sales tax in all subdistricts approving the  
70 imposing sales tax. In those subdistricts that approve the sales tax, the sales tax shall become  
71 effective [on the first day of the first calendar quarter immediately following the action by the  
72 district board of directors imposing the tax] **as provided by section 32.087.**

73           14. Each director shall devote such time to the duties of the office as the faithful  
74 discharge thereof may require and be reimbursed for his or her actual expenditures in the  
75 performance of his or her duties on behalf of the district. Directors may be compensated, but  
76 such compensation shall not exceed one hundred dollars per month.

78 shall have the following general powers:

80 be served upon the district secretary;

81           (2) To fix compensation of its employees and contractors;

96           (8) To own or lease real or personal property for use in connection with the exercise of  
97 powers pursuant to this subsection;

98           (9) To provide for the election or appointment of officers, including a chairman,  
99 treasurer, and secretary. Officers shall not be required to be residents of the district, and one  
100 officer may hold more than one office;

101           (10) To hire and retain agents, employees, engineers, and attorneys;

102           (11) To enter into entertainment contracts binding the district and artists, agencies, or

107 operating a project or to assist in such activity;

108 (13) To contract for transfer to a city, town, or village such district facilities and  
109 improvements free of cost or encumbrance on such terms set forth by contract;

110 (14) To exercise such other powers necessary or convenient for the district to accomplish  
111 its purposes which are not inconsistent with its express powers.

112 16. A district may at any time authorize or issue notes, bonds, or other obligations for  
113 any of its powers or purposes. Such notes, bonds, or other obligations:

114 (1) Shall be in such amounts as deemed necessary by the district, including costs of  
115 issuance thereof;

116 (2) Shall be payable out of all or any portion of the revenues or other assets of the  
117 district;

118 (3) May be secured by any property of the district which may be pledged, assigned,  
119 mortgaged, or otherwise encumbered for payment;

120 (4) Shall be authorized by resolution of the district, and if issued by the district, shall

122 as the resolution shall specify;

123 (5) Shall be in such denomination, bear interest at such rates, be in such form, be issued  
124 as current interest bonds, compound interest bonds, variable rate bonds, convertible bonds, or

126 redemption as such resolution may provide; and

127 (6) May be sold at either public or private sale, at such interest rates, and at such price  
128 or prices as the district shall determine.

129 The provisions of this subsection are applicable to the district notwithstanding the provisions of  
130 section 108.170.

67.2530. 1. Any note, bond, or other indebtedness of the district may be refunded at any  
2 time by the district by issuing refunding bonds in such amount as the district may deem  
3 necessary. Such bonds shall be subject to and shall have the benefit of the foregoing provisions  
4 regarding notes, bonds, and other obligations. Without limiting the generality of the foregoing,  
5 refunding bonds may include amounts necessary to finance any premium, unpaid interest, and  
6 costs of issuance in connection with the refunding bonds. Any such refunding may be effected  
7 whether the bonds to be refunded then shall have matured or thereafter shall mature, either by  
8 sale of the refunding bonds and the application of the proceeds thereof to the payment of the  
9 obligations being refunded or the exchange of the refunding bonds for the obligations being  
10 refunded with the consent of the holders of the obligations being refunded.

11 2. Notes, bonds, or other indebtedness of the district shall be exclusively the  
12 responsibility of the district payable solely out of the district funds and property and shall not  
13 constitute a debt or liability of the state of Missouri or any agency or political subdivision of the

14 state. Any notes, bonds, or other indebtedness of the district shall state on their face that they  
15 are not obligations of the state of Missouri or any agency or political subdivision thereof other  
16 than the district.

17         3. Any district may by resolution impose a district sales tax of up to one-half of one  
18 percent on all retail sales made in such district that are subject to taxation pursuant to the  
19 provisions of sections 144.010 to 144.525. Upon voter approval, and receiving the necessary  
20 certifications from the governing body of the municipality in which the district is located, or  
21 from the circuit court if the district was formed by the circuit court, the board of directors shall  
22 have the power to impose a sales tax at its first meeting, or any meeting thereafter. Voter  
23 approval of the question of the imposing sales tax shall be in accordance with section 67.2520.  
24 [The sales tax shall become effective in those subdistricts that approve the sales tax on the first  
25 day of the first calendar quarter immediately following the passage of a resolution by the board  
26 of directors imposing the sales tax.

27         4. In each district in which a sales tax has been imposed in the manner provided by this  
28 section, every retailer shall add the tax imposed by the district pursuant to this section to the  
29 retailer's sale price, and when so added, such tax shall constitute a part of the price, shall be a  
30 debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner  
31 as the purchase price.

32         5. In order to permit sellers required to collect and report the sales tax authorized by this  
33 section to collect the amount required to be reported and remitted, but not to change the  
34 requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid  
35 fractions of pennies, the district may establish appropriate brackets which shall be used in the  
36 district imposing a tax pursuant to this section in lieu of those brackets provided in section  
37 144.285.

38         6.] 4. All revenue received by a district from the sales tax authorized by this section  
39 shall be deposited in a special trust fund and shall be used solely for the purposes of the district.  
40 Any funds in such special trust fund which are not needed for the district's current expenditures  
41 may be invested by the district board of directors in accordance with applicable laws relating to  
42 the investment of other district funds.

43         [7.] 5. The sales tax may be imposed at a rate of up to one-half of one percent on the  
44 receipts from the sale at retail of all tangible personal property or taxable services at retail within  
45 the district adopting such tax, if such property and services are subject to taxation by the state  
46 of Missouri pursuant to the provisions of sections 144.010 to 144.525. Any district sales tax  
47 imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the  
48 subdistricts approving the sales tax.

49 [8. The resolution imposing the sales tax pursuant to this section shall impose upon all  
50 sellers a tax for the privilege of engaging in the business of selling tangible personal property or  
51 rendering taxable services at retail to the extent and in the manner provided in sections 144.010  
52 to 144.525 and the rules and regulations of the director of revenue issued pursuant thereto;  
53 except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the  
54 tax shall be reported and returned to and collected by the district.

55 9. (1) On and after the effective date of any sales tax imposed pursuant to this section,  
56 the district shall perform all functions incident to the administration, collection, enforcement, and  
57 operation of the tax. The sales tax imposed pursuant to this section shall be collected and  
58 reported upon such forms and under such administrative rules and regulations as may be  
59 prescribed by the district.

60 (2)] **6. After the effective date of any tax imposed under the provisions of this**  
61 **section, the director of revenue shall perform all functions incident to the administration,**  
62 **collection, enforcement, and operation of the tax and collect, in addition to the sales tax for**  
63 **the state of Missouri, the additional tax authorized under the authority of this section. The**  
64 **tax imposed under this section and the tax imposed under the sales tax law of the state of**  
65 **Missouri shall be collected together and reported upon such forms and under such**  
66 **administrative rules and regulations as may be prescribed by the director of revenue.**

67 7. All [such] sales taxes [collected by the district] shall be deposited by the district in a  
68 special fund to be expended for the purposes authorized in this section. The district shall keep  
69 accurate records of the amount of money which was collected pursuant to this section, and the  
70 records shall be open to the inspection of officers of each district and the general public.

71 [(3) The district may contract with the municipality that the district is within for the  
72 municipality to collect any revenue received by the district and, after deducting the cost of such  
73 collection, but not to exceed one percent of the total amount collected, deposit such revenue in  
74 a special trust account. Such revenue and interest may be applied by the municipality to  
75 expenses, costs, or debt service of the district at the direction of the district as set forth in a  
76 contract between the municipality and the district.

77 10. (1) All applicable provisions contained in sections 144.010 to 144.525 governing  
78 the state sales tax, sections 32.085 and 32.087, and section 32.057, the uniform confidentiality  
79 provision, shall apply to the collection of the tax imposed by this section, except as modified in  
80 this section.

81 (2) All exemptions granted to agencies of government, organizations, persons, and to  
82 the sale of certain articles and items of tangible personal property and taxable services pursuant  
83 to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition  
84 and collection of the tax imposed by this section.

85 (3) The same sales tax permit, exemption certificate, and retail certificate required by  
 86 sections 144.010 to 144.525 for the administration and collection of the state sales tax shall  
 87 satisfy the requirements of this section, and no additional permit or exemption certificate or retail  
 88 certificate shall be required; except that the district may prescribe a form of exemption certificate  
 89 for an exemption from the tax imposed by this section.

90 (4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws  
 91 for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made  
 92 applicable to any taxes collected pursuant to the provisions of this section.

93 (5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for  
 94 violation of those sections are hereby made applicable to violations of this section.

95 (6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all  
 96 retail sales shall be deemed to be consummated at the place of business of the retailer unless the  
 97 tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state  
 98 destination or to a common carrier for delivery to an out-of-state destination. In the event a  
 99 retailer has more than one place of business in this state which participates in the sale, the sale  
 100 shall be deemed to be consummated at the place of business of the retailer where the initial order  
 101 for the tangible personal property is taken, even though the order must be forwarded elsewhere  
 102 for acceptance, approval of credit, shipment, or billing.

103 A sale by a retailer's employee shall be deemed to be consummated at the place of business from  
 104 which the employee works.

105 (7) **8.** Subsequent to the initial approval by the voters and implementation of a sales tax  
 106 in the district, the rate of the sales tax may be increased, but not to exceed a rate of one-half of  
 107 one percent on retail sales as provided in this subsection. The election shall be conducted in  
 108 accordance with section 67.2520; provided, however, that the district board of directors may  
 109 place the question of the increase of the sales tax before the voters of the district by resolution,  
 110 and the municipal clerk of the city, town, or village which originally conducted the incorporation  
 111 of the district, or the circuit clerk of the court which originally conducted the incorporation of  
 112 the district, shall conduct the subsequent election. In subsequent elections, the election judges  
 113 shall certify the election results to the district board of directors. The ballot of submission shall  
 114 be in substantially the following form:

115 Shall ..... (name of district) increase the ..... (insert amount) percent district  
 116 sales tax now in effect to..... (insert amount) in the ..... (name of district)?

117  YES  NO

118 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
 119 to the question, place an "X" in the box opposite "NO".

121 If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon  
122 are in favor of the increase, the increase shall become effective [December thirty-first of the  
123 calendar year in which such increase was approved] **as provided by section 32.087.**

124 [11.] **9.** (1) There shall not be any election as provided for in this section while the  
125 district has any financing or other obligations outstanding.

126 (2) The board, when presented with a petition signed by at least one-third of the  
127 registered voters in a district that voted in the last gubernatorial election, or signed by at least  
128 two-thirds of property owners of the district, calling for an election to dissolve and repeal the tax  
129 shall submit the question to the voters using the same procedure by which the imposing tax was  
130 voted. The ballot of submission shall be in substantially the following form:

131 Shall ..... (name of district) dissolve and repeal the ..... (insert amount) percent  
132 district sales tax now in effect in the ..... (name of district)?

133  YES  NO

134 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
135 to the question, place an "X" in the box opposite "NO". Such subsequent elections for the repeal  
136 of the sales tax shall be conducted in accordance with section 67.2520; provided, however, that  
137 the district board of directors may place the question of the repeal of the sales tax before the  
138 voters of the district, and the municipal clerk of the city, town, or village which originally  
139 conducted the incorporation of the district, or the circuit clerk of the court which originally  
140 conducted the incorporation of the district, shall conduct the subsequent election. In subsequent  
141 elections the election judges shall certify the election results to the district board of directors.

