301.130. 1. The director of revenue, upon receipt of a proper application for registration,
2 required fees and any other information which may be required by law, shall issue to the
3 applicant a certificate of registration in such manner and form as the director of revenue may
4 prescribe and a set of license plates, or other evidence of registration, as provided by this section.
5 Each set of license plates shall bear the name or abbreviated name of this state, the words
6 "SHOW-ME STATE", the month and year in which the registration shall expire, and an
7 arrangement of numbers or letters, or both, as shall be assigned from year to year by the director
8 of revenue. The plates shall also contain fully reflective material with a common color scheme
9 and design for each type of license plate issued pursuant to this chapter. The plates shall be
10 clearly visible at night, and shall be aesthetically attractive. Special plates for qualified disabled
11 veterans will have the "DISABLED VETERAN" wording on the license plates in preference to
12 the words "SHOW-ME STATE" and special plates for members of the National Guard will have
13 the "NATIONAL GUARD" wording in preference to the words "SHOW-ME STATE".

14 2. The arrangement of letters and numbers of license plates shall be uniform throughout
15 each classification of registration. The director may provide for the arrangement of the numbers
16 in groups or otherwise, and for other distinguishing marks on the plates.

17 3. All property-carrying commercial motor vehicles to be registered at a gross weight in
18 excess of [twelve] **eighteen** thousand pounds, all passenger-carrying commercial motor vehicles,
19 local transit buses, school buses, trailers, semitrailers, motorcycles, motortricycles, motorscooters
20 and driveaway vehicles shall be registered with the director of revenue as provided for in
21 subsection 3 of section 301.030, or with the state highways and transportation commission as
22 otherwise provided in this chapter, but only one license plate shall be issued for each such
23 vehicle, except as provided in this subsection. The applicant for registration of any
24 property-carrying commercial vehicle registered at a gross weight in excess of [twelve] **eighteen**
25 thousand pounds may request and be issued two license plates for such vehicle, and if such plates
26 are issued, the director of revenue shall provide for distinguishing marks on the plates indicating
27 one plate is for the front and the other is for the rear of such vehicle. The director may assess and
28 collect an additional charge from the applicant in an amount not to exceed the fee prescribed for
29 personalized license plates in subsection 1 of section 301.144.

30 4. The plates issued to manufacturers and dealers shall bear the letters and numbers as
31 prescribed by section 301.560, and the director may place upon the plates other letters or marks
32 to distinguish commercial motor vehicles and trailers and other types of motor vehicles.

33 5. No motor vehicle or trailer shall be operated on any highway of this state unless it
34 shall have displayed thereon the license plate or set of license plates issued by the director of
35 revenue or the state highways and transportation commission and authorized by section 301.140.
36 Each such plate shall be securely fastened to the motor vehicle or trailer in a manner so that all
37 parts thereof shall be plainly visible and reasonably clean so that the reflective qualities thereof
38 are not impaired. Each such plate may be encased in a transparent cover so long as the plate is
39 plainly visible and its reflective qualities are not impaired. License plates shall be fastened to
40 all motor vehicles except trucks, tractors, truck tractors or truck-tractors licensed in excess of
41 [twelve] **eighteen** thousand pounds on the front and rear of such vehicles not less than eight nor
42 more than forty-eight inches above the ground, with the letters and numbers thereon right side
43 up. The license plates on trailers, motorcycles, motortricycles and motorscooters shall be
44 displayed on the rear of such vehicles, with the letters and numbers thereon right side up. The
45 license plate on buses, other than school buses, and on trucks, tractors, truck tractors or
46 truck-tractors licensed in excess of [twelve] **eighteen** thousand pounds shall be displayed on the
47 front of such vehicles not less than eight nor more than forty-eight inches above the ground, with
48 the letters and numbers thereon right side up or if two plates are issued for the vehicle pursuant
49 to subsection 3 of this section, displayed in the same manner on the front and rear of such
50 vehicles. The license plate or plates authorized by section 301.140, when properly attached, shall
51 be prima facie evidence that the required fees have been paid.

52 6. (1) The director of revenue shall issue annually or biennially a tab or set of tabs as
53 provided by law as evidence of the annual payment of registration fees and the current
54 registration of a vehicle in lieu of the set of plates. Beginning January 1, 2010, the director may
55 prescribe any additional information recorded on the tab or tabs to ensure that the tab or tabs
56 positively correlate with the license plate or plates issued by the department of revenue for such
57 vehicle. Such tabs shall be produced in each license bureau office.

58 (2) The vehicle owner to whom a tab or set of tabs is issued shall affix and display such
59 tab or tabs in the designated area of the license plate, no more than one per plate.

60 (3) A tab or set of tabs issued by the director of revenue when attached to a vehicle in
61 the prescribed manner shall be prima facie evidence that the registration fee for such vehicle has
62 been paid.

63 (4) Except as otherwise provided in this section, the director of revenue shall issue plates
64 for a period of at least six years.

