8 "160.775. 1. Every district shall adopt an antibullying policy by September 1, 2007.

9 2. "Bullying" means intimidation, unwanted aggressive behavior, or harassment that causes
10 a [reasonable] student to fear for his or her physical safety or property; substantially interferes with
11 the educational performance, opportunities, or benefits of any student without exception; or
12 substantially disrupts the orderly operation of the school. Bullying may consist of, but is not limited
13 to, physical actions, including gestures, or oral, cyberbullying, electronic, or written
14 communication, and any threat of retaliation for reporting of such acts. Bullying of students is
15 prohibited on school property, at any school function, or on a school bus. "Cyberbullying" means
16 bullying as defined in this subsection through the transmission of a communication including, but
17 not limited to, a message, text, sound, or image by means of an electronic device including, but not
18 limited to, a telephone, wireless telephone, or other wireless communication device, computer, or
19 pager.

20 3. Each district's antibullying policy shall be founded on the assumption that all students
21 need a safe learning environment. Policies shall treat all students equally and shall not contain
22 specific lists of protected classes of students who are to receive special treatment. Policies may
23 include age-appropriate differences for schools based on the grade levels at the school. Each such
24 policy shall contain a statement of the consequences of bullying.

25 4. Each district's antibullying policy shall be included in the student handbook and shall
26 require, at a minimum, the following components:

27 (1) A statement prohibiting bullying, defined no less inclusively than in subsection 2 of this
28 section;

29 (2) A statement requiring district employees to report any instance of bullying of which the
30 employee has firsthand knowledge[. The district policy shall address training of employees in the
31 requirements of the district policy.], has reasonable cause to suspect that a student has been subject
32 to bullying, or has received a report of bullying from a student. The policy shall require a district
33 employee who witnesses an incident of bullying or has received reliable information that an incident
34 of bullying has occurred to report the incident to the district's designated individual at the school
35 within two school days of the employee witnessing or receiving the reliable information regarding
36 the incident. The policy shall require that the district maintain records of all incidents of bullying

1 and their resolution;

2 (3) A procedure for reporting an act of bullying. The policy shall also include a statement
3 requiring that the district designate an individual at each school in the district to receive reports of
4 incidents of bullying. Such individual shall be a district employee who is teacher level staff or
5 above;

6 (4) A procedure for prompt investigation of reports of violations and complaints,
7 identifying one or more employees responsible for the investigation including, at a minimum, the
8 following requirements:

9 (a) Within two school days of a report of an incident of bullying being received, the school
10 principal, or his or her designee, shall initiate an investigation of the incident;

11 (b) The school principal may appoint other school staff to assist with the investigation; and

12 (c) The investigation shall be completed within ten school days from the date of the written
13 report unless good cause exists to extend the investigation;

14 (5) The range of ways in which a school will respond once an incident of bullying is
15 confirmed with disciplinary action ranging from a minimum of counseling for the bullying to a
16 maximum of expulsion of the student based on the establishment of reasonable criteria related to the
17 severity of the actions;

18 (6) A statement that prohibits reprisal or retaliation against any person who reports an act of
19 bullying and the consequence and appropriate remedial action for a person who engages in reprisal
20 or retaliation;

21 (7) A statement of how the policy is to be publicized; and

22 (8) A process for discussing the district's antibullying policy with students and training
23 school employees and volunteers who have significant contact with students in the requirements of
24 the policy, including, at a minimum, the following statements:

25 (a) The school district shall provide information and appropriate training to the school
26 district staff who have significant contact with students regarding the policy;

27 (b) The school district shall give annual notice of the policy to students, parents or
28 guardians, and staff;

29 (c) The school district shall provide education and information to students regarding
30 bullying, including information regarding the school district policy prohibiting bullying, the harmful
31 effects of bullying, and other applicable initiatives to prevent bullying, including student peer-to-
32 peer initiatives to provide accountability and policy enforcement for those found to have engaged in
33 bullying, reprisal, or retaliation against any person who reports an act of bullying;

34 (d) The administration of the school district shall instruct its school counselors, school
35 social workers, licensed social workers, mental health professionals, and school psychologists to
36 educate students who are victims of bullying on techniques for students to overcome bullying's
37 negative effects. Such techniques shall include, but not be limited to, cultivating the student's self-
38 worth and self-esteem; teaching the student to defend himself or herself assertively and effectively;
39 helping the student develop social skills; and encouraging the student to develop an internal locus of
40 control. The provisions of this paragraph shall not be construed to contradict or limit any other
41 provision of this section; and

42 (e) The administration of the school district shall implement programs and other initiatives
43 to address bullying, to respond to such conduct in a manner that does not stigmatize the victim, and
44 to make resources or referrals available to victims of bullying.