142 (3) If a majority of the votes cast on the proposal by the qualified voters of the district  
143 voting thereon are in favor of repeal, that repeal shall become effective December thirty-first of  
144 the calendar year in which such repeal was approved or after the repayment of the district's  
145 indebtedness, whichever occurs later. **If the district abolishes the tax, the district shall notify  
146 the director of revenue of the action at least one hundred twenty days prior to the effective  
147 date of the repeal.**

148 [12.] **10.** (1) At such time as the board of directors of the district determines that further  
149 operation of the district is not in the best interests of the inhabitants of the district, and that the  
150 district should dissolve, the board shall submit for a vote in an election held throughout the  
151 district the question of whether the district should be abolished. The question shall be submitted  
152 in substantially the following form:

153 Shall the ..... theater, cultural arts, and entertainment district be abolished?

154  YES  NO

155 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
156 to the question, place an "X" in the box opposite "NO".

157 (2) The district board shall not propose the question to abolish the district while there  
158 are outstanding claims or causes of action pending against the district, while the district liabilities  
159 exceed its assets, while indebtedness of the district is outstanding, or while the district is  
160 insolvent, in receivership or under the jurisdiction of the bankruptcy court. Prior to submitting  
161 the question to abolish the district to a vote of the entire district, the state auditor shall audit the  
162 district to determine the financial status of the district, and whether the district may be abolished  
163 pursuant to law. The vote on the abolition of the district shall be conducted by the municipal  
164 clerk of the city, town, or village in which the district is located. The procedure shall be the same  
165 as in section 67.2520, except that the question shall be determined by the qualified voters of the  
166 entire district. No individual subdistrict may be abolished, except at such time as the district is  
167 abolished.

168 (3) While the district still exists, it shall continue to accrue all revenues to which it is  
169 entitled at law.

170 (4) Upon receipt by the board of directors of the district of the certification by the city,  
171 town, or village in which the district is located that the majority of those voting within the entire  
172 district have voted to abolish the district, and if the state auditor has determined that the district's  
173 financial condition is such that it may be abolished pursuant to law, then the board of directors  
174 of the district shall:

175 (a) Sell any remaining district real or personal property it wishes, and then transfer the  
176 proceeds and any other real or personal property owned by the district to the city, town, or village  
177 in which the district is located, including revenues due and owing the district, for its further use  
178 and disposition;

179 (b) Terminate the employment of any remaining district employees, and otherwise  
180 conclude its affairs;

181 (c) At a public meeting of the district, declare by a resolution of the board of directors  
182 passed by a majority vote that the district has been abolished effective that date;

183 (d) Cause copies of that resolution under seal to be filed with the secretary of state and  
184 the city, town, or village in which the district is located. Upon the completion of the final act  
185 specified in this subsection, the legal existence of the district shall cease.

186 (5) The legal existence of the district shall not cease for a period of two years after voter  
187 approval of the abolition.

188 **11. Except as provided in this section, all provisions of sections 32.085 to 32.087**  
189 **shall apply to the tax imposed under this section.**

94.578. 1. In addition to the sales tax authorized in section 94.577, the governing body  
2 of any home rule city with more than one hundred fifty-one thousand five hundred but less than  
3 one hundred fifty-one thousand six hundred inhabitants is hereby authorized to impose, by order

4 or ordinance, a sales tax on all retail sales made within the city which are subject to sales tax  
 5 under chapter 144. The tax authorized in this section may be imposed at a rate of one-eighth,  
 6 one-fourth, three-eighths, or one-half of one percent, but shall not exceed one-half of one  
 7 percent, shall not be imposed for longer than three years, and shall be imposed solely for the  
 8 purpose of funding the construction, operation, and maintenance of capital improvements in the  
 9 city's center city. The governing body may issue bonds for the funding of such capital  
 10 improvements, which will be retired by the revenues received from the sales tax authorized by  
 11 this section. The order or ordinance shall not become effective unless the governing body of the  
 12 city submits to the voters residing within the city at a state or municipal general, primary, or  
 13 special election a proposal to authorize the governing body of the city to impose a tax under this  
 14 section. The tax authorized in this section shall be in addition to all other sales taxes imposed  
 15 by law, and shall be stated separately from all other charges and taxes.

16 2. The ballot submission for the tax authorized in this section shall be in substantially  
 17 the following form:

18 Shall ..... (insert the name of the city) impose a sales tax at a rate of  
 19 .....(insert rate of percent) percent for [a] capital improvements purposes in the city's center  
 20 city for a period of ..... (insert number of years, not to exceed three) years?

21  YES  NO

22 If a majority of the votes cast on the question by the qualified voters voting thereon are in favor  
 23 of the question, then the tax shall become effective on the first day of the second calendar quarter  
 24 after the director of revenue receives notice of the adoption of the sales tax. If a majority of the  
 25 votes cast on the question by the qualified voters voting thereon are opposed to the question, then  
 26 the tax shall not become effective unless and until the question is resubmitted under this section  
 27 to the qualified voters and such question is approved by a majority of the qualified voters voting  
 28 on the question. In no case shall a tax be resubmitted to the qualified voters of the city sooner  
 29 than twelve months from the date of the proposal under this section.

30 3. Any sales tax imposed under this section shall be administered, collected, enforced,  
 31 and operated as required in [section] **sections 32.085 to 32.087**. All revenue generated by the  
 32 tax shall be deposited in a special trust fund and shall be used solely for the designated purposes.  
 33 If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely  
 34 for the designated purposes. Any funds in the special trust fund which are not needed for current  
 35 expenditures shall be invested in the same manner as other funds are invested. Any interest and  
 36 moneys earned on such investments shall be credited to the fund.

37 4. The director of revenue may authorize the state treasurer to make refunds from the  
 38 amounts in the trust fund and credited to any city for erroneous payments and overpayments  
 39 made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any

40 city abolishes the tax, the city shall notify the director of revenue of the action at least ninety days  
 41 before the effective date of the repeal, and the director of revenue may order retention in the trust  
 42 fund, for a period of one year, of two percent of the amount collected after receipt of such notice  
 43 to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts  
 44 deposited to the credit of such accounts. After one year has elapsed after the effective date of  
 45 abolition of the tax in such city, the director of revenue shall remit the balance in the account to  
 46 the city and close the account of that city. The director of revenue shall notify each city of each  
 47 instance of any amount refunded.

48 5. The governing body of any city that has adopted the sales tax authorized in this section  
 49 may submit the question of repeal of the tax to the voters on any date available for elections for  
 50 the city. The ballot of submission shall be in substantially the following form:

51 Shall ..... (insert the name of the city) repeal the sales tax imposed at a rate of  
 52 ..... (insert rate of percent) percent for capital improvements purposes in the city's center city?  
 53  YES  NO

54 If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become  
 55 effective on December thirty-first of the calendar year in which such repeal was approved. If a  
 56 majority of the votes cast on the question by the qualified voters voting thereon are opposed to  
 57 the repeal, then the sales tax authorized in this section shall remain effective until the question  
 58 is resubmitted under this section to the qualified voters, and the repeal is approved by a majority  
 59 of the qualified voters voting on the question. **If the city or county abolishes the tax, the city  
 60 or county shall notify the director of revenue of the action at least one hundred twenty days  
 61 prior to the effective date of the repeal.**

62 6. Whenever the governing body of any city that has adopted the sales tax authorized in  
 63 this section receives a petition, signed by ten percent of the registered voters of the city voting  
 64 in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this  
 65 section, the governing body shall submit to the voters of the city a proposal to repeal the tax. If  
 66 a majority of the votes cast on the question by the qualified voters voting thereon are in favor of  
 67 the repeal, that repeal shall become effective on December thirty-first of the calendar year in  
 68 which such repeal was approved. If a majority of the votes cast on the question by the qualified  
 69 voters voting thereon are opposed to the repeal, then the tax shall remain effective until the  
 70 question is resubmitted under this section to the qualified voters and the repeal is approved by  
 71 a majority of the qualified voters voting on the question.

72 **7. Except as provided in this section, all provisions of sections 32.085 to 32.087**  
 73 **apply to the sales tax imposed under this section.**

94.605. 1. Any city as defined in section 94.600 may by a majority vote of its governing  
 2 body impose a sales tax for transportation purposes enumerated in sections 94.600 to 94.655.

3           2. The sales tax may be imposed at a rate not to exceed one-half of one percent on the  
4 receipts from the sale at retail of all tangible personal property or taxable services at retail within  
5 any city adopting such tax, if such property and services are subject to taxation by the state of  
6 Missouri under the provisions of sections 144.010 to 144.525.

7           3. With respect to any tax increment financing plan originally approved by ordinance of  
8 the city council after March 31, 2009, in any home rule city with more than four hundred  
9 thousand inhabitants and located in more than one county, any three-eighths of one cent sales tax  
10 imposed under sections 94.600 to 94.655 shall not be considered economic activity taxes as such  
11 term is defined under sections 99.805 and 99.918, and tax revenues derived from such taxes shall  
12 not be subject to allocation under the provisions of subsection 3 of section 99.845 or subsection  
13 4 of section 99.957. Any one-eighth of one cent sales tax imposed in such city under sections  
14 94.600 to 94.655 for constructing and operating a light-rail transit system shall not be considered  
15 economic activity taxes as such term is defined under sections 99.805 and 99.918, and tax  
16 revenues derived from such tax shall not be subject to allocation under the provisions of  
17 subsection 3 of section 99.845 or subsection 4 of section 99.957.

18           [4. If the boundaries of a city in which such sales tax has been imposed shall thereafter  
19 be changed or altered, the city or county clerk shall forward to the director of revenue by United

22 the director.

23 [4.] 3. The director of the department of revenue shall endorse upon the official

32 of registration thereof or in lieu thereof may pay a sales tax as provided in sections 144.010,  
33 144.020, 144.070 and 144.440. A sales tax shall be charged to and paid by a leasing company

36 motor is domiciled in this state. Any motor vehicle, trailer, boat, or outboard motor which is  
37 leased as the result of a contract executed in this state shall be presumed to be domiciled in this  
38 state.

39 [6.] 5. Any corporation may have one or more of its divisions separately apply to the  
40 director of revenue for authorization to operate as a leasing company, provided that the

52 sections 301.550 to 301.573 the provisions in subdivision (3) of this subsection shall not apply.

53 [7.] 6. If the owner of any motor vehicle, trailer, boat, or outboard motor desires to  
54 charge and collect sales tax as provided in this section, the owner shall make application to the  
55 director of revenue for a permit to operate as a motor vehicle, trailer, boat, or outboard motor  
56 leasing company. The director of revenue shall promulgate rules and regulations determining the  
57 qualifications of such a company, and the method of collection and reporting of sales tax charged  
58 and collected. Such regulations shall apply only to owners of motor vehicles, trailers, boats, or

59 outboard motors, electing to qualify as motor vehicle, trailer, boat, or outboard motor leasing  
60 companies under the provisions of subsection [5] 4 of this section, and no motor vehicle renting

65 engaged in the business of selling motor vehicles or trailers may apply to the director of revenue  
66 for authority to collect and remit the sales tax required under this section on all motor vehicles  
67 sold by the motor vehicle dealer. A motor vehicle dealer receiving authority to collect and remit  
68 the tax is subject to all provisions under sections 144.010 to 144.525. Any motor vehicle dealer  
69 authorized to collect and remit sales taxes on motor vehicles under this subsection shall be  
70 entitled to deduct and retain an amount equal to two percent of the motor vehicle sales tax  
71 pursuant to section 144.140. Any amount of the tax collected under this subsection that is  
72 retained by a motor vehicle dealer pursuant to section 144.140 shall not constitute state revenue.  
73 In no event shall revenues from the general revenue fund or any other state fund be utilized to  
74 compensate motor vehicle dealers for their role in collecting and remitting sales taxes on motor  
75 vehicles. In the event this subsection or any portion thereof is held to violate article IV, section  
76 30(b) of the Missouri Constitution, no motor vehicle dealer shall be authorized to collect and  
77 remit sales taxes on motor vehicles under this section. No motor vehicle dealer shall seek  
78 compensation from the state of Missouri or its agencies if a court of competent jurisdiction  
79 declares that the retention of two percent of the motor vehicle sales tax is unconstitutional and  
80 orders the return of such revenues.

