

House _____ Amendment NO. _____

Offered By _____

1 AMEND House Committee Substitute for Senate Bill No. 640, Page 15, Section 304.170, Line 114,
2 by inserting after all of said section and line the following:

3
4 "379.1700. As used in sections 379.1700 to 379.1708, the following terms shall mean:

5 (1) "Digital network", any online-enabled application, software, website, or system offered
6 or utilized by a transportation network company that enables the prearrangement of rides with
7 transportation network company drivers;

8 (2) "Personal vehicle", a vehicle that is used by a transportation network company driver
9 and is:

10 (a) Owned, leased, or otherwise authorized for use by the transportation network company
11 driver; and

12 (b) Not a taxicab, limousine, or for-hire vehicle under chapter 390;

13 (3) "Prearranged ride", the provision of transportation by a driver to a rider, beginning when
14 a driver accepts a ride requested by a rider through a digital network controlled by a transportation
15 network company, continuing while the driver transports a requesting rider, and ending when the
16 last requesting rider departs from the personal vehicle. A prearranged ride shall not include shared
17 expense carpool or vanpool arrangements or transportation provided using a taxi, limousine, or
18 other for-hire vehicle under chapter 390;

19 (4) "Transportation network company", a corporation, partnership, sole proprietorship, or
20 other entity that is licensed and operating in Missouri that uses a digital network to connect
21 transportation network company riders to transportation network company drivers who provide
22 prearranged rides. A transportation network company shall not be deemed to control, direct, or
23 manage the personal vehicles or transportation network company drivers that connect to its digital
24 network, except if agreed to by written contract;

25 (5) "Transportation network company driver" or "driver", an individual who:

26 (a) Receives connections to potential riders and related services from a transportation
27 network company in exchange for payment of a fee to the transportation network company; and

28 (b) Uses a personal vehicle to offer or provide a prearranged ride to riders upon connection
29 through a digital network controlled by a transportation network company in return for
30 compensation or payment of a fee;

31 (6) "Transportation network company rider" or "rider", an individual or persons who use a
32 transportation network company's digital network to connect with a transportation network driver
33 who provides prearranged rides to the rider in the driver's personal vehicle between points chosen
34 by the rider.

35 379.1702. 1. Beginning April 1, 2017, a transportation network company driver or
36 transportation network company on the driver's behalf shall maintain primary automobile insurance

Standing Action Taken _____ Date _____

Select Action Taken _____ Date _____

1 that:

2 (1) Recognizes that the driver is a transportation network company driver or otherwise uses
 3 a vehicle to transport riders for compensation; and

4 (2) Covers the driver while the driver is logged on to the transportation network company's
 5 digital network or while the driver is engaged in a prearranged ride.

6 2. The following automobile insurance requirements shall apply while a participating
 7 transportation network company driver is logged on to the transportation network company's digital
 8 network and is available to receive transportation requests but is not engaged in a prearranged ride:

9 (1) Primary automobile liability insurance in the amount of at least fifty thousand dollars for
 10 death and bodily injury per person, one hundred thousand dollars for death and bodily injury per
 11 incident, and twenty-five thousand dollars for property damage;

12 (2) Uninsured motorist coverage in an amount not less than the limits set forth under section
 13 379.203;

14 (3) The coverage requirements of this subsection may be satisfied by any of the following:

15 (a) Automobile insurance maintained by the transportation network company driver;

16 (b) Automobile insurance maintained by the transportation network company; or

17 (c) Any combination of paragraphs (a) and (b) of this subdivision.

18 3. The following automobile insurance requirements shall apply while a transportation
 19 network company driver is engaged in a prearranged ride:

20 (1) Primary automobile liability insurance in the amount of at least one million dollars for
 21 death, bodily injury, and property damage;

22 (2) Uninsured motorist coverage in an amount not less than the limits set forth under section
 23 379.203;

24 (3) The coverage requirements of this subsection may be satisfied by any of the following:

25 (a) Automobile insurance maintained by the transportation network company driver;

26 (b) Automobile insurance maintained by the transportation network company; or

27 (c) Any combination of paragraphs (a) and (b) of this subdivision.

