8 district to be known as the "Transitional School District of (name of city)", which shall be a body
9 corporate and politic and a subdivision of the state. The transitional school district shall be
10 coterminous with the boundaries of the city in which the district is located. Except as otherwise

12 laws pertaining to "seven-director districts", as defined in section 160.011. The transitional school
13 district shall have the responsibility for educational programs and policies determined by a final
14 judgment of a federal school desegregation case to be needed in providing for a transition of the

22 without compensation for a term of three years, or until their successors have been appointed, or
23 until the transitional district is dissolved or terminated. Any tax approved for the transitional district
24 shall be assigned to the governing body of the school district in a city not within a county after
25 dissolution or termination of the transitional district.

26 (2) In the event that the state board of education shall declare the school district of a city not
27 within a county to be unaccredited, the member of the governing board of the transitional district
28 appointed by the governing body of the district as provided in subdivision (1) of this subsection
29 shall, within ninety days, be replaced by a chief executive officer nominated by the state board of
30 education and appointed by the governor with the advice and consent of the senate. The chief
31 executive officer need not be a resident of the district but shall be a person of recognized
32 administrative ability, shall be paid in whole or in part with funds from the district, and shall have
33 all other powers and duties of any other general superintendent of schools[, including appointment
34 of staff]. The chief executive officer shall serve for a term of three years or until his successor is
35 appointed or until the transitional district is dissolved or terminated. His salary shall be set by the
36 state board of education.

37 3. In the event that the school district loses its accreditation, upon the appointment of a chief
38 executive officer, any powers granted to any existing school board in a city not within a county on
39 or before August 28, 1998, shall be vested with the special administrative board of the transitional

6 5. (1) The provisions of a final judgment as to the state of Missouri and its officials in a
7 school desegregation case which subjects a district in which a transitional district is located in this
8 state to a federal court's jurisdiction may authorize or require the governing body of a transitional
9 school district established under this section to establish the transitional district's operating levy for
10 school purposes, as defined pursuant to section 163.011, at a level not to exceed eighty-five cents
11 per one hundred dollars assessed valuation in the district or a sales tax equivalent amount as
12 determined by the department of elementary and secondary education which may be substituted for
13 all or part of such property tax.

14 (2) Any other statute to the contrary notwithstanding, no tax authorized pursuant to this
15 subsection shall:

16 (a) Be subject to any certificate of tax abatement issued after August 28, 1998, pursuant to
17 sections 99.700 to 99.715; and

18 (b) Effective January 1, 2002, be subject to any new or existing tax increment financing
19 adopted by a city not within a county pursuant to sections 99.800 to 99.865 except that any
20 redevelopment plan and redevelopment project concerning a convention headquarters hotel adopted
21 by ordinance by a city not within a county prior to August 28, 2003, shall be subject to such tax
22 increment financing.

23 (3) The transitional school district shall not be subject to the provisions of section 162.081,
24 sections 163.021 and 163.023 with respect to any requirements to maintain a minimum value of
25 operating levy or any consequences provided by law for failure to levy at least such minimum rate.
26 No operating levy or increase in the operating levy or sales tax established pursuant to this section
27 shall be collected for a transitional school district unless prior approval is obtained from a simple
28 majority of the district's voters. The board of the transitional district shall place the matter before
29 the voters prior to March 15, 1999.

30 6. (1) The special administrative board established in this section shall develop, implement,
31 monitor and evaluate a comprehensive school improvement plan, and such plan shall be subject to
32 review and approval of the state board of education. The plan shall ensure that all students meet or
33 exceed grade-level standards established by the state board of education pursuant to section
34 160.514;

35 (2) The special administrative board shall establish student performance standards
36 consistent with the standards established by the state board of education pursuant to section 160.514
37 for preschool through grade twelve in all skill and subject areas, subject to review and approval of

39 standards established by the state board of education pursuant to section 160.514;

40 (3) All students in the district who do not achieve grade-level standards shall be required to
41 attend summer school; except that the provisions of this subsection shall not apply to students
42 receiving special education services pursuant to sections 162.670 to 162.999;

43 (4) No student shall be promoted to a higher grade level unless that student has a reading
44 ability at or above one grade level below the student's grade level; except that the provisions of this
45 subsection shall not apply to students receiving special education services pursuant to sections
46 162.670 to 162.999;

47 (5) The special administrative board established in this section shall develop, implement and
48 annually update a professional development plan for teachers and other support staff, subject to

1 review and approval of the state board of education.