**144.082. 1. The director shall participate in an online registration system that will  
2 allow sellers to register in this state and other member states.**

3 **2. By registering, the seller agrees to collect and remit sales and use taxes for all**  
4 **taxable sales into this state as well as the other member states, including member states**  
5 **joining after the seller's registration. Withdrawal or revocation of this state from the**  
6 **agreement shall not relieve a seller of its responsibility to remit taxes previously or**  
7 **subsequently collected on behalf of this state.**

8 **3. If the seller has a requirement to register prior to registering under the**  
9 **agreement, such seller shall obtain a retail sales license under section 144.083 and register**  
10 **under section 144.650.**

11 **4. Registration with the central registration system and the collection of sales and**  
12 **use taxes in this state shall not be used as a factor in determining whether the seller has**  
13 **nexus with this state for any tax at any time.**

144.083. 1. The director of revenue shall require all persons who are responsible for the collection of taxes under the provisions of section 144.080 to procure a retail sales license at no cost to the licensee which shall be prominently displayed at the licensee's place of business, and the license is valid until revoked by the director or surrendered by the person to whom issued when sales are discontinued. The director shall issue the retail sales license within ten working days following the receipt of a properly completed application. Any person applying for a retail sales license or reinstatement of a revoked sales tax license who owes any tax under sections 144.010 to 144.510 or sections 143.191 to 143.261 must pay the amount due plus interest and penalties before the department may issue the applicant a license or reinstate the revoked license. All persons beginning business subsequent to August 13, 1986, and who are required to collect the sales tax shall secure a retail sales license prior to making sales at retail. Such license may, after ten days' notice, be revoked by the director of revenue only in the event the licensee shall be in default for a period of sixty days in the payment of any taxes levied under section 144.020 or sections 143.191 to 143.261. Notwithstanding the provisions of section 32.057 in the event of revocation, the director of revenue may publish the status of the business account including the date of revocation in a manner as determined by the director.

2. The possession of a retail sales license and a statement from the department of revenue that the licensee owes no tax due under sections 144.010 to 144.510 or sections 143.191 to 143.261 shall be a prerequisite to the issuance or renewal of any city or county occupation license or any state license which is required for conducting any business where goods are sold at retail. The date of issuance on the statement that the licensee owes no tax due shall be no more than ninety days before the date of submission for application or renewal of the local license. The revocation of a retailer's license by the director shall render the occupational license or the state license null and void.

3. No person responsible for the collection of taxes under section 144.080 shall make sales at retail unless such person is the holder of a valid retail sales license. After all appeals have been exhausted, the director of revenue may notify the county or city law enforcement agency representing the area in which the former licensee's business is located that the retail sales license of such person has been revoked, and that any county or city occupation license of such person is also revoked. The county or city may enforce the provisions of this section, and may prohibit further sales at retail by such person.

4. In addition to the provisions of subsection 2 of this section, beginning January 1, 2009, the possession of a statement from the department of revenue stating no tax is due under sections 143.191 to 143.265 or sections 144.010 to 144.510 shall also be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business where goods are sold at retail. The statement of no tax due shall be

37 dated no longer than ninety days before the date of submission for application or renewal of the  
38 city or county license.

39 [5. Notwithstanding any law or rule to the contrary, sales tax shall only apply to the sale  
40 price paid by the final purchaser and not to any off-invoice discounts or other pricing discounts  
41 or mechanisms negotiated between manufacturers, wholesalers, and retailers.]

**144.084. 1. The director shall promulgate rules and regulations for remittance of  
2 returns. Such rules shall:**

3 **(1) Allow for electronic payments by all remitters by both ACH credit and ACH  
4 debit;**

5 **(2) Provide an alternative method for making "same day" payments if an electronic  
6 funds transfer fails;**

7 **(3) Provide that if a due date falls on a legal banking holiday in the state, the taxes  
8 shall be due on the next succeeding business day; and**

9 **(4) Require that any data that accompanies a remittance be formatted using  
10 uniform tax type and payment type codes approved by the streamlined sales and use tax  
11 governing board.**

12 **2. All model 1, model 2, and model 3 sellers shall file returns electronically. Any  
13 model 1, model 2, or model 3 seller shall submit its sales and use tax returns in a simplified  
14 format approved by the director at such times as may be prescribed by the director.**

144.100. 1. Every person making any taxable sales of property or service, except  
2 transactions provided for in sections 144.070 and 144.440, individually or by duly authorized  
3 officer or agent, shall make and file a written return with the director of revenue in such manner  
4 as he may prescribe.

5 2. The returns shall be on blanks designed and furnished by the director of the  
6 department of revenue and shall be filed at the times provided in sections 144.080 and 144.090.  
7 The returns shall [show the amount of gross receipts from sales of taxable property and services  
8 by the person and the amount of tax due thereon by that person during and for the period covered  
9 by the return] **state:**

10 **(1) The name and address of the retailer;**

11 **(2) The total amount of gross sales of all tangible personal property and taxable  
12 services rendered by the retailer during the period for which the return is made;**

13 **(3) The total amount received during the period for which the return is made on  
14 charge and time sales of tangible personal property made and taxable services rendered  
15 prior to the period for which the return is made;**

16           **(4) Deductions allowed by law from such total amount of gross sales and from total**  
17 **amount received during the period for which the return is made on such charge and time**  
18 **sales;**

19           **(5) Receipts during the period for which the return is made from the total amount**  
20 **of sales of tangible personal property and taxable services rendered during such period in**  
21 **the course of such business, after deductions allowed by law have been made;**

22           **(6) Receipts during the period for which the return is made from charge and time**  
23 **sales of tangible personal property made and taxable services rendered prior to such**  
24 **period in the course of such business, after deductions allowed by law have been made;**

25           **(7) Gross receipts during the period for which the return is made from sales of**  
26 **tangible personal property and taxable services rendered in the course of such business**  
27 **upon the basis of which the tax is imposed; and**

28           **(8) Such other pertinent information as the director may require.**

29           **3. In making such return, the retailer shall determine the market value of any**  
30 **consideration, other than money, received in connection with the sale of any tangible**  
31 **personal property in the course of the business and shall include such value in the return.**  
32 **Such value shall be subject to review and revision by the director as hereinafter provided.**  
33 **Refunds made by a retailer during the period for which the return is made on account of**  
34 **tangible personal property returned to the retailer shall be allowed as a deduction under**  
35 **subdivision (4) of subsection 2 of this section in case the retailer has included the receipts**  
36 **from such sale in a return made by such retailer and paid taxes on such sale. The retailer**  
37 **shall, at the time of making such return, pay to the director the amount of tax owed, except**  
38 **as otherwise provided in this section. The director may extend the time for making returns**  
39 **and paying the tax required by this section for any period not to exceed sixty days under**  
40 **such rules and regulations as the director of revenue may prescribe.**

41           **4. The director shall only require a single tax return for each taxing period and**  
42 **such return shall include only the taxing jurisdictions in which the seller makes sales**  
43 **within the state. With each return, the person shall remit to the director of revenue the full**  
44 **amount of the tax due.**

45           **[3.] 5. In case of charge and time sales the gross receipts thereof shall be included as**  
46 **sales in the returns as and when payments are received by the person, without any deduction**  
47 **therefrom whatsoever.**

48           **[4.] 6. If an error or omission is discovered in a return or a change be necessary to show**  
49 **the true facts, the error may be corrected, the omission supplied, or the change made in the return**  
50 **next filed with the director for the filing period immediately following the filing period in which**  
51 **the error was made or the omission occurred, as prescribed by law, except that no refund under**

52 this chapter shall be allowed for any amount of tax paid by a seller which is based upon charges  
53 incident to credit card discounts. Any other omission or error must be corrected by filing an  
54 amended return for the erroneously reported period if the amount of tax is less than that  
55 originally reported, or an additional return if the amount of tax is greater than that originally  
56 reported. An additional return shall be deemed filed on the date the envelope in which it is  
57 mailed is postmarked or the date it is received by the director, whichever is earlier. Any payment  
58 of tax, interest, penalty or additions to tax shall be deemed filed on the date the envelope  
59 containing the payment is postmarked or the date the payment is received by the director,  
60 whichever is earlier. If a refund or credit results from the filing of an amended return, no refund  
61 or credit shall be allowed unless an application for refund or credit is properly completed and  
62 submitted to the director pursuant to section 144.190.

63 [5.] 7. The amount of gross receipts from sales and the amount of tax due returned by  
64 the person, as well as all matters contained in the return, is subject to review and revision in the  
65 manner herein provided for the correction of the returns.

**144.105. 1. A seller shall be allowed a deduction from taxable sales for bad debts  
2 attributable to taxable sales of such seller that have become uncollectable. Any deduction  
3 taken that is attributed to bad debts shall not include interest.**

4 **2. The amount of the bad debt deduction shall be calculated under 26 U.S.C.  
5 Section 166(b), as amended, except that such amount shall be adjusted to exclude financing  
6 charges or interest, sales, or use taxes charged on the purchase price, uncollectable  
7 amounts on property that remain in the possession of the seller until the full purchase price  
8 is paid, and expenses incurred in attempting to collect any debt or repossessed property.**

9 **3. Bad debts may be deducted on the return for the period during which the bad  
10 debt is written off as uncollectable in the seller's books and records and is eligible to be  
11 deducted for federal income tax purposes. For purposes of this subsection, a seller who is  
12 not required to file federal income tax returns may deduct bad debt on a return filed for  
13 the period in which the bad debt is written off as uncollectable in the seller's books and  
14 records and would be eligible for a bad debt deduction for federal income tax purposes if  
15 the seller was required to file a federal income tax return.**

16 **4. If a deduction is taken for a bad debt and the debt is subsequently collected in  
17 whole or in part, the tax on the amount so collected shall be paid and reported on the  
18 return filed for the period in which the collection is made.**

19 **5. If the amount of bad debt exceeds the amount of taxable sales for the period  
20 during which the bad debt is written off, a refund claim may be filed by the seller within  
21 the applicable statute of limitations for a refund claim; however, the statute of limitations**

22 shall be measured from the due date of the return on which the bad debt could first be  
23 claimed.

24 6. If filing responsibilities have been assumed by a certified service provider, such  
25 service provider may claim, on behalf of the seller, any bad debt allowance provided by  
26 this section. The certified service provider shall credit or refund the full amount of any  
27 bad debt allowance or refund received to the seller.

28 7. For the purposes of reporting a payment received on a previously claimed bad  
29 debt, any payments made on a debt or account shall first be applied proportionally to the  
30 taxable price of the property or service and the sales tax thereon, and secondly to interest,  
31 service charges, and any other charges.

32 8. In situations if the books and records of the seller, or certified service provider  
33 on behalf of the seller, claiming the bad debt allowance support an allocation of the bad  
34 debts among the member states, such an allocation shall be permitted.

144.106. 1. No purchaser shall be liable for a penalty for failure to pay the correct  
2 amount of sales or use tax in the following circumstances:

3 (1) A purchaser's seller or CSP relied on erroneous data on tax rates, boundaries,  
4 taxing jurisdiction assignments, or in the taxability matrix promulgated by the director as  
5 described in sections 144.123 and 144.124;

6 (2) A purchaser holding a direct pay permit relied on erroneous data on tax rates,  
7 boundaries, taxing jurisdiction assignments, or in the taxability matrix promulgated by the  
8 director as described in sections 144.123 and 144.124;

9 (3) A purchaser relied on erroneous data in the taxability matrix promulgated by  
10 the director as described in section 144.124; or

11 (4) A purchaser relied on erroneous data on tax rates, boundaries, or taxing  
12 jurisdiction assignments promulgated by the director as described in section 144.123.