28 4. If insurance maintained by a driver in subsection 2 or 3 of this section has lapsed or does
 29 not provide the required coverage, insurance maintained by a transportation network company shall
 30 provide the coverage required by this section beginning with the first dollar of a claim and shall
 31 have the duty to defend such claim. If the insurance maintained by the driver does not otherwise
 32 exclude coverage for loss or injury while the driver is logged on to a transportation network's digital
 33 network or while the driver provides a prearranged ride, but does not provide insurance coverage at
 34 the minimum limits required by subsection 2 or 3 of this section, the transportation network
 35 company shall maintain insurance coverage that provides excess coverage beyond the driver's policy
 36 limits up to the limits required by subsection 2 or 3 of this section, as applicable.

37 5. Coverage under an automobile insurance policy maintained by the transportation network
 38 company shall not be dependent on a personal automobile insurer first denying a claim nor shall a
 39 personal automobile insurance policy be required to first deny a claim.

40 6. Insurance required by this section may be placed with an insurer authorized to issue
 41 policies of automobile insurance in the state of Missouri or with an eligible surplus lines insurer
 42 under chapter 384.

43 7. Insurance satisfying the requirements of this section shall be deemed to satisfy the motor
 44 vehicle financial responsibility requirements for a motor vehicle under chapter 303.

45 8. A transportation network company driver shall carry proof of coverage satisfying
 46 subsections 2 and 3 of this section with him or her at all times during his or her use of a vehicle in
 47 connection with a transportation network company's digital network. In the event of an accident, a
 48 transportation network company driver shall provide this insurance coverage information to the

1 directly interested parties, automobile insurers, and investigating police officers, upon request under
 2 section 303.024. Upon such request, a transportation network company driver shall also disclose to
 3 directly interested parties, automobile insurers, and investigating police officers whether the driver
 4 was logged on to the transportation network company's digital network or on a prearranged ride at
 5 the time of an accident.

6 379.1704. The transportation network company shall disclose in writing to transportation
 7 network company drivers the following before they are allowed to accept a request for a
 8 prearranged ride on the transportation network company's digital network:

9 (1) The insurance coverage, including the types of coverage and the limits for each
 10 coverage, that the transportation network company provides while the transportation network
 11 company driver uses a personal vehicle in connection with a transportation network company's
 12 digital network; and

13 (2) That the transportation network company driver's own automobile insurance policy
 14 might not provide any coverage while the driver is logged on to the transportation network
 15 company's digital network and is available to receive transportation requests or is engaged in a
 16 prearranged ride depending on the policy's terms.

17 379.1706. A transportation network company shall make the following disclosure to a
 18 prospective driver in the prospective driver's terms of service:

19
 20 IF THE VEHICLE THAT YOU PLAN TO USE TO PROVIDE TRANSPORTATION NETWORK
 21 COMPANY SERVICES HAS A LIEN AGAINST IT, USING THE VEHICLE FOR
 22 TRANSPORTATION NETWORK COMPANY SERVICES MAY VIOLATE THE TERMS OF
 23 YOUR CONTRACT WITH THE LIENHOLDER.

24
 25 IF A TRANSPORTATION NETWORK COMPANY'S INSURER MAKES A PAYMENT FOR A
 26 CLAIM COVERED UNDER COMPREHENSIVE COVERAGE OR COLLISION COVERAGE,
 27 THE TRANSPORTATION NETWORK COMPANY SHALL CAUSE ITS INSURER TO ISSUE
 28 THE PAYMENT DIRECTLY TO THE BUSINESS REPAIRING THE VEHICLE OR JOINTLY
 29 TO THE OWNER OF THE VEHICLE AND THE PRIMARY LIENHOLDER ON THE
 30 COVERED VEHICLE.

31
 32 The disclosure set forth in this subsection shall be placed prominently in the prospective driver's
 33 written terms of service, and the prospective driver shall acknowledge the terms of service
 34 electronically or by signature.

35 379.1708. 1. Insurers that write automobile insurance in Missouri may exclude or limit any
 36 and all coverage afforded under an automobile insurance policy, including a motor vehicle liability
 37 policy, issued to an owner or operator of a vehicle for any loss or injury that occurs while:

38 (1) A driver is logged on to a transportation network company's digital network;

39 (2) A driver provides a prearranged ride; or

40 (3) A motor vehicle is being used to transport or carry persons or property for any
 41 compensation or suggested donation;

42 2. The right to exclude all coverage under subsection 1 of this section may apply to any
 43 coverage included in an automobile insurance policy including, but not limited to:

44 (1) Liability coverage for bodily injury and property damage;

45 (2) Uninsured and underinsured motorist coverage;

46 (3) Medical payments coverage;

47 (4) Comprehensive physical damage coverage; and

48 (5) Collision physical damage coverage.