45 5. Notwithstanding any other provision of law to the contrary, any school district may
46 subject any student to discipline for cyberbullying. A school district may discipline any student for
47 cyberbullying to the greatest extent allowed by law. The district shall have jurisdiction to prohibit
48 cyberbullying that originates on a school's campus or at a district activity if the electronic

1 communication was made using the school's technological resources, if there is a sufficient nexus to
2 the educational environment, or if the electronic communication was made on the school's campus
3 or at a district activity using the student's own personal technological resources. The district shall
4 have jurisdiction to prohibit cyberbullying that originates off the school's campus if:

5 (1) It was reasonably foreseeable that the electronic communication would reach the
6 school's campus; or

7 (2) There is a sufficient nexus between the electronic communication and the school that
8 includes, but is not limited to, speech that is directed at a school-specific audience, or the speech
9 was brought onto or accessed on the school campus, even if it was not the student in question who
10 did so. The district may also prohibit cyberbullying that occurs outside of the district to the greatest
11 extent allowed by law including, but not limited to, situations in which the cyberbullying negatively
12 impacts the educational environment or constitutes a true threat. Even in situations where the
13 district does not have legal authority to discipline a student, the district may contact law
14 enforcement and take other appropriate actions to protect students and clarify district expectations.

15 6. Each district shall annually review its antibullying policy and revise it as needed. The
16 district's school board shall receive input from school personnel, students, and administrators when
17 reviewing and revising the policy.

18 7. Each district shall develop a method to keep track of any correspondence between
19 individuals and the district or any school in the district regarding an incident of bullying. Such
20 correspondence shall be a closed record under chapter 610.

21 8. Each district shall annually report to the department of elementary and secondary
22 education the number of confirmed reported bullying incidents in the district at the school level and
23 the district level and any action taken in response to an incident of bullying including, but not
24 limited to, expulsions and suspensions for each school in the district. No district shall release any
25 confidential information not authorized by state or federal law for public release. The department
26 of elementary and secondary education shall post this information on its internet website within
27 thirty days of receiving it but shall ensure that no personally identifiable information is posted.

28 9. Notwithstanding the provisions of this section, so long as a school district has an
29 antibullying policy or policies which were in effect before August 28, 2016, a school district shall
30 not be required to implement or adhere to subsections 2 through 8 of this section. No changes shall
31 be made to a district's antibullying policy or policies unless the local school board of the district
32 approves such changes through a majority vote of the board.

33 170.047. 1. Beginning in the 2017-18 school year, any licensed educator may annually
34 complete up to two hours of training or professional development in youth suicide awareness and
35 prevention as part of the professional development hours required for state board of education
36 certification.

37 2. The department of elementary and secondary education shall develop guidelines suitable
38 for training or professional development in youth suicide awareness and prevention. The
39 department shall develop materials that may be used for such training or professional development.

40 3. For purposes of this section, the term "licensed educator" means any teacher with a
41 certificate of license to teach issued by the state board of education or any other educator or
42 administrator required to maintain a professional license issued by the state board of education.

43 4. The department of elementary and secondary education may promulgate rules and
44 regulations to implement this section.

45 5. Any rule or portion of a rule, as that term is defined in section 536.010, that is created
46 under the authority delegated in this section shall become effective only if it complies with and is
47 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
48 chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to

1 chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently
2 held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after
3 August 28, 2016, shall be invalid and void.

4 170.048. 1. By July 1, 2018, each district shall adopt a policy for youth suicide awareness
5 and prevention, including the training and education of district employees.

6 2. Each district's policy shall address, but need not be limited to, the following:

7 (1) Strategies that can help identify students who are at possible risk of suicide;

8 (2) Strategies and protocols for helping students at possible risk of suicide; and

9 (3) Protocols for responding to a suicide death.

10 3. By July 1, 2017, the department of elementary and secondary education shall develop a
11 model policy that districts may adopt. When developing the model policy, the department shall
12 cooperate, consult with, and seek input from organizations that have expertise in youth suicide
13 awareness and prevention. By July 1, 2021, and at least every three years thereafter, the department
14 shall request information and seek feedback from districts on their experience with the policy for
15 youth suicide awareness and prevention. The department shall review this information and may use
16 it to adapt the department's model policy. The department shall post any information on its website
17 that it has received from districts that it deems relevant. The department shall not post any
18 confidential information or any information that personally identifies any student or school
19 employee."; and
