

HB 124 -- ABORTION

SPONSOR: Black

This bill requires the Department of Health and Senior Services to create a video that contains all of the information that must be provided to a woman considering an abortion by the physician who is to perform or induce the abortion except that the video is not required to contain the name of the physician who will perform or induce the abortion; the telephone number at which the physician may be later reached to answer any questions the woman may have; and the location of the hospital that offers obstetrical or gynecological care located within 30 miles of the location where the abortion is performed or induced at which the physician has clinical privileges and where the woman may receive follow-up care by the physician if complications arise.