2 7. The school improvement plan established pursuant to this section shall ensure open
3 enrollment and program access to all students in the district, and, consistent with the Missouri and
4 United States Constitutions, shall give first priority to residents of the city for admission to magnet
5 schools. The school board shall take all practicable and constitutionally permissible steps to ensure
6 that all magnet schools operate at full capacity. Students who change residence within the district
7 shall be allowed to continue to attend the school in which they were initially enrolled for the
8 remainder of their education at grade levels served by that school, and transportation shall be
9 provided by the district to allow such students to continue to attend such school of initial
10 enrollment.

11 8. To the extent practicable, the special administrative board shall ensure that per pupil
12 expenditures and pupil-teacher ratios shall be the same for all schools serving students at a given
13 grade level.

14 9. The special administrative board shall ensure that early childhood education is available
15 throughout the district.

16 10. The special administrative board shall ensure that vocational education instruction is
17 provided within the district.

19 shall be to ensure that academically deficient schools within the district are raised to acceptable
20 condition within two years.

21 12. The transitional school district in any city not within a county shall be dissolved on July
22 1, 2008, unless the state board determines, prior to that date, that it is necessary for the transitional
23 district to continue to accomplish the purposes for which it was created. The state board of
24 education may cause the termination of the transitional school district at any time upon a
25 determination that the transitional district has accomplished the purposes for which it was
26 established and is no longer needed. The state board of education may cause the reestablishment of
27 the transitional school district at any time upon a determination that it is necessary for the
28 transitional district to be reestablished to accomplish the purposes established in this section. The
29 state board of education shall provide notice to the governor and general assembly of the
30 termination or reestablishment of the transitional school district and the termination or
31 reestablishment shall become effective thirty days following such determination. Upon dissolution
32 of a transitional school district pursuant to this section, nothing in this section shall be construed to
33 reduce or eliminate any power or duty of any school district or districts containing the territory of
34 the dissolved transitional school district unless such transitional school district is reestablished by
35 the state board of education pursuant to this section.

36 167.020. 1. As used in this section, the term "homeless child" or "homeless youth" shall
37 mean a person less than twenty-one years of age who lacks a fixed, regular and adequate nighttime
38 residence, including a child or youth who:

39 (1) Is sharing the housing of other persons due to loss of housing, economic hardship, or a
40 similar reason; is living in motels, hotels, or camping grounds due to lack of alternative adequate
41 accommodations; is living in emergency or transitional shelters; is abandoned in hospitals; or is

1 2. In order to register a pupil, the parent or legal guardian of the pupil or the pupil himself
2 or herself shall provide, at the time of registration, one of the following:

3 (1) Proof of residency in the district. Except as otherwise provided in section 167.151, the
4 term "residency" shall mean that a person both physically resides within a school district and is
5 domiciled within that district or, in the case of a private school student suspected of having a
6 disability under the Individuals With Disabilities Education Act, 20 U.S.C. Section 1412, et seq.,
7 that the student attends private school within that district. The domicile of a minor child shall be the
8 domicile of a parent, military guardian pursuant to a military-issued guardianship or court-appointed
9 legal guardian. For instances in which the family of a student living in Missouri co-locates to live
10 with other family members or live in a military family support community because one or both of
11 the child's parents are stationed or deployed out of state or deployed within Missouri under Title 32
12 or Title 10 active duty orders, the student may attend the school district in which the family
13 member's residence or family support community is located. If the active duty orders expire during
14 the school year, the student may finish the school year in that district; or

15 (2) Proof that the person registering the student has requested a waiver under subsection 3
16 of this section within the last forty-five days.

17
18 In instances where there is reason to suspect that admission of the pupil will create an immediate
19 danger to the safety of other pupils and employees of the district, the [superintendent or the
20 superintendent's designee] board may convene a hearing within five working days of the request to
21 register and determine whether or not the pupil may register.

22 3. Any person subject to the requirements of subsection 2 of this section may request a
23 waiver from the district board of any of those requirements on the basis of hardship or good cause.
24 Under no circumstances shall athletic ability be a valid basis of hardship or good cause for the
25 issuance of a waiver of the requirements of subsection 2 of this section. The district board or
26 committee of the board appointed by the president and which shall have full authority to act in lieu
27 of the board shall convene a hearing as soon as possible, but no later than forty-five days after
28 receipt of the waiver request made under this subsection or the waiver request shall be granted. The
29 district board or committee of the board may grant the request for a waiver of any requirement of
30 subsection 2 of this section. The district board or committee of the board may also reject the
31 request for a waiver in which case the pupil shall not be allowed to register. Any person aggrieved
32 by a decision of a district board or committee of the board on a request for a waiver under this
33 subsection may appeal such decision to the circuit court in the county where the school district is
34 located.

