

SS SB 58 -- COMMITTEES, BOARDS, AND COMMISSIONS

This bill changes the laws regarding committees, boards, commissions, and task forces.

The bill repeals the provisions regarding a joint legislative committee that was created to oversee the destruction of certain documents by the Commissioner of Administration and the Division of Finance (Sections 33.150 and 361.120, RSMo).

The membership of the Governmental Emergency Fund Committee is modified by designating the Commissioner of Administration as ex officio comptroller of the committee and replacing the Director of the Division of Facilities Management, Design and Construction with the Director of the Department of Revenue as a consultant to the committee (Section 33.710).

Technical modifications are made to the provisions regarding the Criminal Records and Justice Information Advisory Committee, and references to non-existent boards and commissions are repealed (Sections 43.518, 160.530, 191.828, 217.550, 217.567, 320.092, and 348.439).

Currently, the State Mental Health Commission includes one member who is a physician recognized as an expert in the evaluation or habilitation of persons with disabilities. The bill requires that member to be a physician, licensed clinical psychologist, or other licensed clinician recognized as an expert in the evaluation or treatment of persons with disabilities (Section 630.010).
