6 state to a federal court's jurisdiction may authorize or require the governing body of a transitional
7 school district established under this section to establish the transitional district's operating levy for
8 school purposes, as defined pursuant to section 163.011, at a level not to exceed eighty-five cents
9 per one hundred dollars assessed valuation in the district or a sales tax equivalent amount as
10 determined by the department of elementary and secondary education which may be substituted for
11 all or part of such property tax.

12 (2) Any other statute to the contrary notwithstanding, no tax authorized pursuant to this
13 subsection shall:

14 (a) Be subject to any certificate of tax abatement issued after August 28, 1998, pursuant to
15 sections 99.700 to 99.715; and

22 sections 163.021 and 163.023 with respect to any requirements to maintain a minimum value of
23 operating levy or any consequences provided by law for failure to levy at least such minimum rate.
24 No operating levy or increase in the operating levy or sales tax established pursuant to this section
25 shall be collected for a transitional school district unless prior approval is obtained from a simple
26 majority of the district's voters. The board of the transitional district shall place the matter before
27 the voters prior to March 15, 1999.

28 6. (1) The special administrative board established in this section shall develop, implement,
29 monitor and evaluate a comprehensive school improvement plan, and such plan shall be subject to

32 160.514;

33 (2) The special administrative board shall establish student performance standards
34 consistent with the standards established by the state board of education pursuant to section 160.514
35 for preschool through grade twelve in all skill and subject areas, subject to review and approval of
36 the state board of education for the purpose of determining whether the standards are consistent with
37 standards established by the state board of education pursuant to section 160.514;

38 (3) All students in the district who do not achieve grade-level standards shall be required to
39 attend summer school; except that the provisions of this subsection shall not apply to students
40 receiving special education services pursuant to sections 162.670 to 162.999;

43 subsection shall not apply to students receiving special education services pursuant to sections
44 162.670 to 162.999;

45 (5) The special administrative board established in this section shall develop, implement and
46 annually update a professional development plan for teachers and other support staff, subject to
47 review and approval of the state board of education.

48 7. The school improvement plan established pursuant to this section shall ensure open

enrollment and program access to all students in the district, and, consistent with the Missouri and United States Constitutions, shall give first priority to residents of the city for admission to magnet schools. The school board shall take all practicable and constitutionally permissible steps to ensure that all magnet schools operate at full capacity. Students who change residence within the district shall be allowed to continue to attend the school in which they were initially enrolled for the remainder of their education at grade levels served by that school, and transportation shall be provided by the district to allow such students to continue to attend such school of initial enrollment.

8. To the extent practicable, the special administrative board shall ensure that per pupil expenditures and pupil-teacher ratios shall be the same for all schools serving students at a given grade level.

12. The transitional school district in any city not within a county shall be dissolved on July 1, 2008, unless the state board determines, prior to that date, that it is necessary for the transitional district to continue to accomplish the purposes for which it was created. The state board of education may cause the termination of the transitional school district at any time upon a determination that the transitional district has accomplished the purposes for which it was established and is no longer needed. The state board of education may cause the reestablishment of the transitional school district at any time upon a determination that it is necessary for the transitional district to be reestablished to accomplish the purposes established in this section. The state board of education shall provide notice to the governor and general assembly of the termination or reestablishment of the transitional school district and the termination or reestablishment shall become effective thirty days following such determination. Upon dissolution of a transitional school district pursuant to this section, nothing in this section shall be construed to reduce or eliminate any power or duty of any school district or districts containing the territory of the dissolved transitional school district unless such transitional school district is reestablished by the state board of education pursuant to this section.

167.020. 1. As used in this section, the term "homeless child" or "homeless youth" shall mean a person less than twenty-one years of age who lacks a fixed, regular and adequate nighttime residence, including a child or youth who:

9 the child's parents are stationed or deployed out of state or deployed within Missouri under Title 32
10 or Title 10 active duty orders, the student may attend the school district in which the family
11 member's residence or family support community is located. If the active duty orders expire during
12 the school year, the student may finish the school year in that district; or

13 (2) Proof that the person registering the student has requested a waiver under subsection 3
14 of this section within the last forty-five days.

15
16 In instances where there is reason to suspect that admission of the pupil will create an immediate
17 danger to the safety of other pupils and employees of the district, the [superintendent or the
18 superintendent's designee] board may convene a hearing within five working days of the request to
19 register and determine whether or not the pupil may register.

20 3. Any person subject to the requirements of subsection 2 of this section may request a
21 waiver from the district board of any of those requirements on the basis of hardship or good cause.
22 Under no circumstances shall athletic ability be a valid basis of hardship or good cause for the
23 issuance of a waiver of the requirements of subsection 2 of this section. The district board or
24 committee of the board appointed by the president and which shall have full authority to act in lieu
25 of the board shall convene a hearing as soon as possible, but no later than forty-five days after
26 receipt of the waiver request made under this subsection or the waiver request shall be granted. The
27 district board or committee of the board may grant the request for a waiver of any requirement of
28 subsection 2 of this section. The district board or committee of the board may also reject the
29 request for a waiver in which case the pupil shall not be allowed to register. Any person aggrieved
30 by a decision of a district board or committee of the board on a request for a waiver under this
31 subsection may appeal such decision to the circuit court in the county where the school district is
32 located.