13 2. No purchaser shall be liable for tax and interest for having failed to pay the  
14 correct amount of sales or use tax in the circumstances described in subsection 1 of section  
15 144.106, provided that, with respect to reliance on the taxability matrix promulgated by  
16 the director as described in section 144.124, such relief is limited to the erroneous  
17 classification in the taxability matrix of terms included in the Library of Definitions as  
18 "taxable" or "exempt", "included in sales price" or "excluded from sales price", or  
19 "included in the definition" or "excluded from the definition".

20 3. For purposes of this section, the term "penalty" means an amount imposed for  
21 noncompliance that is not fraudulent, willful, or intentional which is in addition to the  
22 correct amount of sales or use tax and interest.

144.112. 1. The state shall review software submitted to the streamlined sales and use tax governing board for certification as a certified automated system (CAS) under Section 501 of the streamlined sales and use tax agreement. Such review shall include a determination whether the program adequately classifies the state's product-based exemptions. Upon completion of the review, the state shall certify to the governing board its acceptance of the classifications made by the system. The state shall relieve a certified service provider (CSP) or model 2 seller from liability to this state and its local jurisdictions for failure to collect sales or use taxes resulting from the CSP or model 2 seller's reliance on the certification provided by the state.

2. The streamlined sales and use tax governing board and this state shall not be responsible for classification of an item or transaction with the product-based exemptions. The relief from liability provided in this section shall not be available for a CSP or model 2 seller that has incorrectly classified an item or transaction into a product-based exemption certified by this state. This subsection shall apply to the individual listing of items or transactions within a product definition approved by the governing board or the state.

3. If the state determines that an item or transaction is incorrectly classified as to its taxability, it shall notify the CSP or model 2 seller of the incorrect classification. The CSP or model 2 seller shall have ten days to revise the classification after receipt of notice from the state of the determination. Upon expiration of the ten days, such CSP or model 2 seller shall be liable for failure to collect the correct amount of sales or use taxes due and owing to the state.

144.123. 1. The director shall provide and maintain a database that describes boundary changes for all taxing jurisdictions and the effective dates of such changes for sales and use tax purposes.

2. The director shall provide and maintain a database of all sales and use tax rates for all taxing jurisdictions. For the identification of counties and cities, codes corresponding to the rates shall be provided according to Federal Information Processing Standards (FIPS) as developed by the National Institute of Standards and Technology. For the identification of all other jurisdictions, codes corresponding to the rates shall be in a format determined by the director.

3. The director shall provide and maintain a database that assigns each five- and nine-digit zip code to the proper rates and taxing jurisdictions. The lowest combined tax rate imposed in the zip code area shall apply if the area includes more than one tax rate in any level of taxing jurisdiction. If a nine-digit zip code designation is not available for a street address, or if a seller or a certified service provider (CSP) is unable to determine the

15 **nine-digit zip code designation applicable to a purchase after exercising due diligence to**  
16 **determine the designation, the seller or CSP may apply the rate for the five-digit zip code**  
17 **area. For purposes of this section, there shall be a rebuttable presumption that a seller or**  
18 **CSP has exercised due diligence if the seller has attempted to determine the nine-digit zip**  
19 **code designation by utilizing software approved by the director that makes this designation**  
20 **from the street address and the five-digit zip code applicable to a purchase.**

21 **4. The director may provide address-based boundary database records for**  
22 **assigning taxing jurisdictions and associated rates which shall be in addition to the**  
23 **requirements of subsection 3 of this section. The database records shall be in the same**  
24 **approved format as the database records required under subsection 3 of this section and**  
25 **shall meet the requirements developed under the federal Mobile Telecommunications**  
26 **Sourcing Act, 4 U.S.C. Section 119(a), as amended. If the director develops address-based**  
27 **assignment database records pursuant to the agreement, sellers that register under the**  
28 **agreement shall be required to use such database. A seller or CSP shall use such database**  
29 **records in place of the five- and nine-digit zip code database records provided for in**  
30 **subsection 3 of this section. If a seller or CSP is unable to determine the applicable rate**  
31 **and jurisdiction using an address-based database record after exercising due diligence, the**  
32 **seller or CSP may apply the nine-digit zip code designation applicable to a purchase. If a**  
33 **nine-digit zip code designation is not available for a street address or if a seller or CSP is**  
34 **unable to determine the nine-digit zip code designation applicable to a purchase after**  
35 **exercising due diligence to determine the designation, the seller or CSP may apply the rate**  
36 **for the five-digit zip code area. For the purposes of this section, there shall be a rebuttable**  
37 **presumption that a seller or CSP has exercised due diligence if the seller or CSP has**  
38 **attempted to determine the tax rate and jurisdiction by utilizing software approved by the**  
39 **director and makes the assignment from the address and zip code information applicable**  
40 **to the purchase. If the director has met the requirements of subsection 3 of this section, the**  
41 **director may also elect to certify vendor provided address-based databases for assigning**  
42 **tax rates and jurisdictions. The databases shall be in the same approved format as the**  
43 **database records under this section and meet the requirements developed under the federal**  
44 **Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a), as amended. If the**  
45 **director certifies a vendor address-based database, a seller or CSP may use such database**  
46 **in place of the database provided for in this subsection.**

47 **5. The electronic databases provided for in subsections 1, 2, 3, and 4 of this section**  
48 **shall be in a downloadable format as determined by the director. The databases may be**  
49 **directly provided by the director or provided by a vendor as designated by the director.**  
50 **A database provided by a vendor as designated by the director shall be applicable and**

51 subject to the provisions of section 144.1031 and this section. The databases shall be  
52 provided at no cost to the user of the database. The provisions of subsections 3 and 4 of  
53 this section shall not apply if the purchased product is received by the purchaser at the  
54 business location of the seller.

55 6. No seller or CSP shall be liable for reliance upon erroneous data provided by the  
56 director on tax rates, boundaries, or taxing jurisdiction assignments.

144.124. 1. The director shall complete a taxability matrix. The state's entries in  
2 the matrix shall be provided and maintained by the director in a database that is in a  
3 downloadable format.

4 2. The director shall provide reasonable notice of changes in the taxability of the  
5 products or services listed in the taxability matrix.

6 3. A seller or certified service provider (CSP) shall be relieved from liability to this  
7 state or any local taxing jurisdiction for having charged and collected the incorrect amount  
8 of state or local sales or use tax resulting from such seller's or CSP's reliance upon  
9 erroneous data provided by the director in the taxability matrix.

144.125. 1. (1) Amnesty shall be granted for uncollected or unpaid sales or use tax  
2 to a seller who registers to pay or to collect and remit applicable sales or use tax on sales  
3 made to purchasers in this state in accordance with the terms of the agreement, provided  
4 that the seller was not so registered in this state in the twelve-month period preceding the  
5 effective date of this state's participation in the agreement.

6 (2) Amnesty shall preclude assessment for uncollected or unpaid sales or use tax  
7 together with penalty or interest for sales made during the period the seller was not  
8 registered in this state, provided registration occurs within twelve months of the effective  
9 date of this state's participation in the agreement.

10 (3) Amnesty shall be provided if this state joins the agreement after the seller has  
11 registered.

12 2. Amnesty shall not be available to a seller with respect to any matter or matters  
13 for which the seller received notice of the commencement of an audit and which audit is  
14 not yet finally resolved including any related administrative and judicial processes. The  
15 amnesty shall not be available for sales or use taxes already paid or remitted to this state  
16 or to taxes collected by the seller.

17 3. Amnesty provided under this section shall be fully effective, absent the seller's  
18 fraud or intentional misrepresentation of a material fact, as long as the seller continues  
19 registration and payment or collection and remittance of applicable sales or use taxes for  
20 a period of at least thirty-six months. The statute of limitations applicable to asserting a  
21 tax liability during this thirty-six month period shall be tolled.

22           **4. Amnesty provided under this section shall be applicable only to sales or use taxes**  
23 **due from a seller in its capacity as a seller and not to sales or use taxes due from a seller in**  
24 **its capacity as a purchaser.**

25           **5. The provisions of this section shall become effective as of the date that the state**  
26 **joins and becomes a member state of the agreement.**

144.140. 1. From every remittance to the director of revenue made on or before the date  
2 when the same becomes due, the person required to remit the same shall be entitled to deduct and  
3 retain an amount equal to two percent thereof.

4           **2. If the director of the department of revenue enters into the streamlined sales and**  
5 **use tax agreement under section 32.070, the director shall provide a monetary allowance**  
6 **from the taxes collected to CSPs as determined by the streamlined sales and use tax**  
7 **agreement in accordance with the streamlined sales and use tax agreement. No seller using**  
8 **a CSP that receives an allowance under this subsection shall be permitted to deduct and**  
9 **retain any amounts under subsection 1.**

144.210. 1. The burden of proving that a sale of tangible personal property, services,  
2 substances or things was not a sale at retail shall be upon the person who made the sale, except  
3 that with respect to sales, services, or transactions provided for in section 144.070. [The seller  
4 shall obtain and maintain exemption certificates signed by the purchaser or his agent as evidence  
5 for any exempt sales claimed; provided, however, that before any administrative tribunal of this  
6 state, a seller may prove that sale is exempt from tax under this chapter in accordance with proof  
7 admissible under the applicable rules of evidence; except that when a purchaser has purchased  
8 tangible personal property or services sales tax free under a claim of exemption which is found  
9 to be improper, the director of revenue may collect the proper amount of tax, interest, additions  
10 to tax and penalty from the purchaser directly. Any tax, interest, additions to tax or penalty  
11 collected by the director from the purchaser shall be credited against the amount otherwise due  
12 from the seller on the purchases or sales where the exemption was claimed.]

13           2. If the director of revenue is not satisfied with the return and payment of the tax made  
14 by any person, he is hereby authorized and empowered to make an additional assessment of tax  
15 due from such person, based upon the facts contained in the return or upon any information  
16 within his possession or that shall come into his possession.

17           3. The director of revenue shall give to the person written notice of such additional or  
18 revised assessment by certified or registered mail to the person at his or its last known address.

