29 for a trustee shall not exceed thirty days in any board fiscal year.

86.237. 1. The board of trustees is authorized to use the city counselor of the specified
2 cities as a legal advisor to the board of trustees and may also appoint an attorney-at-law or firm
3 of attorneys-at-law to serve as the legal advisor and consultant to the board of trustees and to
4 represent the system and the board of trustees in all legal proceedings.

5 2. The board of trustees shall designate a [medical director, who] **medical board which**
6 shall [appoint physicians, including himself or herself if appropriate, as he or she deems
7 necessary to] arrange for and pass upon all medical examinations required under the provisions
8 of sections 86.200 to 86.366. Such [physicians] **medical board** shall investigate all essential
9 statements as to physical or mental conditions made by or on behalf of a member in connection
10 with an application for disability retirement and shall report in writing [their] **to the board of**
11 **trustees its** conclusions and recommendations upon all the matters referred to them. [The
12 medical director shall report in writing to the board of trustees conclusions and recommendations
13 concerning all essential statements as to physical or mental conditions made by or on behalf of
14 a member in connection with an application for disability retirement.]

86.250. Retirement of a member on a service retirement allowance shall be made by the
2 board of trustees as follows:

3 (1) Any member may terminate employment as a police officer and actually retire after
4 completing twenty or more years of creditable service or attaining the age of fifty-five upon the
5 member's written application to the board of trustees setting forth at what time, but not more than
6 ninety days subsequent to the execution and filing of the application, the member desires to be
7 retired;

8 (2) Any member in service who has attained the age of sixty-five shall be terminated as
9 a police officer and actually retired forthwith provided that upon request of the [board] **chief** of
10 police [commissioners] the board of trustees may permit such member to remain in service for
11 periods of not to exceed one year from the date of the last request from the [board] **chief** of
12 police [commissioners].

86.251. 1. The board of trustees may develop and establish a deferred retirement option plan (DROP) in which members who are eligible for retirement but who have not terminated employment as police officers and who have not actually retired may participate. The DROP shall be designed to allow members with at least twenty years of creditable service or who have attained the age of fifty-five who have achieved eligibility for retirement and are entitled to a service retirement allowance and other benefits to postpone actual retirement, continue active employment and accumulate a deferred receipt of the service retirement allowance. No one shall participate in the DROP for a period exceeding five years.

2. Any member who has at least twenty years of creditable service or has attained the age of fifty-five may elect in writing before retirement to participate in the DROP. A member electing to participate in the DROP shall postpone actual retirement, shall continue in active employment and shall not receive any direct retirement allowance payments or benefits during the period of participation.

3. Upon the start of the participation in the DROP, the member shall cease to make any mandatory contributions to the system. No contribution shall be required by the city into the DROP account. During the period of participation in the DROP, the amount that the member would have received as a service retirement allowance if the member had actually retired instead of entering DROP shall be deposited monthly in the member's DROP account which shall be established in the member's name by the board of trustees. The member's service retirement allowance shall not be adjusted for any cost-of-living increases for any period prior to the member's termination of employment as a police officer and actual retirement. Cost-of-living increases, if any, for any period following the member's termination of employment as a police officer and actual retirement shall be applied only to monthly service retirement payments made following termination of employment as a police officer and actual retirement. Service earned during the period of participation in the DROP shall not be creditable service and shall not be counted in determination of any service retirement allowance or surviving spouse's or dependents' benefits. Compensation paid during the period of participation in the DROP shall not be earnable compensation and shall not be counted in the determination of any service retirement allowance or surviving spouse's or dependent's benefits. The member's service retirement allowance shall be frozen as of the date the member enters DROP. Except as specifically provided in sections 86.200 to 86.366, the member's frozen service retirement allowance shall not increase while the member is participating in DROP or after the member's participation in DROP ends, and the member shall not share in any benefit improvement that is enacted or that becomes effective while such member is participating in the DROP.

4. A member shall cease participation in the DROP upon the termination of the member's employment as a police officer and actual retirement, or at the end of the five-year period

37 commencing on the first day of the member's participation in the DROP, or as of the effective
38 date[, but in no event prior to October 1, 2001,] of the member's election to return to active
39 participation in the system, whichever occurs first. A member's election to return to active
40 participation in the system before the end of the five-year period commencing on the first day
41 of participation in the DROP shall be made and shall become effective in accordance with
42 procedures established by the board of trustees[, but in no event prior to October 1, 2001]. Upon
43 the member's termination of employment as a police officer and actual retirement, the member
44 shall elect to receive the value of the member's DROP account, in one of the following forms of
45 payment:

46 (a) A lump sum payment; or

47 (b) Equal monthly installments over a ten-year period. Either form of payment should
48 begin within thirty days after the member's notice to the board of trustees that the member has
49 selected a particular option.

