

HB 1033 -- UNBORN CHILDREN

SPONSOR: Moon

Currently, the laws of Missouri must be interpreted and construed to acknowledge on behalf of the unborn child at every stage of development, all the rights, privileges, and immunities available to other persons, citizens, and residents of Missouri, subject only to the Constitution of the United States, and decisional interpretations thereof by the United States Supreme Court and specific provisions to the contrary in the statutes and constitution of Missouri. This bill repeals the provisions relating to the Constitution of the United States and decisional interpretations by the United States Supreme Court.