**144.212. 1. In addition to all other provisions of law provided for exemptions, if an**  
2 **exemption is claimed by a purchaser:**

3           **(1) The seller shall obtain identifying information of the purchaser and the reason**  
4 **for claiming a tax exemption at the time of the purchase;**

5           **(2) A purchaser shall not be required to provide a signature to claim an exemption**  
6 **from tax unless a paper exemption certificate is used;**

7           **(3) The seller shall use the standard form for claiming an exemption electronically**  
8 **prescribed by the director of the department of revenue and acceptable to the streamlined**  
9 **sales and use tax governing board;**

10           **(4) The seller shall obtain the same information for proof of a claimed exemption**  
11 **regardless of the medium in which the transaction occurred;**

12           **(5) The seller shall maintain proper records of exempt transactions and provide**  
13 **such records to the director of the department of revenue or the director's designee upon**  
14 **request;**

15           **(6) In the case of drop shipment sales, a third-party vendor, such as a drop shipper,**  
16 **may claim a resale exemption based on an exemption certificate provided by its customer**  
17 **or any other acceptable information available to the third-party vendor evidencing**  
18 **qualification for a resale exemption, regardless of whether the customer is registered to**  
19 **collect and remit sales and use tax in the state where the sale is sourced.**

20           **2. (1) Sellers that comply with the requirements of this section shall be relieved**  
21 **from collecting and remitting tax otherwise applicable if it is determined that the**  
22 **purchaser improperly claimed an exemption and such purchaser shall be liable for the**  
23 **nonpayment of tax. Relief from liability provided under this section shall not apply to a**  
24 **seller who fraudulently fails to collect tax, to a seller who solicits purchasers to participate**  
25 **in the unlawful claim of an exemption, to a seller who accepts an exemption certificate if**  
26 **the purchaser claims an entity-based exemption if the subject of the transaction sought to**  
27 **be covered by the exemption certificate is actually received by the purchaser at a location**  
28 **operated by the seller and the state in which that location resides provides an exemption**  
29 **certificate that clearly and affirmatively indicates that the claimed exemption is not**  
30 **available in such state, or to a seller who accepts an exemption certificate claiming multiple**  
31 **points of use for tangible personal property other than computer software for which an**  
32 **exemption claiming multiple points of use is not available in such state.**

33           **(2) A seller shall be relieved from collecting and remitting tax otherwise applicable**  
34 **if the seller obtains a fully completed exemption certificate or captures the relevant data**  
35 **elements required under the agreement within ninety days subsequent to the date of sale.**

36           **(3) If a seller fails to obtain an exemption certificate or all relevant data elements**  
37 **as provided in this section, the seller may, within one hundred twenty days subsequent to**  
38 **a request for substantiation by the director of the department of revenue or the director's**  
39 **designee, either prove that the transaction was not subject to tax by other means or obtain**  
40 **a fully completed exemption certificate from the purchaser, taken in good faith.**

41           **3. Nothing in this section shall affect the ability of the director of the department**  
42 **of revenue or the director's designee to require purchasers to update exemption certificate**  
43 **information or to reapply with the state to claim certain exemptions.**

44           **4. Notwithstanding the provisions of subsection 2 of this section to the contrary, the**  
45 **director shall relieve a seller of the tax otherwise applicable if the seller obtains a blanket**  
46 **exemption certificate for a purchaser with which the seller has a recurring business**  
47 **relationship. The director shall not request from the seller renewal of blanket certificates**  
48 **or updates of exemption certificate information or data elements if there is a recurring**  
49 **business relationship between the buyer and seller. For purposes of this section, a**  
50 **recurring business relationship exists when a period of no more than twelve months elapses**  
51 **between sales transactions.**

          144.285. 1. [In order to permit sellers required to collect and report the sales tax to  
2 collect the amount required to be reported and remitted, but not to change the requirements of  
3 reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of  
4 pennies, the director of revenue shall establish brackets, showing the amounts of tax to be  
5 collected on sales of specified amounts, which shall be applicable to all taxable transactions]  
6 **When the seller is computing the amount of tax owed by the purchaser and remitted to the**  
7 **state:**

8           **(1) Tax computation shall be carried to the third decimal place; and**

9           **(2) The tax shall be rounded to a whole cent using a method that rounds up to the**  
10 **next cent whenever the third decimal place is greater than four.**

11           2. [In all instances where statements covering taxable purchases are rendered to the  
12 taxpayer on a monthly or other periodic basis, the amount of tax shall be determined by applying  
13 the applicable tax rate to the taxable purchases represented on the statement, rounded to the  
14 nearest whole cent, or by application of the brackets established by the director of revenue, at the  
15 option of the retail vendor] **Sellers may elect to compute the tax due on a transaction on an**  
16 **item or an invoice basis. The provision of this subsection may be applied to the aggregated**  
17 **state and local taxes.**

18           3. No vendor or seller shall knowingly charge or receive from a purchaser as a sales tax  
19 any sum in excess of the sums provided for in this section.

20           4. [A vendor may, at his option, determine the amount charged to and received from each  
21 purchaser by use of a formula which applies the applicable tax rate to each taxable purchase,  
22 rounded to the nearest whole cent. The formula shall be uniformly and consistently applied to  
23 all purchases similarly situated.

24           5.] Amounts which a vendor charges to and receives from the purchaser in accordance  
25 with this section shall not be includable in his gross receipts if the amounts are separately  
26 charged or stated.

27           [6.] 5. If sales tax for one or more local political subdivisions is owed by a taxpayer  
28 pursuant to chapter 66, 67, 92, or 94 and that taxpayer remits less than all sales tax due for a  
29 filing period specified in section 144.080, the director of revenue shall deposit the tax remitted  
30 proportionately to each taxing jurisdiction in accordance with the percentage that each such  
31 jurisdiction's share of the tax due for the filing period bears to the total tax due from such  
32 taxpayer for such period. The unpaid balance due along with penalties and interest shall be  
33 similarly prorated among the state and all local jurisdictions for which tax was due during the  
34 filing period for which an underpayment occurs. The provisions of this subsection shall apply  
35 to all returns or remittances relating to sales made on or after January 1, 1984.

          144.517. In addition to the exemptions granted pursuant to section 144.030, there shall  
2 also be exempted from state sales and use taxes all sales of [textbooks] **school instructional**

14 on April twenty-fifth.

15 [4. A political subdivision may allow the sales tax holiday under this section to apply to  
16 its local sales taxes by enacting an ordinance to that effect. Any such political subdivision shall  
17 notify the department of revenue not less than forty-five calendar days prior to the beginning date  
18 of the sales tax holiday occurring in that year of any such ordinance or order.

19 5. This section may not apply to any retailer when less than two percent of the retailer's  
20 merchandise offered for sale qualifies for the sales tax holiday. The retailer shall offer a sales  
21 tax refund in lieu of the sales tax holiday.]

144.655. 1. Every vendor, on or before the last day of the month following each calendar  
2 quarterly period of three months, shall file with the director of revenue a return of all taxes  
3 collected for the preceding quarter in the form prescribed by the director of revenue, showing the  
4 total sales price of the tangible personal property sold by the vendor, the storage, use or  
5 consumption of which is subject to the tax levied by this law, and other information the director  
6 of revenue deems necessary. The return shall be accompanied by a remittance of the amount of  
7 the tax required to be collected by the vendor during the period covered by the return. Returns  
8 shall be signed by the vendor or the vendor's authorized agent. The director of revenue may  
9 promulgate rules or regulations changing the filing and payment requirements of vendors, but  
10 shall not require any vendor to file and pay more frequently than required in this section.

11 2. Where the aggregate amount of tax required to be collected by a vendor is in excess  
12 of two hundred and fifty dollars for either the first or second month of a calendar quarter, the  
13 vendor shall pay such aggregate amount for such months to the director of revenue by the  
14 twentieth day of the succeeding month. The amount so paid shall be allowed as a credit against  
15 the liability shown on the vendor's quarterly return required by this section.

16 3. Where the aggregate amount of tax required to be collected by a vendor is less than  
17 forty-five dollars in a calendar quarter, the director of revenue shall by regulation permit the  
18 vendor to file a return for a calendar year. The return shall be filed and the taxes paid on or  
19 before January thirty-first of the succeeding year.

20 4. Except as provided in subsection 5 of this section, every person purchasing tangible  
21 personal property, the storage, use or consumption of which is subject to the tax levied by  
22 sections 144.600 to 144.748, who has not paid the tax due to a vendor registered in accordance  
23 with the provisions of section 144.650, shall file with the director of revenue a return for the  
24 preceding reporting period in the form and manner that the director of revenue prescribes,  
25 showing the total sales price of the tangible property purchased during the preceding reporting  
26 period and any other information that the director of revenue deems necessary for the proper

27 administration of sections 144.600 to 144.748. The return shall be accompanied by a remittance  
28 of the amount of the tax required by sections 144.600 to 144.748 to be paid by the person.  
29 Returns shall be signed by the person liable for the tax or such person's duly authorized agent.  
30 For purposes of this subsection, the reporting period shall be determined by the director of  
31 revenue and may be a calendar quarter or a calendar year. Annual returns and payments required  
32 by the director pursuant to this subsection shall be due on or before April fifteenth of the year  
33 for the preceding calendar year and quarterly returns and payments shall be due on or before the  
34 last day of the month following each calendar period of three months. Upon the taxpayer's  
35 request, the director may allow the filing of such returns and payments on a monthly basis. If  
36 a taxpayer elects to file a monthly return and payment, such return and payment shall be due on  
37 or before the twentieth day of the succeeding month.

38         5. Any person purchasing tangible personal property subject to the taxes imposed by  
39 sections 144.600 to 144.748 shall not be required to file a use tax return with the director of  
40 revenue if such purchases on which such taxes were not paid do not exceed in the aggregate two  
41 thousand dollars in any calendar year.

42         6. Nothing in subsection 5 of this section shall relieve a vendor of liability to collect the  
43 tax imposed pursuant to sections 144.600 to 144.748 on the total gross receipts of all sales of  
44 tangible personal property used, stored or consumed in this state and to remit all taxes collected  
45 to the director of revenue in accordance with the provisions of this section nor shall it relieve a  
46 purchaser from paying such taxes to a vendor registered in accordance with the provisions of  
47 section 144.650.

48         **7. Any out-of-state seller that is not legally required to register for use tax in this**  
49 **state but chooses to collect and remit use tax under sections 144.600 to 144.761 shall file a**  
50 **return for the calendar year. The return shall be filed and the taxes paid on or before**  
51 **January thirty-first of the succeeding year. In the event that any out-of-state seller that is**

53 **tax under sections 144.600 to 144.761 has accumulated state and local use tax funds in an**  
54 **amount equal to one thousand dollars or more, such vendor shall file a return and remit**  
55 **the amount due for the month in which the accumulated state and local use tax funds equal**  
56 **or exceed one thousand dollars.**

144.710. [From every remittance made by a vendor as required by sections 144.600 to  
2 144.745 to the director of revenue on or before the date when the remittance becomes due, the  
3 vendor may deduct and retain an amount equal to two percent thereof.] **Any person receiving**  
4 **an allowance under subsection 2 of section 144.140 shall not be entitled simultaneously to**  
5 **deduct the allowance provided for in subsection 1 of section 144.140.**

184.845. 1. The board of the district may impose a museum and cultural district sales tax by resolution on all retail sales made in such museum and cultural district which are subject to taxation pursuant to the provisions of sections 144.010 to 144.525. Such museum and cultural district sales tax may be imposed for any museum or cultural purpose designated by the board of the museum and cultural district. If the resolution is adopted the board of the district may submit the question of whether to impose a sales tax authorized by this section to the qualified voters, who shall have the same voting interests as with the election of members of the board of the district.

2. The sales tax authorized by this section shall become effective on the first day of the second calendar quarter [following adoption of the tax by the board or qualified voters, if the board elects to submit the question of whether to impose a sales tax to the qualified voters] **after the director of revenue receives notification of the adoption of the local sales tax.**

3. In each museum and cultural district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the museum and cultural district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

4. In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the museum and cultural district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

5. All revenue received by a museum and cultural district from the tax authorized by this section which has been designated for a certain museum or cultural purpose shall be deposited in a special trust fund and shall be used solely for such designated purpose. All funds remaining in the special trust fund shall continue to be used solely for such designated museum or cultural purpose. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors in accordance with applicable laws relating to the investment of other museum or cultural district funds.

6. The sales tax may be imposed at a rate of one-half of one percent, three-fourths of one percent or one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the museum and cultural district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525. Any museum and cultural district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

37           7. On and after the effective date of any tax imposed pursuant to this section, the  
38 [museum and cultural district] **director of revenue** shall perform all functions incident to the  
39 administration, collection, enforcement, and operation of the tax. The tax imposed pursuant to  
40 this section shall be collected and reported upon such forms and under such administrative rules  
41 and regulations as may be prescribed by the [museum and cultural district] **director**.

