1           (12) One representative from a free-standing birthing center licensed under sections 197.200  
 2 to 197.240;

3           (13) Five active community-based physicians specializing in obstetrics or gynecology,  
 4 family medicine practicing obstetrics, or perinatal pediatrics representing the regional diversity of  
 5 the state;

6           (14) One representative from the show-me extension for community health care outcomes  
 7 (ECHO) program; and

8           (15) One representative from a federally qualified health center.

9  
 10 The director of the department of health and senior services and the director of the department of  
 11 social services or their designees shall serve as ex officio members of the council and shall not have  
 12 a vote. The department shall provide necessary staffing support to the council.

13           3. After holding multiple public hearings in diverse geographic regions of the state and  
 14 seeking broad public and stakeholder input, the perinatal advisory council shall make  
 15 recommendations in the best interest of patients for the division of the state into neonatal and  
 16 maternal care regions. When making such recommendations, the council shall consider:

17           (1) Geographic proximity of facilities;

18           (2) Hospital systems;

19           (3) Insurance networks;

20           (4) Consistent geographic boundaries for neonatal and maternal care regions, if appropriate;

21 and

22           (5) Existing referral networks and referral patterns to appropriate birthing facilities.

23           4. The perinatal advisory council shall establish criteria for levels of maternal care  
 24 designations and levels of neonatal care designations for birthing facilities and regional perinatal  
 25 centers. The levels developed under this section shall be based upon:

26           (1) The most current published version of the "Levels of Neonatal Care" developed by the  
 27 American Academy of Pediatrics;

28           (2) The most current published version of the "Levels of Maternal Care" developed by the  
 29 American Congress of Obstetricians and Gynecologists and the Society for Maternal-Fetal  
 30 Medicine; and

31           (3) Necessary variance when considering the geographic and varied needs of citizens of this  
 32 state.

33           5. Nothing in this section shall be construed in any way to modify or expand the licensure  
 34 of any health care professional.

35           6. Nothing in this section shall be construed in any way to require a patient be transferred to  
 36 a different facility.

37           7. The department shall promulgate rules to implement the provisions of this section no  
 38 later than January 1, 2017. Such rules shall be limited to those necessary for the establishment of  
 39 levels of neonatal care designations and levels of maternal care designations for birthing facilities  
 40 and regional perinatal centers under subsection 4 of this section and the division of the state into  
 41 neonatal and maternal care regions under subsection 3 of this section. Any rule or portion of a rule,  
 42 as that term is defined in section 536.010, that is created under the authority delegated in this section  
 43 shall become effective only if it complies with and is subject to all of the provisions of chapter 536  
 44 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the  
 45 powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective  
 46 date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of  
 47 rulemaking authority and any rule proposed or adopted after August 28, 2016, shall be invalid and  
 48 void.

1           8. Beginning January 1, 2018, any hospital with a birthing facility shall report to the  
2 department its appropriate level of maternal care designation and neonatal care designation as  
3 determined by the criteria outlined under subsection 4 of this section.

4           9. Beginning January 1, 2018, any hospital with a birthing facility operated by a state  
5 university shall report to the department its appropriate level of maternal care designation and  
6 neonatal care designation as determined by the criteria outlined under subsection 4 of this section.

7           10. Nothing in this section shall be construed to impose liability for referral or failure to  
8 refer in accordance with the recommendations of the perinatal advisory council.

9           11. The department may partner with appropriate nationally recognized professional  
10 organizations with demonstrated expertise in maternal and neonatal standards of care to administer  
11 the provisions of this section.

12           12. The criteria for levels of maternal and neonatal care developed under subsection 4 of  
13 this section shall not include pregnancy termination or counseling or referral for pregnancy  
14 termination."; and

15  
16 Further amend said bill by amending the title, enacting clause, and intersectional references  
17 accordingly.
