

House _____ Amendment NO. _____

Offered By

1 AMEND House Bill No. 1738, Page 1, Section A, Line 2, by inserting after all of said section and
2 line the following:

3
4 "247.680. Notwithstanding any other provision of law to the contrary, if a water main of a
5 public water supply district, commercial water supplier, or municipal water utility needs to be
6 extended in order for a residential property owner to connect water service lines from the residential
7 property to the water main, the property owner shall be liable for the cost of extending the minimum
8 size water main the minimum feasible distance necessary for the property owner to establish a
9 connection to the water main. A property owner shall be allowed to collect private bids for the
10 project. Any project completed by a private entity shall meet the same specifications required of the
11 water supplier. The water main extension shall become property of the water supplier upon
12 completion of construction. The water supplier shall approve the construction and the property
13 owner shall provide the water supplier with any necessary easements for the water main. Prevailing
14 wage shall not apply to residential or private installations including materials required under this
15 section."; and

16
17 Further amend said bill by amending the title, enacting clause, and intersectional references
18 accordingly.