42           8. All applicable provisions contained in sections 144.010 to 144.525 governing the state  
43 sales tax, sections 32.085 and 32.087, and section 32.057, the uniform confidentiality provision,  
44 shall apply to the collection of the tax imposed by this section, except as modified in this section.  
45 All revenue collected under this section by the director of the department of revenue on behalf  
46 of the museum and cultural districts, except for one percent for the cost of collection which shall  
47 be deposited in the state's general revenue fund, shall be deposited in a special trust fund, which  
48 is hereby created and shall be known as the "Missouri Museum Cultural District Tax Fund", and  
49 shall be used solely for such designated purpose. Moneys in the fund shall not be deemed to be  
50 state funds, and shall not be commingled with any funds of the state. The director may make  
51 refunds from the amounts in the fund and credited to the district for erroneous payments and  
52 overpayments made, and may redeem dishonored checks and drafts deposited to the credit of  
53 such county.

54           9. All exemptions granted to agencies of government, organizations, persons and to the  
55 sale of certain articles and items of tangible personal property and taxable services pursuant to  
56 the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and  
57 collection of the tax imposed by this section.

58           10. The same sales tax permit, exemption certificate and retail certificate required by  
59 sections 144.010 to 144.525 for the administration and collection of the state sales tax shall  
60 satisfy the requirements of this section, and no additional permit or exemption certificate or retail  
61 certificate shall be required; except that the museum and cultural district may prescribe a form  
62 of exemption certificate for an exemption from the tax imposed by this section.

63           11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for  
64 violation of those sections are hereby made applicable to violations of this section.

65           12. For the purpose of a sales tax imposed by a resolution pursuant to this section, all  
66 retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place  
67 of business of the retailer unless the tangible personal property sold is delivered by the retailer  
68 or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an  
69 out-of-state destination. In the event a retailer has more than one place of business in this state  
70 which participates in the sale, the sale shall be deemed to be consummated at the place of  
71 business of the retailer where the initial order for the tangible personal property is taken, even  
72 though the order shall be forwarded elsewhere for acceptance, approval of credit, shipment or

73 billing. A sale by a retailer's employee shall be deemed to be consummated at the place of  
74 business from which the employee works.

75 13. All sales taxes collected by the museum and cultural district shall be deposited by  
76 the museum and cultural district in a special fund to be expended for the purposes authorized in  
77 this section. The museum and cultural district shall keep accurate records of the amount of  
78 money which was collected pursuant to this section, and the records shall be open to the  
79 inspection by the officers and directors of each museum and cultural district and the Missouri  
80 department of revenue. Tax returns filed by businesses within the district shall otherwise be  
81 considered as confidential in the same manner as sales tax returns filed with the Missouri  
82 department of revenue.

83 14. No museum and cultural district imposing a sales tax pursuant to this section may  
84 repeal or amend such sales tax unless such repeal or amendment will not impair the district's  
85 ability to repay any liabilities which it has incurred, money which it has borrowed or revenue  
86 bonds, notes or other obligations which it has issued or which have been issued to finance any  
87 project or projects.

221.407. 1. The commission of any regional jail district may impose, by order, a sales  
2 tax in the amount of one-eighth of one percent, one-fourth of one percent, three-eighths of one  
3 percent, or one-half of one percent on all retail sales made in such region which are subject to  
4 taxation pursuant to the provisions of sections 144.010 to 144.525 for the purpose of providing  
5 jail services and court facilities and equipment for such region. The tax authorized by this  
6 section shall be in addition to any and all other sales taxes allowed by law, except that no order  
7 imposing a sales tax pursuant to this section shall be effective unless the commission submits  
8 to the voters of the district, on any election date authorized in chapter 115, a proposal to  
9 authorize the commission to impose a tax.

10 2. The ballot of submission shall contain, but need not be limited to, the following  
11 language:

12 Shall the regional jail district of ..... (counties' names) impose a region-wide  
13 sales tax of ..... (insert amount) for the purpose of providing jail services and court  
14 facilities and equipment for the region?

15  YES  NO

16 If you are in favor of the question, place an "X" in the box opposite "Yes". If you are opposed  
17 to the question, place an "X" in the box opposite "No".

18

19 If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon  
20 are in favor of the proposal, then the order and any amendment to such order shall be in effect  
21 on the first day of the second **calendar** quarter [immediately following the election approving

22 the proposal] **after the director of revenue receives notification of adoption of the local sales**  
23 **tax.** If the proposal receives less than the required majority, the commission shall have no power  
24 to impose the sales tax authorized pursuant to this section unless and until the commission shall  
25 again have submitted another proposal to authorize the commission to impose the sales tax  
26 authorized by this section and such proposal is approved by the required majority of the qualified  
27 voters of the district voting on such proposal; however, in no event shall a proposal pursuant to  
28 this section be submitted to the voters sooner than twelve months from the date of the last  
29 submission of a proposal pursuant to this section.

30           3. All revenue received by a district from the tax authorized pursuant to this section shall  
31 be deposited in a special trust fund and shall be used solely for providing jail services and court  
32 facilities and equipment for such district for so long as the tax shall remain in effect.

33           4. Once the tax authorized by this section is abolished or terminated by any means, all  
34 funds remaining in the special trust fund shall be used solely for providing jail services and court  
35 facilities and equipment for the district. Any funds in such special trust fund which are not  
36 needed for current expenditures may be invested by the commission in accordance with  
37 applicable laws relating to the investment of other county funds.

38           5. All sales taxes collected by the director of revenue pursuant to this section on behalf  
39 of any district, less one percent for cost of collection which shall be deposited in the state's  
40 general revenue fund after payment of premiums for surety bonds as provided in section 32.087,  
41 shall be deposited in a special trust fund, which is hereby created, to be known as the "Regional  
42 Jail District Sales Tax Trust Fund". The moneys in the regional jail district sales tax trust fund  
43 shall not be deemed to be state funds and shall not be commingled with any funds of the state.  
44 The director of revenue shall keep accurate records of the amount of money in the trust fund  
45 which was collected in each district imposing a sales tax pursuant to this section, and the records  
46 shall be open to the inspection of officers of each member county and the public. Not later than  
47 the tenth day of each month the director of revenue shall distribute all moneys deposited in the  
48 trust fund during the preceding month to the district which levied the tax. Such funds shall be  
49 deposited with the treasurer of each such district, and all expenditures of funds arising from the  
50 regional jail district sales tax trust fund shall be paid pursuant to an appropriation adopted by the  
51 commission and shall be approved by the commission. Expenditures may be made from the fund  
52 for any function authorized in the order adopted by the commission submitting the regional jail  
53 district tax to the voters.

54           6. The director of revenue may authorize the state treasurer to make refunds from the  
55 amounts in the trust fund and credited to any district for erroneous payments and overpayments  
56 made, and may redeem dishonored checks and drafts deposited to the credit of such districts.  
57 If any district abolishes the tax, the commission shall notify the director of revenue of the action

58 at least ninety days prior to the effective date of the repeal, and the director of revenue may order  
59 retention in the trust fund, for a period of one year, of two percent of the amount collected after  
60 receipt of such notice to cover possible refunds or overpayment of the tax and to redeem  
61 dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed  
62 after the effective date of abolition of the tax in such district, the director of revenue shall remit  
63 the balance in the account to the district and close the account of that district. The director of  
64 revenue shall notify each district in each instance of any amount refunded or any check redeemed  
65 from receipts due the district.

66 7. Except as provided in this section, all provisions of sections 32.085 [and] to 32.087  
67 shall apply to the tax imposed pursuant to this section.

68 8. The provisions of this section shall expire September 30, 2015.

238.235. 1. (1) Any transportation development district may by resolution impose a  
2 transportation development district sales tax on all retail sales made in such transportation  
3 development district which are subject to taxation pursuant to the provisions of sections 144.010  
4 to 144.525, except such transportation development district sales tax shall not apply to the sale  
5 or use of [motor vehicles, trailers, boats or outboard motors nor to all sales of electricity or  
6 electrical current, water and gas, natural or artificial, nor to sales of service to telephone  
7 subscribers, either local or long distance] **fuels used to power motor vehicles, aircraft,**  
8 **locomotives, or watercraft; electricity, piped natural or artificial gas, or other fuels**  
9 **delivered by the seller; and the retail sales or transfer of motor vehicles, aircraft,**  
10 **watercraft, modular homes, manufactured homes, or mobile homes.** Such transportation  
11 development district sales tax may be imposed for any transportation development purpose  
12 designated by the transportation development district in its ballot of submission to its qualified  
13 voters, except that no resolution enacted pursuant to the authority granted by this section shall  
14 be effective unless:

15 (a) The board of directors of the transportation development district submits to the  
16 qualified voters of the transportation development district a proposal to authorize the board of  
17 directors of the transportation development district to impose or increase the levy of an existing  
18 tax pursuant to the provisions of this section; or

19 (b) The voters approved the question certified by the petition filed pursuant to subsection  
20 5 of section 238.207.

21 (2) If the transportation district submits to the qualified voters of the transportation  
22 development district a proposal to authorize the board of directors of the transportation  
23 development district to impose or increase the levy of an existing tax pursuant to the provisions  
24 of paragraph (a) of subdivision (1) of this subsection, the ballot of submission shall contain, but  
25 need not be limited to, the following language:

26 Shall the transportation development district of ..... (transportation development  
 27 district's name) impose a transportation development district-wide sales tax at the rate of .....  
 28 (insert amount) for a period of ..... (insert number) years from the date on which such tax is  
 29 first imposed for the purpose of ..... (insert transportation development purpose)?

30  YES  NO

31 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
 32 to the question, place an "X" in the box opposite "NO".

33

34 If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor  
 35 of the proposal, then the resolution and any amendments thereto shall be in effect. If a majority  
 36 of the votes cast by the qualified voters voting are opposed to the proposal, then the board of  
 37 directors of the transportation development district shall have no power to impose the sales tax  
 38 authorized by this section unless and until the board of directors of the transportation  
 39 development district shall again have submitted another proposal to authorize it to impose the  
 40 sales tax pursuant to the provisions of this section and such proposal is approved by a majority  
 41 of the qualified voters voting thereon.

42 (3) [The sales tax authorized by this section shall become effective on the first day of the  
 43 second calendar quarter after the department of revenue receives notification of the tax.

44 (4) In each transportation development district in which a sales tax has been imposed in  
 45 the manner provided by this section, every retailer shall add the tax imposed by the transportation  
 46 development district pursuant to this section to the retailer's sale price, and when so added such  
 47 tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid,  
 48 and shall be recoverable at law in the same manner as the purchase price.

49 (5) In order to permit sellers required to collect and report the sales tax authorized by this  
 50 section to collect the amount required to be reported and remitted, but not to change the  
 51 requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid  
 52 fractions of pennies, the transportation development district may establish appropriate brackets  
 53 which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets  
 54 provided in section 144.285.

55 (6) All revenue received by a transportation development district from the tax  
 56 authorized by this section which has been designated for a certain transportation development  
 57 purpose shall be deposited in a special trust fund and shall be used solely for such designated  
 58 purpose. Upon the expiration of the period of years approved by the qualified voters pursuant  
 59 to subdivision (2) of this subsection or if the tax authorized by this section is repealed pursuant  
 60 to subsection 6 of this section, all funds remaining in the special trust fund shall continue to be  
 61 used solely for such designated transportation development purpose. Any funds in such special

62 trust fund which are not needed for current expenditures may be invested by the board of  
63 directors in accordance with applicable laws relating to the investment of other transportation  
64 development district funds.

65       [(7)] (4) The sales tax may be imposed in increments of one-eighth of one percent, up  
66 to a maximum of one percent on the receipts from the sale at retail of all tangible personal  
67 property or taxable services at retail within the transportation development district adopting such  
68 tax, if such property and services are subject to taxation by the state of Missouri pursuant to the  
69 provisions of sections 144.010 to 144.525, except such transportation development district sales  
70 tax shall not apply to the sale or use of motor vehicles, trailers, boats or outboard motors nor to  
71 public utilities. Any transportation development district sales tax imposed pursuant to this  
72 section shall be imposed at a rate that shall be uniform throughout the district.