1
2 Such exclusions shall apply notwithstanding any financial responsibility requirement or uninsured
3 motorist coverage requirement under the motor vehicle financial responsibility law, chapter 303, or
4 section 379.203, respectively. Nothing in this section implies or requires that a personal automobile
5 insurance policy provide coverage while the driver is logged on to the transportation network
6 company's digital network, while the driver is engaged in a prearranged ride, or while the driver
7 otherwise uses a vehicle to transport passengers or property for compensation.

8 3. Nothing shall be deemed to preclude an insurer from providing coverage for the
9 transportation network company driver's vehicle, if it chooses to do so by contract or endorsement.

10 4. Automobile insurers that exclude the coverage described under section 379.1702 shall
11 have no duty to defend or indemnify any claim expressly excluded thereunder. Nothing in this
12 section shall be deemed to invalidate or limit an exclusion contained in a policy, including any
13 policy in use or approved for use in Missouri prior to the enactment of this section that excludes
14 coverage for vehicles used to carry persons or property for a charge or available for hire by the
15 public.

16 5. An automobile insurer that defends or indemnifies a claim against a driver that is
17 excluded under the terms of its policy shall have a right of contribution against other insurers that
18 provide automobile insurance to the same driver in satisfaction of the coverage requirements of
19 section 379.1702 at the time of loss.

20 6. In a claims coverage investigation, transportation network companies and any insurer
21 providing coverage under section 379.1702 shall cooperate to facilitate the exchange of relevant
22 information with each other and any insurer of the transportation network company driver if
23 applicable, including the precise times that a transportation network company driver logged on and
24 off of the transportation network company's digital network in the twelve-hour period immediately
25 preceding and in the twelve-hour period immediately following the accident and disclose to one
26 another a clear description of the coverage, exclusions, and limits provided under any automobile
27 insurance maintained under section 379.1702.

28 387.600. As used in sections 387.600 to 387.630, the following terms shall mean:

29 (1) "Digital network", any online-enabled application, website, or system offered or utilized
30 by a transportation network company that enables the prearrangement of rides with transportation
31 network company drivers;

32 (2) "Personal vehicle", a vehicle that is used by a transportation network company driver
33 and is:

34 (a) Owned, leased, or otherwise authorized for use by the transportation network company
35 driver; and

36 (b) Not a taxicab, limousine, or for-hire vehicle under chapter 390;

37 (3) "Prearranged ride", the provision of transportation by a driver to a rider, beginning when
38 a driver accepts a ride requested by a rider through a digital network controlled by a transportation
39 network company, continuing while the driver transports a requesting rider, and ending when the
40 last requesting rider departs from the personal vehicle. A prearranged ride shall not include shared
41 expense carpool or vanpool arrangements or transportation provided using a taxi, limousine, or
42 other for-hire vehicle under chapter 390;

43 (4) "Transportation network company", a corporation, partnership, sole proprietorship, or
44 other entity that is licensed and operating in Missouri that uses a digital network to connect
45 transportation network company riders to transportation network company drivers who provide
46 prearranged rides. A transportation network company shall not be deemed to control, direct, or
47 manage the personal vehicles or transportation network company drivers that connect to its digital
48 network, except if agreed to by written contract;

(5) "Transportation network company driver" or "driver", an individual who:

(a) Receives connections to potential riders and related services from a transportation network company in exchange for payment of a fee to the transportation network company; and

(b) Uses a personal vehicle to offer or provide a prearranged ride to riders upon connection through a digital network controlled by a transportation network company in return for compensation or payment of a fee;

(6) "Transportation network company rider" or "rider", an individual or persons who use a transportation network company's digital network to connect with a transportation network driver who provides prearranged rides to the rider in the driver's personal vehicle between points chosen by the rider.

387.602. Notwithstanding any other provision of law, transportation network companies shall not be considered common carriers, contract carriers, or motor carriers, as defined under section 390.020, or for-hire vehicle service. A transportation network company driver shall not be required to register any vehicle the driver uses to provide prearranged rides as a commercial vehicle or as a for-hire vehicle.