50 5. If a member who is participating in the DROP elects to return to active participation
51 in the system or if a member who is participating in the DROP does not terminate employment
52 and actually retires as a police officer in the city for which the retirement system was established
53 pursuant to sections 86.200 to 86.366 at the end of the five-year period commencing on the first
54 day of the member's participation in the DROP, the member shall return to active participation
55 in the system and shall resume making mandatory contributions to the system effective as of the
56 day after participation in the DROP ends [or, if later, October 1, 2001]. The board of trustees
57 shall notify the [police commissioners] **chief of police** to begin deducting mandatory
58 contributions from the member's salary and the member's employment period shall count as
59 creditable service beginning as of the day the member returns to active participation.

60 6. In no event shall a member whose participation in DROP has ended for any reason be
61 eligible to participate in DROP again.

62 7. Upon the member's termination of employment as a police officer and actual
63 retirement, the member's mandatory contributions to the retirement system shall be paid to the
64 member pursuant to subsection 4 of section 86.253.

65 8. If a member dies prior to termination of employment as a police officer and actual
66 retirement while participating in the DROP or before the member has received full withdrawal
67 of the amount in the member's DROP account under the installment optional payment form, the
68 remaining balance of the member's DROP account shall be payable to the member's surviving
69 spouse; or, if the member is then unmarried, to the member's dependent children in equal shares;
70 or, if none, to the member's dependent mother or father; or, if none, to the member's designated
71 beneficiary or, if no such beneficiary is then living, to the member's estate. Payment shall be
72 made in a lump sum within sixty days after receipt by the board of trustees of evidence and proof

73 of the death of a member. In addition, the member's mandatory contributions, if any, that were
74 not already paid to the member pursuant to subsection 4 of section 86.253 shall be paid to the
75 member's surviving spouse pursuant to section 86.288.

76 9. If a member applies for and receives benefits for an accidental disability retirement
77 allowance pursuant to the provisions of section 86.263, the member shall forfeit all rights, claims
78 or interest in the member's DROP account and the member's benefits shall be calculated as if the
79 member has continued in employment and had not elected to participate in the DROP. Any
80 portion of a DROP account that has been forfeited as provided in this subsection shall be a
81 general asset of the system.

82 10. A member's DROP account shall earn interest equal to the rate of return earned by
83 the system's investment portfolio on a market value basis, including realized and unrealized gains
84 and losses, net of investment expense, as certified by the system's actuary. As of the last day of
85 each plan year beginning after DROP participation begins, the member's DROP account balance,
86 determined as of the last day of the prior plan year, shall be credited with interest at the
87 investment rate earned by the assets of the retirement system for such prior plan year. If
88 distribution of the member's DROP account balance is made in a lump sum under subsection 4
89 or 8 of this section, interest for the plan year of distribution shall be credited on the ending
90 balance for the prior plan year at the investment rate earned on the assets of the retirement system
91 for the prior plan year, in proportion to the part of the plan year preceding the date of the
92 member's termination of employment or death, whichever is earlier. If the member's DROP
93 account is paid in equal monthly installments pursuant to subsection 4 of this section, interest
94 during the installment period shall be credited as of the last day of each plan year ending after
95 installment payment begins on the account balance as of the first or last day of the plan year,
96 whichever is lower, at the investment rate earned by the assets of the system for the prior plan
97 year. Interest for the year in which the final installment is paid shall be credited on the balance
98 remaining after the final installment is paid, at the investment rate earned on the assets of the
99 system for the prior plan year, in proportion to the part of the plan year preceding payment of the
100 final installment. Any interest credited to the DROP account during the installment period shall
101 be paid as soon as reasonably possible after the final monthly installment. No interest shall be
102 credited on amounts, if any, added to the member's DROP account during the year in which the
103 distribution of the account is completed.

104 11. The board of trustees shall not incur any liability individually or on behalf of other
105 individuals for any act or omission made in good faith in relation to the DROP or assets credited
106 to DROP accounts established by this section. The provisions of the Internal Revenue Code and
107 regulations promulgated thereunder shall supersede any provision of this section if there is any
108 inconsistency with the Internal Revenue Code or regulation.