65 (5) For those commercial motor vehicles and trailers registered pursuant to section
66 301.041, the plate issued by the highways and transportation commission shall be a permanent
67 nonexpiring license plate for which no tabs shall be issued. Nothing in this section shall relieve
68 the owner of any vehicle permanently registered pursuant to this section from the obligation to
69 pay the annual registration fee due for the vehicle. The permanent nonexpiring license plate shall
70 be returned to the highways and transportation commission upon the sale or disposal of the
71 vehicle by the owner to whom the permanent nonexpiring license plate is issued, or the plate may
72 be transferred to a replacement commercial motor vehicle when the owner files a supplemental
73 application with the Missouri highways and transportation commission for the registration of
74 such replacement commercial motor vehicle. Upon payment of the annual registration fee, the
75 highways and transportation commission shall issue a certificate of registration or other suitable
76 evidence of payment of the annual fee, and such evidence of payment shall be carried at all times
77 in the vehicle for which it is issued.

78 (6) Upon the sale or disposal of any vehicle permanently registered under this section,
79 or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued
80 for such vehicle shall be returned to the highways and transportation commission and shall not
81 be valid for operation of such vehicle, or the plate may be transferred to a replacement vehicle
82 when the owner files a supplemental application with the Missouri highways and transportation
83 commission for the registration of such replacement vehicle. If a vehicle which is permanently
84 registered under this section is sold, wrecked or otherwise disposed of, or the lease terminated,
85 the registrant shall be given credit for any unused portion of the annual registration fee when the
86 vehicle is replaced by the purchase or lease of another vehicle during the registration year.

87 7. The director of revenue and the highways and transportation commission may
88 prescribe rules and regulations for the effective administration of this section. No rule or portion
89 of a rule promulgated under the authority of this section shall become effective unless it has been
90 promulgated pursuant to the provisions of section 536.024.

91 8. Notwithstanding the provisions of any other law to the contrary, owners of **passenger**
92 motor vehicles **registered at a gross weight of up to twenty-six thousand pounds and any**
93 **commercial vehicle** other than apportioned motor vehicles or commercial motor vehicles
94 licensed in excess of eighteen thousand pounds gross weight may apply for special personalized
95 license plates. Vehicles licensed for eighteen thousand pounds that display special personalized
96 license plates shall be subject to the provisions of subsections 1 and 2 of section 301.030.

97 9. No later than January 1, 2009, the director of revenue shall commence the reissuance
98 of new license plates of such design as directed by the director consistent with the terms,
99 conditions, and provisions of this section and this chapter. Except as otherwise provided in this
100 section, in addition to all other fees required by law, applicants for registration of vehicles with
101 license plates that expire during the period of reissuance, applicants for registration of trailers
102 or semitrailers with license plates that expire during the period of reissuance and applicants for
103 registration of vehicles that are to be issued new license plates during the period of reissuance
104 shall pay the cost of the plates required by this subsection. The additional cost prescribed in this
105 subsection shall not be charged to persons receiving special license plates issued under section
106 301.073 or 301.443. Historic motor vehicle license plates registered pursuant to section 301.131
107 and specialized license plates are exempt from the provisions of this subsection. Except for new,
108 replacement, and transfer applications, permanent nonexpiring license plates issued to
109 commercial motor vehicles and trailers registered under section 301.041 are exempt from the
110 provisions of this subsection.

301.134. 1. Daughters of the American Revolution who have obtained an emblem-use
2 authorization statement from the Missouri State Society Daughters of the American Revolution
3 may apply for Missouri State Society Daughters of the American Revolution license plates for
4 any **passenger** motor vehicle **registered at a gross weight of up to twenty-six thousand**
5 **pounds** the person owns, either solely or jointly, other than an apportioned motor vehicle or a
6 commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight. The
7 Missouri State Society Daughters of the American Revolution hereby authorizes the use of its
8 official emblem to be affixed on multiyear personalized license plates as provided in this section.

9 2. Upon application and payment of a one-time twenty-five dollar emblem-use
10 contribution to the Missouri State Society Daughters of the American Revolution, the Missouri
11 State Society Daughters of the American Revolution shall issue to the vehicle owner, without

12 further charge, an emblem-use authorization statement, which shall be presented to the
13 department of revenue at the time of registration of a motor vehicle.

14 3. Upon presentation of the statement and payment of a fifteen dollar fee in addition to
15 the regular registration fees and presentation of other documents which may be required by law,
16 the department of revenue shall issue a personalized license plate to the vehicle owner, which
17 shall bear the emblem of the Missouri State Society Daughters of the American Revolution and
18 the words "MISSOURI STATE SOCIETY DAUGHTERS OF THE AMERICAN
19 REVOLUTION" and shall engrave the words "SHOW-ME STATE". Such license plates shall
20 be made with fully reflective material with a common color scheme and design, shall be clearly
21 visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. A fee for
22 the issuance of personalized license plates issued pursuant to section 301.144 shall not be
23 required for plates issued pursuant to this section.