387.604. Beginning August 28, 2016, any person operating a transportation network company in the state shall be required to obtain a permit from the department of revenue. The department shall issue permits to applicants who meet the requirements for a transportation network company as provided under sections 387.600 to 387.630 and who pay an annual, nonrefundable permit fee of five thousand dollars to the department. While operating as a transportation network company, such company shall maintain an agent for service of process within the state of Missouri.

387.608. On behalf of a transportation network company driver, a transportation network company may charge a fare for the services provided to riders; provided that, if a fare is collected from a rider, the transportation network company shall disclose to the rider the fare calculation method in the vehicle on its website or within the software application service. The transportation network company shall also provide riders with the applicable rates being charged and the option to receive an estimated fare before the rider enters the transportation network company driver's vehicle.

387.610. The transportation network company shall meet the requirements of either subsection of this section at its option:

(1) Display in its software application or website a picture of the transportation network driver and the license plate number of the motor vehicle utilized for providing the prearranged ride before the passenger enters the transportation network company driver's vehicle; or

(2) Have clearly visible external markings on the front and back or both sides of the transportation network motor vehicles to easily identify the vehicle as a transportation network vehicle. Vehicle markings shall be no less than six inches tall and six inches wide. The transportation network driver shall display photo identification within the vehicle at all times.

387.612. After the completion of a prearranged ride secured on a digital network, within a reasonable period of time following the completion of a trip, a transportation network company shall transmit an electronic receipt to the transportation network company rider on behalf of the transportation network company driver that lists:

(1) The origin and destination of the trip;

(2) The total time and distance of the trip; and

(3) An itemization of the total fare paid, if any.

387.620. Drivers shall be independent contractors and not employees of the transportation network company if all of the following conditions are met:

(1) The transportation network company does not prescribe specific hours during which a transportation network company driver must be logged into the transportation network company's

1 digital network;

2 (2) The transportation network company imposes no restrictions on the transportation
 3 network company driver's ability to utilize digital networks from other transportation network
 4 companies;

5 (3) The transportation network company does not assign a transportation network company
 6 driver a particular territory in which prearranged rides can be provided;

7 (4) The transportation network company does not restrict a transportation network company
 8 driver from engaging in any other occupation or business; and

9 (5) The transportation network company and transportation network company driver agree
 10 in writing that the driver is an independent contractor of the transportation network company.

11 387.622. 1. The transportation network company shall implement a zero tolerance policy
 12 regarding a transportation network company driver's activities while accessing the transportation
 13 network company's digital network. The zero tolerance policy shall address the use of drugs or
 14 alcohol while a transportation network company driver is providing prearranged rides or is logged
 15 into the transportation network company's digital network but is not providing prearranged rides,
 16 and the transportation network company shall provide notice of this policy on its website, as well as
 17 procedures to report a complaint about a driver with whom a rider was matched and whom the rider
 18 reasonably suspects was under the influence of drugs or alcohol during the course of the trip.

19 2. Upon receipt of a rider complaint alleging a violation of the zero tolerance policy, the
 20 transportation network company shall immediately suspend such transportation network company
 21 driver's access to the transportation network company's digital network, and shall conduct an
 22 investigation into the reported incident. The suspension shall last the duration of the investigation.

23 3. The transportation network company shall maintain records relevant to the enforcement
 24 of this requirement for a period of at least two years from the date that a rider complaint is received
 25 by the transportation network company.

26 387.624. 1. Before allowing an individual to accept trip requests through a transportation
 27 network company's digital network:

28 (1) The individual shall submit an application to the transportation network company, which
 29 includes information regarding his or her address, age, driver's license, driving history, motor
 30 vehicle registration, automobile liability insurance, and other information required by the
 31 transportation network company;

32 (2) The transportation network company shall conduct, or have a third party conduct, a local
 33 and national criminal background check for each applicant that shall include:

34 (a) Multi-State/Multi-Jurisdiction Criminal Records Locator or other similar commercial
 35 nationwide database with validation; and

36 (b) National Sex Offender Registry database;

37 (3) The transportation network company shall obtain and review a driving history research
 38 report for such individual.