109 12. Upon the receipt by the board of trustees of evidence and proof that the death of a
110 member resulted from an event occurring while the member was in the actual performance of
111 duty, and if the member is participating in the DROP, the member's surviving spouse or, if the
112 member is then unmarried, the member's unmarried dependent children, may elect within thirty
113 days after the member's death to have the amount in the member's DROP account paid in the
114 form of a monthly survivor annuity. Payment of the survivor annuity shall begin within sixty
115 days after the election is received. Payment to the member's surviving spouse shall continue
116 until the surviving spouse's death; payment to the member's unmarried dependent children shall
117 be made while any child qualifies as an unmarried dependent child pursuant to section 86.280.
118 The survivor annuity shall be the actuarial equivalent of the member's DROP account as of the
119 date of the member's death. In no event shall the total amount paid pursuant to this subsection
120 be less than the member's DROP account balance as of the date of the member's death.

 86.257. 1. Upon the application of the [board] **chief** of police [commissioners or any
2 successor body] **or a member**, any member who has completed ten or more years of creditable
3 service or upon the police retirement system created by sections 86.200 to 86.366 first attaining,
4 after August 28, 2013, a funded ratio, as defined in section 105.660 and as determined by the
5 system's annual actuarial valuation, of at least eighty percent, a member who has completed five
6 or more years of creditable service and who has become permanently unable to perform the
7 duties of a police officer as the result of an injury or illness not exclusively caused or induced
8 by the actual performance of his or her official duties or by his or her own negligence shall be
9 retired by the board of [police commissioners or any successor body] **trustees of the police**
10 **retirement system** upon certification by the medical board of the police retirement system and
11 approval by the board of trustees of the police retirement system that the member is mentally or
12 physically unable to perform the duties of a police officer, that the inability is permanent or likely
13 to become permanent, and that the member should be retired.

14 2. Once each year during the first five years following such member's retirement, and at
15 least once in every three-year period thereafter, the board of trustees may, and upon the member's
16 application shall, require any nonduty disability beneficiary who has not yet attained sixty years
17 of age to undergo a medical examination at a place designated by the medical board or such
18 physicians as the medical board appoints. If any nonduty disability beneficiary who has not
19 attained sixty years of age refuses to submit to a medical examination, his or her nonduty
20 disability pension may be discontinued until his or her withdrawal of such refusal, and if his or
21 her refusal continues for one year, all rights in and to such pension may be revoked by the board
22 of trustees.

23 3. If the medical board certifies to the board of trustees that a nonduty disability
24 beneficiary is able to perform the duties of a police officer, and if the board of trustees concurs
25 on the report, then such beneficiary's nonduty disability pension shall cease.

26 4. If upon cessation of a disability pension under subsection 3 of this section, the former
27 disability beneficiary is restored to active service, he or she shall again become a member, and
28 he or she shall contribute thereafter at the same rate as other members. Upon his or her
29 subsequent retirement, he or she shall be credited with all of his or her active retirement, but not
30 including any time during which the former disability beneficiary received a disability pension
31 under this section.

86.263. 1. Any member in active service who is permanently unable to perform the full
2 and unrestricted duties of a police officer as the natural, proximate, and exclusive result of an
3 accident occurring within the actual performance of duty at some definite time and place, through
4 no negligence on the member's part, shall be retired by the board of [police commissioners or any
5 successor body] **trustees of the police retirement system** upon certification by [one or more
6 physicians of] the medical board that the member is mentally or physically unable to perform the
7 full and unrestricted duties of a police officer, that the inability is permanent or likely to become
8 permanent, and that the member should be retired. The inability to perform the "full and
9 unrestricted duties of a police officer" means the member is unable to perform all the essential
10 job functions for the position of police officer as established by the [board] **chief** of police
11 [commissioners or any successor body].

12 2. No member shall be approved for retirement under the provisions of subsection 1 of
13 this section unless the application was made and submitted [to the board of police commissioners
14 or any successor body] **by the chief of police or a member** no later than five years following
15 the date of accident, provided, that if the accident was reported within five years of the date of
16 the accident and an examination made of the member within thirty days of the date of accident
17 by a health care provider whose services were provided through the [board] **chief** of police
18 [commissioners] with subsequent examinations made as requested, then an application made
19 more than five years following the date of the accident shall be considered timely.