73       2. The resolution imposing the sales tax pursuant to this section shall impose upon all  
74 sellers a tax for the privilege of engaging in the business of selling tangible personal property or  
75 rendering taxable services at retail to the extent and in the manner provided in sections 144.010  
76 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto;  
77 except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the  
78 tax shall be reported and returned to and collected by the transportation development district.

79       3. [On and after the effective date of any tax imposed pursuant to this section, the  
80 director of revenue shall perform all functions incident to the administration, collection,  
81 enforcement, and operation of the tax, and the director of revenue shall collect, in addition to all  
82 other sales taxes imposed by law, the additional tax authorized pursuant to this section. The tax  
83 imposed pursuant to this section and the taxes imposed pursuant to all other laws of the state of  
84 Missouri shall be collected together and reported upon such forms and pursuant to such  
85 administrative rules and regulations as may be prescribed by the director of revenue.

86       4. (1) All applicable provisions contained in sections 144.010 to 144.525, governing the  
87 state sales tax, sections 32.085 and 32.087 and section 32.057, the uniform confidentiality  
88 provision, shall apply to the collection of the tax imposed by this section, except as modified in  
89 this section.

90       (2) All exemptions granted to agencies of government, organizations, persons and to the  
91 sale of certain articles and items of tangible personal property and taxable services pursuant to  
92 the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and  
93 collection of the tax imposed by this section.

94       (3) The same sales tax permit, exemption certificate and retail certificate required by  
95 sections 144.010 to 144.525 for the administration and collection of the state sales tax shall  
96 satisfy the requirements of this section, and no additional permit or exemption certificate or retail

97 certificate shall be required; except that the transportation development district may prescribe  
98 a form of exemption certificate for an exemption from the tax imposed by this section.

99 (4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws  
100 for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made  
101 applicable to any taxes collected pursuant to the provisions of this section.

102 (5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for  
103 violation of those sections are hereby made applicable to violations of this section.

104 (6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all  
105 retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place  
106 of business of the retailer unless the tangible personal property sold is delivered by the retailer  
107 or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an  
108 out-of-state destination. In the event a retailer has more than one place of business in this state  
109 which participates in the sale, the sale shall be deemed to be consummated at the place of  
110 business of the retailer where the initial order for the tangible personal property is taken, even  
111 though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or  
112 billing. A sale by a retailer's employee shall be deemed to be consummated at the place of  
113 business from which the employee works.

114 5.] All sales taxes received by the transportation development district shall be deposited  
115 by the director of revenue in a special fund to be expended for the purposes authorized in this  
116 section. The director of revenue shall keep accurate records of the amount of money which was  
117 collected pursuant to this section, and the records shall be open to the inspection of officers of  
118 each transportation development district and the general public.

119 [6.] 4. (1) No transportation development district imposing a sales tax pursuant to this  
120 section may repeal or amend such sales tax unless such repeal or amendment will not impair the  
121 district's ability to repay any liabilities which it has incurred, money which it has borrowed or  
122 revenue bonds, notes or other obligations which it has issued or which have been issued by the  
123 commission or any local transportation authority to finance any project or projects.

124 (2) Whenever the board of directors of any transportation development district in which  
125 a transportation development sales tax has been imposed in the manner provided by this section  
126 receives a petition, signed by ten percent of the qualified voters calling for an election to repeal  
127 such transportation development sales tax, the board of directors shall, if such repeal will not  
128 impair the district's ability to repay any liabilities which it has incurred, money which it has  
129 borrowed or revenue bonds, notes or other obligations which it has issued or which have been  
130 issued by the commission or any local transportation authority to finance any project or projects,  
131 submit to the qualified voters of such transportation development district a proposal to repeal the  
132 transportation development sales tax imposed pursuant to the provisions of this section. If a

133 majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of  
 134 the proposal to repeal the transportation development sales tax, then the resolution imposing the  
 135 transportation development sales tax, along with any amendments thereto, is repealed. If a  
 136 majority of the votes cast by the qualified voters voting thereon are opposed to the proposal to  
 137 repeal the transportation development sales tax, then the ordinance or resolution imposing the  
 138 transportation development sales tax, along with any amendments thereto, shall remain in effect.

139 [7.] **5.** Notwithstanding any provision of sections 99.800 to 99.865 and this section to  
 140 the contrary, the sales tax imposed by a district whose project is a public mass transportation  
 141 system shall not be considered economic activity taxes as such term is defined under sections  
 142 99.805 and 99.918 and shall not be subject to allocation under the provisions of subsection 3 of  
 143 section 99.845, or subsection 4 of section 99.957.

144 **6. After the effective date of any tax imposed under the provisions of this section,**  
 145 **the director of revenue shall perform all functions incident to the administration,**  
 146 **collection, enforcement, and operation of the tax and collect, in addition to the sales tax for**  
 147 **the state of Missouri, the additional tax authorized under the authority of this section. The**  
 148 **tax imposed under this section and the tax imposed under the sales tax law of the state of**  
 149 **Missouri shall be collected together and reported upon such forms and under such**  
 150 **administrative rules and regulations as may be prescribed by the director of revenue.**

151 **7. Except as provided in this section, all provisions of sections 32.085 to 32.087 shall**  
 152 **apply to the tax imposed under this section.**

238.410. 1. Any county transit authority established pursuant to section 238.400 may  
 2 impose a sales tax of up to one percent on all retail sales made in such county which are subject  
 3 to taxation under the provisions of sections 144.010 to 144.525. The tax authorized by this  
 4 section shall be in addition to any and all other sales taxes allowed by law, except that no sales  
 5 tax imposed under the provisions of this section shall be effective unless the governing body of  
 6 the county, on behalf of the transit authority, submits to the voters of the county, at a county or  
 7 state general, primary or special election, a proposal to authorize the transit authority to impose  
 8 a tax.

9 2. The ballot of submission shall contain, but need not be limited to, the following  
 10 language:

11 Shall the ..... Transit Authority impose a countywide sales tax of ..... (insert  
 12 amount) in order to provide revenues for the operation of transportation facilities operated by the  
 13 transit authority?

14  YES  NO

15 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed  
 16 to the question, place an "X" in the box opposite "NO".

17 If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor  
18 of the proposal, then the tax shall become effective on the first day of the second calendar quarter  
19 following notification to the department of revenue of adoption of the tax. If a majority of the  
20 votes cast by the qualified voters voting are opposed to the proposal, then the transit authority  
21 shall have no power to impose the sales tax authorized by this section unless and until another  
22 proposal to authorize the transit authority to impose the sales tax authorized by this section has  
23 been submitted and such proposal is approved by a majority of the qualified voters voting  
24 thereon.

25         3. All revenue received by the transit authority from the tax authorized under the  
26 provisions of this section shall be deposited in a special trust fund and shall be used solely by the  
27 transit authority for construction, purchase, lease, maintenance and operation of transportation  
28 facilities located within the county for so long as the tax shall remain in effect. Any funds in  
29 such special trust fund which are not needed for current expenditures may be invested by the  
30 transit authority in accordance with applicable laws relating to the investment of county funds.

31         4. No transit authority imposing a sales tax pursuant to this section may repeal or amend  
32 such sales tax unless such repeal or amendment is submitted to and approved by the voters of the  
33 county in the same manner as provided in subsection 1 of this section for approval of such tax.  
34 Whenever the governing body of any county in which a sales tax has been imposed in the manner  
35 provided by this section receives a petition, signed by ten percent of the registered voters of such  
36 county voting in the last gubernatorial election, calling for an election to repeal such sales tax,  
37 the governing body shall submit to the voters of such county a proposal to repeal the sales tax  
38 imposed under the provisions of this section. If a majority of the votes cast on the proposal by  
39 the registered voters voting thereon are in favor of the proposal to repeal the sales tax, then such  
40 sales tax is repealed. If a majority of the votes cast by the registered voters voting thereon are  
41 opposed to the proposal to repeal the sales tax, then such sales tax shall remain in effect.

42         5. The sales tax imposed under the provisions of this section shall impose upon all sellers  
43 a tax for the privilege of engaging in the business of selling tangible personal property or  
44 rendering taxable services at retail to the extent and in the manner provided in sections 144.010  
45 to 144.525 and the rules and regulations of the director of revenue issued pursuant thereto;  
46 except that the rate of the tax shall be the rate approved pursuant to this section. The amount  
47 reported and returned to the director of revenue by the seller shall be computed on the basis of  
48 the combined rate of the tax imposed by sections 144.010 to 144.525 and the tax imposed by this  
49 section, plus any amounts imposed under other provisions of law.

50         6. After the effective date of any tax imposed under the provisions of this section, the  
51 director of revenue shall perform all functions incident to the administration, collection,  
52 enforcement, and operation of the tax, and the director of revenue shall collect in addition to the

53 sales tax for the state of Missouri the additional tax authorized under the authority of this section.  
54 The tax imposed under this section and the tax imposed under the sales tax law of the state of  
55 Missouri shall be collected together and reported upon such forms and under such administrative  
56 rules and regulations as may be prescribed by the director of revenue. In order to permit sellers  
57 required to collect and report the sales tax to collect the amount required to be reported and  
58 remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy  
59 of the tax, and in order to avoid fractions of pennies, the applicable provisions of section 144.285  
60 shall apply to all taxable transactions.

61 7. All applicable provisions contained in sections 144.010 to 144.525 governing the state  
62 sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection  
63 of the tax imposed by this section, except as modified in this section. All exemptions granted  
64 to agencies of government, organizations, persons and to the sale of certain articles and items  
65 of tangible personal property and taxable services under the provisions of sections 144.010 to  
66 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this  
67 section. The same sales tax permit, exemption certificate and retail certificate required by  
68 sections 144.010 to 144.525 for the administration and collection of the state sales tax shall  
69 satisfy the requirements of this section, and no additional permit or exemption certificate or retail  
70 certificate shall be required; except that the director of revenue may prescribe a form of  
71 exemption certificate for an exemption from the tax imposed by this section. All discounts  
72 allowed the retailer under the provisions of the state sales tax law for the collection of and for  
73 payment of taxes under chapter 144 are hereby allowed and made applicable to any taxes  
74 collected under the provisions of this section. The penalties provided in section 32.057 and  
75 sections 144.010 to 144.525 for a violation of those sections are hereby made applicable to  
76 violations of this section.

77 8. [For the purposes of a sales tax imposed pursuant to this section, all retail sales shall  
78 be deemed to be consummated at the place of business of the retailer, except for tangible  
79 personal property sold which is delivered by the retailer or his agent to an out-of-state destination  
80 or to a common carrier for delivery to an out-of-state destination and except for the sale of motor  
81 vehicles, trailers, boats and outboard motors, which is provided for in subsection 12 of this  
82 section. In the event a retailer has more than one place of business in this state which  
83 participates in the sale, the sale shall be deemed to be consummated at the place of business of  
84 the retailer where the initial order for the tangible personal property is taken, even though the  
85 order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A  
86 sale by a retailer's employee shall be deemed to be consummated at the place of business from  
87 which he works.

88           9.] All sales taxes collected by the director of revenue under this section on behalf of any  
89 transit authority, less one percent for cost of collection which shall be deposited in the state's  
90 general revenue fund after payment of premiums for surety bonds as provided in this section,  
91 shall be deposited in the state treasury in a special trust fund, which is hereby created, to be  
92 known as the "County Transit Authority Sales Tax Trust Fund". The moneys in the county  
93 transit authority sales tax trust fund shall not be deemed to be state funds and shall not be  
94 commingled with any funds of the state. The director of revenue shall keep accurate records of  
95 the amount of money in the trust fund which was collected in each transit authority imposing a  
96 sales tax under this section, and the records shall be open to the inspection of officers of the  
97 county and the public. Not later than the tenth day of each month the director of revenue shall  
98 distribute all moneys deposited in the trust fund during the preceding month to the transit  
99 authority which levied the tax.

