

HOUSE SUBSTITUTE AMENDMENT NO. _____

for

HOUSE _____ AMENDMENT NO. _____

Offered By

AMEND House Bill No. 1611, Page 1, In the Title, Lines 2-3, by deleting the phrase "the establishment of developmental guidance and counseling programs in schools" and inserting in lieu thereof the following:

"elementary and secondary education"; and

Further amend said bill and page , Section A, Line 2, by inserting after all of said section and line the following:

"161.1005. 1. By July 1, 2017, the department of elementary and secondary education shall employ a dyslexia therapist, licensed psychometrist, licensed speech-language pathologist, certified academic language therapist, or certified training specialist to serve as the department's dyslexia specialist. Such dyslexia specialist shall have a minimum of three years of field experience in screening, identifying, and treating dyslexia and related disorders.

2. The department of elementary and secondary education shall ensure that the dyslexia specialist has completed training and received certification from a program approved by the legislative task force on dyslexia established in section 633.420 and is able to provide necessary information and support to school district teachers.

3. The dyslexia specialist shall:

(1) Be highly trained in dyslexia and related disorders, including best practice interventions and treatment models;

(2) Be responsible for the implementation of professional development; and

(3) Serve as the primary source of information and support for districts addressing the needs of students with dyslexia and related disorders.

4. In addition to the duties assigned under subsection 3 of this section, the dyslexia specialist shall assist the department of elementary and secondary education with developing and administering professional development programs to be made available to school districts no later than the 2017-18 school year. The programs shall focus on educating teachers regarding the indicators of dyslexia, the science surrounding teaching a student who is dyslexic, and classroom accommodations necessary for a student with dyslexia."; and

Further amend said bill, Page 2, Section 167.266, Line 19, by inserting after all of said section and Standing Action Taken _____ Date _____

Select Action Taken _____ Date _____

1 line the following:
2

3 "633.420. 1. For the purposes of this section, the term "dyslexia" means a disorder that is
4 neurological in origin, characterized by difficulties with accurate and fluent word recognition, and
5 poor spelling and decoding abilities that typically result from a deficit in the phonological
6 component of language, often unexpected in relation to other cognitive abilities and the provision of
7 effective classroom instruction, and of which secondary consequences may include problems in
8 reading comprehension and reduced reading experience that can impede growth of vocabulary and
9 background knowledge. Nothing in this section shall prohibit a district from assessing students for
10 dyslexia and offering students specialized reading instruction if a determination is made that a
11 student suffers from dyslexia. Unless required by federal law, nothing in this definition shall require
12 a student with dyslexia to be automatically determined eligible as a student with a disability.

13 2. There is hereby created the "Legislative Task Force on Dyslexia". The joint committee
14 on education shall provide technical and administrative support as required by the task force to
15 fulfill its duties, any such support involving monetary expenses shall first be approved by the
16 chairman of the joint committee on education. The task force shall meet at least quarterly and may
17 hold meetings by telephone or video conference. The task force shall advise and make
18 recommendations to the governor, joint committee on education, and relevant state agencies
19 regarding matters concerning individuals with dyslexia, including education and other adult and
20 adolescent services.

21 3. The task force shall be comprised of twenty members consisting of the following:

22 (1) Two members of the senate appointed by the president pro tempore of the senate, with
23 one member appointed from the minority party and one member appointed from the majority party;

24 (2) Two members of the house of representatives appointed by the speaker of the house of
25 representatives, with one member appointed from the minority party and one member appointed
26 from the majority party;

27 (3) The commissioner of education, or his or her designee;

28 (4) One representative from an institution of higher education located in this state with
29 specialized expertise in dyslexia and reading instruction;

30 (5) A representative from a state teachers association or the Missouri National Education
31 Association;

32 (6) A representative from the International Dyslexia Association of Missouri;

33 (7) A representative from Decoding Dyslexia of Missouri;

34 (8) A representative from the Missouri Association of Elementary School Principals;

35 (9) A representative from the Missouri Council of Administrators of Special Education;

36 (10) A professional licensed in the state of Missouri with experience diagnosing dyslexia
37 including, but not limited to, a licensed psychologist, school psychologist, or neuropsychologist;

38 (11) A speech-language pathologist with training and experience in early literacy
39 development and effective research-based intervention techniques for dyslexia, including an Orton-
40 Gillingham remediation program recommended by the Missouri Speech-Language Hearing
41 Association;

42 (12) A certified academic language therapist recommended by the Academic Language
43 Therapists Association who is a resident of this state;

44 (13) A representative from an independent private provider or nonprofit organization
45 servicing individuals with dyslexia;

46 (14) An assistive technology specialist with expertise in accessible print materials and
47 assistive technology used by individuals with dyslexia recommended by the Missouri assistive
48 technology council;

1 (15) One private citizen who has a child who has been diagnosed with dyslexia;

2 (16) One private citizen who has been diagnosed with dyslexia;

3 (17) A representative of the Missouri State Council of the International Reading
4 Association; and

5 (18) A pediatrician with knowledge of dyslexia.

6 4. The members of the task force, other than the members from the general assembly and ex
7 officio members, shall be appointed by the president pro tempore of the senate or the speaker of the
8 house of representatives by September 1, 2016, by alternating appointments beginning with the
9 president pro tempore of the senate. A chairperson shall be selected by the members of the task
10 force. Any vacancy on the task force shall be filled in the same manner as the original appointment.
11 Members shall serve on the task force without compensation.

12 5. The task force shall make recommendations for a statewide system for identification,
13 intervention, and delivery of supports for students with dyslexia, including the development of
14 resource materials and professional development activities. These recommendations shall be
15 included in a report to the governor and joint committee on education and shall include findings
16 and proposed legislation and shall be made available no longer than twelve months from the task
17 force's first meeting.

18 6. The recommendations and resource materials developed by the task force shall:

19 (1) Identify valid and reliable screening and evaluation assessments and protocols that can
20 be used and the appropriate personnel to administer such assessments in order to identify children
21 with dyslexia or the characteristics of dyslexia as part of an ongoing reading progress monitoring
22 system, multi-tiered system of supports, and special education eligibility determinations in schools;

23 (2) Recommend an evidence-based reading instruction, with consideration of the National
24 Reading Panel Report and Orton-Gillingham methodology principles for use in all Missouri schools,
25 and intervention system, including a list of effective dyslexia intervention programs, to address
26 dyslexia or characteristics of dyslexia for use by schools in multi-tiered systems of support and for
27 services as appropriate for special education eligible students;

28 (3) Develop and implement preservice and inservice professional development activities to
29 address dyslexia identification and intervention, including utilization of accessible print materials
30 and assistive technology, within degree programs such as education, reading, special education,
31 speech-language pathology, and psychology;

32 (4) Review teacher certification and professional development requirements as they relate to
33 the needs of students with dyslexia;

34 (5) Examine the barriers to accurate information on the prevalence of students with dyslexia
35 across the state and recommend a process for accurate reporting of demographic data; and

36 (6) Study and evaluate current practices for diagnosing, treating, and educating children in
37 this state and examine how current laws and regulations affect students with dyslexia in order to
38 present recommendations to the governor and joint committee on education.

39 7. The task force shall hire or contract for hire specialist services to support the work of the
40 task force as necessary with appropriations made by the general assembly for that purpose or from
41 other available funding.

42 8. The task force authorized under this section shall automatically sunset on August 31,
43 2018, unless reauthorized by an act of the general assembly."; and

44
45 Further amend said bill by amending the title, enacting clause, and intersectional references
46 accordingly.

47 THIS AMENDMENT SUBSTITUTES AMENDMENT 4806H01.14H