35 4. Any person who knowingly submits false information to satisfy any requirement of
36 subsection 2 of this section is guilty of a class A misdemeanor.

37 5. In addition to any other penalties authorized by law, a district board may file a civil
38 action to recover, from the parent, military guardian or legal guardian of the pupil, the costs of
39 school attendance for any pupil who was enrolled at a school in the district and whose parent,
40 military guardian or legal guardian filed false information to satisfy any requirement of subsection 2
41 of this section.

42 6. Subsection 2 of this section shall not apply to a pupil who is a homeless child or youth, or
43 a pupil attending a school not in the pupil's district of residence as a participant in an interdistrict
44 transfer program established under a court-ordered desegregation program, a pupil who is a ward of
45 the state and has been placed in a residential care facility by state officials, a pupil who has been
46 placed in a residential care facility due to a mental illness or developmental disability, a pupil
47 attending a school pursuant to sections 167.121 and 167.151, a pupil placed in a residential facility
48 by a juvenile court, a pupil with a disability identified under state eligibility criteria if the student is

1 in the district for reasons other than accessing the district's educational program, or a pupil attending
2 a regional or cooperative alternative education program or an alternative education program on a
3 contractual basis.

4 7. Within two business days of enrolling a pupil, the school official enrolling a pupil,
5 including any special education pupil, shall request those records required by district policy for
6 student transfer and those discipline records required by subsection 9 of section 160.261 from all
7 schools previously attended by the pupil within the last twelve months. Any school district that
8 receives a request for such records from another school district enrolling a pupil that had previously
9 attended a school in such district shall respond to such request within five business days of receiving
10 the request. School districts may report or disclose education records to law enforcement and
11 juvenile justice authorities if the disclosure concerns law enforcement's or juvenile justice
12 authorities' ability to effectively serve, prior to adjudication, the student whose records are released.
13 The officials and authorities to whom such information is disclosed must comply with applicable
14 restrictions set forth in 20 U.S.C. Section 1232g(b)(1)(E).

15 167.031. 1. Every parent, guardian or other person in this state having charge, control or
16 custody of a child not enrolled in a public, private, parochial, parish school or full-time equivalent
17 attendance in a combination of such schools and between the ages of seven years and the
18 compulsory attendance age for the district is responsible for enrolling the child in a program of
19 academic instruction which complies with subsection 2 of this section. Any parent, guardian or
20 other person who enrolls a child between the ages of five and seven years in a public school
21 program of academic instruction shall cause such child to attend the academic program on a regular
22 basis, according to this section. Nonattendance by such child shall cause such parent, guardian or
23 other responsible person to be in violation of the provisions of section 167.061, except as provided
24 by this section. A parent, guardian or other person in this state having charge, control, or custody of
25 a child between the ages of seven years of age and the compulsory attendance age for the district
26 shall cause the child to attend regularly some public, private, parochial, parish, home school or a
27 combination of such schools not less than the entire school term of the school which the child
28 attends; except that:

29 (1) A child who, to the satisfaction of the [superintendent of public schools] board of the
30 district in which he resides[, or if there is no superintendent then the chief school officer], is
31 determined to be mentally or physically incapacitated may be excused from attendance at school for
32 the full time required, or any part thereof;

33 (2) A child between fourteen years of age and the compulsory attendance age for the district
34 may be excused from attendance at school for the full time required, or any part thereof, by the
35 [superintendent of public schools] board of the district, or if there is none then by a court of
36 competent jurisdiction, when legal employment has been obtained by the child and found to be
37 desirable, and after the parents or guardian of the child have been advised of the pending action; or

38 (3) A child between five and seven years of age shall be excused from attendance at school
39 if a parent, guardian or other person having charge, control or custody of the child makes a written
40 request that the child be dropped from the school's rolls.

41 2. (1) As used in sections 167.031 to 167.071, a "home school" is a school, whether
42 incorporated or unincorporated, that:

43 (a) Has as its primary purpose the provision of private or religious-based instruction;

46 degree; and

47 (c) Does not charge or receive consideration in the form of tuition, fees, or other
48 remuneration in a genuine and fair exchange for provision of instruction.

1 (2) As evidence that a child is receiving regular instruction, the parent shall, except as
2 otherwise provided in this subsection:

3 (a) Maintain the following records:

4 a. A plan book, diary, or other written record indicating subjects taught and activities
5 engaged in; and

6 b. A portfolio of samples of the child's academic work; and

7 c. A record of evaluations of the child's academic progress; or

8 d. Other written, or credible evidence equivalent to subparagraphs a., b. and c.; and

9 (b) Offer at least one thousand hours of instruction, at least six hundred hours of which will