39 2. The transportation network company shall not permit an individual to act as a
 40 transportation network company driver on its digital network who:

41 (1) Has had more than three moving violations in the prior three-year period, or one major
 42 violation in the prior three-year period including, but not limited to, attempting to evade the police,
 43 reckless driving, or driving on a suspended or revoked license;

44 (2) Has been convicted within the past seven years of driving under the influence of drugs
 45 or alcohol, fraud, sexual offenses, use of a motor vehicle to commit a felony, a crime involving
 46 property damage or theft, acts of violence, or acts of terror;

47 (3) Is a match in the National Sex Offender Registry database;

48 (4) Does not possess a valid driver's license;

1 (5) Does not possess proof of registration for the motor vehicle or vehicles used to provide
 2 prearranged rides;

3 (6) Does not possess proof of automobile liability insurance for the motor vehicle or
 4 vehicles used to provide prearranged rides; or

5 (7) Is not at least nineteen years of age.

6 3. A transportation network company driver who is qualified to accept trip requests through
 7 a transportation network company's digital network under this section shall not be required to obtain
 8 any other state or local license or permit to provide prearranged rides.

9 387.626. The transportation network company shall not allow a transportation network
 10 company driver to accept trip requests through the transportation network company's digital
 11 network unless any motor vehicle or vehicles that a transportation network company driver will use
 12 to provide prearranged rides meets the inspection requirements of section 307.350.

13 387.627. 1. The transportation network company shall adopt a policy of nondiscrimination
 14 with respect to riders and potential riders and notify transportation network company drivers of such
 15 policy.

16 2. Transportation network company drivers shall comply with all applicable laws regarding
 17 nondiscrimination against riders or potential riders.

18 3. Transportation network company drivers shall comply with all applicable laws relating to
 19 accommodation of service animals.

20 4. A transportation network company shall not impose additional charges for providing
 21 services to persons with physical disabilities because of those disabilities.

22 387.628. A transportation network company shall maintain the following customer records:

23 (1) For prearranged rides secured through a digital network, individual trip records of rider
 24 customers for at least one year from the date each trip was provided; and

25 (2) Individual records of transportation network company driver customers at least until the
 26 one year anniversary of the date on which a transportation network company driver's customer
 27 relationship with the transportation network company has ended.

28 387.630. 1. Notwithstanding any other provision of law, transportation network companies
 29 and transportation network company drivers are governed exclusively by sections 387.600 to
 30 387.630 and any rules promulgated by the State of Missouri consistent with such sections. No
 31 municipality or other local or state entity may impose a tax on or require a license for a
 32 transportation network company, a transportation network company driver, or a vehicle used by a
 33 transportation network company driver where such tax or licenses relates to providing prearranged
 34 rides, or subject a transportation network company to the municipality or other local or state entity's
 35 rate, entry, operational requirements, or other requirements. Nothing in this section shall apply to
 36 an earnings tax.

37 2. The department of revenue may promulgate all necessary rules and regulations for the
 38 administration of this section. Any rule or portion of a rule, as that term is defined in section
 39 536.010, that is created under the authority delegated in this section shall become effective only if it
 40 complies with and is subject to all of the provisions of chapter 536 and, if applicable, section
 41 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the
 42 general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and
 43 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any
 44 rule proposed or adopted after August 28, 2016, shall be invalid and void.

45 387.632. 1. Beginning August 28, 2016, and annually thereafter, a taxicab, a taxicab driver,
 46 a taxicab company as those terms are defined in section 67.1800, shall make an election filed with
 47 the department of revenue to comply with either:

48 (1) The provisions of 387.600 through 387.630 herein; or

1 (2) Applicable municipal regulation duly enacted or authorized by 67.1800 through
2 67.1822.

3 2. A taxicab company or taxicab driver, solely for purposes of satisfying 387.624 herein,
4 may maintain primary commercial automobile liability coverage with a combined single limit of no
5 less than four hundred thousand dollars for death, bodily injury or property damage provided such
6 policy be issued by an insurer with a credit rating of no less than A- by A.M. Best.

7 387.634. 1. Transportation network companies shall not be considered employers of
8 transportation network company drivers for purposes of chapters 285, 287, 288, and 290, except
9 when agreed to by written contract. Transportation network company drivers shall not be
10 considered employees for purposes of chapters 285, 287, 288, and 290, except when agreed to by
11 written contract. If the parties agree to the application of one or more of these laws in a written
12 contract, the transportation network company shall notify the appropriate agency of the election to
13 cover the driver. If the parties subsequently change this election, the transportation network
14 company shall notify the appropriate agency of the change.

15 2. Except when agreed to by written contract, a transportation network company driver is
16 not an agent of a transportation network company."; and
17