33 4. Any person who knowingly submits false information to satisfy any requirement of
34 subsection 2 of this section is guilty of a class A misdemeanor.

35 5. In addition to any other penalties authorized by law, a district board may file a civil
36 action to recover, from the parent, military guardian or legal guardian of the pupil, the costs of
37 school attendance for any pupil who was enrolled at a school in the district and whose parent,
38 military guardian or legal guardian filed false information to satisfy any requirement of subsection 2
39 of this section.

40 6. Subsection 2 of this section shall not apply to a pupil who is a homeless child or youth, or
41 a pupil attending a school not in the pupil's district of residence as a participant in an interdistrict
42 transfer program established under a court-ordered desegregation program, a pupil who is a ward of
43 the state and has been placed in a residential care facility by state officials, a pupil who has been

3 including any special education pupil, shall request those records required by district policy for
4 student transfer and those discipline records required by subsection 9 of section 160.261 from all
5 schools previously attended by the pupil within the last twelve months. Any school district that
6 receives a request for such records from another school district enrolling a pupil that had previously
7 attended a school in such district shall respond to such request within five business days of receiving
8 the request. School districts may report or disclose education records to law enforcement and
9 juvenile justice authorities if the disclosure concerns law enforcement's or juvenile justice
10 authorities' ability to effectively serve, prior to adjudication, the student whose records are released.
11 The officials and authorities to whom such information is disclosed must comply with applicable
12 restrictions set forth in 20 U.S.C. Section 1232g(b)(1)(E).

17 academic instruction which complies with subsection 2 of this section. Any parent, guardian or
18 other person who enrolls a child between the ages of five and seven years in a public school
19 program of academic instruction shall cause such child to attend the academic program on a regular
20 basis, according to this section. Nonattendance by such child shall cause such parent, guardian or
21 other responsible person to be in violation of the provisions of section 167.061, except as provided
22 by this section. A parent, guardian or other person in this state having charge, control, or custody of
23 a child between the ages of seven years of age and the compulsory attendance age for the district
24 shall cause the child to attend regularly some public, private, parochial, parish, home school or a
25 combination of such schools not less than the entire school term of the school which the child
26 attends; except that:

28 district in which he resides[, or if there is no superintendent then the chief school officer], is
29 determined to be mentally or physically incapacitated may be excused from attendance at school for
30 the full time required, or any part thereof;

31 (2) A child between fourteen years of age and the compulsory attendance age for the district
32 may be excused from attendance at school for the full time required, or any part thereof, by the
33 [superintendent of public schools] board of the district, or if there is none then by a court of
34 competent jurisdiction, when legal employment has been obtained by the child and found to be
35 desirable, and after the parents or guardian of the child have been advised of the pending action; or

36 (3) A child between five and seven years of age shall be excused from attendance at school
37 if a parent, guardian or other person having charge, control or custody of the child makes a written
38 request that the child be dropped from the school's rolls.

39 2. (1) As used in sections 167.031 to 167.071, a "home school" is a school, whether
40 incorporated or unincorporated, that:

45 (c) Does not charge or receive consideration in the form of tuition, fees, or other
46 remuneration in a genuine and fair exchange for provision of instruction.

47 (2) As evidence that a child is receiving regular instruction, the parent shall, except as
48 otherwise provided in this subsection:

1 (a) Maintain the following records:
 2 a. A plan book, diary, or other written record indicating subjects taught and activities
 3 engaged in; and
 4 b. A portfolio of samples of the child's academic work; and

 14 in its curriculum any concept, topic, or practice in conflict with the school's religious doctrines or to
 15 exclude from its curriculum any concept, topic, or practice consistent with the school's religious
 16 doctrines. Any other provision of the law to the contrary notwithstanding, all departments or
 17 agencies of the state of Missouri shall be prohibited from dictating through rule, regulation or other
 18 device any statewide curriculum for private, parochial, parish or home schools.

19 4. A school year begins on the first day of July and ends on the thirtieth day of June
 20 following.

 22 instruction which satisfies the requirements of this section or, in the case of a pupil over the age of
 23 sixteen years who attended a metropolitan school district the previous year, a written statement that
 24 the pupil is attending home school in compliance with this section shall be a defense to any
 25 prosecution under this section and to any charge or action for educational neglect brought pursuant
 26 to chapter 210.

27 6. As used in sections 167.031 to 167.051, the term "compulsory attendance age for the
 28 district" shall mean:

29 (1) Seventeen years of age for any metropolitan school district for which the school board
 30 adopts a resolution to establish such compulsory attendance age; provided that such resolution shall
