

HJR 28 -- CONSERVATION SALES AND USE TAX

SPONSOR: Spencer

Upon voter approval, this constitutional amendment requires the conservation sales and use tax of .125% to be approved by voters in 2016, 2018, and then every 10 years thereafter. If a majority of the voters fail to approve the continuance of the tax, the tax will terminate at the end of the second fiscal year after the last election was held.
