2 Section 190.103, Line 30, by inserting after all of said section and line the following:
3

4 "190.142. 1. The department shall, within a reasonable time after receipt of an application,
5 cause such investigation as it deems necessary to be made of the applicant for an emergency medical
6 technician's license. The director may authorize investigations into criminal records in other states
7 for any applicant.

8 2. The department shall issue a license to all levels of emergency medical technicians, for a
9 period of five years, if the applicant meets the requirements established pursuant to sections 190.001
10 to 190.245 and the rules adopted by the department pursuant to sections 190.001 to 190.245. The
11 department may promulgate rules relating to the requirements for an emergency medical technician
12 including but not limited to:

13 (1) Age requirements;

14 (2) Education and training requirements based on respective national curricula of the United
15 States Department of Transportation and any modification to such curricula specified by the
16 department through rules adopted pursuant to sections 190.001 to 190.245;

17 (3) Initial licensure testing requirements. Initial EMT-P licensure testing shall be through
18 the national registry of EMTs or examinations developed and administered by the department of
19 health and senior services;

20 (4) Continuing education and relicensure requirements; and

21 (5) Ability to speak, read and write the English language.

22 3. Application for all levels of emergency medical technician license shall be made upon
23 such forms as prescribed by the department in rules adopted pursuant to sections 190.001 to
24 190.245. The application form shall contain such information as the department deems necessary to
25 make a determination as to whether the emergency medical technician meets all the requirements of
26 sections 190.001 to 190.245 and rules promulgated pursuant to sections 190.001 to 190.245.

27 4. All levels of emergency medical technicians may perform only that patient care which is:

28 (1) Consistent with the training, education and experience of the particular emergency
29 medical technician; and

30 (2) Ordered by a physician or set forth in protocols approved by the medical director.

31 5. No person shall hold themselves out as an emergency medical technician or provide the
32 services of an emergency medical technician unless such person is licensed by the department.

33 6. Any rule or portion of a rule, as that term is defined in section 536.010, that is created
34 under the authority delegated in this section shall become effective only if it complies with and is
35 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
36 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to
