

JOURNAL OF THE HOUSE

First Regular Session, 98th GENERAL ASSEMBLY

THIRTY-FOURTH DAY, MONDAY, MARCH 9, 2015

The House met pursuant to adjournment.

Speaker Diehl in the Chair.

Prayer by Representative Tila Hubrecht.

Dear Lord, we come to You this evening giving You thanks for our safe travels to our state capitol. As we begin this week of doing the people's business, we pause to take time to ask for Your direction and guidance.

As the Reverend Jacob Duché requested in the first prayer of the Continental Congress, we ask You to "Be present with us and direct the councils of this honorable assembly; enable us to settle things on the best and surest foundation." You know what the future holds; we do not-so we lean on You for guidance and direction. You have made it clear that civil government is an institution and process that You, the Creator, has given to mankind. We humbly ask You to be present with us this week, giving insight and discernment to us in all the decisions that we make. Give to us Your wisdom, enable us to act wisely, guide our actions and decisions here in the state capitol so that we will only bring good and not harm to our state and its people.

We ask you to guide us in our words and in our thoughts as well as in our actions. Help us to be a moral example to others. Help our behavior be worthy of You. Help us to show kindness and compassion to all that we meet. Let us be worthy of our calling to serve as public servants to our state.

Be with our families as we are away from them while we serve the people. Protect them and reassure our families of our love for them while we are gone from home.

Thank you for the honor of allowing us to serve here at this time and to be a part of Your great plan. We thank you for the many blessings that You bestow upon us. We ask all this in Your Name.

And the House says, "Amen."

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Abby Sebacher, Aaron Sebacher, Austin Sebacher, Natalie Huff, Nathan Gilbert, Saltanat Abatova, Marleen Zimmermann, Danah Al Awadhi, and Tangsuluu Tashtemirova.

The Journal of the thirty-third day was approved as corrected by the following vote:

On motion of Representative Gosen, **HCS HB 70** was ordered perfected and printed.

HB 506, relating to the tax credit for wine production, was taken up by Representative Zerr.

House Amendment No. 1

AMEND House Bill No. 506, Page 1, Lines 2-3, in the Title, by deleting the words "the tax credit for wine production" and inserting in lieu thereof the word "tax credits"; and

Further amend said bill and page, Section 135.700, Line 15, by inserting after all of said section and line the following:

"135.1624. 1. As used in this section, the term "small business" means any business in this state with an annual Missouri adjusted gross income of no more than five hundred thousand dollars.

2. For all tax years beginning on or after January 1, 2016, any small business shall be allowed to claim any tax credit, tax deduction, and any other exemption from tax that any corporation as defined in chapter 143 in this state is allowed to claim under state law. Such small businesses shall be eligible for such credits, deductions, and exemptions in direct proportion to the average annual Missouri adjusted gross income of corporations reported in each tax year divided by three.

3. The department of revenue may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2015, shall be invalid and void.

4. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December thirty-first six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset. The termination of the program as described in this subsection shall not be construed to preclude any taxpayer who claims any benefit under any program that is sunset under this subsection from claiming such benefit for all allowable activities related to such claim that were completed before the program was sunset, or to eliminate any responsibility of the administering agency to verify the continued eligibility of projects receiving tax credits and to enforce other requirements of law that applied before the program was sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