20 3. Once each year during the first five years following a member's retirement, and at least
21 once in every three-year period thereafter, the board of trustees may require any disability
22 beneficiary who has not yet attained sixty years of age to undergo a medical examination or
23 medical examinations at a place designated by the medical board or such physicians as the
24 medical board appoints. If any disability beneficiary who has not attained sixty years of age
25 refuses to submit to a medical examination, his or her disability pension may be discontinued by
26 the board of trustees of the police retirement system until his or her withdrawal of such refusal,

27 and if his or her refusal continues for one year, all rights in and to such pension may be revoked
28 by the board of trustees.

29 4. If the medical board certifies to the board of trustees that a disability beneficiary is
30 able to perform the duties of a police officer, then such beneficiary's disability pension shall
31 cease.

32 5. If upon cessation of a disability pension under subsection 4 of this section, the former
33 disability beneficiary is restored to active service, he or she shall again become a member, and
34 he or she shall contribute thereafter at the same rate as other members. Upon his or her
35 subsequent retirement, he or she shall be credited with all of his or her active service time as a
36 member including the service time prior to receiving disability retirement, but not including any
37 time during which the former disability beneficiary received a disability pension under this
38 section.

39 6. If upon cessation of a disability pension under subsection 4 of this section, the former
40 disability beneficiary is not restored to active service, such former disability beneficiary shall be
41 entitled to the retirement benefit to which such former disability beneficiary would have been
42 entitled if such former disability beneficiary had terminated service for any reason other than
43 dishonesty or being convicted of a felony at the time of such cessation of such former disability
44 beneficiary's disability pension. For purposes of such retirement benefits, such former disability
45 beneficiary shall be credited with all of the former disability beneficiary's active service time as
46 a member, but not including any time during which the former disability beneficiary received a
47 disability beneficiary pension under this section.

86.270. 1. Any determination of whether a member is disabled under the provisions of
2 section 86.257 or 86.263 shall consist of an investigation of the member's physical and mental
3 condition by the medical [director] **board** of the police retirement system [and all physicians
4 appointed by the medical director] under the provisions of section 86.237 and an investigation
5 by the board of trustees of the police retirement system of any other matter relevant to determine
6 whether the member satisfies the applicable requirements of section 86.257 or 86.263. The
7 board of trustees may authorize the use of staff of the police retirement system and other persons
8 not employed by the police retirement system to assist in its investigation. The board of trustees
9 of the police retirement system and the medical [director] **board** of the police retirement system
10 and any such physicians appointed by the medical [director] **board** under the provisions of
11 section 86.237 may communicate with each other as to matters relevant to determine whether
12 the member satisfies the applicable requirements of section 86.257 or 86.263.

13 2. The board of trustees shall require each member who applies for disability benefits
14 and any disability beneficiary to be reexamined under the provisions of section 86.257 or 86.263
15 to undergo medical examinations at places designated by the medical [director] **board** and any

16 physicians appointed by the medical [director] **board** under the provisions of section 86.237.
17 [The examination shall be made by the medical director or by any physicians appointed by the
18 medical director under the provisions of section 86.237.]

86.320. 1. The board of trustees shall certify to the [board] **chief** of police
2 [commissioners and the board of police commissioners] **who** shall cause to be deducted from
3 the salary of each member on each and every payroll for each and every pay period, seven
4 percent of the compensation of each member who is not participating in the DROP, including
5 each member whose participation in the DROP has ended and who has returned to active
6 participation in the system pursuant to section 86.251, and zero percent of the compensation of
7 each member who is participating in the DROP or whose participation in the DROP has ended
8 but who has not returned to active participation in the system pursuant to section 86.251.

9 2. The deductions provided for in this section shall be made notwithstanding that the
10 minimum compensation provided by law for any member shall be reduced thereby. Every
11 member shall be deemed to consent to the deductions made and provided for in this section, and
12 shall receipt for the member's full salary or compensation and payment of salary or compensation
13 less such deduction shall be a full and complete discharge and acquittance of all claims and
14 demands whatsoever for services rendered during the period covered by the payment except as
15 to benefits provided by sections 86.200 to 86.366. The [board] **chief** of police [commissioners]
16 shall certify to the board of trustees on each and every payroll or in such other manner as the
17 board of trustees shall prescribe the amount deducted, and such amounts shall be paid into the
18 system and shall be credited together with members' interest thereon to the individual account
19 of the member from whose compensation such deduction was made.

20 3. The board of trustees is authorized to grant additional benefits for such parts of
21 contributions as were made prior to the adoption of the seven-percent rate for all members which
22 were in excess of the compulsory contributions required of each member.