100           [10.] **9.** The director of revenue may authorize the state treasurer to make refunds from  
101 the amounts in the trust fund and credited to any transit authority for erroneous payments and  
102 overpayments made, and may authorize the state treasurer to redeem dishonored checks and  
103 drafts deposited to the credit of such transit authorities. If any transit authority abolishes the tax,  
104 the transit authority shall notify the director of revenue of the action at least ninety days prior to  
105 the effective date of the repeal and the director of revenue may order retention in the trust fund,  
106 for a period of one year, of two percent of the amount collected after receipt of such notice to  
107 cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts  
108 deposited to the credit of such accounts. After one year has elapsed after the effective date of  
109 abolition of the tax in such transit authority, the director of revenue shall authorize the state  
110 treasurer to remit the balance in the account to the transit authority and close the account of that  
111 transit authority. The director of revenue shall notify each transit authority of each instance of  
112 any amount refunded or any check redeemed from receipts due the transit authority. The director  
113 of revenue shall annually report on his management of the trust fund and administration of the  
114 sales taxes authorized by this section. He shall provide each transit authority imposing the tax  
115 authorized by this section with a detailed accounting of the source of all funds received by him  
116 for the transit authority.

117           [11.] **10.** The director of revenue and any of his deputies, assistants and employees who  
118 shall have any duties or responsibilities in connection with the collection, deposit, transfer,  
119 transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the  
120 hands of the director of revenue under the provisions of this section shall enter a surety bond or  
121 bonds payable to any and all transit authorities in whose behalf such funds have been collected  
122 under this section in the amount of one hundred thousand dollars; but the director of revenue  
123 may enter into a blanket bond or bonds covering himself and all such deputies, assistants and

124 employees. The cost of the premium or premiums for the surety bond or bonds shall be paid by  
125 the director of revenue from the share of the collection retained by the director of revenue for the  
126 benefit of the state.

127 [12.] **11.** Sales taxes imposed pursuant to this section and use taxes on the purchase and  
128 sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted  
129 by the seller, but shall be collected by the director of revenue at the time application is made for  
130 a certificate of title, if the address of the applicant is within a county where a sales tax is imposed  
131 under this section. The amounts so collected, less the one percent collection cost, shall be  
132 deposited in the county transit authority sales tax trust fund. The purchase or sale of motor  
133 vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the address  
134 of the applicant. As used in this subsection, the term "boat" shall only include motorboats and  
135 vessels as the terms "motorboat" and "vessel" are defined in section 306.010.

136 [13.] **12.** In any county where the transit authority sales tax has been imposed, if any  
137 person is delinquent in the payment of the amount required to be paid by him under this section  
138 or in the event a determination has been made against him for taxes and penalty under this  
139 section, the limitation for bringing suit for the collection of the delinquent tax and penalty shall  
140 be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has  
141 determined that suit must be filed against any person for the collection of delinquent taxes due  
142 the state under the state sales tax law, and where such person is also delinquent in payment of  
143 taxes under this section, the director of revenue shall notify the transit authority to which  
144 delinquent taxes are due under this section by United States registered mail or certified mail at  
145 least ten days before turning the case over to the attorney general. The transit authority, acting  
146 through its attorney, may join in such suit as a party plaintiff to seek a judgment for the  
147 delinquent taxes and penalty due such transit authority. In the event any person fails or refuses  
148 to pay the amount of any sales tax due under this section, the director of revenue shall promptly  
149 notify the transit authority to which the tax would be due so that appropriate action may be taken  
150 by the transit authority.

151 [14.] **13.** Where property is seized by the director of revenue under the provisions of any  
152 law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax  
153 imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any  
154 tax imposed by this section, the director of revenue shall permit the transit authority to join in  
155 any sale of property to pay the delinquent taxes and penalties due the state and to the transit  
156 authority under this section. The proceeds from such sale shall first be applied to all sums due  
157 the state, and the remainder, if any, shall be applied to all sums due such transit authority under  
158 this section.

159 [15. The transit authority created under the provisions of sections 238.400 to 238.412  
160 shall notify any and all affected businesses of the change in tax rate caused by the imposition of  
161 the tax authorized by sections 238.400 to 238.412.

162 16.] 14. In the event that any transit authority in any county with a charter form of  
163 government and with more than two hundred fifty thousand but fewer than three hundred fifty  
164 thousand inhabitants submits a proposal in any election to increase the sales tax under this  
165 section, and such proposal is approved by the voters, the county shall be reimbursed for the costs  
166 of submitting such proposal from the funds derived from the tax levied under this section.

167 **15. Except as provided in sections 238.400 to 238.412, all provisions of sections**  
168 **32.085 to 32.087 shall apply to the tax imposed under sections 238.410 to 238.412.**

301.280. 1. Every motor vehicle dealer and boat dealer shall make a monthly report to  
2 the department of revenue, on blanks to be prescribed by the department of revenue, giving the  
3 following information: date of the sale of each motor vehicle, boat, trailer and all-terrain vehicle  
4 sold; the name and address of the buyer; the name of the manufacturer; year of manufacture;  
5 model of vehicle; vehicle identification number; style of vehicle; odometer setting; and it shall  
6 also state whether the motor vehicle, boat, trailer or all-terrain vehicle is new or secondhand.  
7 Each monthly sales report filed by a motor vehicle dealer who collects sales tax under subsection  
8 [8] 7 of section 144.070 shall also include the amount of state and local sales tax collected for  
9 each motor vehicle sold if sales tax was due. The odometer reading is not required when  
10 reporting the sale of any motor vehicle that is ten years old or older, any motor vehicle having  
11 a gross vehicle weight rating of more than sixteen thousand pounds, new vehicles that are  
12 transferred on a manufacturer's statement of origin between one franchised motor vehicle dealer  
13 and another, or boats, all-terrain vehicles or trailers. The sale of all thirty-day temporary permits,  
14 without exception, shall be recorded in the appropriate space on the dealer's monthly sales report  
15 by recording the complete permit number issued on the motor vehicle or trailer sale listed. The  
16 monthly sales report shall be completed in full and signed by an officer, partner, or owner of the  
17 dealership, and actually received by the department of revenue on or before the fifteenth day of  
18 the month succeeding the month for which the sales are being reported. If no sales occur in any  
19 given month, a report shall be submitted for that month indicating no sales. Any vehicle dealer  
20 who fails to file a monthly report or who fails to file a timely report shall be subject to  
21 disciplinary action as prescribed in section 301.562 or a penalty assessed by the director not to  
22 exceed three hundred dollars per violation. Every motor vehicle and boat dealer shall retain  
23 copies of the monthly sales report as part of the records to be maintained at the dealership  
24 location and shall hold them available for inspection by appropriate law enforcement officials  
25 and officials of the department of revenue. Every vehicle dealer selling twenty or more vehicles  
26 a month shall file the monthly sales report with the department in an electronic format. Any

27 dealer filing a monthly sales report in an electronic format shall be exempt from filing the notice  
28 of transfer required by section 301.196. For any dealer not filing electronically, the notice of  
29 transfer required by section 301.196 shall be submitted with the monthly sales report as  
30 prescribed by the director.

31         2. Every dealer and every person operating a public garage shall keep a correct record  
32 of the vehicle identification number, odometer setting, manufacturer's name of all motor vehicles  
33 or trailers accepted by him for the purpose of sale, rental, storage, repair or repainting, together  
34 with the name and address of the person delivering such motor vehicle or trailer to the dealer or  
35 public garage keeper, and the person delivering such motor vehicle or trailer shall record such  
36 information in a file kept by the dealer or garage keeper. The record shall be kept for five years  
37 and be open for inspection by law enforcement officials, members or authorized or designated  
38 employees of the Missouri highway patrol, and persons, agencies and officials designated by the  
39 director of revenue.

40         3. Every dealer and every person operating a public garage in which a motor vehicle  
41 remains unclaimed for a period of fifteen days shall, within five days after the expiration of that  
42 period, report the motor vehicle as unclaimed to the director of revenue. Such report shall be on  
43 a form prescribed by the director of revenue. A motor vehicle left by its owner whose name and  
44 address are known to the dealer or his employee or person operating a public garage or his  
45 employee is not considered unclaimed. Any dealer or person operating a public garage who fails  
46 to report a motor vehicle as unclaimed as herein required forfeits all claims and liens for its  
47 garaging, parking or storing.

48         4. The director of revenue shall maintain appropriately indexed cumulative records of  
49 unclaimed vehicles reported to the director. Such records shall be kept open to public inspection  
50 during reasonable business hours.

51         5. The alteration or obliteration of the vehicle identification number on any such motor  
52 vehicle shall be prima facie evidence of larceny, and the dealer or person operating such public  
53 garage shall upon the discovery of such obliteration or alteration immediately notify the highway  
54 patrol, sheriff, marshal, constable or chief of police of the municipality where the dealer or  
55 garage keeper has his place of business, and shall hold such motor vehicle or trailer for a period  
56 of forty-eight hours for the purpose of an investigation by the officer so notified.

57         6. Any person who knowingly makes a false statement or omission of a material fact in  
58 a monthly sales report to the department of revenue, as described in subsection 1 of this section,  
59 shall be deemed guilty of a class A misdemeanor.

644.032. 1. The governing body of any municipality or county may impose, by  
2 ordinance or order, a sales tax in an amount not to exceed one-half of one percent on all retail  
3 sales made in such municipality or county which are subject to taxation under the provisions of

4 sections 144.010 to 144.525. The tax authorized by this section and section 644.033 shall be in  
 5 addition to any and all other sales taxes allowed by law, except that no ordinance or order  
 6 imposing a sales tax under the provisions of this section and section 644.033 shall be effective  
 7 unless the governing body of the municipality or county submits to the voters of the municipality  
 8 or county, at a municipal, county or state general, primary or special election, a proposal to  
 9 authorize the governing body of the municipality or county to impose a tax[, provided, that the  
 10 tax authorized by this section shall not be imposed on the sales of food, as defined in section  
 11 144.014, when imposed by any county with a charter form of government and with more than  
 12 one million inhabitants].

13 2. The ballot of submission shall contain, but need not be limited to, the following  
 14 language:

15 Shall the municipality (county) of ..... impose a sales tax of ..... (insert amount)  
 16 for the purpose of providing funding for ..... (insert either storm water control, or local  
 17 parks, or storm water control and local parks) for the municipality (county)?

18  YES  NO

19 If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor  
 20 of the proposal, then the ordinance or order and any amendments thereto shall be in effect on the  
 21 first day of the second quarter after the director of revenue receives notice of adoption of the tax.  
 22 If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the  
 23 governing body of the municipality or county shall not impose the sales tax authorized in this  
 24 section and section 644.033 until the governing body of the municipality or county resubmits  
 25 another proposal to authorize the governing body of the municipality or county to impose the  
 26 sales tax authorized by this section and section 644.033 and such proposal is approved by a  
 27 majority of the qualified voters voting thereon; however, in no event shall a proposal pursuant  
 28 to this section and section 644.033 be submitted to the voters sooner than twelve months from  
 29 the date of the last proposal pursuant to this section and section 644.033.

30 3. All revenue received by a municipality or county from the tax authorized under the  
 31 provisions of this section and section 644.033 shall be deposited in a special trust fund and shall  
 32 be used to provide funding for storm water control or for local parks, or both, within such  
 33 municipality or county, provided that such revenue may be used for local parks outside such  
 34 municipality or county if the municipality or county is engaged in a cooperative agreement  
 35 pursuant to section 70.220.

36 4. Any funds in such special trust fund which are not needed for current expenditures  
 37 may be invested by the governing body in accordance with applicable laws relating to the  
 38 investment of other municipal or county funds.
