

HB 1165 -- HIGHER EDUCATION COURSE POSTINGS

SPONSOR: Brattin

This bill requires all public institutions of higher education to post alongside their degree offerings, either on-line or in a course catalog, the following information for each degree program offered:

- (1) Estimated cost of the degree based on the hours required to complete the degree program, the books likely required to complete the degree program, and the on-campus housing costs for the number of academic years likely required to complete the degree program;
- (2) Types of employment opportunities generally expected to be available for students who earn the degree;
- (3) The current job market for people who have earned the degree;
- (4) The number and percentage of students who earned the degree employed within one year of graduation for the most recent graduating class for which data are available and, for the students so employed, their average income; and
- (5) The number and percentage of students who earned the degree employed within one year of graduation in a field closely related to the degree program for the most recent graduating class for which data are available.