24 4. The director of revenue may promulgate rules and regulations for the administration
25 of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is
26 created under the authority delegated in this section shall become effective only if it complies
27 with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.
28 This section and chapter 536 are nonseverable and if any of the powers vested with the general
29 assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and
30 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and
31 any rule proposed or adopted after August 28, 2004, shall be invalid and void.

301.144. 1. The director of revenue shall establish and issue special personalized license
2 plates containing letters or numbers or combinations of letters and numbers. Such license plates
3 shall be made with fully reflective material with a common color scheme and design, shall be
4 clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.
5 Any person desiring to obtain a special personalized license plate for any **passenger** motor
6 vehicle **registered at a gross weight of up to twenty-six thousand pounds** the person owns,
7 either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle
8 licensed in excess of eighteen thousand pounds gross weight shall apply to the director of
9 revenue on a form provided by the director and shall pay a fee of fifteen dollars in addition to the
10 regular registration fees. The director of revenue shall issue rules and regulations setting the
11 standards and establishing the procedure for application for and issuance of the special
12 personalized license plates and shall provide a deadline each year for the applications. Any rule
13 or portion of a rule, as that term is defined in section 536.010, that is created under the authority
14 delegated in this section shall become effective only if it complies with and is subject to all of
15 the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536
16 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter

17 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held
18 unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after
19 August 28, 2001, shall be invalid and void. No two owners shall be issued identical plates. An
20 owner shall make a new application and pay a new fee each year such owner desires to obtain
21 or retain special personalized license plates; however, notwithstanding the provisions of
22 subsection 8 of section 301.130 to the contrary, the director shall allow the special personalized
23 license plates to be replaced with new plates every three years without any additional charge,
24 above the fee established in this section, to the renewal applicant. Any person currently in
25 possession of an approved personalized license plate shall have first priority on that particular
26 plate for each of the following years that timely and appropriate application is made.

27 2. Upon application for a personalized plate by the owner of a motor vehicle for which
28 the owner has no registration plate available for transfer as prescribed by section 301.140, the
29 director shall issue a temporary permit authorizing the operation of the motor vehicle until the
30 personalized plate is issued.

31 3. No personalized license plates shall be issued containing any letters, numbers or
32 combination of letters and numbers which are obscene, profane, patently offensive or
33 contemptuous of a racial or ethnic group, or offensive to good taste or decency, or would present
34 an unreasonable danger to the health or safety of the applicant, of other users of streets and
35 highways, or of the public in any location where the vehicle with such a plate may be found. The
36 director may recall any personalized license plates, including those issued prior to August 28,
37 1992, if the director determines that the plates are obscene, profane, patently offensive or
38 contemptuous of a racial or ethnic group, or offensive to good taste or decency, or would present
39 an unreasonable danger to the health or safety of the applicant, of other users of streets and
40 highways, or of the public in any location where the vehicle with such a plate may be found.
41 Where the director recalls such plates pursuant to the provisions of this subsection, the director
42 shall reissue personalized license plates to the owner of the motor vehicle for which they were
43 issued at no charge, if the new plates proposed by the owner of the motor vehicle meet the
44 standards established pursuant to this section. The director shall not apply the provisions of this
45 statute in a way that violates the Missouri or United States Constitutions as interpreted by the
46 courts with controlling authority in the state of Missouri. The primary purpose of motor vehicle
47 license plates is to identify motor vehicles. Nothing in the issuance of a personalized license
48 plate creates a designated or limited public forum. Nothing contained in this subsection shall be
49 interpreted to prohibit the use of license plates, which are no longer valid for registration
50 purposes, as collector's items or for decorative purposes.

51 4. The director may also establish categories of special license plates from which license
52 plates may be issued. Any such person, other than a person exempted from the additional fee

53 pursuant to subsection 7 of this section, that desires a personalized special license plate from any
54 such category shall pay the same additional fee and make the same kind of application as that
55 required by subsection 1 of this section, and the director shall issue such plates in the same
56 manner as other personalized special license plates are issued.

57 5. The director of revenue shall issue to residents of the state of Missouri who hold an
58 unrevoked and unexpired official amateur radio license issued by the Federal Communications
59 Commission, upon application and upon payment of the additional fee specified in subsection
60 1 of this section, except for a person exempted from the additional fee pursuant to subsection 7
61 of this section, personalized special license plates bearing the official amateur radio call letters
62 assigned by the Federal Communications Commission to the applicant with the words
63 "AMATEUR RADIO" in place of the words "SHOW-ME STATE". The application shall be
64 accompanied by a statement stating that the applicant has an unrevoked and unexpired amateur
65 radio license issued by the Federal Communications Commission and the official radio call
66 letters assigned by the Federal Communications Commission to the applicant. An owner making
67 a new application and paying a new fee to retain an amateur radio **license** plate may request a
68 replacement plate with the words "AMATEUR RADIO" in place of the words "SHOW-ME
69 STATE". If application is made to retain a plate that is three years old or older, the replacement
70 plate shall be issued upon the payment of required fees.
